## School Board Approval

This plan was approved by the Broward County School Board on 10/17/2023.

## SIP Authority

Section 1001.42(18), Florida Statutes (F.S.), requires district school boards to annually approve and require implementation of a new, amended, or continuation SIP for each school in the district which has a school grade of D or F; has a significant gap in achievement on statewide, standardized assessments administered pursuant to s. 1008.22 by one or more student subgroups, as defined in the federal Elementary and Secondary Education Act (ESEA), 20 U.S.C. s. 6311(b)(2)(C)(v)(II); has not significantly increased the percentage of students passing statewide, standardized assessments; has not significantly increased the percentage of students demonstrating Learning Gains, as defined in s. 1008.34, and as calculated under s. 1008.34(3)(b), who passed statewide, standardized assessments; has been identified as requiring instructional supports under the Reading Achievement Initiative for Scholastic Excellence (RAISE) program established in s. 1008.365; or has significantly lower graduation rates for a subgroup when compared to the state's graduation rate. Rule 6A-1.098813, Florida Administrative Code (F.A.C.), requires district school boards to approve a SIP for each Department of Juvenile Justice (DJJ) school in the district rated as Unsatisfactory.

Below are the criteria for identification of traditional public and public charter schools pursuant to the Every Student Succeeds Act (ESSA) State plan:

### Additional Target Support and Improvement (ATSI)

A school not identified for CSI or TSI, but has one or more subgroups with a Federal Index below 41%.

### Targeted Support and Improvement (TSI)

A school not identified as CSI that has at least one consistently underperforming subgroup with a Federal Index below 32% for three consecutive years.

### Comprehensive Support and Improvement (CSI)

A school can be identified as CSI in any of the following four ways:

1. Have an overall Federal Index below 41%;
2. Have a graduation rate at or below 67%;
3. Have a school grade of D or F; or
4. Have a Federal Index below 41% in the same subgroup(s) for 6 consecutive years.

ESEA sections 1111(d) requires that each school identified for ATSI, TSI or CSI develop a support and improvement plan created in partnership with stakeholders (including principals and other school leaders, teachers and parent), is informed by all indicators in the State's accountability system, includes evidence-based interventions, is based on a school-level needs assessment, and identifies resource inequities to be

addressed through implementation of the plan. The support and improvement plans for schools identified as TSI, ATSI and non-Title I CSI must be approved and monitored by the school district. The support and improvement plans for schools identified as Title I, CSI must be approved by the school district and Department. The Department must monitor and periodically review implementation of each CSI plan after approval.

The Department's SIP template in the Florida Continuous Improvement Management System (CIMS), <https://www.floridacims.org>, meets all state and rule requirements for traditional public schools and incorporates all ESSA components for a support and improvement plan required for traditional public and public charter schools identified as CSI, TSI and ATSI, and eligible schools applying for Unified School Improvement Grant (UniSIG) funds.

Districts may allow schools that do not fit the aforementioned conditions to develop a SIP using the template in CIMS.

The responses to the corresponding sections in the Department's SIP template may address the requirements for: 1) Title I schools operating a schoolwide program (SWD), pursuant to ESSA, as amended, Section 1114(b); and 2) charter schools that receive a school grade of D or F or three consecutive grades below C, pursuant to Rule 6A-1.099827, F.A.C. The chart below lists the applicable requirements.

SIP Sections	Title I Schoolwide Program	Charter Schools
I-A: School Mission/Vision		6A-1.099827(4)(a)(1)
I-B-C: School Leadership, Stakeholder Involvement & SIP Monitoring	ESSA 1114(b)(2-3)	
I-E: Early Warning System	ESSA 1114(b)(7)(A)(iii)(III)	6A-1.099827(4)(a)(2)
II-A-C: Data Review		6A-1.099827(4)(a)(2)
II-F: Progress Monitoring	ESSA 1114(b)(3)	
III-A: Data Analysis/Reflection	ESSA 1114(b)(6)	6A-1.099827(4)(a)(4)
III-B: Area(s) of Focus	ESSA 1114(b)(7)(A)(i-iii)	
III-C: Other SI Priorities		6A-1.099827(4)(a)(5-9)
VI: Title I Requirements	ESSA 1114(b)(2, 4-5), (7)(A)(iii)(I-V)-(B) ESSA 1116(b-g)	

Note: Charter schools that are also Title I must comply with the requirements in both columns.

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Department encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## I. School Information

### School Mission and Vision

#### **Provide the school's mission statement.**

The mission of North Andrews Gardens Elementary is to prepare our student to achieve beyond expectation, lead with great character and positivity, and impact our community.

#### **Provide the school's vision statement.**

North Andrews Gardens Elementary will work cooperatively in a safe, nurturing, inspirational, and multi-cultural environment to create productive, life long learners. We will provide a safe environment that fosters cultural consciousness; inspiring each of our students to develop socially, emotionally, and intellectually to their highest potential so that they are able to face the future with great character, positivity, and impact our community.

### School Leadership Team, Stakeholder Involvement and SIP Monitoring

#### **School Leadership Team**

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities as it relates to SIP implementation for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Duhart, Catrice	Principal	<p>The School Principal shall effectively lead and manage through the items listed by category below.</p> <p><b>INSTRUCTIONAL LEADERSHIP:</b></p> <ol style="list-style-type: none"> <li>1. Exercise proactive leadership in promoting the vision and mission of the District’s Strategic Plan.</li> <li>2. Utilize collaborative leadership style and quality processes to establish and monitor a school mission and goals that are aligned with the District’s mission and goals through active participation of stakeholders’ involvement in the school improvement process with the School Advisory Council (SAC) and School Advisory Forum (SAF).</li> <li>3. Vassell, Jermaine	SAC Member	<p>School Advisory Council (SAC) Chairperson or Co-Chair Any member can be elected to serve as chair. The Bureau of School Improvement recommends that neither a principal nor a student fills this role. Some schools elect co-chairs so that a parent or community member and a school-based member can lead jointly.</p> <ul style="list-style-type: none"> <li>• The chair is responsible for notifying members of upcoming meetings and votes. The chair, or designee, will facilitate the SAC meetings and inform the SAC of relevant issues related to school improvement activities. They also ensure that a quorum is present before an action item on the agenda comes to a vote and works in collaboration with the SAC secretary to ensure minutes are recorded and filed.</li> </ul>
Ramsey, Lori	School Counselor	<p>The Elementary Guidance Counselor shall:</p> <ol style="list-style-type: none"> <li>1. establish small group counseling sessions.</li> <li>2. counsel students on personal and academic concerns and notify parents as deemed necessary.</li> <li>3. provide materials and suggestions for classroom oriented guidance activities.</li> <li>4. arrange student, parent and teacher conferences.</li> <li>5. acquaint students new to the school with teachers, facilities and programs to help them adjust to their new environment.</li> <li>6. assist in the early identification of students for proper educational placement, such as exceptional child, federal and bilingual programs.</li> <li>7. work with parent groups in the area of child growth, development and discipline.</li> <li>8. meet with teachers to present and explaining the results of various testing programs.</li> <li>9. assist teachers in effective utilization of test results.</li> <li>10. identify community and school system resources and when advisable, refer student situations to the proper agencies.</li> <li>11. keep records of conferences and send reports within the limits of confidentiality, to the principal, administrative assistants, and/or teachers as requested.</li> <li>12. gather information from all faculty members having contact with a student being considered for referral.</li> </ol>

Name	Position Title	Job Duties and Responsibilities
------	----------------	---------------------------------

- 13. review current developments, literature and technical sources of information related to job responsibility.
- 14. ensure adherence to good safety procedures.
- 15. perform other duties as assigned by the Principal.
- 16. follow federal and state laws, as well as School Board policies.

**Stakeholder Involvement and SIP Development**

Describe the process for involving stakeholders (including the school leadership team, teachers and school staff, parents, students (mandatory for secondary schools) and families, and business or community leaders) and how their input was used in the SIP development process. (ESSA 1114(b)(2))

Note: If a School Advisory Council is used to fulfill these requirements, it must include all required stakeholders.

Our School Advisory Council (SAC) meets on the first Wednesday of each month. Our meetings are comprised of various key stakeholders including but not limited to: Principal, Assistant Principal, Title I Liaison, instructional coaches, guidance counselors, team leaders, SAC committee officers, community business partners, parents, students, and other staff members. We solicit feedback in collaboration with all stakeholders as we continuously monitor the school's goals detailed within the School Improvement Plan (SIP).

**SIP Monitoring**

Describe how the SIP will be regularly monitored for effective implementation and impact on increasing the achievement of students in meeting the State’s academic standards, particularly for those students with the greatest achievement gap. Describe how the school will revise the plan, as necessary, to ensure continuous improvement. (ESSA 1114(b)(3))

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This will primarily take place during our monthly School Advisory Council (SAC) meetings. In addition, our school administration and support staff will actively track student performance data on a regular basis and also conduct teacher data chats frequently (quarterly/monthly) based on the data trends, etc. When we approach the mid-year point, we will reconvene to address whether we are trending on or off target with the School Improvement Plan (SIP) goals and adjust our instructional practices to ensure that we meet the goals in a timely manner. This process occurs during the mid-year reflection phase of the School Improvement Plan (SIP).

**Early Warning Systems**

Using 2022-23 data, complete the table below with the number of students by current grade level that exhibit each early warning indicator listed:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Absent 10% or more days	40	37	33	45	30	54	0	0	0	239
One or more suspensions	1	0	0	6	4	4	0	0	0	15
Course failure in English Language Arts (ELA)	0	0	0	0	0	0	0	0	0	
Course failure in Math	0	0	0	0	0	0	0	0	0	
Level 1 on statewide ELA assessment	13	25	50	43	23	41	0	0	0	195
Level 1 on statewide Math assessment	0	8	47	42	24	31	0	0	0	152
Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C.	2	6	14	58	18	20	0	0	0	118

Using the table above, complete the table below with the number of students by current grade level that have two or more early warning indicators:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Students with two or more indicators	9	13	47	57	26	38	0	0	0	190

Using the table above, complete the table below with the number of students identified retained:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Retained Students: Current Year	2	2	8	21	2	5	0	0	0	40
Students retained two or more times	0	2	3	0	0	2	0	0	0	7

**Prior Year (2022-23) As Initially Reported (pre-populated)**

The number of students by grade level that exhibited each early warning indicator:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Absent 10% or more days	47	36	45	40	32	39	0	0	0	239
One or more suspensions	0	0	0	4	3	6	0	0	0	13
Course failure in ELA	0	0	0	0	0	0	0	0	0	
Course failure in Math	0	0	0	0	0	0	0	0	0	
Level 1 on statewide ELA assessment	0	0	0	28	32	29	0	0	0	89
Level 1 on statewide Math assessment	0	0	0	24	44	24	0	0	0	92
Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C.	0	2	9	18	8	6	0	0	0	43

The number of students by current grade level that had two or more early warning indicators:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Students with two or more indicators	2	1	5	28	39	36	0	0	0	111

The number of students identified retained:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Retained Students: Current Year	2	0	1	21	13	2	0	0	0	39
Students retained two or more times	0	0	0	0	1	0	0	0	0	1

**Prior Year (2022-23) Updated (pre-populated)**

Section 3 includes data tables that are pre-populated based off information submitted in prior year's SIP.

The number of students by grade level that exhibited each early warning indicator:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Absent 10% or more days	47	36	45	40	32	39	0	0	0	239
One or more suspensions	0	0	0	4	3	6	0	0	0	13
Course failure in ELA	0	0	0	0	0	0	0	0	0	
Course failure in Math	0	0	0	0	0	0	0	0	0	
Level 1 on statewide ELA assessment	0	0	0	28	32	29	0	0	0	89
Level 1 on statewide Math assessment	0	0	0	24	44	24	0	0	0	92
Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C.	0	2	9	18	8	6	0	0	0	43

**The number of students by current grade level that had two or more early warning indicators:**

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Students with two or more indicators	2	1	5	28	39	36	0	0	0	111

**The number of students identified retained:**

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Retained Students: Current Year	2	0	1	21	13	2	0	0	0	39
Students retained two or more times	0	0	0	0	1	0	0	0	0	1

**II. Needs Assessment/Data Review**

**ESSA School, District and State Comparison (pre-populated)**

Please note that the district and state averages shown here represent the averages for similar school types (elementary, middle, high school or combination schools). Each "blank" cell indicates the school had less than 10 eligible students with data for a particular component and was not calculated for the school.

**On April 9, 2021, FDOE Emergency Order No. 2021-EO-02 made 2020-21 school grades optional. They have been removed from this publication.**

Accountability Component	2023			2022			2021		
	School	District	State	School	District	State	School	District	State
ELA Achievement*	48	56	53	55	58	56	49

### III. Planning for Improvement

#### Data Analysis/Reflection

Answer the following reflection prompts after examining any/all relevant school data sources.

**Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.**

In reviewing the school grade values, the data component that showed the lowest performance was science achievement. In 2022, our science achievement was 44% proficiency and we decreased to 36% proficiency during 2023. There are several contributing factors including but not limited to student attendance issues related to excessive absenteeism, language acquisition issues related to English language barriers, and lack of prior exposure or learning as it relates to science curriculum content and standards mastery.

**Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.**

The data component that showed the greatest decline from the prior year was science achievement. In 2022, our science achievement was 44% proficiency and we decreased to 36% proficiency during 2023. There are several contributing factors including but not limited to student attendance issues related to excessive absenteeism, language acquisition issues related to English language barriers, and lack of prior exposure or learning as it relates to science curriculum content and standards mastery.

**Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.**

When compared to the state average, the data component that had the greatest gap was science. In ELA and math, our school district performed above the state averages. However, in science the school district was lower than all other neighboring counties. The contributing factors that led to this gap is K-5 Students in BCPS are not being exposed to the adopted standards-aligned science curriculum in all grades, creating an achievement gap compared to K-5 students in comparable districts.

**Which data component showed the most improvement? What new actions did your school take in this area?**

The data component that showed the most improvement was math. We increased from 58% to 61%. We adopted a new curriculum series (EnVision) for grades K-5. Last school year was the first time we mandated a 90-minute math block for all classes district-wide. We also purchased Mountain Math and Reflex Math for fluency practice and growth for grades 1-3.

**Reflecting on the EWS data from Part I, identify one or two potential areas of concern.**

Reflecting on the Early Warning Systems (EWS) from Part 1, some potential areas of concern are two of the indicators. The first priority is the number of students that are absent 10% or more days. In reviewing the data from last year, there was a total of 239 students that fell into this category. The other indicator is the number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C. There was a total of 118 students that fell into this category.

**Rank your highest priorities (maximum of 5) for school improvement in the upcoming school year.**

Our highest priorities for school improvement in the upcoming school year are as follows. Instructional Practice specifically relating to Science; Instructional Practice specifically relating to ELA; ESSA

Subgroup specifically relating to Students with Disabilities; ESSA Subgroup specifically relating to English Language Learners; and Positive Culture and Environment specifically relating to Other.

**Area of Focus**

(Identified key Area of Focus that addresses the school's highest priority based on any/all relevant data sources)

**#1. Instructional Practice specifically relating to Science****Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Based on the Spring 2023 Science Florida Comprehensive Assessment Test (FCAT), 36% of our students demonstrated proficiency. When compared to the district, 46% of the students in Broward County demonstrated proficiency. This reveals that our school is down 10% compared to the rest of the school district, thus indicating additional support with science standards mastery.

**Measurable Outcome:**

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

The percentage of 5th grade students scoring proficient or higher on the state science assessment will increase from 36% to 45% by the end of May 2024.

**Monitoring:**

Describe how this Area of Focus will be monitored for the desired outcome.

Our teachers will monitor student performance through the various unit/topic assessments administered during class. They will analyze the data during their grade level Professional Learning Communities (PLCs) and share best practices as to how to best support student learning and standards mastery.

**Person responsible for monitoring outcome:**

Jermaine Vassell (jermaine.vassell@browardschools.com)

**Evidence-based Intervention:**

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Teachers will use the district-adopted curriculum resources in addition to enhancing student learning by also using Speedbag Science Bootcamp curriculum resource to align the grade level science standards. The students will also engage in hands-on science labs to reinforce the various concepts and skills taught in class. Students will participate in the Spring 2024 Science Broward Standards Assessment (BSA) as a means to assess content knowledge and standards mastery relevant to the statewide science assessment.

**Rationale for Evidence-based Intervention:**

Explain the rationale for selecting this specific strategy.

After reviewing the schoolwide data measuring students' science standards mastery, the students in grades 3-5 require additional science academic support. The statewide assessment targets standards in grades 3, 4, and 5. It is imperative to address the learning needs as early as grade 3, as to not place a burden on students in grade 5 that have not been exposed to the earlier standards that are assessed.

**Tier of Evidence-based Intervention**

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 2 - Moderate Evidence

**Will this evidence-based intervention be funded with UniSIG?**

No

**Action Steps to Implement**

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

The Grade 5 team will analyze the multiple component of the Science Florida Comprehensive Assessment Test (FCAT) test specifications, highlighting the domains and standards that will be assessed. The teachers will follow the district-approved Instructional Focus Calendar (IFC) to ensure adequate planning for instruction and standard implementation.

**Person Responsible:** Jermaine Vassell (jermaine.vassell@browardschools.com)

**By When:** September 2023

After reviewing and analyzing the data from the Spring 2024 Science Broward Standards Assessment (BSA), the teachers will implement a Spring camp to address the learning needs of the students. The purpose of the camp will be to revisit the standards that have not been mastered yet by the students and spiral review through the content that will be assessed in Spring 2024 on the Science Florida Comprehensive Assessment Test (FCAT). This will serve as both an intervention and enrichment opportunity for all students.

**Person Responsible:** Jermaine Vassell (jermaine.vassell@browardschools.com)

**By When:** March 2024

Teachers will discuss with school administrators and support staff how their students are performing during the grade level data chats. Additional support will be provided as needed throughout the year regarding content knowledge, standards mastery, best practices, etc.

**Person Responsible:** Jermaine Vassell (jermaine.vassell@browardschools.com)

**By When:** Quarterly and/or monthly throughout the 2023-2024 school year.

**#2. Instructional Practice specifically relating to ELA****Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Based on the Spring 2023 Florida Assessment of Student Thinking (FAST) assessment, our English Language Arts (ELA) overall proficiency was 50%.

**Measurable Outcome:**

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

By May 2024, the percentage of ELA students scoring proficient will increase from 50% to 55% as measured by the statewide FAST assessment.

**Monitoring:**

Describe how this Area of Focus will be monitored for the desired outcome.

The students in grades K-2 will be participating in the FAST Progress Monitoring (PM) assessment periods (PM1, PM2, and PM3) using the STAR Renaissance platform. The students in grades 3-5 will be participating in the FAST Progress Monitoring (PM) assessment periods (PM1, PM2, and PM3) using the Cambium platform.

**Person responsible for monitoring outcome:**

Amy Torres (amy.torres@browardschools.com)

**Evidence-based Intervention:**

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Teachers and support staff will be meeting for periodic data chats (semester/quarterly) to review the data and track student performance as they progress through the school year. Student performance data will be collected and monitored using the school-wide data sheet template provided to the staff during the school year.

**Rationale for Evidence-based Intervention:**

Explain the rationale for selecting this specific strategy.

After reviewing 2022-2023 data measuring students' reading standards mastery, many students in grades 3-5 require additional ELA academic support. The students with significant reading deficiencies will be provided tiered intervention support through the Multi-Tiered System of Supports (MTSS) in attempt to close the achievement gap.

**Tier of Evidence-based Intervention**

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

**Will this evidence-based intervention be funded with UniSIG?**

No

**Action Steps to Implement**

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

The Collaborative Problem Solving Team (CPST) will identify and determine the level of academic support necessary in ELA, based on a Multi-Tiered System of Supports (MTSS) through our school's Response to Intervention (RTI) meetings. The teachers will provide ELA intervention strategies (Tier 2 or Tier 3) to meet the needs of the individual students.

**Person Responsible:** Amy Torres (amy.torres@browardschools.com)

**By When:** Weekly, monthly, and/or quarterly throughout the 2023-2024 school year.

Students in grades 3-5 will be provided the opportunity to participate in a before-school academic camp for ELA, Math, and Science. The students will use Florida Success Coach practice consumables textbooks and various other district-approved resources to address learning gaps in ELA, Math, and Science.

**Person Responsible:** Amy Torres (amy.torres@browardschools.com)

**By When:** March 2024

**#3. ESSA Subgroup specifically relating to Students with Disabilities****Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Our school serves a large population of Students with Disabilities (SWD). A large majority of these students makeup the lowest subgroup in both English Language Arts (ELA) and Mathematics. Based on the Spring 2023 ELA FAST assessment, 24% of our students with disabilities demonstrated proficiency. Based on the Spring 2023 Math FAST, 40% of our students with disabilities demonstrated proficiency.

**Measurable Outcome:**

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

The percentage of students with disabilities scoring proficient in ELA will increase from 24% to 29% by the end of May 2024 as measured by school-wide FAST assessment.

The percentage of students with disabilities scoring proficient in Math will increase from 40% to 45% by the end of May 2024 as measured by school-wide FAST assessment.

**Monitoring:**

Describe how this Area of Focus will be monitored for the desired outcome.

Our students will participate in the new statewide FAST assessments three times during the year. The monitoring of student progress will be conducted at the end of each period of assessment (PM1, PM2, and PM3). This applies to both ELA and Math.

**Person responsible for monitoring outcome:**

Kelly Hubert (kelly.hubert@browardschools.com)

**Evidence-based Intervention:**

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

The population of Students with Disabilities (SWD) will continue to receive their required instructional services as defined within their Individualized Education Plans (IEPs). In addition, this student subgroup will continue to receive differentiated instruction in both ELA and Math. The classroom teacher as well as the ESE support facilitator will provide small group, multi-sensory accommodations as indicated by the student's IEP. For ELA, the students will participate in daily guided reading at their instructional level. In Math, the students will use iReady fluency flight for fluency skills, and teacher-led small group math lessons for intervention as needed for the individual student(s).

**Rationale for Evidence-based Intervention:**

Explain the rationale for selecting this specific strategy.

The teacher and ESE support facilitator will continue to implement differentiated instruction in both ELA and Math to meet the Students with Disabilities (SWD) target goals along with their individualized IEP goals. Small group instruction in both ELA and Math will allow for exposure to grade level material and standards.

**Tier of Evidence-based Intervention**

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

**Will this evidence-based intervention be funded with UniSIG?**

No

### **Action Steps to Implement**

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Teachers will provide rigorous instruction aligned to the ELA and Math standards, while also meeting the individual needs through explicit small group lessons aligned with IEP goals.

**Person Responsible:** Kelly Hubert (kelly.hubert@browardschools.com)

**By When:** June 2024

Administration, support staff and the RTI/MTSS team will monitor student progress to determine next steps or level of support.

**Person Responsible:** Kelly Hubert (kelly.hubert@browardschools.com)

**By When:** June 2024

**#4. ESSA Subgroup specifically relating to English Language Learners****Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Based on the data from the 2023 statewide assessments, the English Language Learners (ELL) subgroup demonstrated 18% proficiency on the English Language Arts (ELA) assessment and 44% proficiency on the Mathematics assessment. Our school serves a large population of students that makeup this subgroup of English Language Learners (ELLs) and there is an evident language barrier that greatly impacts their academic success.

**Measurable Outcome:**

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

By May 2024, the students that makeup the English Language Learners (ELL) subgroup will increase their proficiency in ELA, Math, and Science by 5% as measured by the statewide assessments.

**Monitoring:**

Describe how this Area of Focus will be monitored for the desired outcome.

Student performance data will be monitored to ensure an increase in proficiency in ELA, Math, and Science. Quarterly data chats with teachers will be held as well as classroom walkthroughs that will be conducted to observe the fidelity of small group instruction and standards implementation to better meet the needs of the students within this subgroup.

**Person responsible for monitoring outcome:**

Catrice Duhart (catrice.duhart@browardschools.com)

**Evidence-based Intervention:**

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

The teacher will continue differentiated instruction in ELA, Math, and Science to meet the individual student needs. Small group instruction in ELA, Math, and Science will allow for exposure to grade level material and standards using Benchmark Advance along with the new math series enVision, respectively. Guided reading at the students instructional reading level will be conducted daily. iReady will be used for reading and math. Generation Genius will be used for science. ELL support will also provide ELL strategies in a small group setting to assist students with gaps in learning.

**Rationale for Evidence-based Intervention:**

Explain the rationale for selecting this specific strategy.

Many students that makeup the English Language Learners (ELL) subgroup need additional support in ELA, Math, and Science. This will be provided by small group instruction in ELA, Math, and Science by the classroom teacher. The ELL student will be provided additional support in a small group setting from our ELL support staff.

**Tier of Evidence-based Intervention**

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 3 - Promising Evidence

**Will this evidence-based intervention be funded with UniSIG?**

No

### Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

ELL Support staff will identify students for additional assistance in grades 3-5 and monitor progress in ELA, Math, and Science to determine continuing level of support by reviewing the student performance data and discussing progress of the individual student with the teacher.

**Person Responsible:** Clarice Johnston (clarice.johnston@browardschools.com)

**By When:** June 2024

ELL support will conduct small group lessons in ELA to assist the individual learner with gaps in learning as it pertains to reading. Classroom teachers will also meet with our Literacy Coach as needed to improve ELA practices in guided reading to meet the needs of the individual student.

**Person Responsible:** Amy Torres (amy.torres@browardschools.com)

**By When:** June 2024

Classroom teachers will meet with Math Coach as needed to improve Math practices in whole group and small group instruction to meet the needs of the individual students.

**Person Responsible:** Kara Sarcione Kerr (kara.sarcione@browardschools.com)

**By When:** June 2024

**#5. Positive Culture and Environment specifically relating to Other****Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning and a culture that values trust, respect and high expectations.

**Measurable Outcome:**

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

One of the newest initiatives that we highlight at North Andrews Gardens is our Life Skills and Wellness (LSW) plan. We build relationships with our students in many different ways. Our school counselors conduct small groups with students to address specific needs. Our entire school does mindfulness exercises each morning. We also plan school-wide events where families are invited to attend and spend time learning together.

**Monitoring:**

Describe how this Area of Focus will be monitored for the desired outcome.

What has become most important to us at North Andrews Gardens Elementary is nurturing the social and emotional side of our students to assist in feeding the academic side. We identify different groups in the school and the community to help promote the positive culture. Groups like our School Advisory Council (SAC) and School Advisory Forum (SAF) or our Parent Teacher Association (PTA) play a big role. We also reach out to parents often making sure that they understand how important their partnership with the school is for their child's success.

**Person responsible for monitoring outcome:**

Catrice Duhart (catrice.duhart@browardschools.com)

**Evidence-based Intervention:**

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Consulting with various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies that impact the school culture and environment. Stakeholder groups more proximal to the school include teachers, students and families of students, volunteers and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services and business partners.

**Rationale for Evidence-based Intervention:**

Explain the rationale for selecting this specific strategy.

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning and a culture that values trust, respect and high expectations.

**Tier of Evidence-based Intervention**

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

**Will this evidence-based intervention be funded with UniSIG?**

No

**Action Steps to Implement**

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Promoting collaboration across all grade levels. Each grade level or department is assigned to a specific school committee to promote shared decision-making.

**Person Responsible:** Lori Ramsey (lori.ramsey@browardschools.com)

**By When:** June 2024

**CSI, TSI and ATSI Resource Review**

Describe the process to review school improvement funding allocations and ensure resources are allocated based on needs. This section must be completed if the school is identified as ATSI, TSI or CSI in addition to completing an Area(s) of Focus identifying interventions and activities within the SIP (ESSA 1111(d)(1)(B)(4) and (d)(2)(C).

At North Andrews Gardens Elementary, we hold monthly School Advisory Council (SAC) meetings to share and collaborate with key stakeholders regarding all school improvement needs. At each SAC meeting, the Principal reports out the current running balance of our school's accountability funds among other topics. If there is a need identified that will benefit the school, we as the SAC committee will vote to approve the use of those allocated funds from the accountability balance. In order for any voting to occur, our SAC committee is required to meet quorum, which indicates that at least 51% of the voting members are present and therefore are allowed to conduct any voting during the meeting.

Our school is identified as an Additional Targeted Support and Improvement (ATSI) school. This means that we have one or more subgroups with a Federal Index below 41%. Based on our school's data, our student subgroups that were below the 41% Federal Index were the Students with Disabilities (SWD) and English Language Learners (ELL). We have targeted and created specific goals for these student subgroups in efforts to close the achievement gaps. As outlined in the School Improvement Plan (SIP), there are specific action steps that will be taken in order to achieve this goal.

**Reading Achievement Initiative for Scholastic Excellence (RAISE)****Area of Focus Description and Rationale**

Include a description of your Area of Focus (Instructional Practice specifically relating to Reading/ELA) for each grade below, how it affects student learning in literacy, and a rationale that explains how it was identified as a critical need from the data reviewed. Data that should be used to determine the critical need should include, at a minimum:

- The percentage of students below Level 3 on the 2022 statewide, standardized ELA assessment. Identification criteria must include each grade that has 50 percent or more students scoring below level 3 in grades 3-5 on the statewide, standardized ELA assessment.
- The percentage of students in kindergarten through grade 3, based on 2021-2022 end of year screening and progress monitoring data, who are not on track to score Level 3 or above on the statewide, standardized ELA assessment.
- Other forms of data that should be considered: formative, progress monitoring and diagnostic assessment data.

**Grades K-2: Instructional Practice specifically relating to Reading/ELA**

Based on the results of the 2023 English Language Arts (ELA) FAST PM3, 43% of our students in grades K-2 were below Level 3. More specifically, 45% of our kindergarten, 34% of our first grade, and 51% of our second grade students were not on track to score Level 3 or above on the statewide, standardized ELA assessment.

In grades K-2, our teachers will have an instructional focus for their individual Professional Learning Communities (PLCs) that targets student proficiency as measured by the statewide Florida Assessment of Student Thinking (FAST). Students in grades K-2 use the STAR Renaissance platform. The administration and support staff at our school will provide necessary support to the teachers and students that are in need. Professional Learning (PL) will also be available throughout the course of the school year via the district elementary department.

### **Grades 3-5: Instructional Practice specifically related to Reading/ELA**

Based on the results of the 2023 English Language Arts (ELA) FAST PM3, 50% of our students in grades 3-5 were below Level 3. More specifically, 54% of our third grade, 38% of our fourth grade, and 56% of our fifth grade students were below Level 3 on the 2023 statewide, standardized ELA assessment.

In grades 3-5, our teachers will have an instructional focus for their individual Professional Learning Communities (PLCs) that targets student proficiency as measured by the statewide Florida Assessment of Student Thinking (FAST). Students in grades 3-5 use the Cambium platform. The administration and support staff at our school will provide necessary support to the teachers and students that are in need. Professional Learning (PL) will also be available throughout the course of the school year via the district elementary department.

### **Measurable Outcomes**

State the specific measurable outcome the school plans to achieve for each grade below. This should be a data-based, objective outcome. Include prior year data and a measurable outcome for each of the following:

- Each grade K -3, using the coordinated screening and progress monitoring system, where 50 percent or more of the students are not on track to pass the statewide ELA assessment;
- Each grade 3-5 where 50 percent or more of its students scored below a Level 3 on the most recent statewide, standardized ELA assessment; and
- Grade 6 measurable outcomes may be included, as applicable.

### **Grades K-2 Measurable Outcomes**

By May 2024, the percentage of Kindergarten students scoring level three or above (proficient) on the FAST ELA will increase from 55% to 60%.

By May 2024, the percentage of first grade students scoring level three or above (proficient) on the FAST ELA will increase from 66% to 71%.

By May 2024, the percentage of second grade students scoring level three or above (proficient) on the FAST ELA will increase from 49% to 54%.

### **Grades 3-5 Measurable Outcomes**

By May 2024, the percentage of third grade students scoring level three or above (proficient) on the FAST ELA will increase from 46% to 51%.

By May 2024, the percentage of fourth grade students scoring level three or above (proficient) on the FAST ELA will increase from 62% to 67%.

By May 2024, the percentage of fifth grade students scoring level three or above (proficient) on the FAST ELA will increase from 44% to 51%.

## Monitoring

### Monitoring

Describe how the school's Area(s) of Focus will be monitored for the desired outcomes. Include a description of how ongoing monitoring will impact student achievement outcomes.

Teachers will discuss with school administrators and support staff how their students are performing during the grade level data chats. Additional support will be provided as needed throughout the year regarding content knowledge, standards mastery, best practices, etc.

### Person Responsible for Monitoring Outcome

Select the person responsible for monitoring this outcome.

Duhart, Catrice, [catrice.duhart@browardschools.com](mailto:catrice.duhart@browardschools.com)

## Evidence-based Practices/Programs

### Description:

Describe the evidence-based practices/programs being implemented to achieve the measurable outcomes in each grade and describe how the identified practices/programs will be monitored. The term "evidence-based" means demonstrating a statistically significant effect on improving student outcomes or other relevant outcomes as provided in 20 U.S.C. §7801(21)(A)(i). Florida's definition limits evidence-based practices/programs to only those with strong, moderate or promising levels of evidence.

- Do the identified evidence-based practices/programs meet Florida's definition of evidence-based (strong, moderate or promising)?
- Do the evidence-based practices/programs align with the district's K-12 Comprehensive Evidence-based Reading Plan?
- Do the evidence-based practices/programs align to the B.E.S.T. ELA Standards?

Teachers and support staff will be meeting for periodic data chats (semester/quarterly) to review the data and track student performance as they progress through the school year. Student performance data will be collected and monitored using the school-wide data sheet template provided to the staff during the school year.

### Rationale:

Explain the rationale for selecting practices/programs. Describe the resources/criteria used for selecting the practices/programs.

- Do the evidence-based practices/programs address the identified need?
- Do the identified evidence-based practices/programs show proven record of effectiveness for the target population?

After reviewing 2022-2023 data measuring students' reading standards mastery, many students in grades 3-5 require additional ELA academic support. The students with significant reading deficiencies

will be provided tiered intervention support through the Multi-Tiered System of Supports (MTSS) in attempt to close the achievement gap.

### Action Steps to Implement

List the action steps that will be taken to address the school's Area(s) of Focus. To address the area of focus, identify 2 to 3 action steps and explain in detail for each of the categories below:

- Literacy Leadership
- Literacy Coaching
- Assessment
- Professional Learning

Action Step	Person Responsible for Monitoring
The Collaborative Problem Solving Team (CPST) will identify and determine the level of academic support necessary in ELA, based on a Multi-Tiered System of Supports (MTSS) through our school's Response to Intervention (RTI) meetings. The teachers will provide ELA intervention strategies (Tier 2 or Tier 3) to meet the needs of the individual students.	Torres, Amy, amy.torres@browardschools.com
Students in grades 3-5 will be provided the opportunity to participate in a before-school academic camp for additional support in English Language Arts (ELA).	Torres, Amy, amy.torres@browardschools.com

## Title I Requirements

### Schoolwide Program Plan (SWP) Requirements

This section must be completed if the school is implementing a Title I, Part A SWP and opts to use the SIP to satisfy the requirements of the SWP plan, as outlined in the ESSA, Public Law No. 114-95, § 1114(b). This section is not required for non-Title I schools.

**Provide the methods for dissemination of this SIP, UniSIG budget and SWP to stakeholders (e.g., students, families, school staff and leadership and local businesses and organizations). Please articulate a plan or protocol for how this SIP and progress will be shared and disseminated and to the extent practicable, provided in a language a parent can understand. (ESSA 1114(b)(4))**  
 List the school's webpage\* where the SIP is made publicly available.

The methods of dissemination of this SIP, UniSIG budget and SWP to stakeholders (e.g., students, families, school staff and leadership and local businesses and organizations) will include publishing the links on our school website, automated telephone calls, school news emails, School Advisory Council (SAC) and/or Parent Teacher Association (PTA) meetings, and flyers sent home with students. Our teachers also forward these out to the parents and families of the students they have in their classroom by using applications such as Class Dojo, Remind, etc. Our school website is:  
<https://www.browardschools.com/northandrews>

**Describe how the school plans to build positive relationships with parents, families and other community stakeholders to fulfill the school's mission, support the needs of students and keep parents informed of their child's progress.**

List the school's webpage\* where the school's Family Engagement Plan is made publicly available. (ESSA 1116(b-g))

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies that impact the school culture and environment. Stakeholder groups more proximal to the school include teachers, students and families of students, volunteers and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services and business partners. Our school website is:  
<https://www.browardschools.com/northandrews>

**Describe how the school plans to strengthen the academic program in the school, increase the amount and quality of learning time and help provide an enriched and accelerated curriculum. Include the Area of Focus if addressed in Part III of the SIP. (ESSA 1114(b)(7)ii)**

One of the newest initiatives that we highlight at North Andrews Gardens is our Life Skills and Wellness (LSW) plan. We build relationships with our students in many different ways. Our school counselors conduct small groups with students to address specific needs. Our entire school does mindfulness exercises each morning. We also plan school-wide events where families are invited to attend and spend time learning together.

What has become most important to us at North Andrews Gardens Elementary is nurturing the life skills and wellness side of our students as well as their focus on performing arts to assist in feeding the academic side. We identify different groups in the school and the community to help promote the positive culture. Groups like our School Advisory Council (SAC) and School Advisory Forum (SAF) or our Parent Teacher Association (PTA) play a big role. We also reach out to parents often making sure that they understand how important their partnership with the school is for their child's success.

**If appropriate and applicable, describe how this plan is developed in coordination and integration with other Federal, State, and local services, resources and programs, such as programs supported under ESSA, violence prevention programs, nutrition programs, housing programs, Head Start programs, adult education programs, career and technical education programs, and schools implementing CSI or TSI activities under section 1111(d). (ESSA 1114(b)(5))**

At our school, the plan is developed by coordinating with our stakeholders. For violence prevention programs, we implement monthly activities, and seminars in the auditorium, SAVE Promise Club, and Safety Patrol. Each task will empower each student to identify the "signs" which will allow all students and staff to take meaningful action. For the nutrition program, the Kiwanis Club organization donates weekly bags of food to students in need. This opportunity allows students to have something to share with their families during off time from school. CSI or TSI activities are implemented by partnering with stakeholders, conducting needs assessments and root cause analysis, identifying/developing evidence-based interventions, strategies, and/or activities (RTI), and analyzing the data to develop, implement, monitor, and evaluate improvement efforts throughout the school year.

**Optional Component(s) of the Schoolwide Program Plan**

Include descriptions for any additional strategies that will be incorporated into the plan.

**Describe how the school ensures counseling, school-based mental health services, specialized support services, mentoring services, and other strategies to improve students' skills outside the academic subject areas. (ESSA 1114(b)(7)(iii)(I))**

At our school, the guidance department ensures counseling, school-based mental health services, specialized support services, mentoring services, and other strategies to improve students' skills outside the academic subject areas. The students are organized into small groups dependent upon the individual needs (e.g., Self-Control/Self-Management/Behavior Issues, Self-Esteem, Divorce Family, Resiliency, Positive Friendship (5th grade only), and more.

**Describe the preparation for and awareness of postsecondary opportunities and the workforce, which may include career and technical education programs and broadening secondary school students' access to coursework to earn postsecondary credit while still in high school. (ESSA 1114(b)(7)(iii)(II))**

N/A

**Describe the implementation of a schoolwide tiered model to prevent and address problem behavior, and early intervening services, coordinated with similar activities and services carried out under the Individuals with Disabilities Education Act. 20 U.S.C. 1400 et seq. and ESSA 1114(b)(7)(iii)(III).**

The implementation of a schoolwide tiered model to prevent and address problem behavior, and early intervening services, coordinated with similar activities and services carried out under the Individuals with Disabilities Education Act (IDEA) occurs during our weekly Response to Intervention (RtI) and Multi-Tiered Systems of Support (MTSS). This occurs regularly throughout the course of the school year and we follow all procedures and protocols aligned with the Collaborative Problem-Solving Team (CPST). Additional support will be provided to the teachers and students during the RtI meetings and also during the individual teacher or grade level data chats. Teachers also receive information pertaining to the student's Individualized Education Plan (IEP) and/or accommodations set forth in the Section 504 plans. Our school also follows the School-wide Positive behavior Plan (SPBP) specifically unified schoolwide expectations and rules, discipline flow chart, and Conversation Help Activity Movement Participation (CHAMPS) behavior system.

**Describe the professional learning and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data from academic assessments, and to recruit and retain effective teachers, particularly in high need subjects. (ESSA 1114(b)(7)(iii)(IV))**

At our school, we engage in professional learning and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data from academic assessments, and to recruit and retain effective teacher, particular in high need subjects. This occurs during the pre-planning week for all mandatory trainings, biweekly for Professional Learning Communities (PLCs), and other quarterly/monthly/weekly Professional Learning (PL) opportunities throughout the school year. This year our focus is science achievement and ELA small group instruction.

**Describe the strategies the school employs to assist preschool children in the transition from early childhood education programs to local elementary school programs. (ESSA 1114(b)(7)(iii)(V))**

N/A
