School Board Approval

This plan was approved by the Broward County School Board on 10/17/2023.

SIP Authority

Section 1001.42(18), Florida Statutes (F.S.), requires district school boards to annually approve and require implementation of a new, amended, or continuation SIP for each school in the district which has a school grade of D or F; has a significant gap in achievement on statewide, standardized assessments administered pursuant to s. 1008.22 by one or more student subgroups, as defined in the federal Elementary and Secondary Education Act (ESEA), 20 U.S.C. s. 6311(b)(2)(C)(v)(II); has not significantly increased the percentage of students passing statewide, standardized assessments; has not significantly increased the percentage of students demonstrating Learning Gains, as defined in s. 1008.34, and as calculated under s. 1008.34(3)(b), who passed statewide, standardized assessments; has been identified as requiring instructional supports under the Reading Achievement Initiative for Scholastic Excellence (RAISE) program established in s. 1008.365; or has significantly lower graduation rates for a subgroup when compared to the state's graduation rate. Rule 6A-1.098813, Florida Administrative Code (F.A.C.), requires district school boards to approve a SIP for each Department of Juvenile Justice (DJJ) school in the district rated as Unsatisfactory.

Below are the criteria for identification of traditional public and public charter schools pursuant to the Every Student Succeeds Act (ESSA) State plan:

Additional Target Support and Improvement (ATSI)

A school not identified for CSI or TSI, but has one or more subgroups with a Federal Index below 41%.

Targeted Support and Improvement (TSI)

A school not identified as CSI that has at least one consistently underperforming subgroup with a Federal Index below 32% for three consecutive years.

Comprehensive Support and Improvement (CSI)

A school can be identified as CSI in any of the following four ways:

1. Have an overall Federal Index below 41%;
2. Have a graduation rate at or below 67%;
3. Have a school grade of D or F; or
4. Have a Federal Index below 41% in the same subgroup(s) for 6 consecutive years.

ESEA sections 1111(d) requires that each school identified for ATSI, TSI or CSI develop a support and improvement plan created in partnership with stakeholders (including principals and other school leaders, teachers and parent), is informed by all indicators in the State's accountability system, includes evidence-based interventions, is based on a school-level needs assessment, and identifies resource inequities to be

addressed through implementation of the plan. The support and improvement plans for schools identified as TSI, ATSI and non-Title I CSI must be approved and monitored by the school district. The support and improvement plans for schools identified as Title I, CSI must be approved by the school district and Department. The Department must monitor and periodically review implementation of each CSI plan after approval.

The Department's SIP template in the Florida Continuous Improvement Management System (CIMS), <https://www.floridacims.org>, meets all state and rule requirements for traditional public schools and incorporates all ESSA components for a support and improvement plan required for traditional public and public charter schools identified as CSI, TSI and ATSI, and eligible schools applying for Unified School Improvement Grant (UniSIG) funds.

Districts may allow schools that do not fit the aforementioned conditions to develop a SIP using the template in CIMS.

The responses to the corresponding sections in the Department's SIP template may address the requirements for: 1) Title I schools operating a schoolwide program (SWD), pursuant to ESSA, as amended, Section 1114(b); and 2) charter schools that receive a school grade of D or F or three consecutive grades below C, pursuant to Rule 6A-1.099827, F.A.C. The chart below lists the applicable requirements.

SIP Sections	Title I Schoolwide Program	Charter Schools
I-A: School Mission/Vision		6A-1.099827(4)(a)(1)
I-B-C: School Leadership, Stakeholder Involvement & SIP Monitoring	ESSA 1114(b)(2-3)	
I-E: Early Warning System	ESSA 1114(b)(7)(A)(iii)(III)	6A-1.099827(4)(a)(2)
II-A-C: Data Review		6A-1.099827(4)(a)(2)
II-F: Progress Monitoring	ESSA 1114(b)(3)	
III-A: Data Analysis/Reflection	ESSA 1114(b)(6)	6A-1.099827(4)(a)(4)
III-B: Area(s) of Focus	ESSA 1114(b)(7)(A)(i-iii)	
III-C: Other SI Priorities		6A-1.099827(4)(a)(5-9)
VI: Title I Requirements	ESSA 1114(b)(2, 4-5), (7)(A)(iii)(I-V)-(B) ESSA 1116(b-g)	

Note: Charter schools that are also Title I must comply with the requirements in both columns.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Department encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

I. School Information

School Mission and Vision

Provide the school's mission statement.

Our mission at Margate Elementary is to to educate all students to the highest levels of academic achievement, to enable them to reach and expand their potential, and to prepare them to become productive, responsible, ethical, creative and compassionate members of society.

Provide the school's vision statement.

Our vision at Margate Elementary School is to create a nurturing environment so that our students will become independent, successful, life long learners by providing a high quality, differentiated and innovative curriculum based on the B.E.S.T and Florida State Standards.

School Leadership Team, Stakeholder Involvement and SIP Monitoring

School Leadership Team

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities as it relates to SIP implementation for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Schroeder, Thomas	Principal	<p>The Principal will be responsible for the following areas:</p> <ol style="list-style-type: none"> 1. budget – have total control of the school budget, including final approval of expenditures within board approved guidelines – review the budget with the staff and the advisory before May 1 of each year 2. audits – meet audit requirements in the use of all funds 3. facilities: <ul style="list-style-type: none"> initiate minor capital repairs up to \$1,000 work with project manager/architect for renovations oversee on-going maintenance ensure adherence to good safety procedures 4. Staff:: assignments – delegate authority and responsibility of support staff, clerical unit and team leaders to implement procedures for evaluation of program and personnel. staff development – participate in the training programs offered to increase the individual's skill and proficiency related to the assignments <ul style="list-style-type: none"> teacher assessment/observation/evaluation personnel – recommend the administrative staff in compliance with Board approved job descriptions; recommend personnel transfers; help place unassigned personnel contract management payroll initiate minor capital repairs up to \$1,000.00 5. PTA/Advisory 6. School Improvement and School Improvement Plan 7. master schedule w/committee 8. room assignments w/committee 9. meet requirements of the Standards of Service 10. initiate student enrollment projection 11. evaluation – be required to recommend dismissal or suspension of staff members due to incompetence or misconduct and to send the supporting documentation to the Area Superintendent and the Board 12. meet the requirements of School Board policies and Southern Association accrediting Agency where applicable 13. perform other duties as assigned by the Area Superintendent 14. follow federal and state laws, as well as School Board policies 15. make pupil reassignments 16. perform and promote all activities in compliance with equal employment and non-discrimination polices of the School Board 17. review current developments, literature, and technical sources of information related to job responsibility <p>A principal may be assigned to a twelve month calendar as specified each year in the Board approved salary schedule.</p>

Shall provide guidance information to the community through the school via monthly school newsletter. <p>E. Shall perform other duties as required by the Principal.</p>

Stakeholder Involvement and SIP Development

Describe the process for involving stakeholders (including the school leadership team, teachers and school staff, parents, students (mandatory for secondary schools) and families, and business or community leaders) and how their input was used in the SIP development process. (ESSA 1114(b)(2))

Note: If a School Advisory Council is used to fulfill these requirements, it must include all required stakeholders.

All stakeholders were involved in the process of the School Improvement Plan. All data was analyzed and interventions were discussed and put into place. Grades K-2 implement University of Florida Foundations as their Tier 1 instruction. Grades 3-5 have also been trained in the University of Florida (UFLI) model for small group instruction.

SIP Monitoring

Describe how the SIP will be regularly monitored for effective implementation and impact on increasing the achievement of students in meeting the State's academic standards, particularly for those students with the greatest achievement gap. Describe how the school will revise the plan, as necessary, to ensure continuous improvement. (ESSA 1114(b)(3))

Administration and support staff will hold Data Chats with all stakeholders. They will be analyzing data and monitoring the effectiveness of instruction. Students that have achievement gaps will be closely monitored by the ESE and Intervention team. Administration will conduct classroom walkthroughs. All students are held accountable for their learning. They track their progress through a SWAG (Students with academic goals) folder. Teachers monitor and conference with students after they graph their data.

Demographic Data

Only ESSA identification and school grade history updated 3/11/2024

2023-24 Status (per MSID File)	Active
School Type and Grades Served (per MSID File)	Elementary School PK-5

II. Needs Assessment/Data Review

ESSA School, District and State Comparison (pre-populated)

Please note that the district and state averages shown here represent the averages for similar school types (elementary, middle, high school or combination schools). Each "blank" cell indicates the school had less than 10 eligible students with data for a particular component and was not calculated for the school.

On April 9, 2021, FDOE Emergency Order No. 2021-EO-02 made 2020-21 school grades optional. They have been removed from this publication.

Accountability Component	2023			2022			2021		
	School	District	State	School	District	State	School	District	State
ELA Achievement*	46	56	53	50	58	56	43		
ELA Learning Gains				69			36		
ELA Lowest 25th Percentile				79			34		
Math Achievement*	52	62	59	53	54	50	36		
Math Learning Gains				78			23		
Math Lowest 25th Percentile				87			30		

Accountability Component	2023			2022			2021		
	School	District	State	School	District	State	School	District	State
Science Achievement*	42	48	54	39	59	59	30		
Social Studies Achievement*					71	64			
Middle School Acceleration					60	52			
Graduation Rate					45	50			
College and Career Acceleration						80			
ELP Progress	52	59	59	53			31		

* In cases where a school does not test 95% of students in a subject, the achievement component will be different in the Federal Percent of Points Index (FPPI) than in school grades calculation.

See [Florida School Grades, School Improvement Ratings and DJJ Accountability Ratings](#).

Grade Level Data Review– State Assessments (pre-populated)

The data are raw data and include ALL students who tested at the school. This is not school grade data. The percentages shown here represent ALL students who received a score of 3 or higher on the statewide assessments.

An asterisk (*) in any cell indicates the data has been suppressed due to fewer than 10 students tested, or all tested students scoring the same.

III. Planning for Improvement

Data Analysis/Reflection

Answer the following reflection prompts after examining any/all relevant school data sources.

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

Our ELL students showed the lowest performance on the PM3 ELA FAST. The contributing factors for the low performance of this subgroup were the students limited English abilities that require the need for more ELL student support within all classrooms due to our ever growing number of ELL population.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

The data component that showed the biggest decline from last year was our 4th graders from 2022 demonstrating 54% proficiency on the Math FSA to the same students as 5th graders in 2023 showing only 48% proficiency on the Math PM3 FAST. The factors that contributed to this decline were the adoption of new math curriculum, new state assessment, the restructuring of the 5th grade team, and taking the assessments online rather than pencil/paper.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

The data component that had the greatest gap when compared to the state average was the 5th grade ELA PM3 FAST. The state's average of proficiency was 55% and our average of proficiency was 45%. The factors that contributed to this gap was the need for more push-in support for our large ESE and ELL population.

Which data component showed the most improvement? What new actions did your school take in this area?

The data component that showed the most improvement was our 2022 3rd grade students who demonstrated 47% proficiency on the Math FSA to our 2023 4th grade students who demonstrated 60% proficiency on the Math PM3 FAST. The new actions that our school took in this area was having the entire 4th grade team trained in the new math curriculum and provided plenty of push-in support.

Reflecting on the EWS data from Part I, identify one or two potential areas of concern.

The two potential areas of concern are student absences and students with a substantial reading deficiency.

Rank your highest priorities (maximum of 5) for school improvement in the upcoming school year.

1. Provide necessary professional development and training for teacher to execute Tier 1 instruction with fidelity.
2. Put in place push-in support for ELL students.
3. Collaborate with school-site social develop a plan to increase/support student attendance.

Area of Focus

(Identified key Area of Focus that addresses the school's highest priority based on any/all relevant data sources)

#1. Instructional Practice specifically relating to ELA**Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Reading directly impacts all the other content areas. If students cannot comprehend the questions, they cannot effectively demonstrate their understanding.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

By June 2024, 62% of our third-fifth grade students will score at or above a level 3 on the 2024 FAST Assessment.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Professional Learning Communities and Lesson Study

Person responsible for monitoring outcome:

Shannon Mills (shannon.mills@browardschools.com)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Implementation of the University of Florida Literacy Initiative (UFLI) for all grade levels impacting all students including those in all subgroups. In primary grades, all teachers will use UFLI Foundations as their Tier 1 instruction. In addition, they can also use it as a Tier 2 and Tier intervention. Our Grades 3-5 teachers have also been trained in how to use the UFLI Small Group model. The UFLI ELA instructional strategies will be utilized during the one-hour intervention block school-wide. In the intermediate grades, standards-based instruction for the whole group will be taught using the District Scope and Sequence for standards and Document-Based Questioning resources (DBQ). Primary teachers will utilize the UFLI lesson framework for small group instruction and intermediate teachers will use the small group plan framework for intervention.

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

The University of Florida is continually collecting data to determine the effectiveness of its programs. They have provided support to our teachers and coaches throughout the implementation.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

1. Yearlong professional learning communities to monitor student reading progress
2. UFLI Coach and Literacy Coach will meet with teachers as needed
3. Data will be monitored and growth measured at the end of each unit cycle using Benchmark Advance

assessments.

4. BAS assessments and Core phonics surveys will be given and analyzed for teaching targets based on the District guidelines or more frequent as needed.

Person Responsible: Hayley Geraine (hayley.geraine@browardschools.com)

By When: June 2024

Reading Achievement Initiative for Scholastic Excellence (RAISE)

Area of Focus Description and Rationale

Include a description of your Area of Focus (Instructional Practice specifically relating to Reading/ELA) for each grade below, how it affects student learning in literacy, and a rationale that explains how it was identified as a critical need from the data reviewed. Data that should be used to determine the critical need should include, at a minimum:

- The percentage of students below Level 3 on the 2022 statewide, standardized ELA assessment. Identification criteria must include each grade that has 50 percent or more students scoring below level 3 in grades 3-5 on the statewide, standardized ELA assessment.
- The percentage of students in kindergarten through grade 3, based on 2021-2022 end of year screening and progress monitoring data, who are not on track to score Level 3 or above on the statewide, standardized ELA assessment.
- Other forms of data that should be considered: formative, progress monitoring and diagnostic assessment data.

Grades K-2: Instructional Practice specifically relating to Reading/ELA

According to the F.A.S.T. Progress Monitoring Data 35% of our K students were Urgent or Intervention. 1st and 2nd grade had 35% of our students Urgent or Intervention. Based on the data generated, our school is implementing the University of Florida's Foundations Phonics-Based Curriculum to implement Tier One instructional practices. This includes an in-depth lesson study and data analysis review of quarter data utilizing the DIBELS progress monitoring system.

Grades 3-5: Instructional Practice specifically related to Reading/ELA

Overall, 53% of our grades 3-5 students scored at a Level 1 or 2 as measured by the F.A.S.T Progress Monitoring 3rd assessment. The grade level breakdown included: 56% of third grade; 51% of fourth grade and 55% of fifth grade. As a result, we have implemented a push-in inclusive model targeting foundations of reading along with comprehension/standards-based instruction. Each supported class has a push-in support personnel to help bridge the gap for our students not at proficiency.

Measurable Outcomes

State the specific measurable outcome the school plans to achieve for each grade below. This should be a data-based, objective outcome. Include prior year data and a measurable outcome for each of the following:

- Each grade K -3, using the coordinated screening and progress monitoring system, where 50 percent or more of the students are not on track to pass the statewide ELA assessment;
- Each grade 3-5 where 50 percent or more of its students scored below a Level 3 on the most recent statewide, standardized ELA assessment; and
- Grade 6 measurable outcomes may be included, as applicable.

Grades K-2 Measurable Outcomes

By June 2024, 62% of our K-2 students will demonstrate proficiency as measured by the Spring DIBELS Assessment (targeting the ORF sub-test).

By June 2024, 62% of our K-2 students will demonstrate proficiency on the Spring FAST ELA Assessment.

Grades 3-5 Measurable Outcomes

By June 2024, 62% of our 3-5 students will demonstrate proficiency on the Spring FAST ELA Assessment.

Monitoring

Monitoring

Describe how the school's Area(s) of Focus will be monitored for the desired outcomes. Include a description of how ongoing monitoring will impact student achievement outcomes.

Our school will be utilizing the following progress monitoring instruments to determine effectiveness on a quarterly basis: DIBELS, BAS, FAST PM 2, Benchmark Cumulative Assessments and Common Formative ELA Assessments. Data will be reviewed by administration and the curriculum coaches at the end of each instructional cycle to drive the next instructional cycle.

Person Responsible for Monitoring Outcome

Select the person responsible for monitoring this outcome.

Schroeder, Thomas, thomas.schroeder@browardschools.com

Evidence-based Practices/Programs

Description:

Describe the evidence-based practices/programs being implemented to achieve the measurable outcomes in each grade and describe how the identified practices/programs will be monitored. The term “evidence-based” means demonstrating a statistically significant effect on improving student outcomes or other relevant outcomes as provided in 20 U.S.C. §7801(21)(A)(i). Florida’s definition limits evidence-based practices/programs to only those with strong, moderate or promising levels of evidence.

- Do the identified evidence-based practices/programs meet Florida’s definition of evidence-based (strong, moderate or promising)?
- Do the evidence-based practices/programs align with the district’s K-12 Comprehensive Evidence-based Reading Plan?
- Do the evidence-based practices/programs align to the B.E.S.T. ELA Standards?

We are utilizing the UFLI Foundations program for our k-2 students along with the UFLI small group instructional model for our K-5 small group instruction. These programs/models align to the BEST Standards and are included in the K-12 Comprehensive Reading Plan. Additionally, our school has adopted the Benchmark Advanced Curriculum to implement across classrooms.

Rationale:

Explain the rationale for selecting practices/programs. Describe the resources/criteria used for selecting the practices/programs.

- Do the evidence-based practices/programs address the identified need?
- Do the identified evidence-based practices/programs show proven record of effectiveness for the target population?

The evidence-based programs are providing a TIER One instructional gap for our school in the area of decoding, phonics and phonemic awareness for our primary students. Additionally, the small group model developed by the University of Florida provides support in all areas of reading development.

Action Steps to Implement

List the action steps that will be taken to address the school’s Area(s) of Focus. To address the area of focus, identify 2 to 3 action steps and explain in detail for each of the categories below:

- Literacy Leadership
- Literacy Coaching
- Assessment
- Professional Learning

Action Step	Person Responsible for Monitoring
1. Teachers and staff will participate in yearlong professional learning communities to monitor student reading progress and the effectiveness of the programs.	Geraine, Hayley, hayley.geraine@browardschools.com
2. UFLI Coach and Literacy Coach will meet with teachers to document the growth of all of the students. Data will be monitored closely to ensure that all students are making growth.	Geraine, Hayley, hayley.geraine@browardschools.com
3. We have identified Supported classes at each grade level. ESE and Intervention teachers will push into these classes and provide the targeted support to the students.	Geraine, Hayley, hayley.geraine@browardschools.com

Title I Requirements

Schoolwide Program Plan (SWP) Requirements

This section must be completed if the school is implementing a Title I, Part A SWP and opts to use the SIP to satisfy the requirements of the SWP plan, as outlined in the ESSA, Public Law No. 114-95, § 1114(b). This section is not required for non-Title I schools.

Provide the methods for dissemination of this SIP, UniSIG budget and SWP to stakeholders (e.g., students, families, school staff and leadership and local businesses and organizations). Please articulate a plan or protocol for how this SIP and progress will be shared and disseminated and to the extent practicable, provided in a language a parent can understand. (ESSA 1114(b)(4))

List the school's webpage* where the SIP is made publicly available.

The School Improvement Plan will be available on the school's website at <https://www.browardschools.com/margateelem>. The School Improvement plan is reviewed at monthly School Improvement Plan meetings with all members. Our School improvement plan is also reviewed at Family Outreach nights throughout the school year. Our administration also publishes a Monthly Panther Pride Newsletter that highlights our School Improvement Plan.

Describe how the school plans to build positive relationships with parents, families and other community stakeholders to fulfill the school's mission, support the needs of students and keep parents informed of their child's progress.

List the school's webpage* where the school's Family Engagement Plan is made publicly available. (ESSA 1116(b-g))

The School Improvement Plan will be available on the school's website at <https://www.browardschools.com/margateelem>. Parents, families and other community stakeholders are made aware of the school's mission and ways to support the needs of students through Monthly Calendar of events and Curriculum Newsletters. All documents have QR codes with links to the documents in Spanish and Creole. We have a Family and Community Engagement Resource Hub in our Welcome Center where parents can also access resources.

Describe how the school plans to strengthen the academic program in the school, increase the amount and quality of learning time and help provide an enriched and accelerated curriculum. Include the Area of Focus if addressed in Part III of the SIP. (ESSA 1114(b)(7)ii)

Our school plans to strengthen the academic program, by closely monitoring assessments and adjusting instruction to meet the needs of all learners. Professional Learning communities with grade level teams and across grade level teams will provide collaboration and planning to ensure all lessons are enriching and engaging.

If appropriate and applicable, describe how this plan is developed in coordination and integration with other Federal, State, and local services, resources and programs, such as programs supported under ESSA, violence prevention programs, nutrition programs, housing programs, Head Start programs, adult education programs, career and technical education programs, and schools implementing CSI or TSI activities under section 1111(d). (ESSA 1114(b)(5))

Our school Guidance counselor as well as our school social worker closely monitor students and families that may be in need of food or housing.

Optional Component(s) of the Schoolwide Program Plan

Include descriptions for any additional strategies that will be incorporated into the plan.

Describe how the school ensures counseling, school-based mental health services, specialized support services, mentoring services, and other strategies to improve students' skills outside the academic subject areas. (ESSA 1114(b)(7)(iii)(I))

Our school Guidance counselor follows the School Guidance plan and Life Skills and Wellness plans.

Describe the preparation for and awareness of postsecondary opportunities and the workforce, which may include career and technical education programs and broadening secondary school students' access to coursework to earn postsecondary credit while still in high school. (ESSA 1114(b)(7)(iii)(II))

Not applicable

Describe the implementation of a schoolwide tiered model to prevent and address problem behavior, and early intervening services, coordinated with similar activities and services carried out under the Individuals with Disabilities Education Act. 20 U.S.C. 1400 et seq. and ESSA 1114(b)(7)(iii)(III).

Our school implements a School Wide Positive Behavior Plan. The assistant principal reviews the SESIR data at each school advisory council meeting.

Describe the professional learning and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data from academic assessments, and to recruit and retain effective teachers, particularly in high need subjects. (ESSA 1114(b)(7)(iii)(IV))

Teachers, paraprofessionals and other school personnel are provided professional learning at school to improve instruction and use of data. All of our K-5 teachers have been trained by the University of Florida Instructional facilitators on the UFLI instructional model and our K-2 teachers and Paraprofessionals have received training of the Small group Foundations model.

Describe the strategies the school employs to assist preschool children in the transition from early childhood education programs to local elementary school programs. (ESSA 1114(b)(7)(iii)(V))

Our students in VPK and Pre Kindergarten matriculate into our General Education programs.
