## School Board Approval

This plan was approved by the Citrus County School Board on 10/10/2023.

## SIP Authority

Section 1001.42(18), Florida Statutes (F.S.), requires district school boards to annually approve and require implementation of a new, amended, or continuation SIP for each school in the district which has a school grade of D or F; has a significant gap in achievement on statewide, standardized assessments administered pursuant to s. 1008.22 by one or more student subgroups, as defined in the federal Elementary and Secondary Education Act (ESEA), 20 U.S.C. s. 6311(b)(2)(C)(v)(II); has not significantly increased the percentage of students passing statewide, standardized assessments; has not significantly increased the percentage of students demonstrating Learning Gains, as defined in s. 1008.34, and as calculated under s. 1008.34(3)(b), who passed statewide, standardized assessments; has been identified as requiring instructional supports under the Reading Achievement Initiative for Scholastic Excellence (RAISE) program established in s. 1008.365; or has significantly lower graduation rates for a subgroup when compared to the state's graduation rate. Rule 6A-1.098813, Florida Administrative Code (F.A.C.), requires district school boards to approve a SIP for each Department of Juvenile Justice (DJJ) school in the district rated as Unsatisfactory.

Below are the criteria for identification of traditional public and public charter schools pursuant to the Every Student Succeeds Act (ESSA) State plan:

### Additional Target Support and Improvement (ATSI)

A school not identified for CSI or TSI, but has one or more subgroups with a Federal Index below 41%.

### Targeted Support and Improvement (TSI)

A school not identified as CSI that has at least one consistently underperforming subgroup with a Federal Index below 32% for three consecutive years.

### Comprehensive Support and Improvement (CSI)

A school can be identified as CSI in any of the following four ways:

1. Have an overall Federal Index below 41%;
2. Have a graduation rate at or below 67%;
3. Have a school grade of D or F; or
4. Have a Federal Index below 41% in the same subgroup(s) for 6 consecutive years.

ESEA sections 1111(d) requires that each school identified for ATSI, TSI or CSI develop a support and improvement plan created in partnership with stakeholders (including principals and other school leaders, teachers and parent), is informed by all indicators in the State's accountability system, includes evidence-based interventions, is based on a school-level needs assessment, and identifies resource inequities to be

addressed through implementation of the plan. The support and improvement plans for schools identified as TSI, ATSI and non-Title I CSI must be approved and monitored by the school district. The support and improvement plans for schools identified as Title I, CSI must be approved by the school district and Department. The Department must monitor and periodically review implementation of each CSI plan after approval.

The Department's SIP template in the Florida Continuous Improvement Management System (CIMS), <https://www.floridacims.org>, meets all state and rule requirements for traditional public schools and incorporates all ESSA components for a support and improvement plan required for traditional public and public charter schools identified as CSI, TSI and ATSI, and eligible schools applying for Unified School Improvement Grant (UniSIG) funds.

Districts may allow schools that do not fit the aforementioned conditions to develop a SIP using the template in CIMS.

The responses to the corresponding sections in the Department's SIP template may address the requirements for: 1) Title I schools operating a schoolwide program (SWD), pursuant to ESSA, as amended, Section 1114(b); and 2) charter schools that receive a school grade of D or F or three consecutive grades below C, pursuant to Rule 6A-1.099827, F.A.C. The chart below lists the applicable requirements.

SIP Sections	Title I Schoolwide Program	Charter Schools
I-A: School Mission/Vision		6A-1.099827(4)(a)(1)
I-B-C: School Leadership, Stakeholder Involvement & SIP Monitoring	ESSA 1114(b)(2-3)	
I-E: Early Warning System	ESSA 1114(b)(7)(A)(iii)(III)	6A-1.099827(4)(a)(2)
II-A-C: Data Review		6A-1.099827(4)(a)(2)
II-F: Progress Monitoring	ESSA 1114(b)(3)	
III-A: Data Analysis/Reflection	ESSA 1114(b)(6)	6A-1.099827(4)(a)(4)
III-B: Area(s) of Focus	ESSA 1114(b)(7)(A)(i-iii)	
III-C: Other SI Priorities		6A-1.099827(4)(a)(5-9)
VI: Title I Requirements	ESSA 1114(b)(2, 4-5), (7)(A)(iii)(I-V)-(B) ESSA 1116(b-g)	

Note: Charter schools that are also Title I must comply with the requirements in both columns.

## **Purpose and Outline of the SIP**

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Department encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## I. School Information

### School Mission and Vision

**Provide the school's mission statement.**

Through building positive relationships with our students, families, and community, LPS strives to provide engaging and innovative instruction within a safe, inclusive learning environment. We celebrate success and growth in every child, inspiring life-long learners.

**Provide the school's vision statement.**

The vision of Lecanto Primary School is to prepare students to be critical thinkers today, leading to successful citizens tomorrow.

### Stakeholder Involvement and SIP Development

Describe the process for involving stakeholders (including the school leadership team, teachers and school staff, parents, students (mandatory for secondary schools) and families, and business or community leaders) and how their input was used in the SIP development process. (ESSA 1114(b)(2))

Note: If a School Advisory Council is used to fulfill these requirements, it must include all required stakeholders.

Lecanto Primary School establishes a School Advisory Council that includes all required stakeholders. All SAC members are invited to our Strategic Planning meeting to review parent, staff, and student survey results, student data, and collaborate to develop SIP focus areas and action steps.

### SIP Monitoring

Describe how the SIP will be regularly monitored for effective implementation and impact on increasing the achievement of students in meeting the State's academic standards, particularly for those students with the greatest achievement gap. Describe how the school will revise the plan, as necessary, to ensure continuous improvement. (ESSA 1114(b)(3))

The SIP will be reviewed at SAC meetings (4 times during the school year), as well as during staff meetings to determine progress and possible revision.

### Grade Level Data Review– State Assessments (pre-populated)

The data are raw data and include ALL students who tested at the school. This is not school grade data. The percentages shown here represent ALL students who received a score of 3 or higher on the statewide assessments.

An asterisk (\*) in any cell indicates the data has been suppressed due to fewer than 10 students tested, or all tested students scoring the same.

### III. Planning for Improvement

#### Data Analysis/Reflection

Answer the following reflection prompts after examining any/all relevant school data sources.

**Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.**

Science proficiency decreased from 49% in 2022 to 32% in 2023, 17% below the district average and 19% below the state.

The team discussed:

Lack of consistent instruction in 5th grade. Between December 2022- February 2023, two 5th grade teachers left Lecanto Primary.

Increase in student discipline referrals, removing students from the learning environment.

Lack of student motivation and engagement.

Lack of consistent instruction

Lack of spiral review materials for 3rd and 4th grade science standards

**Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.**

In addition to the decline in science, overall, math proficiency in 3rd-5th grade decreased from 58% in 2022 to 49% in 2023.

The team discussed:

Lack of consistent instruction in 3rd-5th grade. Between December 2022- February 2023, 4 teachers (in grades 3-5) left Lecanto Primary.

Increase in student discipline referrals, removing students from the learning environment.

Lack of student motivation and engagement.

Small groups occurred but instruction may not have been differentiated

Learning new BEST Math Standards and Savvas curriculum

**Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.**

Science proficiency decreased from 49% in 2022 to 32% in 2023, 17% below the district average and 19% below the state average.

In addition to science, this year, our 3rd grade ELA proficiency was 47%, 1% above the district average and 4% below the state average.

The team discussed:

Lack of consistent instruction in 3rd-5th grade. Between December 2022- February 2023, 4 teachers (grades 3-5) left Lecanto Primary.

Increase in student discipline referrals, removing students from the learning environment.

Lack of student motivation and engagement.

Small groups occurred by instruction may not have been differentiated in ELA and Math

Learning new BEST Math Standards and Savvas curriculum

**Which data component showed the most improvement? What new actions did your school take in this area?**

In 2022, our 4th grade ELA proficiency was 44%. In 2023, this cohort of students increased to 57% proficiency, in line with the district average, and 3% above the state average.

During the 2022-2023 school year, our school implemented the strategies and initiatives below:

Title I Paraprofessionals

Implementation of Wonders curriculum and new BEST Standards

Kindergarten classrooms were supported by paraprofessionals

Utilization of AR to encourage independent reading

Small group instruction

iReady extended support

Implementation of district Literacy Framework

FAST Progress Monitoring Tool

Departmentalization in 5th Grade

Veteran 5th grade ELA teachers

**Reflecting on the EWS data from Part I, identify one or two potential areas of concern.**

Students receiving discipline referrals.

Students scoring a level 1 on FAST Assessments.

**Rank your highest priorities (maximum of 5) for school improvement in the upcoming school year.**

Increasing math proficiency school wide

Increasing science proficiency in 5th grade

Increasing ELA proficiency schoolwide

Decreasing discipline referrals schoolwide

### **Area of Focus**

(Identified key Area of Focus that addresses the school's highest priority based on any/all relevant data sources)

**#1. Positive Culture and Environment specifically relating to Other****Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

According to our "code call" and discipline referral data, unwanted behaviors have been on the rise. In 2022, students received 1,381 discipline referrals, and in 2023, students received 1,571 referrals. These numbers indicate a need to address positive culture and environment as a focus area. In addition, respect was an area of concern highlighted in the staff, student, and parent surveys.

**Measurable Outcome:**

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Lecanto Primary School will reduce discipline referrals by 10%

**Monitoring:**

Describe how this Area of Focus will be monitored for the desired outcome.

Monthly discipline referrals data review

Weekly leadership team meetings to discuss student discipline and review referral numbers

Problem Solving Team meetings

**Person responsible for monitoring outcome:**

Brennan McNally (mcnallyb@citrusschools.org)

**Evidence-based Intervention:**

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Lecanto Primary School will continue implementation of a school wide positive behavior plan. School wide expectations will be taught, practiced, and celebrated pervasively.

All students will participate in resiliency lessons and strategies to build positive classroom climate and culture.

A consistent discipline system will be implemented to decrease unwanted behaviors.

Professional development will be provided to increase student engagement.

**Rationale for Evidence-based Intervention:**

Explain the rationale for selecting this specific strategy.

Research and evidence indicate that schools that effectively implement a positive behavior plan with clearly defined expectations and supports have a decrease in negative behaviors and referrals. With the use of character education lessons, building classroom communities and positive relationships, along with a systematic and well defined behavior plan, negative behaviors and interactions will decrease and the number of students without a discipline referral will increase.

**Tier of Evidence-based Intervention**

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

**Will this evidence-based intervention be funded with UniSIG?**

No

**Action Steps to Implement**

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

#### Clear Expectations and Consequences

- Post and practice clear expectations with visual representations
- Maintain consistency (classroom management plans, behavior incidents) in classrooms and across the school.
- Conduct classroom management refreshers (for teachers) after breaks.
- Utilize de-escalation strategies to keep students in the classroom.

**Person Responsible:** Brennan McNally (mcnallyb@citrusschools.org)

**By When:** Ongoing throughout the year- completed by May 2024

#### Building Positive Peer Relationships

- Conduct morning meetings to set the tone and build relationships.
- Encourage secret compliments from peers.
- Organize classroom celebrations to foster positivity.
- Implement a proactive approach in classrooms through push in lessons, tiered behavior interventions, and 1:1 lessons
- High Five Friday

**Person Responsible:** Brennan McNally (mcnallyb@citrusschools.org)

**By When:** Ongoing throughout the year- completed by May 2024

#### Behavior Management and Interventions

- Revisit behavior procedures after the 1st semester for improvements.
- Identify root causes of behavior for Tier 2/Tier 3 students.
- Ensure intervention feedback and communication from interventionists.
- Monitor trends in referrals and behaviors to address issues
- Form a discipline committee for more comprehensive solutions.

**Person Responsible:** Brennan McNally (mcnallyb@citrusschools.org)

**By When:** Ongoing throughout the year- completed by May 2024

#### Proactive and Positive Approaches and Rewards

- Be proactive by standing at the door to greet and assess dispositions.
- Use positive rewards like free play and treasure chests.
- Set a positive referral goal for the whole school and celebrate achievements.
- Utilize positive referrals ("Paws"istive) with paw recognition and a morning show spin wheel.

**Person Responsible:** Brennan McNally (mcnallyb@citrusschools.org)

**By When:** Ongoing throughout the year- completed by May 2024

#### Collaborative Teacher Efforts

- Encourage teachers to compliment other classes and make connections.
- Veteran teachers and staff to support/mentor new teachers in development of classroom management plan
- TIP teachers to review Harry Wong strategies for implementing procedures in the classroom
- Facilitate teachers reaching out to one another for assistance (effective communication).

**Person Responsible:** Brennan McNally (mcnallyb@citrusschools.org)

**By When:** Ongoing throughout the year- completed by May 2024

**#2. Instructional Practice specifically relating to ELA****Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed.

One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Based on our data review, increasing student proficiency levels and learning gains in ELA has been identified as a critical area of focus for Lecanto Primary School. According to our data, 3rd-5th grade ELA proficiency dropped from 55% in 2022 to 54% in 2023. This indicates that we did not meet our measurable outcome of increasing ELA proficiency by 10%. Schoolwide, the need to continue with an ELA focus in grades 3-5 is evident.

**Measurable Outcome:**

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

**Evidence-based Intervention:**

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Daily instruction will be delivered in a structured ELA block, in alignment with the district Literacy Framework, which includes designated times for whole group instruction using rigorous, evidence-based BEST Standards aligned, Wonders curriculum and differentiated small group instruction. There will be an increased focus on foundational reading skills in grades K-2 to help prevent gaps in learning. In addition, grades 3-5 will focus on providing targeted interventions and differentiated instruction during small group. Reading interventions utilizing evidence-based iReady and UFLI resources to address student deficit areas will be implemented for students showing a need based on iReady, Lexia, FLKRS, and FAST progress monitoring data. Additionally, students will complete a minimum of 40 minutes of iReady Reading sessions weekly.

**Rationale for Evidence-based Intervention:**

Explain the rationale for selecting this specific strategy.

This strategy was selected because the instructional materials and structures have proven effective in many districts throughout the state including demographically comparable districts. The use of a structured ELA block and rigorous, evidence based instructional materials will help to increase student performance.

**Tier of Evidence-based Intervention**

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

### CSI, TSI and ATSI Resource Review

Describe the process to review school improvement funding allocations and ensure resources are allocated based on needs. This section must be completed if the school is identified as ATSI, TSI or CSI in addition to completing an Area(s) of Focus identifying interventions and activities within the SIP (ESSA 1111(d)(1)(B)(4) and (d)(2)(C).

During our Strategic Planning meeting held in July, we reviewed our school assessment data with stakeholders. We discussed "what" our data showed, "so what" it meant, including implications and possible reasons for the results, and finally determined "now what" we were going to do. Areas of Focus and action steps were developed. During this time we developed plans for professional development, personnel, and instructional resources needed. Funding allocations were set aside to ensure the needs indicated through our discussion and as listed in the Needs Assessment and Planning for Improvement sections, are met.

### Reading Achievement Initiative for Scholastic Excellence (RAISE)

**Area of Focus Description and Rationale**

Include a description of your Area of Focus (Instructional Practice specifically relating to Reading/ELA) for each grade below, how it affects student learning in literacy, and a rationale that explains how it was identified as a critical need from the data reviewed. Data that should be used to determine the critical need should include, at a minimum:

- The percentage of students below Level 3 on the 2022 statewide, standardized ELA assessment. Identification criteria must include each grade that has 50 percent or more students scoring below level 3 in grades 3-5 on the statewide, standardized ELA assessment.
- The percentage of students in kindergarten through grade 3, based on 2021-2022 end of year screening and progress monitoring data, who are not on track to score Level 3 or above on the statewide, standardized ELA assessment.
- Other forms of data that should be considered: formative, progress monitoring and diagnostic assessment data.

**Grades K-2: Instructional Practice specifically relating to Reading/ELA**

Based on our data review, increasing student proficiency levels and learning gains in ELA has been identified as a critical area of focus for Lecanto Primary School.

Kindergarten ELA proficiency was 87%, 1st grade was 72%, and 2nd grade was 75%. We will continue to focus on ELA instruction as we did last year in the primary grades to ensure we are continuing to build a firm foundation in literacy. Based on our K-2 data, our strategies were effective in increasing ELA proficiency.

**Grades 3-5: Instructional Practice specifically related to Reading/ELA**

Based on our data review, increasing student proficiency levels and learning gains in ELA has been identified as a critical area of focus for Lecanto Primary School. According to our data, 3rd-5th grade ELA proficiency dropped from 55% in 2022 to 54% in 2023. This indicates that we did not meet our measurable outcome of increasing ELA proficiency by 10%. Schoolwide, the need to continue with an ELA focus in grades 3-5 is evident.

**Measurable Outcomes**

State the specific measurable outcome the school plans to achieve for each grade below. This should be a data-based, objective outcome. Include prior year data and a measurable outcome for each of the following:

- Each grade K -3, using the coordinated screening and progress monitoring system, where 50 percent or more of the students are not on track to pass the statewide ELA assessment;
- Each grade 3-5 where 50 percent or more of its students scored below a Level 3 on the most recent statewide, standardized ELA assessment; and
- Grade 6 measurable outcomes may be included, as applicable.

**Grades K-2 Measurable Outcomes**

Grades K-2 will increase ELA proficiency by 10%.

**Grades 3-5 Measurable Outcomes**

Grades 3-5 will increase ELA proficiency by 10%.

## Evidence-based Practices/Programs

### Description:

Describe the evidence-based practices/programs being implemented to achieve the measurable outcomes in each grade and describe how the identified practices/programs will be monitored. The term "evidence-based" means demonstrating a statistically significant effect on improving student outcomes or other relevant outcomes as provided in 20 U.S.C. §7801(21)(A)(i). Florida's definition limits evidence-based practices/programs to only those with strong, moderate or promising levels of evidence.

- Do the identified evidence-based practices/programs meet Florida's definition of evidence-based (strong, moderate or promising)?
- Do the evidence-based practices/programs align with the district's K-12 Comprehensive Evidence-based Reading Plan?
- Do the evidence-based practices/programs align to the B.E.S.T. ELA Standards?

Daily instruction will be delivered in a structured ELA block, in alignment with the district Literacy Framework, which includes designated times for whole group instruction using rigorous, evidence-based BEST Standards aligned, Wonders curriculum and differentiated small group instruction. There will be an increased focus on foundational reading skills in grades K-2 to help prevent gaps in learning.

There will be an increased focus on comprehension skills in grades 3-5 to help prevent gaps in learning. Staff members will participate in monthly Science of Reading PD and share sessions.

Reading interventions utilizing evidence-based iReady and UFLI resources to address student deficit areas will be implemented for students showing a need based on iReady, Lexia, and FAST progress monitoring data. Additionally, students will complete a minimum of 40 minutes of iReady Reading sessions weekly.

### Rationale:

Explain the rationale for selecting practices/programs. Describe the resources/criteria used for selecting the practices/programs.

- Do the evidence-based practices/programs address the identified need?
- Do the identified evidence-based practices/programs show proven record of effectiveness for the target population?

This strategy was selected because the instructional materials and structures have proven effective in many districts throughout the state including demographically comparable districts. The use of a structured ELA block and rigorous, evidence based instructional materials will help to increase student performance. In addition, the Science of Reading will be a major area of focus for all staff members. Professional development in how students learn to read will be beneficial and provide guidance in filling gaps in student learning, ultimately increasing proficiency.

## Title I Requirements

### Schoolwide Program Plan (SWP) Requirements

This section must be completed if the school is implementing a Title I, Part A SWP and opts to use the SIP to satisfy the requirements of the SWP plan, as outlined in the ESSA, Public Law No. 114-95, § 1114(b). This section is not required for non-Title I schools.

**Provide the methods for dissemination of this SIP, UniSIG budget and SWP to stakeholders (e.g., students, families, school staff and leadership and local businesses and organizations). Please articulate a plan or protocol for how this SIP and progress will be shared and disseminated and to the extent practicable, provided in a language a parent can understand. (ESSA 1114(b)(4))**  
List the school's webpage\* where the SIP is made publicly available.

Once published, a link to the SIP plan will be emailed to all parents and stakeholders. The plan will be reviewed regularly at SAC meeting. In addition, it will be posted on the Lecanto Primary webpage and shared via social media platforms.
