## School Board Approval

This plan was approved by the Citrus County School Board on 10/10/2023.

## SIP Authority

Section 1001.42(18), Florida Statutes (F.S.), requires district school boards to annually approve and require implementation of a new, amended, or continuation SIP for each school in the district which has a school grade of D or F; has a significant gap in achievement on statewide, standardized assessments administered pursuant to s. 1008.22 by one or more student subgroups, as defined in the federal Elementary and Secondary Education Act (ESEA), 20 U.S.C. s. 6311(b)(2)(C)(v)(II); has not significantly increased the percentage of students passing statewide, standardized assessments; has not significantly increased the percentage of students demonstrating Learning Gains, as defined in s. 1008.34, and as calculated under s. 1008.34(3)(b), who passed statewide, standardized assessments; has been identified as requiring instructional supports under the Reading Achievement Initiative for Scholastic Excellence (RAISE) program established in s. 1008.365; or has significantly lower graduation rates for a subgroup when compared to the state's graduation rate. Rule 6A-1.098813, Florida Administrative Code (F.A.C.), requires district school boards to approve a SIP for each Department of Juvenile Justice (DJJ) school in the district rated as Unsatisfactory.

Below are the criteria for identification of traditional public and public charter schools pursuant to the Every Student Succeeds Act (ESSA) State plan:

### Additional Target Support and Improvement (ATSI)

A school not identified for CSI or TSI, but has one or more subgroups with a Federal Index below 41%.

### Targeted Support and Improvement (TSI)

A school not identified as CSI that has at least one consistently underperforming subgroup with a Federal Index below 32% for three consecutive years.

### Comprehensive Support and Improvement (CSI)

A school can be identified as CSI in any of the following four ways:

1. Have an overall Federal Index below 41%;
2. Have a graduation rate at or below 67%;
3. Have a school grade of D or F; or
4. Have a Federal Index below 41% in the same subgroup(s) for 6 consecutive years.

ESEA sections 1111(d) requires that each school identified for ATSI, TSI or CSI develop a support and improvement plan created in partnership with stakeholders (including principals and other school leaders, teachers and parent), is informed by all indicators in the State's accountability system, includes evidence-based interventions, is based on a school-level needs assessment, and identifies resource inequities to be

addressed through implementation of the plan. The support and improvement plans for schools identified as TSI, ATSI and non-Title I CSI must be approved and monitored by the school district. The support and improvement plans for schools identified as Title I, CSI must be approved by the school district and Department. The Department must monitor and periodically review implementation of each CSI plan after approval.

The Department's SIP template in the Florida Continuous Improvement Management System (CIMS), <https://www.floridacims.org>, meets all state and rule requirements for traditional public schools and incorporates all ESSA components for a support and improvement plan required for traditional public and public charter schools identified as CSI, TSI and ATSI, and eligible schools applying for Unified School Improvement Grant (UniSIG) funds.

Districts may allow schools that do not fit the aforementioned conditions to develop a SIP using the template in CIMS.

The responses to the corresponding sections in the Department's SIP template may address the requirements for: 1) Title I schools operating a schoolwide program (SWD), pursuant to ESSA, as amended, Section 1114(b); and 2) charter schools that receive a school grade of D or F or three consecutive grades below C, pursuant to Rule 6A-1.099827, F.A.C. The chart below lists the applicable requirements.

SIP Sections	Title I Schoolwide Program	Charter Schools
I-A: School Mission/Vision		6A-1.099827(4)(a)(1)
I-B-C: School Leadership, Stakeholder Involvement & SIP Monitoring	ESSA 1114(b)(2-3)

II-A-C: Data Review		6A-1.099827(4)(a)(2)
II-F: Progress Monitoring	ESSA 1114(b)(3)	
III-A: Data Analysis/Reflection	ESSA 1114(b)(6)	6A-1.099827(4)(a)(4)
III-B: Area(s) of Focus	ESSA 1114(b)(7)(A)(i-iii)	
III-C: Other SI Priorities		6A-1.099827(4)(a)(5-9)
VI: Title I Requirements	ESSA 1114(b)(2, 4-5), (7)(A)(iii)(I-V)-(B) ESSA 1116(b-g)	

Note: Charter schools that are also Title I must comply with the requirements in both columns.

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Department encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## I. School Information

### School Mission and Vision

#### **Provide the school's mission statement.**

Citrus Resource for Exceptional Students in Transition (CREST) is a special day school for students with disabilities. The mission of CREST is to provide an enriching special day school environment in which all students achieve. By addressing our students' unique educational needs, we facilitate successful integration into the community. Our belief is that all students can achieve regardless of their disability. Innovative programs, instruction, and curriculum are defining components of CREST. Opportunities for participation and integration into our community are integral components of our school.

#### **Provide the school's vision statement.**

The vision of CREST School is to lift our students to the highest level of achievement, develop a culture of mutual respect, provide a means of communication developing a voice, and transition students to become contributing members of our community.

**Stakeholder Involvement and SIP Development**

Describe the process for involving stakeholders (including the school leadership team, teachers and school staff, parents, students (mandatory for secondary schools) and families, and business or community leaders) and how their input was used in the SIP development process. (ESSA 1114(b)(2))

Note: If a School Advisory Council is used to fulfill these requirements, it must include all required stakeholders.

The CREST leadership team (consisting of administration and instructional staff) collaborates with a parent representative (CREST School Advisory Chair) and a school board member prior to the school year to analyze data, student progression, academic achievement, and develops a data driven plan for the upcoming school year. The parent, student, and staff survey data are used in the development of the School Improvement process. Additionally, notes compiled from the previous year's School Advisory Council are utilized in the development of the plan. School leadership team meets to review and finalize the plan.

**SIP Monitoring**

Describe how the SIP will be regularly monitored for effective implementation and impact on increasing the achievement of students in meeting the State's academic standards, particularly for those students with the greatest achievement gap. Describe how the school will revise the plan, as necessary, to ensure continuous improvement. (ESSA 1114(b)(3))

CREST team will hold a minimum of four School Advisory Council meetings throughout the year to review SIP progress. CREST leadership team will facilitate weekly department meetings to review academic performance and behavioral data. Instructional staff will engage in collaborative planning, data chats, and professional learning. Master schedule will reflect allotted time for common planning, both vertically and horizontally. CREST will host one curriculum showcase day per semester to increase parent and family engagement. Individual Education Plans, Behavior Intervention Plans, and parent/teacher conferences will provide opportunities for analysis and adjustment as needed.

**Grade Level Data Review– State Assessments (pre-populated)**

The data are raw data and include ALL students who tested at the school. This is not school grade data. The percentages shown here represent ALL students who received a score of 3 or higher on the statewide assessments.

An asterisk (\*) in any cell indicates the data has been suppressed due to fewer than 10 students tested, or all tested students scoring the same.

### III. Planning for Improvement

**Data Analysis/Reflection**  
 Answer the following reflection prompts after examining any/all relevant school data sources.

**Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.**

Reading is the lowest area of performance for all grade levels K-10. Students are struggling with language difficulties for many reasons. In the areas of reading our conclusion was derived from growth monitoring 3x a year, in addition to weekly progress monitoring. Star K-2 and F.A.S.T. 3-10 data shows limited growth, contributing factors include small sample sizes, the need for intensive interventions, and extreme student behaviors. All students that attend CREST must have an Individualized Education Plan, Behavior Intervention Plan, and a Functional Behavior Assessment indicating a need for more support.

**Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.**

Upon comparison of CREST school wide data for 2021-2022 to data for 2022-2023 the component showing the greatest decline is reading. This comparison contains a change in standards and standardized testing to measure the standards. Students arrive at CREST school with an average two-year learning gap. Students are struggling with language difficulties for many reasons. In the areas of reading our conclusion was derived from growth monitoring 3x a year, in addition to weekly progress monitoring. Star

**Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.**

Upon comparison of CREST school wide data for 2021-2022 to data for 2022-2023 the component showing the greatest gap is reading. This comparison contains a change in standards and standardized testing to measure the standards. Students arrive at CREST school with an average two-year learning gap.

All students that attend CREST must have an Individualized Education Plan, Behavior Intervention Plan, and a Functional Behavior Assessment indicating a need for more support.

**Which data component showed the most improvement? What new actions did your school take in this area?**

The data component that showed the most improvement was math. Students worked with a new robust math curriculum, math interventions, and new BEST standards for math. iReady supplemental support also increased as a math intervention. The addition of highly qualified math instructional personnel providing direct instruction and interventions in the subject has contributed to an increase in student performance. This is a direct result of teacher retention and professional development.

**Reflecting on the EWS data from Part I, identify one or two potential areas of concern.**

Reflecting on the EWS data, reading continues to be a priority concern for CREST students. CREST students require the following for criteria. The provision of Specially Designed Instruction across multiple domains (Curriculum and Learning Environment, Social or Emotional Behavior, Independent Functioning, Health Care, and Communication) that is individualized, direct, and is provided daily 51% or more of the school day and the student requires a separate class setting and continuous assistance with learning activities including direct instruction, extensive accommodations and may include assistive technology, accessible instructional materials, and access to modified standards.

**Rank your highest priorities (maximum of 5) for school improvement in the upcoming school year.**

Reading  
Behavior  
Communication

**Area of Focus**

(Identified key Area of Focus that addresses the school's highest priority based on any/all relevant data sources)

**#1. Positive Culture and Environment specifically relating to Teacher Retention and Recruitment****Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Many new teachers and new to the profession require support in effective classroom strategies to maximize student engagement and achievement.

**Measurable Outcome:**

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Through collaborative planning with the focus on Harry Wong, The First Days of School book study and a robust T.I.P program that includes new teacher support, observation opportunities, and mentorship. New teachers will be provided the time and opportunity to grow professionally.

**Monitoring:**

Describe how this Area of Focus will be monitored for the desired outcome.

Data chats, walk-throughs and walk-through data, observations and feedback.

**Person responsible for monitoring outcome:**

Sean Ear (ears@citruschools.org)

**Evidence-based Intervention:**

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Teachers will participate in weekly meetings sharing artifacts from classrooms designed to support Harry Wongs techniques for effective teaching. Teachers will have an opportunity to utilize best classroom management practices, designing lessons for student mastery, and creating positive expectations for all students.

**Rationale for Evidence-based Intervention:**

Explain the rationale for selecting this specific strategy.

Compared to other models, Harry Wong's "First Days of School" has a proven larger effect-size when measured on teacher effectiveness and student achievement.

**Tier of Evidence-based Intervention**

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

**Will this evidence-based intervention be funded with UniSIG?**

No

**Action Steps to Implement**

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Purchase the Harry Wong The First Days of School.

Disseminate books through media specialist.

Refer to books at weekly meetings (ongoing).

Books will be collected at the end of the year for re-use.

**#2. Instructional Practice specifically relating to ELA****Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Reading is the lowest area of performance for all grade levels K-10. Students are struggling with language difficulties for many reasons. In the areas of reading our conclusion was derived from growth monitoring 3x a year, in addition to weekly progress monitoring. Star K-2 and FAST 3-10 data shows limited growth, contributing factors include small sample sizes, the need for intensive interventions, and extreme student behaviors. All students that attend CREST must have an Individualized Education Plan, Behavior Intervention Plan, and Functional Behavior Assessment indicating a need for more support.

**Measurable Outcome:**

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

CREST aims to see one level increase on the state-wide FAST assessment in ELA, and a 20 point increase on the iReady Diagnostic.

**Monitoring:**

Describe how this Area of Focus will be monitored for the desired outcome.

Data analysis of the three progress monitoring sessions through FAST assessment, and iReady diagnostic assessments.

**Person responsible for monitoring outcome:**

Lee Mulder (mulderl@citruschools.org)

**Evidence-based Intervention:**

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

iReady, Sonday and UFLI will be utilized as intervention materials along with small group instruction and 1/1 instruction to meet the students differentiated needs.

**Rationale for Evidence-based Intervention:**

Explain the rationale for selecting this specific strategy.

Materials are district-approved and researched-based.

**Tier of Evidence-based Intervention**

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

**Will this evidence-based intervention be funded with UniSIG?**

No

**Action Steps to Implement**

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Distribute intervention materials to teachers

Bi-monthly data chats (analysis)

Analyze progress monitoring (FAST) and iReady diagnostic data after each administration.

Ongoing teaching of student expectations to ensure highest student engagement in intervention activities/ lessons.

### **CSI, TSI and ATSI Resource Review**

Describe the process to review school improvement funding allocations and ensure resources are allocated based on needs. This section must be completed if the school is identified as ATSI, TSI or CSI in addition to completing an Area(s) of Focus identifying interventions and activities within the SIP (ESSA 1111(d)(1)(B)(4) and (d)(2)(C).

CREST school received funding from the district ESE department to support interventions in reading with iReady, Souday and the purchase of the Bridges to Strategic Reading book. In addition, the district ESE department purchased The First Days of School, How to be an Effective Teacher to promote a positive school culture and environment.
