http://sdm.dadeschools.net

School Board Approval

This plan was approved by the Dade County School Board on 10/11/2023.

SIP Authority

Section 1001.42(18), Florida Statutes (F.S.), requires district school boards to annually approve and require implementation of a new, amended, or continuation SIP for each school in the district which has a school grade of D or F; has a significant gap in achievement on statewide, standardized assessments administered pursuant to s. 1008.22 by one or more student subgroups, as defined in the federal Elementary and Secondary Education Act (ESEA), 20 U.S.C. s. 6311(b)(2)(C)(v)(II); has not significantly increased the percentage of students passing statewide, standardized assessments; has not significantly increased the percentage of students demonstrating Learning Gains, as defined in s. 1008.34, and as calculated under s. 1008.34(3)(b), who passed statewide, standardized assessments; has been identified as requiring instructional supports under the Reading Achievement Initiative for Scholastic Excellence (RAISE) program established in s. 1008.365; or has significantly lower graduation rates for a subgroup when compared to the state's graduation rate. Rule 6A-1.098813, Florida Administrative Code (F.A.C.), requires district school boards to approve a SIP for each Department of Juvenile Justice (DJJ) school in the district rated as Unsatisfactory.

Below are the criteria for identification of traditional public and public charter schools pursuant to the Every Student Succeeds Act (ESSA) State plan:

Additional Target Support and Improvement (ATSI)

A school not identified for CSI or TSI, but has one or more subgroups with a Federal Index below 41%.

Targeted Support and Improvement (TSI)

A school not identified as CSI that has at least one consistently underperforming subgroup with a Federal Index below 32% for three consecutive years.

Comprehensive Support and Improvement (CSI)

A school can be identified as CSI in any of the following four ways:

- 1. Have an overall Federal Index below 41%;
- 2. Have a graduation rate at or below 67%;
- 3. Have a school grade of D or F; or
- 4. Have a Federal Index below 41% in the same subgroup(s) for 6 consecutive years.

ESEA sections 1111(d) requires that each school identified for ATSI, TSI or CSI develop a support and improvement plan created in partnership with stakeholders (including principals and other school leaders, teachers and parent), is informed by all indicators in the State's accountability system, includes evidence-based interventions, is based on a school-level needs assessment, and identifies resource inequities to be

addressed through implementation of the plan. The support and improvement plans for schools identified as TSI, ATSI and non-Title I CSI must be approved and monitored by the school district. The support and improvement plans for schools identified as Title I, CSI must be approved by the school district and Department. The Department must monitor and periodically review implementation of each CSI plan after approval.

The Department's SIP template in the Florida Continuous Improvement Management System (CIMS), https://www.floridacims.org, meets all state and rule requirements for traditional public schools and incorporates all ESSA components for a support and improvement plan required for traditional public and public charter schools identified as CSI, TSI and ATSI, and eligible schools applying for Unified School Improvement Grant (UniSIG) funds.

Districts may allow schools that do not fit the aforementioned conditions to develop a SIP using the template in CIMS.

The responses to the corresponding sections in the Department's SIP template may address the requirements for: 1) Title I schools operating a schoolwide program (SWD), pursuant to ESSA, as amended, Section 1114(b); and 2) charter schools that receive a school grade of D or F or three consecutive grades below C, pursuant to Rule 6A-1.099827, F.A.C. The chart below lists the applicable requirements.

| SIP Sections | Title I Schoolwide Program | Charter Schools |
|--|---|------------------------|
| I-A: School Mission/Vision | | 6A-1.099827(4)(a)(1) |
| I-B-C: School Leadership, Stakeholder Involvement & SIP Monitoring | ESSA 1114(b)(2-3) | |
| I-E: Early Warning System | ESSA 1114(b)(7)(A)(iii)(III) | 6A-1.099827(4)(a)(2) |
| II-A-C: Data Review | | 6A-1.099827(4)(a)(2) |
| II-F: Progress Monitoring | ESSA 1114(b)(3) | |
| III-A: Data Analysis/Reflection | ESSA 1114(b)(6) | 6A-1.099827(4)(a)(4) |
| III-B: Area(s) of Focus | ESSA 1114(b)(7)(A)(i-iii) | |
| III-C: Other SI Priorities | | 6A-1.099827(4)(a)(5-9) |
| VI: Title I Requirements | ESSA 1114(b)(2, 4-5), (7)(A)(iii)(I-V)-(B) ESSA 1116(b-g) | |

Note: Charter schools that are also Title I must comply with the requirements in both columns.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Department encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

I. School Information

School Mission and Vision

Provide the school's mission statement.

The mission statement of South Dade Middle School is to develop leaders through high expectations of academic achievement and individual responsibility.

Provide the school's vision statement.

Our school community is committed to developing our students today with intellectual, social, and emotional

skills to become the leaders of tomorrow. "Students Today, Leaders Tomorrow".

School Leadership Team, Stakeholder Involvement and SIP Monitoring

School Leadership Team

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities as it relates to SIP implementation for each member of the school leadership team.:

| Name | Position Title | Job Duties and Responsibilities |
|------------------------|------------------------|---|
| Johnson, Bernard | Principal | Plans, organizes, administers, and directs all activities and functions at the elementary/middle school level which are essential to the operation of a responsible, effective, and efficient instructional environment which provides maximum opportunity for student growth. |
| Boynton, Catina | Assistant Principal | Assists Principal in planning, organizing, administering, and directing all activities and functions at the elementary/middle school level which are essential to the operation of a responsible, effective, and efficient instructional environment which provides maximum opportunity for student growth. |
| Marques, Sonia | Teacher, K-12 | Assist with retention of students, assist with discipline, assist with designated administrative duties assigned to the individual. |
| Amador, Lesbia | School Counselor | The role of the counselor is to guide, advise, recommend, consult, and assist with the nearly limitless variety of concerns that students, parents, teachers, administrators, and the school community may have. |
| Chew, Tamara | School Counselor | The role of the counselor is to guide, advise, recommend, consult, and assist with the nearly limitless variety of concerns that students, parents, teachers, administrators, and the school community may have. |
| Harrysingh, Annesa | Teacher, K-12 | Plan and deliver lessons. Administer assessments, use data to provide differentiated instruction. Participate in the planning and delivery of professional development for staff. |
| Lobaina, Carmen | Teacher, K-12 | Direct instructional services related to math for students and provide technical assistance for teachers; facilitate successful implementation of research-based instruction. Assist administration and teachers in the interpretation of student assessment data. Provide professional development to staff; assist in coordination and monitoring of intervention services. |
| Martinez, Esmeralda | Reading Coach | Direct instructional services related to reading/math for students and provide technical assistance for teachers; utilize the coaching model to facilitate the successful implementation of research-based instruction. Assist administration and teachers in the interpretation of student assessment data. Provide professional development to staff; assist in coordination and monitoring of intervention services. |
| Molano, Maria | School Counselor | The role of the counselor is to guide, advise, recommend, consult, and assist with the nearly limitless variety of concerns that students, parents, teachers, administrators, and the school community may have. |

| Name | Position Title | Job Duties and Responsibilities |
|-----------------------------------|---------------------------------|---|
| Rodriguez, Elizabeth | ELL Compliance Specialist | Assure adherence to required ESOL coding verification and schedules during FTE survey periods in partnership with school's registrar and data entry staff. Provide appropriate ESOL in-services for faculty and staff at the school site. Provide instructional support to the classroom teachers of ESOL students. Perform other duties and responsibilities as assigned by the multilingual services department as related to federal, state and district mandates. Conduct and coordinate ELL Committee Meetings. Assess, evaluate, and monitor the individual progress of each student in the ESOL program. |
| Gaudet, Carolina | Other | The Special Education Program Specialist will provide assistance, training, and support to special education staff. The Program Specialist supports the operations of the special education department with a primary focus on adherence to IDEA and delivery of services in the least restrictive environment. |
| Mitchell, Threda | Other | Direct instructional services related to science for students and provide technical assistance for teachers; utilize the coaching model to facilitate the successful implementation of research-based instruction. Assist administration and teachers in the interpretation of student assessment data. Provide professional development to staff; assist in coordination and monitoring of intervention services. |
| Surrency- Mitchell, Yolanda | Behavior Specialist | Monitor children's behavioral patterns and arrange appropriate interventions if needed. Manage classroom crises and resolve conflict. Prepare students for transition to the next grade. Inform parents about their children's performance and potential problems. |
| Pruna, Jaimy | Assistant Principal | Assists Principal in planning, organizing, administering, and directing all activities and functions at the elementary/middle school level which are essential to the operation of a responsible, effective, and efficient instructional environment which provides maximum opportunity for student growth. |

Stakeholder Involvement and SIP Development

Describe the process for involving stakeholders (including the school leadership team, teachers and school staff, parents, students (mandatory for secondary schools) and families, and business or community leaders) and how their input was used in the SIP development process. (ESSA 1114(b)(2))

Note: If a School Advisory Council is used to fulfill these requirements, it must include all required stakeholders.

Stakeholders were involved in the development of the School Improvement Process by completing the school climate surveys, parent involvement surveys, and opportunities to collaborate were provided at

the monthly meetings (i.e. EESAC, faculty meetings, and department meetings). During each of these meetings, there was a review of the 2022-2023 School Improvement Process, 2023 Continuous Improvement Reflection Worksheet, and the 2023 FAST and EOC results. Based on this information, stakeholders collaboratively decided upon the instructional practices for the 2023-24 school year.

SIP Monitoring

Describe how the SIP will be regularly monitored for effective implementation and impact on increasing the achievement of students in meeting the State's academic standards, particularly for those students with the greatest achievement gap. Describe how the school will revise the plan, as necessary, to ensure continuous improvement. (ESSA 1114(b)(3))

A group of teachers, students, and leadership team members formed a SIP committee to meet biweekly to discuss the goals and implementation steps of the SIP. As assessments are administered to the students, the SIP committee will review the current data for trends and areas of improvement. After this action is complete, the committee will review the goals and implementation steps to see if any adjustments need to be made in order to reach the desired goals.

Demographic DataOnly ESSA identification and school grade history updated 3/11/2024

| 2023-24 Status (per MSID File) | Active |

Early Warning Systems

Using 2022-23 data, complete the table below with the number of students by current grade level that exhibit each early warning indicator listed:

| Indicator | | Grade Level | | | | | | | | | | |
|---|---|-------------|---|---|----|----|-----|-----|-----|-------|--|--|
| indicator | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | Total | | |
| Absent 10% or more days | 0 | 0 | 0 | 0 | 31 | 34 | 37 | 24 | 38 | 164 | | |
| One or more suspensions | 0 | 0 | 0 | 0 | 0 | 7 | 24 | 17 | 18 | 66 | | |
| Course failure in English Language Arts (ELA) | 0 | 0 | 0 | 0 | 21 | 13 | 36 | 18 | 4 | 92 | | |
| Course failure in Math | 0 | 0 | 0 | 0 | 26 | 22 | 59 | 31 | 10 | 148 | | |
| Level 1 on statewide ELA assessment | 0 | 0 | 0 | 0 | 42 | 67 | 92 | 94 | 90 | 385 | | |
| Level 1 on statewide Math assessment | 0 | 0 | 0 | 0 | 36 | 72 | 98 | 50 | 67 | 323 | | |
| Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C. | 0 | 0 | 0 | 0 | 65 | 99 | 136 | 136 | 170 | 606 | | |
| | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | | | |

Using the table above, complete the table below with the number of students by current grade level that have two or more early warning indicators:

| ludio to u | | Grade Level | | | | | | | | | | | | |
|--------------------------------------|---|-------------|---|---|----|----|-----|----|----|-------|--|--|--|--|
| Indicator | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | Total | | | | |
| Students with two or more indicators | 0 | 0 | 0 | 0 | 41 | 72 | 108 | 59 | 65 | 345 | | | | |

Using the table above, complete the table below with the number of students identified retained:

| In diameters | | Grade Level | | | | | | | | | | |
|-------------------------------------|---|-------------|---|---|---|----|----|---|---|-------|--|--|
| Indicator | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | Total | | |
| Retained Students: Current Year | 0 | 0 | 0 | 0 | 0 | 0 | 1 | 2 | 0 | 3 | | |
| Students retained two or more times | 0 | 0 | 0 | 0 | 0 | 13 | 10 | 3 | 4 | 30 | | |

Prior Year (2022-23) As Initially Reported (pre-populated)

The number of students by grade level that exhibited each early warning indicator:

| Indicator | | Grade Level | | | | | | | | | | |
|---|---|-------------|---|---|----|-----|-----|-----|-----|-------|--|--|
| indicator | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | Total | | |
| Absent 10% or more days | 0 | 0 | 0 | 0 | 31 | 59 | 43 | 102 | 98 | 333 | | |
| One or more suspensions | 0 | 0 | 0 | 0 | 0 | 24 | 20 | 78 | 84 | 206 | | |
| Course failure in ELA | 0 | 0 | 0 | 0 | 38 | 41 | 21 | 9 | 1 | 110 | | |
| Course failure in Math | 0 | 0 | 0 | 0 | 24 | 32 | 24 | 91 | 6 | 177 | | |
| Level 1 on statewide ELA assessment | 0 | 0 | 0 | 0 | 31 | 88 | 79 | 110 | 173 | 481 | | |
| Level 1 on statewide Math assessment | 0 | 0 | 0 | 0 | 46 | 115 | 95 | 77 | 159 | 492 | | |
| Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C. | 0 | 0 | 0 | 0 | 69 | 103 | 100 | 142 | 160 | 574 | | |

The number of students by current grade level that had two or more early warning indicators:

| Indicator | Grade Level | | | | | | | | | | | | |
|--------------------------------------|-------------|---|---|---|----|-----|----|-----|-----|-------|--|--|--|
| Indicator | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | Total | | | |
| Students with two or more indicators | 0 | 0 | 0 | 0 | 47 | 101 | 86 | 138 | 171 | 543 | | | |

The number of students identified retained:

| Indicator | | Grade Level | | | | | | | | | | | | |
|-------------------------------------|---|-------------|---|---|----|----|---|----|----|-------|--|--|--|--|
| indicator | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | Total | | | | |
| Retained Students: Current Year | 0 | 0 | 0 | 0 | 0 | 4 | 2 | 3 | 6 | 15 | | | | |
| Students retained two or more times | 0 | 0 | 0 | 0 | 13 | 19 | 6 | 10 | 14 | 62 | | | | |

Prior Year (2022-23) Updated (pre-populated)

Section 3 includes data tables that are pre-populated based off information submitted in prior year's SIP.

The number of students by grade level that exhibited each early warning indicator:

| Indicator | | Grade Level | | | | | | | | | | |
|---|---|-------------|---|---|----|-----|-----|-----|-----|-------|--|--|
| indicator | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | Total | | |
| Absent 10% or more days | 0 | 0 | 0 | 0 | 31 | 59 | 43 | 102 | 98 | 333 | | |
| One or more suspensions | 0 | 0 | 0 | 0 | 0 | 24 | 20 | 78 | 84 | 206 | | |
| Course failure in ELA | 0 | 0 | 0 | 0 | 38 | 41 | 21 | 9 | 1 | 110 | | |
| Course failure in Math | 0 | 0 | 0 | 0 | 24 | 32 | 24 | 91 | 6 | 177 | | |
| Level 1 on statewide ELA assessment | 0 | 0 | 0 | 0 | 31 | 88 | 79 | 110 | 173 | 481 | | |
| Level 1 on statewide Math assessment | 0 | 0 | 0 | 0 | 46 | 115 | 95 | 77 | 159 | 492 | | |
| Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C. | 0 | 0 | 0 | 0 | 69 | 103 | 100 | 142 | 160 | 574 | | |

The number of students by current grade level that had two or more early warning indicators:

| Indicator | Grade Level | | | | | | | | | Total |
|--------------------------------------|-------------|---|---|---|----|-----|----|-----|-----|-------|
| mulcator | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | Total |
| Students with two or more indicators | 0 | 0 | 0 | 0 | 47 | 101 | 86 | 138 | 171 | 543 |

The number of students identified retained:

| Indicator | Grade Level | | | | | | | | | Total |
|-------------------------------------|-------------|---|---|---|----|----|---|----|----|-------|
| Indicator | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | Total |
| Retained Students: Current Year | 0 | 0 | 0 | 0 | 0 | 4 | 2 | 3 | 6 | 15 |
| Students retained two or more times | 0 | 0 | 0 | 0 | 13 | 19 | 6 | 10 | 14 | 62 |

II. Needs Assessment/Data Review

ESSA School, District and State Comparison (pre-populated)

Please note that the district and state averages shown here represent the averages for similar school types (elementary, middle, high school or combination schools). Each "blank" cell indicates the school had less than 10 eligible students with data for a particular component and was not calculated for the school.

On April 9, 2021, FDOE Emergency Order No. 2021-EO-02 made 2020-21 school grades optional. They have been removed from this publication.

| Associate bility Commonant | | 2023 | | | 2022 | | | 2021 | |
|------------------------------------|--------|----------|-------|--------|----------|-------|--------|----------|-------|
| Accountability Component | School | District | State | School | District | State | School | District | State |
| ELA Achievement* | 44 | 61 | 53 | 40 | 62 | 55 | 38 | | |
| ELA Learning Gains | | | | 49 | | | 40 | | |
| ELA Lowest 25th Percentile | | | | 45 | | | 33 | | |
| Math Achievement* | 53 | 63 | 55 | 43 | 51 | 42 | 32 | | |
| Math Learning Gains | | | | 57 | | | 25 | | |
| Math Lowest 25th Percentile | | | | 54 | | | 31 | | |
| Science Achievement* | 35 | 56 | 52 | 33 | 60 | 54 | 31 | | |
| Social Studies Achievement* | 57 | 77 | 68 | 59 | 68 | 59 | 45 | | |
| Middle School Acceleration | 63 | 75 | 70 | 58 | 61 | 51 | 53 | | |
| Graduation Rate | | 76 | 74 | | 53 | 50 | | | |
| College and Career Acceleration | | 73 | 53 | | 78 | 70 | | | |
| ELP Progress | 35 | 62 | 55 | 48 | 75 | 70 | 37 | | |

^{*} In cases where a school does not test 95% of students in a subject, the achievement component will be different in the Federal Percent of Points Index (FPPI) than in school grades calculation.

See Florida School Grades, School Improvement Ratings and DJJ Accountability Ratings.

Grade Level Data Review- State Assessments (pre-populated)

The data are raw data and include ALL students who tested at the school. This is not school grade data. The percentages shown here represent ALL students who received a score of 3 or higher on the statewide assessments.

An asterisk (*) in any cell indicates the data has been suppressed due to fewer than 10 students tested, or all tested students scoring the same.

III. Planning for Improvement

Data Analysis/Reflection

Answer the following reflection prompts after examining any/all relevant school data sources.

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

Although there was a one percent decrease in the area of science, this data component showed to be the lowest performance component for our school this year. A contributing factor for this data point included teacher absences.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

The data component that showed the greatest decline from the prior year was science with a one percent decrease. All other data components showed an increased from 2022 to 2023 school year. One of the main factors that could have contributed to this decline would be teacher attendance.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

The data component that had the greatest gap when compared to the state average was science. According to the statewide science assessments, 32 percent of students are proficient as compared to the state average of 49%. Contributing factors that might have led to this gap include inconsistent teacher attendance.

Which data component showed the most improvement? What new actions did your school take in this area?

The data component that showed the most improvement is mathematics. Actions that took place to contribute to this improvement included: offering extended learning opportunities to all students, use of interventionists and math teachers to facilitate intervention sessions, and secondary mathematics students received instruction in their core and enrichment classes by the same teacher.

Reflecting on the EWS data from Part I, identify one or two potential areas of concern.

Based on a reflection of the EWS data, an area of concern that we will continue to improve upon this upcoming school year will be student attendance.

Rank your highest priorities (maximum of 5) for school improvement in the upcoming school year.

The highest priority for school improvement in the upcoming year is science. Proficiency in Social Studies will be the next priority followed by increasing in learning gains from the students with special needs. Lastly, priority will be placed on improving student attendance.

Area of Focus

(Identified key Area of Focus that addresses the school's highest priority based on any/all relevant data sources)

#1. Instructional Practice specifically relating to Benchmark-aligned Instruction

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

According to 2022-23 Science statewide assessment data, 32% of students scored at the proficient level as compared to the district average of 49%. Based on the data and identified contributing factors of: incomplete labs, ineffective time management, lack of prior knowledge, and lack of teacher experience, we will implement the Targeted Element of Benchmark Aligned instruction.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

With the implementation of Benchmark Aligned Instruction, an additional 5% of students will score at the proficiency level by the 2023-2024 grade 5 and grade 8 combined statewide science assessments.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Ms. Harrysingh, Elementary Science Department Chairperson, will ensure that the grade 5 science unit and midyear science statewide assessments are administered to all grade 5 students. Ms. Mitchell, Science Support for Secondary, will ensure that the grade 8 unit and midyear science assessments are administered to the grade 8 students enrolled in comprehensive science 3. After the assessments are complete, Ms. Boynton, Assistant Principal over Science, will meet with Ms. Harrysingh and Ms. Mitchell to review the results. At this time, a collective decision will be made regarding any revisions that might need to take place to ensure the desired outcome is met.

Person responsible for monitoring outcome:

CaTina Boynton (238677@dadeschools.net)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Ongoing Progress Monitoring (OPM) is used to assess students' academic performance, to quantify a student rate of improvement or responsiveness to instruction, and to evaluate the effectiveness of instruction. OPM can be implemented with individual students or an entire class. Through Ongoing Progress Monitoring this school will be able to provide remediation on the weaker benchmarks immediately as data is updated. Additionally, this school will provide students with benchmark aligned instruction by using the weaker benchmarks as secondary benchmarks review as bellringers within the daily lessons..

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

The rationale for selecting this strategy is that during the 2022-23 school year, 32% of grade 5 students and 25% of grade 8 students scored at a level 3 or above on the statewide science assessments.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Hire an individual to be science support for the secondary students. This individual will be responsible for setting up labs for students, monitoring the lab report write up process, and data analysis for the unit and midyear science assessments. Additionally, the science support personnel will ensure that teachers are aware of the weakest benchmarks on each unit and/or midyear assessment and plan lessons to use these benchmarks as bellringers for future lessons.

Person Responsible: Bernard Johnson (bajohnson@dadeschools.net)

By When: August 14, 2023- September 29, 2023

Facilitate the implementation of science labs that are aligned to the tested benchmarks. Monitor student comprehension of scientific concepts based on the completion of quality lab reports. Analyze data and progress monitor the unit and midyear science assessments.

Person Responsible: Threda Mitchell (tmitchell@dadeschools.net)

By When: August 14, 2023- September 29, 2023

To assist with student comprehension of benchmark specific content knowledge, all secondary science teachers will implement a schoolwide test taking strategy within their daily lessons.

Person Responsible: Threda Mitchell (tmitchell@dadeschools.net)

By When: August 14, 2023- September 29, 2023

#2. Positive Culture and Environment specifically relating to Other

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

According to the 2022-23 School Climate Staff Survey, 50% of staff members "feel that the morale is not high at my school". According to the 2022-23 School Climate Student Survey, 45% of students feel "the overall climate or feeling at my school is positive and helps me learn". Based on the data and the contributing factor of: low student and staff morale. We will implement the targeted element of celebrating successes of students, faculty, and staff members throughout the school year.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

As a result of celebrating successes of our students and staff, the measurable outcome will be a minimum of a 10% increase in the same questions as evident on the 2023-24 school climate surveys.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

The Area of Focus will be monitored during monthly leadership meetings to determine the recipients. Ms. Marques will send out a "Panther of the Month" survey to the faculty and staff to provide a forum where colleagues can celebrate the great things happening at South Dade Middle School. Ms. Marques will send out a monthly "Cub of the Month" survey to the faculty and staff to select students who are displaying "Panther Pride". The administrative team will conduct weekly "Paw Patrol" instructional walkthroughs, which will identify instructional personnel who are going above and beyond their responsibilities to ensure that students are succeeding and progressing within the classroom. After implementing these steps, the 2023-2024 school climate surveys will show an increase in the students and staff morale. Ms. Rodriguez will send a quarterly "in house school climate surveys" to monitor the morale of the staff and students.

Person responsible for monitoring outcome:

Bernard Johnson (bajohnson@dadeschools.net)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Celebrate Successes is when staff and student accomplishments are given special recognition and achievements are publicly celebrated allowing for encouragement from all stakeholders. Showing the connection between effort and achievement helps students to see the importance of effort and allows them to change their beliefs to emphasize it more. Recognition is more effective if it is contingent on achieving some specified standard.

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

Based on the 2022-23 School Climate Surveys, there is a need to recognize the achievements of the students and staff members throughout the school year. By implementing the action of celebrating the successes of students, faculty and staff, we feel that the overall morale of the school will improve. Therefore, current teachers will want to remain at the school as well as be "word of mouth" recruitment tools to solicit new teachers to join our South Dade Middle family.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

On a monthly basis, Ms. Marques will send out a "Cub of the Month" survey to the faculty and staff. This survey will allow the faculty and staff members to select students who are displaying "Panther Pride" and/ or making observable improvement in their academic or behavioral performance. The recipients will be posted on the school's social media platforms.

Person Responsible: Sonia Marques (soniamarques@dadeschools.net)

By When: August 14, 2023- September 29, 2023

On a weekly basis, the administrative team will conduct instructional walkthroughs "Paw Patrol" which will identify instructional personnel who are going over and beyond their responsibilities to ensure that students are succeeding and progressing within the classroom.

Person Responsible: Bernard Johnson (bajohnson@dadeschools.net)

By When: August 14, 2023- September 29, 2023

On a monthly basis, Ms. Marques will send out a "Panther of the Month" survey to the faculty and staff members. This survey will allow any faculty or staff member to celebrate one of their colleagues for the great things he or she is doing at South Dade Middle School. Once the survey is completed, there will be a discussion at the weekly leadership meeting to determine the "Panther of the Month" recipient.

Person Responsible: Sonia Marques (soniamarques@dadeschools.net)

By When: August 14, 2023- September 29, 2023

#3. Instructional Practice specifically relating to Differentiation

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

According to the 2023 FAST results, 41% of students tested are proficient in ELA as compared to the state average of 50% and the district average of 53%; 51% are proficient in Mathematics as compared to the state average of 56% and the district average of 59% and 32% are proficient in Science as compared to the state average of 51% and the district average of 49%. Based on this data and the identified contributing factors of: high number of Level 1 and 2 ESOL students, high number of students scoring at level 1 in reading and mathematics on the FAST assessments, we will implement differentiated instruction to meet the academic needs of all students.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

With the implementation of Differentiated Instruction, there will be a 5% increase in the percentage of students who score at proficiency, as measured by the 2023-2024 FAST in ELA, Mathematics and Science.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

The Leadership team [Mr. Johnson, Principal, Ms. Boynton, Assistant Principal, Ms. Pruna, Assistant Principal] will conduct quarterly data chats, adjust groups based on current data in real time, and follow up with regular walkthroughs to ensure that differentiation is aligned to current data. Administrators will review lessons plans for indication of differentiation and attend planning sessions to assist with the preparation of lesson plans for differentiated instruction. Data Analysis of formative assessments will be reviewed monthly to observe progress. We will create an online tracker to monitor OPM data on a biweekly basis. The data will be analyzed during bi-weekly leadership team meetings to ensure students are demonstrating growth on remediated standards. Extended learning opportunities will be provided to those students who are not showing growth on OPMS and other topic assessments.

Person responsible for monitoring outcome:

Jaimy Pruna (234332@dadeschools.net)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Differentiated Instruction is a framework or philosophy for effective teaching that involves providing different students with different avenues to learning in terms of: acquiring content, processing, constructing, or making sense of ideas, and developing teaching materials and assessment measures so that all students within a classroom can learn effectively, regardless of differences in ability. South Dade Middle School will use differentiated instruction to ensure that the academic needs of the students are being addressed and progression is observed. Core teachers will implement differentiated instruction rotations of teacher led, independent, and technology to ensure that assignments are targeted to meet the academic needs of every student. Benchmark specific folders will be created that will allow students to go to a certain area of the classroom, retrieve an assignment for one of their lowest performing benchmarks, and turn it in as a remediation assignment.

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

Differentiated instruction is a teaching method that allows a teacher to instruct students based on their academic needs. Based on the 2023 assessment data, we feel that all students can show progress and/or proficiency when their individual academic needs are addressed.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Develop data trackers that can be used to track mini assessments that are aligned to weekly small group instruction. Teachers will use data trackers to monitor student progress and adjust as necessary.

Person Responsible: Jaimy Pruna (234332@dadeschools.net)

By When: August 14, 2023- September 29, 2023

In the area of secondary math, students will receive all math instruction (core and enrichment) from the same teacher. This action will assist the teacher in establishing continuity of instruction by filling in the foundational gaps of the students as well as exposing them to grade level content.

Person Responsible: Carmen Lobaina (clobaina@dadeschools.net)

By When: August 14, 2023- September 29, 2023

In the area of secondary language arts, the reading coach will plan biweekly with teachers on an individualized basis. This action will assist teachers with preparing and presenting standard aligned activities and instruction for the students. Additionally, the expected outcome of these planning sessions will be to plan lessons that will overlap previous taught standards to ensure students are retaining the information.

Person Responsible: Esmeralda Martinez (emartinez2@dadeschools.net)

By When: August 14, 2023- September 29, 2023

#4. Positive Culture and Environment specifically relating to Early Warning System

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

According to the 2023-2024 Early Warning Systems data on Powerbi, a total of thirty students between grades 4 - 8 have been retained two or more times as compared to sixty two students being retained during the 2022-2023 school year. Although this data demonstrates a positive downward trend in this area, our goal is to continue to decrease the number of student being retained for the 2024-25 school year. Based on the data and identified contributing factors: high number of Level 1 and 2 ESOL student population, high level of ESE student population, and students lacking adequate academic readiness/ preparedness for the current grade level, we will implement the Targeted Element of Early Warning Systems.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

With the implementation of early warning systems, the amount of students being retained for the 2023-24 school year should be decreased by 50%.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

On a monthly basis, Dr. Amador, Department Chairperson of Student Services, Ms. Molano Cardenas, Counselor, and Ms. Chew, Counselor will review the academic progress reports of their designated students. The counselors will look for any student who may be in jeopardy of failing a core class for that specific quarter. The student services team will conduct student, parent, and teacher(s) conferences to progress monitor the potential failing students. Afterwards, Dr. Amador will present the list of potential failing students along with the corrective and preventive actions taken to the leadership team at the leadership team meetings.

Person responsible for monitoring outcome:

Lesbia Amador (240572@dadeschools.net)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Early Warning Systems (EWS) involves establishing a system based on student data to identify students who exhibit behavior or academic performance that puts them at risk of dropping out of school. Response to EWS utilizes predictive data, identifies off-track or at-risk students, targets interventions and reveals patterns and root causes.

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

Monitoring the Early Warning Systems of students who have been retained one or more times on a quarterly basis will allow South Dade Middle school to take the necessary corrective and preventive actions early to avoid the student being retained again.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Using the Pinnacle Gradebook app, download the student failing report to identify students who are in jeopardy of failing a core class for the quarter. This action step will be done on a biweekly basis after the distribution on the progress reports for each quarter.

Person Responsible: Lesbia Amador (240572@dadeschools.net)

By When: August 14, 2023- September 29, 2023

The student services team will conduct student, parent, and teacher conferences for the students who are in danger of failing a core class for the quarter. The conferences will be conducted as a corrective/ preventive action for the student not to fail the core class for the quarter.

Person Responsible: Lesbia Amador (240572@dadeschools.net)

By When: August 14, 2023- September 29, 2023

The leadership team will meet on a monthly basis to review the list of potential failing students to determine if the student would benefit from being placed in a course recovery class to avoid failing a core class and possibly being retained.

Person Responsible: Bernard Johnson (bajohnson@dadeschools.net)

By When: August 14, 2023- September 29, 2023

CSI, TSI and ATSI Resource Review

Describe the process to review school improvement funding allocations and ensure resources are allocated based on needs. This section must be completed if the school is identified as ATSI, TSI or CSI in addition to completing an Area(s) of Focus identifying interventions and activities within the SIP (ESSA 1111(d)(1)(B)(4) and (d)(2)(C).

Not Applicable

Reading Achievement Initiative for Scholastic Excellence (RAISE)

Area of Focus Description and Rationale

Include a description of your Area of Focus (Instructional Practice specifically relating to Reading/ELA) for each grade below, how it affects student learning in literacy, and a rationale that explains how it was identified as a critical need from the data reviewed. Data that should be used to determine the critical need should include, at a minimum:

- The percentage of students below Level 3 on the 2022 statewide, standardized ELA assessment.
 Identification criteria must include each grade that has 50 percent or more students scoring below level 3 in grades 3-5 on the statewide, standardized ELA assessment.
- The percentage of students in kindergarten through grade 3, based on 2021-2022 end of year screening and progress monitoring data, who are not on track to score Level 3 or above on the statewide, standardized ELA assessment.
- Other forms of data that should be considered: formative, progress monitoring and diagnostic assessment data.

Grades K-2: Instructional Practice specifically relating to Reading/ELA

Not Applicable.

Grades 3-5: Instructional Practice specifically related to Reading/ELA

According to the 2023 F.A.S.T PM3 ELA Assessment data, 47% of Grade 4 students scored at the proficient level as compared to 40% on the 2022 FSA ELA Assessment. For Grade 5, 39% of the students scored at the proficient level 2023 F.A.S.T PM3 ELA Assessment data as compared to 45% proficiency on the 2022 FSA ELA Assessment . Therefore the area of focus which will address the students' academic needs is Effective Curriculum and Resource Utilization.

Measurable Outcomes

State the specific measurable outcome the school plans to achieve for each grade below. This should be a data-based, objective outcome. Include prior year data and a measurable outcome for each of the following:

- Each grade K -3, using the coordinated screening and progress monitoring system, where 50
 percent or more of the students are not on track to pass the statewide ELA assessment;
- Each grade 3-5 where 50 percent or more of its students scored below a Level 3 on the most recent statewide, standardized ELA assessment; and
- Grade 6 measurable outcomes may be included, as applicable.

Grades K-2 Measurable Outcomes

Not Applicable.

Grades 3-5 Measurable Outcomes

According to the 2023 F.A.S.T PM3 ELA Assessment data, 47% of Grade 4 students scored at the proficient level as compared to 40% on the 2022 FSA ELA Assessment. For Grade 5, 39% of the students scored at the proficient level 2023 F.A.S.T PM3 ELA Assessment data as compared to 45% proficiency on the 2022 FSA ELA Assessment. Through the utilization of the Elevate Reading Horizons and iReady Reading programs, students will be able to strengthen their reading skills in the areas of: phonological awareness, phonics, vocabulary, literature and informational text comprehension. Thereby, students should be able to meet the desired outcome of increasing 3% or more in their overall reading performance based on a comparison between FAST PM 1 and FAST PM3 reading data.

Monitoring

Monitoring

Describe how the school's Area(s) of Focus will be monitored for the desired outcomes. Include a description of how ongoing monitoring will impact student achievement outcomes.

On a bi-weekly basis, administrative walkthroughs will be conducted to ensure the effective implementation of the iReady and Elevate Reading Horizons programs. On a monthly basis, progress monitoring reports from Elevate Reading Horizons, iReady Reading, and unit tests will be disaggregated to track the progression of the students.

Person Responsible for Monitoring Outcome

Select the person responsible for monitoring this outcome.

Johnson, Bernard, bajohnson@dadeschools.net

Evidence-based Practices/Programs

Description:

Describe the evidence-based practices/programs being implemented to achieve the measurable outcomes in each grade and describe how the identified practices/programs will be monitored. The term "evidence-based" means demonstrating a statistically significant effect on improving student outcomes or other relevant outcomes as provided in 20 U.S.C. §7801(21)(A)(i). Florida's definition limits evidence-based practices/programs to only those with strong, moderate or promising levels of evidence.

- Do the identified evidence-based practices/programs meet Florida's definition of evidence-based (strong, moderate or promising)?
- Do the evidence-based practices/programs align with the district's K-12 Comprehensive Evidence-based Reading Plan?
- Do the evidence-based practices/programs align to the B.E.S.T. ELA Standards?

The evidenced based strategy being implemented for this Area of Focus is Effective Curriculum and Resource Utilization.

Rationale:

Explain the rationale for selecting practices/programs. Describe the resources/criteria used for selecting the practices/programs.

- Do the evidence-based practices/programs address the identified need?
- Do the identified evidence-based practices/programs show proven record of effectiveness for the target population?

Effective Curriculum and Resource Utilization refers to district curriculum and resources to maximize student learning including utilizing program materials, technology, pacing guides, task cards and supplemental resources to support student learning.

Action Steps to Implement

List the action steps that will be taken to address the school's Area(s) of Focus. To address the area of focus, identify 2 to 3 action steps and explain in detail for each of the categories below:

- Literacy Leadership
- Literacy Coaching
- Assessment
- Professional Learning

| Action Step | Person Responsible for Monitoring |
|---|---|
| 9-13-23 Professional Learning- Teachers will be provided a training on implementing Elevate Horizons with Tier 2 and Tier 3 students. | Martinez, Esmeralda, emartinez2@dadeschools.net |
| 09-13-23 to 10-11-23 Literacy Coaching- Reading coach will either model Elevate Horizons for teachers and students or arrange for teachers to observe an expert teacher implementing Elevate Horizons. | Martinez, Esmeralda, emartinez2@dadeschools.net |
| 09-13-23 to 10-11-23- Assessment- Literacy Coach will review the progression of students on assessments within Elevate Horizons. Literacy Coach will disseminate this information to the administrative team as well as create a schedule to assist the teacher(s)/student(s) who are stagnant or displaying minimal progression. | Martinez, Esmeralda, emartinez2@dadeschools.net |
| 09-13-23 to 10-11-23 Compare FAST PM1 data and AP1 data will be compared to 2022-2023 FAST data to identify discrepancies and determine which data set is more appropriate to identify students' level of ability. | Martinez, Esmeralda, emartinez2@dadeschools.net |

Title I Requirements

Schoolwide Program Plan (SWP) Requirements

This section must be completed if the school is implementing a Title I, Part A SWP and opts to use the SIP to satisfy the requirements of the SWP plan, as outlined in the ESSA, Public Law No. 114-95, § 1114(b). This section is not required for non-Title I schools.

Provide the methods for dissemination of this SIP, UniSIG budget and SWP to stakeholders (e.g., students, families, school staff and leadership and local businesses and organizations). Please articulate a plan or protocol for how this SIP and progress will be shared and disseminated and to the extent practicable, provided in a language a parent can understand. (ESSA 1114(b)(4)) List the school's webpage* where the SIP is made publicly available.

This SIP will be shared with all stakeholders. Community members, parents, and students will receive information regarding the SIP via EESAC meetings and the school's website at southdademiddle.com. Faculty and staff members will receive information regarding the SIP via faculty, department, and leadership meetings. Information is shared and disseminated on the school's website at https://southdademiddle.com/title-i/

Describe how the school plans to build positive relationships with parents, families and other community stakeholders to fulfill the school's mission, support the needs of students and keep parents informed of their child's progress.

List the school's webpage* where the school's Family Engagement Plan is made publicly available. (ESSA 1116(b-g))

This school plans to build positive relationships with parents and families and other community stakeholders via the use of activities and events sponsored by the Parent Academy. The Parent Academy will host workshops and events throughout the school year to assist parents with being informed of their child(ren)'s academic and social emotional needs as well as topics presented on the Title 1 parent survey. The Family Engagement Plan will be posted on the school's website under the

Title 1 tab. Information is shared and disseminated on the school's website at https://southdademiddle.com/title-i/

Describe how the school plans to strengthen the academic program in the school, increase the amount and quality of learning time and help provide an enriched and accelerated curriculum. Include the Area of Focus if addressed in Part III of the SIP. (ESSA 1114(b)(7)ii))

This school plans to strengthen the academic program in the school by offering extended learning opportunities to all students. Students will be able to receive additional academic assistance before school, during school via interventions, and afterschool. To increase the amount and quality of learning time as well as to help provide an enriched and accelerated curriculum, this school has set lower class sizes. The smaller class size will empower the teachers to provide more data driven differentiated instruction to address the academic needs of all students. Additionally, in the area of secondary mathematics, the students will have one teacher providing instruction in the core and remediation/enrichment courses. This action will empower the teachers to identify the strengths and weaknesses of the students and time to remediate and/or enrich the students in the intensive math and enrichment class.

If appropriate and applicable, describe how this plan is developed in coordination and integration with other Federal, State, and local services, resources and programs, such as programs supported under ESSA, violence prevention programs, nutrition programs, housing programs, Head Start programs, adult education programs, career and technical education programs, and schools implementing CSI or TSI activities under section 1111(d). (ESSA 1114(b)(5))

Not Applicable

Optional Component(s) of the Schoolwide Program Plan

Include descriptions for any additional strategies that will be incorporated into the plan.

Describe how the school ensures counseling, school-based mental health services, specialized support services, mentoring services, and other strategies to improve students' skills outside the academic subject areas. (ESSA 1114(b)(7)(iii)(I))

Optional, not applicable.

Describe the preparation for and awareness of postsecondary opportunities and the workforce, which may include career and technical education programs and broadening secondary school students' access to coursework to earn postsecondary credit while still in high school. (ESSA 1114(b)(7)(iii)(II))

Optional, not applicable.

Describe the implementation of a schoolwide tiered model to prevent and address problem behavior, and early intervening services, coordinated with similar activities and services carried out under the Individuals with Disabilities Education Act. 20 U.S.C. 1400 et seq. and ESSA 1114(b)(7)(iii)(III).

Optional, not applicable.

Describe the professional learning and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data from academic assessments, and to recruit and retain effective teachers, particularly in high need subjects. (ESSA 1114(b)(7)(iii)(IV))

Optional, not applicable.

Describe the strategies the school employs to assist preschool children in the transition from early childhood education programs to local elementary school programs. (ESSA 1114(b)(7)(iii)(V))

Non applicable-this school service students enrolled in grades 4 through 8.

Budget to Support Areas of Focus

Part VII: Budget to Support Areas of Focus

The approved budget does not reflect any amendments submitted for this project.

| 1 | III.B. | Area of Focus: Instructional Practice: Benchmark-aligned Instruction | \$0.00 |
|---|--------|---|--------|
| 2 | III.B. | Area of Focus: Positive Culture and Environment: Other | \$0.00 |
| 3 | III.B. | Area of Focus: Instructional Practice: Differentiation | \$0.00 |
| 4 | III.B. | Area of Focus: Positive Culture and Environment: Early Warning System | \$0.00 |
| | | Total: | \$0.00 |

Budget Approval

Check if this school is eligible and opting out of UniSIG funds for the 2023-24 school year.
