SIP Authority

Section 1001.42(18), Florida Statutes (F.S.), requires district school boards to annually approve and require implementation of a new, amended, or continuation SIP for each school in the district which has a school grade of D or F; has a significant gap in achievement on statewide, standardized assessments administered pursuant to s. 1008.22 by one or more student subgroups, as defined in the federal Elementary and Secondary Education Act (ESEA), 20 U.S.C. s. 6311(b)(2)(C)(v)(II); has not significantly increased the percentage of students passing statewide, standardized assessments; has not significantly increased the percentage of students demonstrating Learning Gains, as defined in s. 1008.34, and as calculated under s. 1008.34(3)(b), who passed statewide, standardized assessments; has been identified as requiring instructional supports under the Reading Achievement Initiative for Scholastic Excellence (RAISE) program established in s. 1008.365; or has significantly lower graduation rates for a subgroup when compared to the state's graduation rate. Rule 6A-1.098813, Florida Administrative Code (F.A.C.), requires district school boards to approve a SIP for each Department of Juvenile Justice (DJJ) school in the district rated as Unsatisfactory.

Below are the criteria for identification of traditional public and public charter schools pursuant to the Every Student Succeeds Act (ESSA) State plan:

Additional Target Support and Improvement (ATSI)

A school not identified for CSI or TSI, but has one or more subgroups with a Federal Index below 41%.

Targeted Support and Improvement (TSI)

A school not identified as CSI that has at least one consistently underperforming subgroup with a Federal Index below 32% for three consecutive years.

Comprehensive Support and Improvement (CSI)

A school can be identified as CSI in any of the following four ways:

1. Have an overall Federal Index below 41%;
2. Have a graduation rate at or below 67%;
3. Have a school grade of D or F; or
4. Have a Federal Index below 41% in the same subgroup(s) for 6 consecutive years.

ESEA sections 1111(d) requires that each school identified for ATSI, TSI or CSI develop a support and improvement plan created in partnership with stakeholders (including principals and other school leaders, teachers and parent), is informed by all indicators in the State's accountability system, includes evidence-based interventions, is based on a school-level needs assessment, and identifies resource inequities to be addressed through implementation of the plan. The support and improvement plans for schools identified as TSI, ATSI and non-Title I CSI must be approved and monitored by the school district. The support and improvement plans for schools identified as Title I, CSI must be approved by the school district and

Department. The Department must monitor and periodically review implementation of each CSI plan after approval.

The Department's SIP template in the Florida Continuous Improvement Management System (CIMS), <https://www.floridacims.org>, meets all state and rule requirements for traditional public schools and incorporates all ESSA components for a support and improvement plan required for traditional public and public charter schools identified as CSI, TSI and ATSI, and eligible schools applying for Unified School Improvement Grant (UniSIG) funds.

Districts may allow schools that do not fit the aforementioned conditions to develop a SIP using the template in CIMS.

The responses to the corresponding sections in the Department's SIP template may address the requirements for: 1) Title I schools operating a schoolwide program (SWD), pursuant to ESSA, as amended, Section 1114(b); and 2) charter schools that receive a school grade of D or F or three consecutive grades below C, pursuant to Rule 6A-1.099827, F.A.C. The chart below lists the applicable requirements.

SIP Sections	Title I Schoolwide Program	Charter Schools
I-A: School Mission/Vision		6A-1.099827(4)(a)(1)
I-B-C: School Leadership, Stakeholder Involvement & SIP Monitoring	ESSA 1114(b)(2-3)	
I-E: Early Warning System	ESSA 1114(b)(7)(A)(iii)(III)	6A-1.099827(4)(a)(2)

III-B: Area(s) of Focus	ESSA 1114(b)(7)(A)(i-iii)	
III-C: Other SI Priorities		6A-1.099827(4)(a)(5-9)
VI: Title I Requirements	ESSA 1114(b)(2, 4-5), (7)(A)(iii)(I-V)-(B) ESSA 1116(b-g)	

Note: Charter schools that are also Title I must comply with the requirements in both columns.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Department encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

I. School Information

School Mission and Vision

Provide the school's mission statement.

At MCCS (Miami Community Charter School), our faculty is committed to empowering our students through mentorship to be held accountable by teaching them to embrace responsibility, demonstrate mutual respect, and engage in open communication. Our continuous collaboration of all stakeholders will provide a safe and nurturing environment which promotes students' social-emotional and academic growth. Students will feel secure in embracing new challenges by identifying their individual strengths, motivating them through goals, and celebrating their victories. Through our endeavors and dedication to community service, our students will achieve their full potential and become productive members of society.

Provide the school's vision statement.

As life long learners, MCCS students will take ownership to transform obstacles into opportunities for a better community.

School Leadership Team, Stakeholder Involvement and SIP Monitoring

School Leadership Team

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities as it relates to SIP implementation for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Papili, Stephany	Principal	
Rezaie, Jila	Other	
Mejia, Raquel	Assistant Principal	
Mitchell, Michelle	Instructional Coach	
Qureshi, Wajida	Instructional Coach	
Rodriguez, Lianet	Instructional Coach	
Saavedra, Ruben	Instructional Technology	
Lindsay , Novelette	School Counselor	
Hazelton, Caroline	ELL Compliance Specialist	
	Instructional Coach	

Stakeholder Involvement and SIP Development

Describe the process for involving stakeholders (including the school leadership team, teachers and school staff, parents, students (mandatory for secondary schools) and families, and business or community leaders) and how their input was used in the SIP development process. (ESSA 1114(b)(2))

Note: If a School Advisory Council is used to fulfill these requirements, it must include all required stakeholders.

All stakeholders are involved in the SIP Development. Administration team meets with the Instructional Leaders and Student Services Department on an ongoing basis to discuss academic and social emotional progress including goal setting and problem solving. Instructional Leaders then meet with their

team teachers to discuss and analyze the goals and plan of action. Progress Monitoring Assessments are conducted and implemented through Student Data Chats so all students and parents are aware of the progress. The school Administration team keeps the Governing Board informed through Academic Reports in the Board Meetings.

SIP Monitoring

Describe how the SIP will be regularly monitored for effective implementation and impact on increasing the achievement of students in meeting the State's academic standards, particularly for those students with the greatest achievement gap. Describe how the school will revise the plan, as necessary, to ensure continuous improvement. (ESSA 1114(b)(3))

The SIP is a live document which is a part of every Professional Learning Community meeting. Instructional Leaders are responsible to progress monitor and revisit the goal(s) and plan of action accordingly. Revisions and modifications are made as needed.

ESSA School, District and State Comparison (pre-populated)

Please note that the district and state averages shown here represent the averages for similar school types (elementary, middle, high school or combination schools). Each "blank" cell indicates the school had less than 10 eligible students with data for a particular component and was not calculated for the school.

On April 9, 2021, FDOE Emergency Order No. 2021-EO-02 made 2020-21 school grades optional. They have been removed from this publication.

III. Planning for Improvement

Data Analysis/Reflection

Answer the following reflection prompts after examining any/all relevant school data sources.

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

The lowest performance data component was in the area of 8th Grade Comprehensive Science (18% proficiency) and English Language Arts (28% proficiency). The contributing factors to this low performance were below grade level reading/fluency/comprehension/vocabulary and English Language proficiency/acquisition.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

The data component demonstrating the greatest decline from the prior year was 7th grade Civics from 53% proficiency to 45% proficiency. Some contributing factors to this decline was the English Language proficiency/acquisition. The 7th grade ELA proficiency was 29%.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

The component with the greatest gap compared to the state average is 8th Grade Comprehensive Science. The contributing factors to this low performance were below grade level reading/fluency/comprehension/vocabulary and English Language proficiency/acquisition.

Which data component showed the most improvement? What new actions did your school take in this area?

The data component demonstrating the most improvement was in the area of 8th Grade Comprehensive Science from 8% proficiency to 18% proficiency and Middle School Biology from 61% proficiency to 100% proficiency as well as Mathematics from 23% proficiency to 35% proficiency in General Mathematics, 64% Algebra 1, and 43% Geometry. Some new actions the school took in these areas were small support group intervention during intensive courses and electives, co-teaching strategies with core and intensive mathematics teachers for reinforcement, and after school tutoring sessions.

Reflecting on the EWS data from Part I, identify one or two potential areas of concern.

Area of concern is the number of ELA Level 1s.

Rank your highest priorities (maximum of 5) for school improvement in the upcoming school year.

The highest priority for school improvement is in the areas of English Language Arts and English Language Learners.

Area of Focus

(Identified key Area of Focus that addresses the school's highest priority based on any/all relevant data sources)

#1. Positive Culture and Environment specifically relating to Early Warning System**Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed.
One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Attendance

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Student 18+ absences will reduce by 20% from 55 students to 44 students by the end of the school year.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Student attendance is monitored by the Dean's office in collaboration with Student Services Department, School Administration, and parent. Parents are notified by black board message, phone calls, and parent meetings

Person responsible for monitoring outcome:

Diana Galdamez (dgaldamez@mccsedu.org)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Progress monitoring by tier 1 (warning black board message), tier 2 (parent phone call), tier 3 (parent call for intervention plan and documentation).

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

The high number of absences.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 4 - Demonstrates a Rationale

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

No action steps were entered for this area of focus

#2. Instructional Practice specifically relating to ELA**Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Based on the FAST PM3 Assessment, 30% of current 6th Grade students, 21% of current 7th Grade students, and 30% of current 8th Grade students are proficient.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

The school goal is to have 41% of current 6th Grade students, 33% of current 7th Grade students, and 44% of current 8th Grade students proficient based on the FAST PM3 Spring 2024 Assessment

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

This area of focus will be monitored through progress monitoring including (PM1, PM2, IReady AP1, AP2, and standard mastery assessments).

Person responsible for monitoring outcome:

Carol Clarkin (cclarkin@mccsedu.org)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Students are enrolled in Intensive Reading/Developmental Courses implementing IReady Reading/Imagine Learning curriculum.

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

The school follows the Student Progression Plan for placement and intervention.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 4 - Demonstrates a Rationale

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

No action steps were entered for this area of focus

#3. Instructional Practice specifically relating to Math**Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Based on the FAST PM3 Assessment, 35% of students enrolled in General Mathematics (6-8), 64% in Algebra 1, and 43% in Geometry scored proficient.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

The school goal is to have 37% of students enrolled in 6-8 General Mathematics (31%), 35% in Algebra 1, and 45% in Geometry scored proficient FAST PM3/EOC Spring 2024 Assessment.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

This area of focus will be monitored through progress monitoring including (PM1, PM2, I-Ready AP1, AP2, and district based topic assessments as well as IXL implementation.

CSI, TSI and ATSI Resource Review

Describe the process to review school improvement funding allocations and ensure resources are allocated based on needs. This section must be completed if the school is identified as ATSI, TSI or CSI in addition to completing an Area(s) of Focus identifying interventions and activities within the SIP (ESSA 1111(d)(1)(B)(4) and (d)(2)(C)).

The school's Title I department collaborates with the community outreach team to drive several parental involvement programs. In addition to the allowable allocation from the Title I funds, the school supports the successful Parent 2 Parent program. Therefore, more than 90% of Title I funds are allocated to the instructional programs.

Area of Focus Description and Rationale

Include a description of your Area of Focus (Instructional Practice specifically relating to Reading/ELA) for each grade below, how it affects student learning in literacy, and a rationale that explains how it was identified as a critical need from the data reviewed. Data that should be used to determine the critical need should include, at a minimum:

- The percentage of students below Level 3 on the 2022 statewide, standardized ELA assessment. Identification criteria must include each grade that has 50 percent or more students scoring below level 3 in grades 3-5 on the statewide, standardized ELA assessment.
- The percentage of students in kindergarten through grade 3, based on 2021-2022 end of year screening and progress monitoring data, who are not on track to score Level 3 or above on the statewide, standardized ELA assessment.
- Other forms of data that should be considered: formative, progress monitoring and diagnostic assessment data.

Measurable Outcomes

State the specific measurable outcome the school plans to achieve for each grade below. This should be a data-based, objective outcome. Include prior year data and a measurable outcome for each of the following:

- Each grade K -3, using the coordinated screening and progress monitoring system, where 50 percent or more of the students are not on track to pass the statewide ELA assessment;
- Each grade 3-5 where 50 percent or more of its students scored below a Level 3 on the most recent statewide, standardized ELA assessment; and
- Grade 6 measurable outcomes may be included, as applicable.

Evidence-based Practices/Programs**Description:**

Describe the evidence-based practices/programs being implemented to achieve the measurable outcomes in each grade and describe how the identified practices/programs will be monitored. The term "evidence-based" means demonstrating a statistically significant effect on improving student outcomes or other relevant outcomes as provided in 20 U.S.C. §7801(21)(A)(i). Florida's definition limits evidence-based practices/programs to only those with strong, moderate or promising levels of evidence.

- Do the identified evidence-based practices/programs meet Florida's definition of evidence-based (strong, moderate or promising)?
- Do the evidence-based practices/programs align with the district's K-12 Comprehensive Evidence-based Reading Plan?
- Do the evidence-based practices/programs align to the B.E.S.T. ELA Standards?

N/A

Rationale:

Explain the rationale for selecting practices/programs. Describe the resources/criteria used for selecting the practices/programs.

- Do the evidence-based practices/programs address the identified need?
- Do the identified evidence-based practices/programs show proven record of effectiveness for the target population?

Title I Requirements**Schoolwide Program Plan (SWP) Requirements**

This section must be completed if the school is implementing a Title I, Part A SWP and opts to use the SIP to satisfy the requirements of the SWP plan, as outlined in the ESSA, Public Law No. 114-95, § 1114(b). This section is not required for non-Title I schools.

Provide the methods for dissemination of this SIP, UniSIG budget and SWP to stakeholders (e.g., students, families, school staff and leadership and local businesses and organizations). Please articulate a plan or protocol for how this SIP and progress will be shared and disseminated and to the extent practicable, provided in a language a parent can understand. (ESSA 1114(b)(4))

List the school's webpage* where the SIP is made publicly available.

The methods for dissemination of this SIP is determined by the school's projected outcome at the end of school year 2023 – 2024. This is the driving force in budget planning, including the Title I allocations, more than 90% of which is dedicated to instructional programs. The annual budget is reviewed and approved by the board of directors in the public meeting. The delivery of instruction, instructional materials, and instructional technology receive the highest portion of the funds. The importance of this matters and methods of the implementations are communicated to the parents via the following;

- a. Parent 2 Parent Platform, which is conducted in English and Spanish on regular basis.
- b. Board of Directors public meetings
- c. School's EESAC meetings, and
- d. Individual meeting with the students and parents as needed.

Translation is available in all written and verbal communications.

The progress towards meeting the projected outcomes is monitored and reviewed three times a for appropriate revisions.

Describe how the school plans to build positive relationships with parents, families and other community stakeholders to fulfill the school's mission, support the needs of students and keep parents informed of their child's progress.

List the school's webpage* where the school's Family Engagement Plan is made publicly available. (ESSA 1116(b-g))

The school has an active Title I & Community Outreach Office. The school CIS and all members of this team are available during the school days, after school hours, and occasional weekends. In spite of a great parent's participation in the school's in person and live digital programs, by practicing the open door policy all stakeholders, the parents in particular, are accommodated upon request.

Describe how the school plans to strengthen the academic program in the school, increase the amount and quality of learning time and help provide an enriched and accelerated curriculum. Include the Area of Focus if addressed in Part III of the SIP. (ESSA 1114(b)(7)(ii))

The school has taken notable measures to continue with closing the gap, providing equitable access to academic success. The school day is 60 minutes longer than all other public and charter schools. In addition to tear around after school tutoring programs, the school's Extended Learning Center, ELC provides on going differentiated instruction for all students during the school day. The education programs continue during the winter, spring and summer academies.

If appropriate and applicable, describe how this plan is developed in coordination and integration with other Federal, State, and local services, resources and programs, such as programs supported under ESSA, violence prevention programs, nutrition programs, housing programs, Head Start programs, adult education programs, career and technical education programs, and schools implementing CSI or TSI activities under section 1111(d). (ESSA 1114(b)(5))

In response to the needs of the community, in accordance with the school vision for making a better community, and in compliance with Federal and state guidelines, the school runs outstanding programs for student's socio, emotional and academic wellbeing. The student services collaborate with academic team, Title I and Community Outreach team, school safety team, and school leadership to provide all necessary services for the students. In addition to the food service and transportation services, the counselors' hotline is open during the school recess time, through collaboration with MAC the college and Prep classes are offered to student, some college courses are also offered in the school, while the school supports the dual enrollment program in MDC. The school has a successful College and Career program through the Microsoft , Digital Design and Accounting Quickbook programs.

Optional Component(s) of the Schoolwide Program Plan

Include descriptions for any additional strategies that will be incorporated into the plan.

Describe how the school ensures counseling, school-based mental health services, specialized support services, mentoring services, and other strategies to improve students' skills outside the academic subject areas. (ESSA 1114(b)(7)(iii)(I))

School's student's services is a team of academic counselor, two mental health specialist, and two dean of students. This team provides individual and or group sessions for all students. The team is also available via a hotline during the school recess times. In addition to the school based services, the school works with community based services such as NAMI. Give Back is a national mentorship program, which enables the students to prepare and plan for a productive life after high school.

Describe the preparation for and awareness of postsecondary opportunities and the workforce, which may include career and technical education programs and broadening secondary school students' access to coursework to earn postsecondary credit while still in high school. (ESSA 1114(b)(7)(iii)(II))

Mexican American Council, GiveBack, and Miami Dade College

Describe the implementation of a schoolwide tiered model to prevent and address problem behavior, and early intervening services, coordinated with similar activities and services carried out under the Individuals with Disabilities Education Act. 20 U.S.C. 1400 et seq. and ESSA 1114(b)(7)(iii)(III).

Miami Community Charter School follows the guidelines, plans and programs as delineated in the MDCP-S programs.

Describe the professional learning and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data from academic assessments, and to recruit and retain effective teachers, particularly in high need subjects. (ESSA 1114(b)(7)(iii)(IV))

The school offers a multilevel of opportunities for professional development. This aligns with the organizational structure of the academic team, which includes the following

- a. Collaborative Team I & II
- b. Academic Leadership Team (teacher leaders & instructional coaches)
- c. PLC teams (all teachers including groups a & b)
- d. Professional Pathway, guiding the instructional team to progress to the next step of professional proficiency
- e. School wide PD sessions in and out of the building

The meeting agenda for groups a, b, and c is the same during the school year, based on synergy between all team members to monitor progress and move towards meeting the projected outcome.

Describe the strategies the school employs to assist preschool children in the transition from early childhood education programs to local elementary school programs. (ESSA 1114(b)(7)(iii)(V))
