## Glades Middle School

9451 SW 64TH ST, Miami, FL 33173

<http://gladesmiddle.dadeschools.net/>

### School Board Approval

This plan was approved by the Dade County School Board on 10/11/2023.

### SIP Authority

Section 1001.42(18), Florida Statutes (F.S.), requires district school boards to annually approve and require implementation of a new, amended, or continuation SIP for each school in the district which has a school grade of D or F; has a significant gap in achievement on statewide, standardized assessments administered pursuant to s. 1008.22 by one or more student subgroups, as defined in the federal Elementary and Secondary Education Act (ESEA), 20 U.S.C. s. 6311(b)(2)(C)(v)(II); has not significantly increased the percentage of students passing statewide, standardized assessments; has not significantly increased the percentage of students demonstrating Learning Gains, as defined in s. 1008.34, and as calculated under s. 1008.34(3)(b), who passed statewide, standardized assessments; has been identified as requiring instructional supports under the Reading Achievement Initiative for Scholastic Excellence (RAISE) program established in s. 1008.365; or has significantly lower graduation rates for a subgroup when compared to the state's graduation rate. Rule 6A-1.098813, Florida Administrative Code (F.A.C.), requires district school boards to approve a SIP for each Department of Juvenile Justice (DJJ) school in the district rated as Unsatisfactory.

Below are the criteria for identification of traditional public and public charter schools pursuant to the Every Student Succeeds Act (ESSA) State plan:

#### Additional Target Support and Improvement (ATSI)

A school not identified for CSI or TSI, but has one or more subgroups with a Federal Index below 41%.

#### Targeted Support and Improvement (TSI)

A school not identified as CSI that has at least one consistently underperforming subgroup with a Federal Index below 32% for three consecutive years.

#### Comprehensive Support and Improvement (CSI)

A school can be identified as CSI in any of the following four ways:

1. Have an overall Federal Index below 41%;
2. Have a graduation rate at or below 67%;
3. Have a school grade of D or F; or
4. Have a Federal Index below 41% in the same subgroup(s) for 6 consecutive years.

ESEA sections 1111(d) requires that each school identified for ATSI, TSI or CSI develop a support and improvement plan created in partnership with stakeholders (including principals and other school leaders, teachers and parent), is informed by all indicators in the State's accountability system, includes evidence-based interventions, is based on a school-level needs assessment, and identifies resource inequities to be

addressed through implementation of the plan. The support and improvement plans for schools identified as TSI, ATSI and non-Title I CSI must be approved and monitored by the school district. The support and improvement plans for schools identified as Title I, CSI must be approved by the school district and Department. The Department must monitor and periodically review implementation of each CSI plan after approval.

The Department's SIP template in the Florida Continuous Improvement Management System (CIMS), <https://www.floridacims.org>, meets all state and rule requirements for traditional public schools and incorporates all ESSA components for a support and improvement plan required for traditional public and public charter schools identified as CSI, TSI and ATSI, and eligible schools applying for Unified School Improvement Grant (UniSIG) funds.

Districts may allow schools that do not fit the aforementioned conditions to develop a SIP using the template in CIMS.

The responses to the corresponding sections in the Department's SIP template may address the requirements for: 1) Title I schools operating a schoolwide program (SWD), pursuant to ESSA, as amended, Section 1114(b); and 2) charter schools that receive a school grade of D or F or three consecutive grades below C, pursuant to Rule 6A-1.099827, F.A.C. The chart below lists the applicable requirements.

| SIP Sections   | Title I Schoolwide Program                                      | Charter Schools        |
|--|---|------------------------|
| I-A: School Mission/Vision   |   | 6A-1.099827(4)(a)(1)   |
| I-B-C: School Leadership, Stakeholder Involvement & SIP Monitoring | ESSA 1114(b)(2-3)   |                        |
| I-E: Early Warning System  | ESSA 1114(b)(7)(A)(iii)(III)                                    | 6A-1.099827(4)(a)(2)   |
| II-A-C: Data Review  |   | 6A-1.099827(4)(a)(2)   |
| II-F: Progress Monitoring  | ESSA 1114(b)(3)   |                        |
| III-A: Data Analysis/Reflection                                    | ESSA 1114(b)(6)   | 6A-1.099827(4)(a)(4)   |
| III-B: Area(s) of Focus  | ESSA 1114(b)(7)(A)(i-iii)                                       |                        |
| III-C: Other SI Priorities   |   | 6A-1.099827(4)(a)(5-9) |
| VI: Title I Requirements   | ESSA 1114(b)(2, 4-5),<br>(7)(A)(iii)(I-V)-(B)<br>ESSA 1116(b-g) |                        |

Note: Charter schools that are also Title I must comply with the requirements in both columns.

## **Purpose and Outline of the SIP**

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Department encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## I. School Information

### School Mission and Vision

**Provide the school's mission statement.**

Glades Middle School's mission is to empower students with the highest quality education so all of our students are provided with lifelong learning skills to become successful in leading productive, responsible, and fulfilling lives as a member of society.

**Provide the school's vision statement.**

Glades Middle School is committed to a comprehensive and inclusive learning environment to provide educational excellence for all.

### School Leadership Team, Stakeholder Involvement and SIP Monitoring

**School Leadership Team**

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities as it relates to SIP implementation for each member of the school leadership team.:

| Name                   | Position Title      | Job Duties and Responsibilities  |
|------------------------|---------------------|--|
| Valdes-Garcia, Cynthia | Principal           | The school principal's responsibility is to provide a clear school vision and ensure implementation of strategies, intervention support, and documentation. The principal works to develop and maintain effective educational programs within the school and to promote the improvement of teaching and learning at the school |
| Siles, Elieser         | Assistant Principal | Conducts IEP meetings, shares and solicits information about SPED students (504 plans, gifted, etc.), upkeeps IEPs and shares digital IEPs with teachers, communicates with parents and other shareholders.  |
| Garcia, Lola           | School Counselor    | Checks on students' well-being, communicates with parents, schedule changes, and schedules school-wide testing.  |
| Nazario, Luz           | Teacher, K-12       | ESOL teacher and PLST Lead Mentor Teacher. Assists in developing a plan for social activities and special events.  |
| Cid, Jonathan          | Teacher, ESE        | Conducts IEP meetings, shares and solicits information about SPED students (504 plans, gifted, etc.), upkeeps IEPs and shares digital IEPs with teachers, communicates with parents and other shareholders   |
| Alexander, Gizella     | Teacher, K-12       | Assists in recruiting future students into the DREAMS and Cambridge programs, collaborates with colleagues to share literacy resources, and plans for school-wide diagnostic assessments. Department chair for the Language Arts and Reading departments.  |

### Stakeholder Involvement and SIP Development

Describe the process for involving stakeholders (including the school leadership team, teachers and school staff, parents, students (mandatory for secondary schools) and families, and business or community leaders) and how their input was used in the SIP development process. (ESSA 1114(b)(2))

Note: If a School Advisory Council is used to fulfill these requirements, it must include all required stakeholders.

Stakeholder involvement and the SIP Development process at Glades includes having the leadership team meet to review student assessment data and school needs from the Climate Surveys. They will determine which are the best areas of focus and make preliminary decisions. The data and preliminary selections will be shared during the opening of schools meeting and teachers will be able to provide feedback and suggestions for the action plans that will be implemented. An EESAC meeting will be held to share the same information with other stakeholders, including students. This will give other stakeholders an opportunity to provide input.

**SIP Monitoring**

Describe how the SIP will be regularly monitored for effective implementation and impact on increasing the achievement of students in meeting the State's academic standards, particularly for those students with the greatest achievement gap. Describe how the school will revise the plan, as necessary, to ensure continuous improvement. (ESSA 1114(b)(3))

The SIP will be regularly monitored for effective implementation using a variety of methods. Upon creation of the action steps, administration will seek evidence of implementation during classroom walkthroughs by observing class lessons, teacher lesson plans, and student work samples. Student progress will be monitored by analyzing student assessment data from the FAST, iReady, and benchmark assessments. During faculty meetings, up to date data will be shared and SIP updates will be provided. Teachers will be able to provide feedback and suggestions on changes that may need to be implemented. Each EESAC meeting will include time to review and discuss the progress made and/or needed on the SIP action steps and will be adjusted accordingly.

**Demographic Data**

Only ESSA identification and school grade history updated 3/11/2024

**Early Warning Systems**

**Using 2022-23 data, complete the table below with the number of students by current grade level that exhibit each early warning indicator listed:**

| Indicator   | Grade Level |   |   |   |   |   |    |    |    |     | Total |
|---|-------------|---|---|---|---|---|----|----|----|-----|-------|
|   | K           | 1 | 2 | 3 | 4 | 5 | 6  | 7  | 8  |     |       |
| Absent 10% or more days   | 0           | 0 | 0 | 0 | 0 | 0 | 13 | 14 | 23 | 50  |       |
| One or more suspensions   | 0           | 0 | 0 | 0 | 0 | 0 | 1  | 0  | 0  | 1   |       |
| Course failure in English Language Arts (ELA)   | 0           | 0 | 0 | 0 | 0 | 0 | 1  | 0  | 4  | 5   |       |
| Course failure in Math  | 0           | 0 | 0 | 0 | 0 | 0 | 3  | 1  | 1  | 5   |       |
| Level 1 on statewide ELA assessment   | 0           | 0 | 0 | 0 | 0 | 0 | 5  | 3  | 24 | 32  |       |
| Level 1 on statewide Math assessment  | 0           | 0 | 0 | 0 | 0 | 0 | 36 | 58 | 47 | 141 |       |
| Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C. | 0           | 0 | 0 | 0 | 0 | 0 | 52 | 76 | 83 | 211 |       |

**Using the table above, complete the table below with the number of students by current grade level that have two or more early warning indicators:**

| Indicator                            | Grade Level |   |   |   |   |   |    |    |    | Total |
|--------------------------------------|-------------|---|---|---|---|---|----|----|----|-------|
|                                      | K           | 1 | 2 | 3 | 4 | 5 | 6  | 7  | 8  |       |
| Students with two or more indicators | 0           | 0 | 0 | 0 | 0 | 0 | 22 | 28 | 46 | 96    |

**Using the table above, complete the table below with the number of students identified retained:**

| Indicator                           | Grade Level |   |   |   |   |   |   |   |   | Total |
|-------------------------------------|-------------|---|---|---|---|---|---|---|---|-------|
|                                     | K           | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 |       |
| Retained Students: Current Year     | 0           | 0 | 0 | 0 | 0 | 0 | 4 | 1 | 1 | 6     |
| Students retained two or more times | 0           | 0 | 0 | 0 | 0 | 0 | 1 | 2 | 0 | 3     |

#### **Prior Year (2022-23) As Initially Reported (pre-populated)**

**The number of students by grade level that exhibited each early warning indicator:**

| Indicator   | Grade Level |   |   |   |   |   |    |    |    |     | Total |
|---|-------------|---|---|---|---|---|----|----|----|-----|-------|
|   | K           | 1 | 2 | 3 | 4 | 5 | 6  | 7  | 8  |     |       |
| Absent 10% or more days   | 0           | 0 | 0 | 0 | 0 | 0 | 26 | 42 | 52 | 120 |       |
| One or more suspensions   | 0           | 0 | 0 | 0 | 0 | 0 | 0  | 16 | 16 | 32  |       |
| Course failure in ELA   | 0           | 0 | 0 | 0 | 0 | 0 | 2  | 2  | 6  | 10  |       |
| Course failure in Math  | 0           | 0 | 0 | 0 | 0 | 0 | 7  | 13 | 18 | 38  |       |
| Level 1 on statewide ELA assessment   | 0           | 0 | 0 | 0 | 0 | 0 | 41 | 61 | 66 | 168 |       |
| Level 1 on statewide Math assessment  | 0           | 0 | 0 | 0 | 0 | 0 | 57 | 49 | 68 | 174 |       |
| Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C. | 0           | 0 | 0 | 0 | 0 | 0 | 59 | 98 | 95 | 252 |       |

**The number of students by current grade level that had two or more early warning indicators:**

| Indicator                            | Grade Level |   |   |   |   |   |    |    |    | Total |
|--------------------------------------|-------------|---|---|---|---|---|----|----|----|-------|
|                                      | K           | 1 | 2 | 3 | 4 | 5 | 6  | 7  | 8  |       |
| Students with two or more indicators | 0           | 0 | 0 | 0 | 0 | 0 | 39 | 52 | 62 | 153   |

**The number of students identified retained:**

| Indicator                           | Grade Level |   |   |   |   |   |   |   |   | Total |
|-------------------------------------|-------------|---|---|---|---|---|---|---|---|-------|
|                                     | K           | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 |       |
| Retained Students: Current Year     | 0           | 0 | 0 | 0 | 0 | 0 | 1 | 1 | 8 | 10    |
| Students retained two or more times | 0           | 0 | 0 | 0 | 0 | 0 | 2 | 2 | 2 | 6     |

**Prior Year (2022-23) Updated (pre-populated)**

Section 3 includes data tables that are pre-populated based off information submitted in prior year's SIP.

**The number of students by grade level that exhibited each early warning indicator:**

| Indicator   | Grade Level |   |   |   |   |   |   |    |    |    | Total |
|---|-------------|---|---|---|---|---|---|----|----|----|-------|
|   | K           | 1 | 2 | 3 | 4 | 5 | 6 | 7  | 8  |    |       |
| Absent 10% or more days   | 0           | 0 | 0 | 0 | 0 | 0 | 0 | 26 | 42 | 52 | 120   |
| One or more suspensions   | 0           | 0 | 0 | 0 | 0 | 0 | 0 | 0  | 16 | 16 | 32    |
| Course failure in ELA   | 0           | 0 | 0 | 0 | 0 | 0 | 0 | 2  | 2  | 6  | 10    |
| Course failure in Math  | 0           | 0 | 0 | 0 | 0 | 0 | 0 | 7  | 13 | 18 | 38    |
| Level 1 on statewide ELA assessment   | 0           | 0 | 0 | 0 | 0 | 0 | 0 | 41 | 61 | 66 | 168   |
| Level 1 on statewide Math assessment  | 0           | 0 | 0 | 0 | 0 | 0 | 0 | 57 | 49 | 68 | 174   |
| Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C. | 0           | 0 | 0 | 0 | 0 | 0 | 0 | 59 | 98 | 95 | 252   |

**The number of students by current grade level that had two or more early warning indicators:**

| Indicator                            | Grade Level |   |   |   |   |   |    |    |    | Total |
|--------------------------------------|-------------|---|---|---|---|---|----|----|----|-------|
|                                      | K           | 1 | 2 | 3 | 4 | 5 | 6  | 7  | 8  |       |
| Students with two or more indicators | 0           | 0 | 0 | 0 | 0 | 0 | 39 | 52 | 62 | 153   |

**The number of students identified retained:**

| Indicator                           | Grade Level |   |   |   |   |   |   |   |   | Total |
|-------------------------------------|-------------|---|---|---|---|---|---|---|---|-------|
|                                     | K           | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 |       |
| Retained Students: Current Year     | 0           | 0 | 0 | 0 | 0 | 0 | 1 | 1 | 8 | 10    |
| Students retained two or more times | 0           | 0 | 0 | 0 | 0 | 0 | 2 | 2 | 2 | 6     |

**II. Needs Assessment/Data Review**

**ESSA School, District and State Comparison (pre-populated)**

Please note that the district and state averages shown here represent the averages for similar school types (elementary, middle, high school or combination schools). Each "blank" cell indicates the school had less than 10 eligible students with data for a particular component and was not calculated for the school.

**On April 9, 2021, FDOE Emergency Order No. 2021-EO-02 made 2020-21 school grades optional. They have been removed from this publication.**

### Grade Level Data Review– State Assessments (pre-populated)

The data are raw data and include ALL students who tested at the school. This is not school grade data. The percentages shown here represent ALL students who received a score of 3 or higher on the statewide assessments.

An asterisk (\*) in any cell indicates the data has been suppressed due to fewer than 10 students tested, or all tested students scoring the same.

### III. Planning for Improvement

#### Data Analysis/Reflection

Answer the following reflection prompts after examining any/all relevant school data sources.

**Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.**

According to the 8th grade FCAT Science Test data from 2022-2023, the data increased from 35% to 37% which is a 2 percentage point increase, however, it is still 15 percentage points below the district average. Possible contributing factors include placing the lowest students in 8th grade science, while advanced students are placed in Physical Science or Biology. Many of the students in the regular 8th grade Science courses are students who are non-proficient readers and struggle with the academic language on the test as well as lack comprehension skills to make meaning of scientific texts. Other factors include language barriers that students have. We received a large number of students from other countries and these students lack the skills to comprehend English texts.

**Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.**

According to the FAST PM3 ELA data from 2022-2023, the data declined from 55% to 54% which is a 2 percentage point decrease. Factors that contributed to this decline is a large number of ESOL students we received who arrived with language barriers which impede their ability to comprehend English texts. Many of these students also had a large gap in their formal education skills and were unfamiliar with what schooling in our setting entails. Another factor contributing to this decline is the fact that the format of the FAST is new for all students. Students were unfamiliar with the design and layout of the test and in many instances the complexity of it.

**Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.**

According to Three Year Trend Data, ELA data remained at 55% proficiency from 2020-2021 to 2021-2022, and showed a one percentage point increase from 2022-2023. Data from other Tier 1 schools for 2022-2023 indicates 63% proficiency, this is an 8 percentage point increase when compared to our school. A factor contributing to this is our subgroup performance. According to ELA data from 2022-2023, 42% of ELL students achieved proficiency and 33% of our SWD population achieved proficiency. This gap in proficiency for our ELL and SWD students could have been caused by a lack of differentiated instruction for all students, learning gaps students may have from prior educational experiences in other countries, and in many cases the gaps created by the pandemic.

**Which data component showed the most improvement? What new actions did your school take in this area?**

According to the FAST PM3 Math data from 2022-2023, the data increased from 52% to 59% which is a 7 percentage point increase. Through the use of IXL, a program which allows students to work on their own pace on specific skills they need remediation or enrichment in, teachers were able to differentiate instruction which bridge learning gaps for students. Teachers were also using the iReady toolbox and assigning targeted lessons for remediation. As a way to motivate the students to work on these programs, teachers printed out certificates and provided them with incentives.

**Reflecting on the EWS data from Part I, identify one or two potential areas of concern.**

According to the EWS data from 2022-2023, 70 students have attendance below 90%. Student attendance is an area of concern because students must be present in school on a consistent basis in

order to benefit from instruction. Our school is on block schedule and when a student is absent they are missing more than 100 minutes of instruction per period, causing them to have gaps in what their peers learned compared to what they are learning. Excessive student absences contributes to poor academic performance. To address this concern we have implemented the Attendance Race where grade levels compete for a "No Uniform Friday" each week. The grade level with the lowest absences wins. Counselors also call home upon student absences and remind parents about the importance of attendance.

**Rank your highest priorities (maximum of 5) for school improvement in the upcoming school year.**

Highest priority for school improvement for the upcoming school year is ELA performance on the FAST PM3. This was chosen due to the overall decline of proficiency levels. It will be addressed by closely analyzing student performance data from PM1 and PM 2 and adjusting instruction as needed to make sure students are showing academic growth. Teachers will have data chats with students and hold them accountable for their performance and effort on the test.

Second priority will be the 8th grade FCAT Science performance. Data remains stagnant as 8th graders take the test year to year. Proficiency of the Florida Science Academic Standards is important for all students to make sure they are learning essential grade level specific Science concepts and progressing onto the next grade level without learning gaps. To address this teachers will have more targeted instruction using baseline and topic assessment data and carry out data chats with students. Science teachers will schedule time in the Science computer lab to use differentiated programs such as EdPuzzle and Gizmos.

Third priority will be increasing student attendance as student attendance directly ties into student achievement. Since the pandemic, student attendance has been on a decline and in order to bring it back to pre-pandemic averages we will be carrying out various incentives for students such as No Uniform Days, allow participation in special events such as dances, field days, and school trips.

**Area of Focus**

(Identified key Area of Focus that addresses the school's highest priority based on any/all relevant data sources)

**#1. Instructional Practice specifically relating to ELA****Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

According to the 2022-2023 FAST PM3 data, 55% of students scored a 3 or above. This area was selected as a focus because while the data shows the majority of students are proficient, we would like to increase this so that students are better able to meet the Florida BEST Standards expectations and progress to the next grade level without learning gaps in ELA.

**Measurable Outcome:**

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

With the implementation of Data-Driven instruction, there will be a projected 5% increase in students demonstrating increased reading proficiency and comprehension which will take place as a result of schoolwide and department data chats with the goal of increasing student ELA proficiency by May 2024 (FAST ELA PM3)

**Monitoring:**

Describe how this Area of Focus will be monitored for the desired outcome.

The Leadership Team, Principal, Assistant Principal, and Department Chairs will conduct quarterly data chats, adjust groups based on current data in real time, and follow-up with regular walkthroughs to ensure that differentiation is aligned to current data. Administrators will review lesson plans for indication of differentiation. Data Analysis of formative assessments will be reviewed monthly to observe progress. The data will be analyzed during Faculty, Leadership Team, and Department Team meetings to ensure students are demonstrating growth on remediated standards. Extended Learning opportunities will be provided to those students who are not showing growth on ongoing progress monitoring.

**Person responsible for monitoring outcome:**

Cynthia Valdes-Garcia (pr6211@dadeschools.net)

**Evidence-based Intervention:**

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Within the Targeted Element of ELA, our school will focus on the Evidence-based Intervention of: Data-Driven Instruction. Data-Driven instruction will assist with gradually building the students' knowledge by planning with their data in mind and meeting students where they are. Data-Driven instruction will be monitored through the use of data from the FAST-ELA PM1 and PM2, iReady, and Reading Inventory to drive instructional planning and data driven conversations to include ongoing progress monitoring.

**Rationale for Evidence-based Intervention:**

Explain the rationale for selecting this specific strategy.

Data-Driven Instruction is an educational approach that relies on the teacher's use of student performance data to inform instructional planning and delivery. This strategy was selected because it is a systematic approach to instruction that uses assessment, analysis, and actions to meet students' needs. Data-Driven Instruction may include developing Instructional Focus Calendars (IFC) and Data Chat forms to inform teachers on specific standards to target during instruction throughout the year, based on data outcomes. By using this strategy there will be consistent growth demonstrated from the FAST PM1 to PM2 and finally will increase proficiency to meet our 5% increase by PM3.

**Tier of Evidence-based Intervention**

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

**Will this evidence-based intervention be funded with UniSIG?**

No

**Action Steps to Implement**

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Provide school-wide, department, and individual student data to all teachers. As a result, teachers will incorporate data trackers in the class.

**Person Responsible:** Cynthia Valdes-Garcia (pr6211@dadeschools.net)

**By When:** August 14-September 29, 2023

Provide monthly faculty and department meetings for collaborative planning. As a result, teachers will share best practices.

**Person Responsible:** Gizella Alexander (galexander@dadeschools.net)

**By When:** August 14-September 29, 2023

Create a testing schedule to assess students on the FAST ELA PM1 and disaggregate the data. As a result, teachers will adjust instruction to meet student needs based on the data.

**Person Responsible:** Lola Garcia (lolagarcia@dadeschools.net)

**By When:** August 14-September 29, 2023

**#2. Instructional Practice specifically relating to Science****Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

According to the 2022-2023 Science 8 data, 32% of students scored at 3 or above. Based on the data and the identified contributing factors of placing the lowest students in 8th grade science, language barriers, disability impacting academic performance, reading proficiency, and comprehension, we will implement the targeted element of Science.

**Measurable Outcome:**

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

With the implementation of Interactive Learning Environment, there will be a projected 5% increase in students demonstrating increased reading proficiency and comprehension which will take place as a result of department data chats with the goal of increasing student science proficiency by May 2024 (Science 8).

**Monitoring:**

Describe how this Area of Focus will be monitored for the desired outcome.

The Leadership Team, Principal, Assistant Principal, and Science Department Chair, will conduct quarterly data chats, adjust groups based on current data in real time, and follow-up with regular walkthroughs to ensure that differentiation is aligned to current data. Administrators will review lesson plans for indication of differentiation and essential labs. Data Analysis of formative assessments will be reviewed monthly to observe progress. This data will be analyzed during Science Department Team meetings to ensure students are demonstrating growth on remediated standards. Extended learning opportunities will be provided to those students who are not showing growth on ongoing progress monitoring.

**Person responsible for monitoring outcome:**

Cynthia Valdes-Garcia (pr6211@dadeschools.net)

**Evidence-based Intervention:**

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Within the Targeted Element of Science, our school will focus on the Evidence-based Intervention of: Interactive Learning Environment, such as essential labs. Interactive Learning Environment allows students to interact with essential labs that support the acquisition or assimilation of prerequisite skills, academic vocabulary, and instructional/metacognitive processes. Interactive Learning Environment will be monitored through the use of data from baseline, midyear, and unit tests to drive instructional planning and data driven conversations to include ongoing progress monitoring.

**Rationale for Evidence-based Intervention:**

Explain the rationale for selecting this specific strategy.

Interactive Learning Environments using essential labs will allow students to interact with visual aids/scaffolds that support the acquisition or assimilation of prerequisite skills, academic vocabulary, and instructional/metacognitive processes.

**Tier of Evidence-based Intervention**

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

**Will this evidence-based intervention be funded with UniSIG?**

No

### Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Provide school-wide, department, and individual student data to all teachers As a result, teachers will incorporate data trackers in the classroom.

**Person Responsible:** Cynthia Valdes-Garcia (pr6211@dadeschools.net)

**By When:** August 14-September 29, 2023

Provide monthly faculty and department meetings for collaborative planning. As a result, teachers will share best practices.

**Person Responsible:** Natasha Jarrett (islanddlite@dadeschools.net)

**By When:** August 14-September 29, 2023

Create a testing schedule to assess students on the Science baseline, midyear, and unit tests and disaggregate the data. As a result, teachers will adjust their lessons to meet student needs based on the data.

**Person Responsible:** Lola Garcia (lolagarcia@dadeschools.net)

**By When:** August 14-September 29, 2023

**#3. Positive Culture and Environment specifically relating to Other****Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

According to the 2022-2023 School Climate Results, 40% of the staff believe that students are not being disciplined in accordance to the Code of Student Conduct. Based on the data and the identified contributing factors, an unfamiliarity with the Code of Student Conduct, progressive discipline, and changes in District disciplinary policy, we will implement the targeted element of Student Discipline.

**Measurable Outcome:**

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

With the implementation of Character Education/Values Matter and Mindfulness, there will be a projected 20% increase in staff reporting on the School Climate Survey that students are adequately disciplined by May 2024.

**Monitoring:**

Describe how this Area of Focus will be monitored for the desired outcome.

The Principal, Assistant Principal, and Student Services Department will review quarterly discipline reports. The team will review discipline reports to determine proper consequences according to the MDCPS Code of Student Conduct. Counselors will meet with students with discipline incidents on a weekly basis to ensure they are adhering to school rules and expectations. Parent contact will be made as soon as behavior incidents arise through referrals. To ensure fidelity, the team will be quarterly to review the protocol and adjust as necessary.

**Person responsible for monitoring outcome:**

Elieser Siles (esiles@dadeschools.net)

**Evidence-based Intervention:**

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Within the Targeted Element of Student Discipline, our school will focus on the Character Education/Values Matter and Collective Efficacy.

**Rationale for Evidence-based Intervention:**

Explain the rationale for selecting this specific strategy.

Character Education/Values Matter is an educational movement that supports the social, emotional, and ethical development of students. It is the proactive effort by schools, districts, and states to instill in students important core, ethical, and performance values such as caring, honesty, diligence, fairness, fortitude, responsibility, and respect for self and others. Character Education/Values Matter provides long-term solutions to moral, ethical, and academic issues that are of growing concern in our society and our schools. Character Education/Values Matter teaches students how to be their best selves and how to do their best work. Collective Efficacy can be seen as a staff's shared belief that through their collective action, they can positively influence student outcomes and achievement. In fact, research indicates that collective efficacy is the number one factor influencing student achievement.

**Tier of Evidence-based Intervention**

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

**Will this evidence-based intervention be funded with UniSIG?**

No

### Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Provide faculty and staff with a review of the District Code of Student Conduct and School Board Policies. As a result of this action, faculty and staff will be made aware of the different infraction levels and follow the range of corrective strategies.

**Person Responsible:** Elieser Siles (esiles@dadeschools.net)

**By When:** August 14-September 29, 2023

Provide school-wide student behavioral and academic expectations through grade-level orientations. As a result of this action, students will follow model student behavior and will be deterred from carrying out behaviors that carry negative consequences.

**Person Responsible:** Elieser Siles (esiles@dadeschools.net)

**By When:** August 14-September 29, 2023

Present and implement Values Matter curriculum, bullying prevention, mindfulness, and Restorative Justice Practices. As a results of this action, students will more inclined to model positive behaviors and will be recognized for doing such.

**Person Responsible:** Lola Garcia (lolagarcia@dadeschools.net)

**By When:** August 14-September 29, 2023

**#4. Positive Culture and Environment specifically relating to Other****Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed.

One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

According to the 2022-2023 School Attendance Report, 33% of students had 11 or more absences. Based on the data and the identified contributing factors, lack of motivation and incentives, transportation, and inconsistent parent buy-in to student attendance, we will implement the targeted element of Student Engagement.

**Measurable Outcome:**

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

With the implementation of Attendance Initiatives, there will be a projected 10% increase in the number of students having less than 11 absences as reported on the School Attendance Report for 2023-2024.

**Monitoring:**

Describe how this Area of Focus will be monitored for the desired outcome.

The Principal, Assistant Principal, and Student Services Department will review daily attendance reports. Parents will be contacted daily regarding their child's absences. Parents will be asked to bring in notes to excuse student absences and will be informed of the consequences of excessive absences. To monitor fidelity, the team will meet quarterly and review student absence documentation including referrals, information input into DSIS, parent contact logs, etc.

**Person responsible for monitoring outcome:**

Elieser Siles (esiles@dadeschools.net)

**Evidence-based Intervention:**

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Within the Targeted Element of Student Engagement, our school will focus on Attendance Initiatives. This element was chosen as a way of motivating students to attend school regularly. By incentivizing school attendance, students will be less likely to be absent, without a valid reason, and this will in turn, increase student attendance.

**Rationale for Evidence-based Intervention:**

Explain the rationale for selecting this specific strategy.

Strategic Attendance Initiatives involve close monitoring and reporting of student absences, calls to parents, and more direct measures including home visits, and counseling.

**Tier of Evidence-based Intervention**

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

**Will this evidence-based intervention be funded with UniSIG?**

No

**Action Steps to Implement**

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

The Attendance Review Committee identifies students with 10 or more absences during the previous school year and communicates with parents.

**Person Responsible:** Elieser Siles (esiles@dadeschools.net)

**By When:** August 14- September 29, 2023:

Review attendance policies and procedures with students and parents during student orientations.

**Person Responsible:** Elieser Siles (esiles@dadeschools.net)

**By When:** August 14- September 29, 2023:

Establish a student-led Attendance Review Team which will provide input and incentive ideas to increase student attendance.

**Person Responsible:** Elieser Siles (esiles@dadeschools.net)

**By When:** August 14- September 29, 2023:

## Title I Requirements

### Schoolwide Program Plan (SWP) Requirements

This section must be completed if the school is implementing a Title I, Part A SWP and opts to use the SIP to satisfy the requirements of the SWP plan, as outlined in the ESSA, Public Law No. 114-95, § 1114(b). This section is not required for non-Title I schools.

**Provide the methods for dissemination of this SIP, UniSIG budget and SWP to stakeholders (e.g., students, families, school staff and leadership and local businesses and organizations). Please articulate a plan or protocol for how this SIP and progress will be shared and disseminated and to the extent practicable, provided in a language a parent can understand. (ESSA 1114(b)(4))**

List the school's webpage\* where the SIP is made publicly available.

Our SIP will be posted on our website (<http://gladesmiddle.dadeschools.net/>) for parent and stakeholder access. In addition, an up to date copy will be kept in the Title 1 Parent Resource Center in our Student Services office. Dissemination of the SIP will be through EESAC meetings and faculty meetings.

**Describe how the school plans to build positive relationships with parents, families and other community stakeholders to fulfill the school's mission, support the needs of students and keep parents informed of their child's progress.**

List the school's webpage\* where the school's Family Engagement Plan is made publicly available. (ESSA 1116(b-g))

Aside from posting pertinent information on our school website (<http://gladesmiddle.dadeschools.net/>), parents will have accessibility to our Title 1 Parent Resource Center. Valuable information will be disseminated during our PTSA and EESAC meetings as well for all stakeholders. They will be provided opportunities to provide feedback on not only our School Improvement Process, but our school community as well.

**Describe how the school plans to strengthen the academic program in the school, increase the amount and quality of learning time and help provide an enriched and accelerated curriculum. Include the Area of Focus if addressed in Part III of the SIP. (ESSA 1114(b)(7)ii)**

The school plans to strengthen the academic program, specifically in ELA and Science, increase the amount and quality of learning time, and help provide an enriched and accelerated curriculum by having focused collaborative planning sessions that maximize the instructional time and addresses the diverse needs of the learners.

Additionally, intervention and tutorial programs will be developed and offered to students needing remediation or enrichment. Tutoring programs for Reading will begin in September 2023.

**If appropriate and applicable, describe how this plan is developed in coordination and integration with other Federal, State, and local services, resources and programs, such as programs supported under ESSA, violence prevention programs, nutrition programs, housing programs, Head Start programs, adult education programs, career and technical education programs, and schools implementing CSI or TSI activities under section 1111(d). (ESSA 1114(b)(5))**

This plan is developed in coordination and integration with other Federal, State and local resources to guarantee that we are meeting the educational needs of all our students regardless of race, gender, ethnicity, disability, socioeconomic level, or linguistic background. This plan is inclusive of all our students and is driven by data obtained from our diverse student demographic.

#### **Optional Component(s) of the Schoolwide Program Plan**

Include descriptions for any additional strategies that will be incorporated into the plan.

**Describe how the school ensures counseling, school-based mental health services, specialized support services, mentoring services, and other strategies to improve students' skills outside the academic subject areas. (ESSA 1114(b)(7)(iii)(I))**

The Student Services department works closely with all students and periodically surveys students' overall mental health and wellbeing and provides needed services such as individual or group counseling. Parent/Teacher Conferences are held twice a week to keep parents abreast of their child's academic and social/emotional progress. Referrals for specialized services are provided as needed. In addition, our Title 1 Parent Resource Center located in the Student Services office also provides parents with information on services they might need in regards to their social, emotional, academic, and financial needs.

**Describe the preparation for and awareness of postsecondary opportunities and the workforce, which may include career and technical education programs and broadening secondary school students' access to coursework to earn postsecondary credit while still in high school. (ESSA 1114(b)(7)(iii)(II))**

We provide our students with preparation in a variety of career and technical education programs that include industry certification for programs such as Microsoft Office Specialist. In addition, our students are provided with the opportunity to earn high school credit with courses such as Algebra, Geometry, Physical Science, Biology, and Foreign Language through FLVS.

**Describe the implementation of a schoolwide tiered model to prevent and address problem behavior, and early intervening services, coordinated with similar activities and services carried out under the Individuals with Disabilities Education Act. 20 U.S.C. 1400 et seq. and ESSA 1114(b)(7)(iii)(III).**

Our Special Education Department provides all teachers with updated student IEPs, 504s, and EPs. An open line of communication is encouraged to make sure individual student needs are met. Monthly meetings are held with the paraprofessionals charged with providing students one on one support. Students who are exhibiting potential behaviors (academic or social) that impede their academic success, but are not part of the ESE department, are provided with RtI support under the supervision of the SPED Department Chairperson.

**Describe the professional learning and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data from academic assessments, and to recruit and retain effective teachers, particularly in high need subjects. (ESSA 1114(b)(7)(iii)(IV))**

Professional Learning is supported by our PD Liaison sharing information on available PDs through our Professional Learning Management System (PDMS) and BEACON, to name a few. To recruit and retain effective teachers, our PLST Mentor Teacher supports them with resources and other practical information they might need.

**Describe the strategies the school employs to assist preschool children in the transition from early childhood education programs to local elementary school programs. (ESSA 1114(b)(7)(iii)(V))**

N/A

## Budget to Support Areas of Focus

### Part VII: Budget to Support Areas of Focus

The approved budget does not reflect any amendments submitted for this project.

|        |        |  |        |
|--------|--------|--|--------|
| 1      | III.B. | Area of Focus: Instructional Practice: ELA             | \$0.00 |
| 2      | III.B. | Area of Focus: Instructional Practice: Science         | \$0.00 |
| 3      | III.B. | Area of Focus: Positive Culture and Environment: Other | \$0.00 |
| 4      | III.B. | Area of Focus: Positive Culture and Environment: Other | \$0.00 |
| Total: |        |  | \$0.00 |
