SIP Authority

Section 1001.42(18), Florida Statutes (F.S.), requires district school boards to annually approve and require implementation of a new, amended, or continuation SIP for each school in the district which has a school grade of D or F; has a significant gap in achievement on statewide, standardized assessments administered pursuant to s. 1008.22 by one or more student subgroups, as defined in the federal Elementary and Secondary Education Act (ESEA), 20 U.S.C. s. 6311(b)(2)(C)(v)(II); has not significantly increased the percentage of students passing statewide, standardized assessments; has not significantly increased the percentage of students demonstrating Learning Gains, as defined in s. 1008.34, and as calculated under s. 1008.34(3)(b), who passed statewide, standardized assessments; has been identified as requiring instructional supports under the Reading Achievement Initiative for Scholastic Excellence (RAISE) program established in s. 1008.365; or has significantly lower graduation rates for a subgroup when compared to the state's graduation rate. Rule 6A-1.098813, Florida Administrative Code (F.A.C.), requires district school boards to approve a SIP for each Department of Juvenile Justice (DJJ) school in the district rated as Unsatisfactory.

Below are the criteria for identification of traditional public and public charter schools pursuant to the Every Student Succeeds Act (ESSA) State plan:

Additional Target Support and Improvement (ATSI)

A school not identified for CSI or TSI, but has one or more subgroups with a Federal Index below 41%.

Targeted Support and Improvement (TSI)

A school not identified as CSI that has at least one consistently underperforming subgroup with a Federal Index below 32% for three consecutive years.

Comprehensive Support and Improvement (CSI)

A school can be identified as CSI in any of the following four ways:

1. Have an overall Federal Index below 41%;
2. Have a graduation rate at or below 67%;
3. Have a school grade of D or F; or
4. Have a Federal Index below 41% in the same subgroup(s) for 6 consecutive years.

ESEA sections 1111(d) requires that each school identified for ATSI, TSI or CSI develop a support and improvement plan created in partnership with stakeholders (including principals and other school leaders, teachers and parent), is informed by all indicators in the State's accountability system, includes evidence-based interventions, is based on a school-level needs assessment, and identifies resource inequities to be addressed through implementation of the plan. The support and improvement plans for schools identified as TSI, ATSI and non-Title I CSI must be approved and monitored by the school district. The support and improvement plans for schools identified as Title I, CSI must be approved by the school district and

Department. The Department must monitor and periodically review implementation of each CSI plan after approval.

The Department's SIP template in the Florida Continuous Improvement Management System (CIMS), <https://www.floridacims.org>, meets all state and rule requirements for traditional public schools and incorporates all ESSA components for a support and improvement plan required for traditional public and public charter schools identified as CSI, TSI and ATSI, and eligible schools applying for Unified School Improvement Grant (UniSIG) funds.

Districts may allow schools that do not fit the aforementioned conditions to develop a SIP using the template in CIMS.

The responses to the corresponding sections in the Department's SIP template may address the requirements for: 1) Title I schools operating a schoolwide program (SWD), pursuant to ESSA, as amended, Section 1114(b); and 2) charter schools that receive a school grade of D or F or three consecutive grades below C, pursuant to Rule 6A-1.099827, F.A.C. The chart below lists the applicable requirements.

SIP Sections	Title I Schoolwide Program	Charter Schools
I-A: School Mission/Vision		6A-1.099827(4)(a)(1)
I-B-C: School Leadership, Stakeholder Involvement & SIP Monitoring	ESSA 1114(b)(2-3)

III-B: Area(s) of Focus	ESSA 1114(b)(7)(A)(i-iii)	
III-C: Other SI Priorities		6A-1.099827(4)(a)(5-9)
VI: Title I Requirements	ESSA 1114(b)(2, 4-5), (7)(A)(iii)(I-V)-(B) ESSA 1116(b-g)	

Note: Charter schools that are also Title I must comply with the requirements in both columns.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Department encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

I. School Information

School Mission and Vision

Provide the school's mission statement.

The mission of Everglades Preparatory High School is to provide students with a well-rounded college preparatory and career exploration high school education, through a challenging academic program supported by technology, on-site learning experiences via local businesses and the opportunity to tie classroom learning with the real world of work.

Provide the school's vision statement.

The vision of Everglades Preparatory Academy High School is to provide students with a challenging and rigorous curriculum enabling students to be well prepared for postsecondary education and life through adherence to an unwavering mission, shared purpose and clearly articulated goals and opportunities to participate in advanced programs.

School Leadership Team, Stakeholder Involvement and SIP Monitoring

School Leadership Team

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities as it relates to SIP implementation for each member of the school leadership team.:

Stakeholder Involvement and SIP Development

Describe the process for involving stakeholders (including the school leadership team, teachers and school staff, parents, students (mandatory for secondary schools) and families, and business or community leaders) and how their input was used in the SIP development process. (ESSA 1114(b)(2))

Note: If a School Advisory Council is used to fulfill these requirements, it must include all required stakeholders.

All stakeholders are involved in the completion, review, and approval of the SIP through school site meetings and EESAC meetings. Their input is utilized in the SIP to ensure focus in the most critical areas and develop action steps to mitigate areas of weakness.

SIP Monitoring

Describe how the SIP will be regularly monitored for effective implementation and impact on increasing the achievement of students in meeting the State's academic standards, particularly for those students with the greatest achievement gap. Describe how the school will revise the plan, as necessary, to ensure continuous improvement. (ESSA 1114(b)(3))

The SIP is regularly monitored through data collection from student achievement on PM assessments, daily attendance record, and school site meetings such as parent conferences, faculty meetings, and EESAC meetings.

ESSA School, District and State Comparison (pre-populated)

Please note that the district and state averages shown here represent the averages for similar school types (elementary, middle, high school or combination schools). Each "blank" cell indicates the school had less than 10 eligible students with data for a particular component and was not calculated for the school.

On April 9, 2021, FDOE Emergency Order No. 2021-EO-02 made 2020-21 school grades optional. They have been removed from this publication.

III. Planning for Improvement

Data Analysis/Reflection

Answer the following reflection prompts after examining any/all relevant school data sources.

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

The data component of Algebra I showed the the lowest performance. The biggest contributing factor to last years low-performance was a lack of student motivation.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

NA

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

The component with the greatest gap when compared to state average is Biology with a 8 point difference. While the score increased from Spring 22 to Spring 23 by 6 points, the contributing factors include student motivation.

Which data component showed the most improvement? What new actions did your school take in this area?

The data component showing the most improvement is 10th gr ELA with an increase of 18 points. The new actions the school took in this area was hiring an instructional coach whose sole focus was ELA and the implementation of DI calendar identifying standards of weakness to focus.

Reflecting on the EWS data from Part I, identify one or two potential areas of concern.

NA

Rank your highest priorities (maximum of 5) for school improvement in the upcoming school year.

Our highest priority for the upcoming school year is Algebra I.

Area of Focus

(Identified key Area of Focus that addresses the school's highest priority based on any/all relevant data sources)

#1. ESSA Subgroup specifically relating to Outcomes for Multiple Subgroups**Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Based on school data, the area of focus will be Algebra I within the ELL subgroup as their continues to be deficient performance in all school grade components. A focus on these students will directly impact the total population.

Additionally, this focus will positively affect all of our students as school-wide and classroom strategies are implemented.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

As a result of the 2023 BEST Algebra I results, it is our goal to increase our ELL ALgebra I Achievement by 5% as this focus will positively affect both LG and LG L25% school grade components.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

This area of focus will be monitored through student performance on standard aligned assessments and FAST PM1 and PM2 data reports.

Person responsible for monitoring outcome:

[no one identified]

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Use close reading strategies, use content specific complex text to develop text dependent questions and embedding annotation skills

* Build endurance in students' ability to correctly answer multiple complex questions during intervention time.

* Principal, Assistant Principal and Reading Coach will monitor effectiveness of core instruction and interventions focusing on: Complex rigorous tasks, grade level appropriate complex tasks, and aligned and rigorous standards based reading centers.

* Provide teachers with necessary resources and materials to implement and execute interventions and differentiated instruction.

* Lesson plans will reflect rigor, focus of the standards, and implementation of provided accommodations as outlined in the student ELL plan

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

Strategy rationale based off of research based best practices.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

No action steps were entered for this area of focus

#2. Positive Culture and Environment specifically relating to Other**Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Based on school data, the area of focus will be positive school culture and environment as it relates to early warning indicators of student attendance and discipline.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

The specific measurable outcome will be an average daily student attendance rate of 95% and a decrease in disciplinary issues of 5%.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

These areas of focus will be monitored through daily attendance reports, family communication as it pertains to student attendance, increased positive behavioral reinforcement, and the ability for students to participate in mental counseling increased through easier communication capabilities.

Person responsible for monitoring outcome:

Danella Escobar (937740@dadeschools.net)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

In collaboration with the values matter District curriculum and the PBS model, the school utilizes a progressive discipline approach with students. EPA employs 2 full time counselors and a licensed Mental Health counselor to assist with not only academic support but also to address crisis situations.

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

To support student achievement, the school provides FREE after school tutoring based on standard aligned lessons as outlined on the mapping of the FAST.

The counseling team has partnered with community organizations to provide resources to families, such as counseling and information on outreach community services. The school has also teamed with local restaurants

and businesses to raise funds for the school's various organizations.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

No action steps were entered for this area of focus

#3. ESSA Subgroup specifically relating to White**Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

ELL and White student subgroups continue to decline in ELA Achievement and ELA LG with an average of a 15 point decrease and 22 point decrease respectively.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

As a result of the 2023 FAST ELA results, it is our goal to increase our White ELA Achievement to 41% proficiency..

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

This area of focus will be monitored through student performance on standard aligned assessments and FAST PM1 and PM2 data reports

Person responsible for monitoring outcome:

[no one identified]

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Use close reading strategies, use content specific complex text to develop text dependent questions and embedding annotation skills

* Build endurance in students' ability to correctly answer multiple complex questions during intervention time.

* Principal, Assistant Principal and Reading Coach will monitor effectiveness of core instruction and interventions focusing on: Complex rigorous tasks, grade level appropriate complex tasks, and aligned and rigorous standards based reading centers.

* Provide teachers with necessary resources and materials to implement and execute interventions and differentiated instruction.

* Lesson plans will reflect rigor, focus of the standards, and implementation of provided accommodations as outlined in the student ELL plan

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

Strategy rationale based off of research based best practices

CSI, TSI and ATSI Resource Review

Describe the process to review school improvement funding allocations and ensure resources are allocated based on needs. This section must be completed if the school is identified as ATSI, TSI or CSI in addition to completing an Area(s) of Focus identifying interventions and activities within the SIP (ESSA 1111(d)(1)(B)(4) and (d)(2)(C)).

The process that we use to review the school improvement funding allocations is through our EESAC committee. As a team we discuss and decide how we allocate the funding to purchase the resources we need to address the areas of focus.

Title I Requirements

Schoolwide Program Plan (SWP) Requirements

This section must be completed if the school is implementing a Title I, Part A SWP and opts to use the SIP to satisfy the requirements of the SWP plan, as outlined in the ESSA, Public Law No. 114-95, § 1114(b). This section is not required for non-Title I schools.

Provide the methods for dissemination of this SIP, UniSIG budget and SWP to stakeholders (e.g., students, families, school staff and leadership and local businesses and organizations). Please articulate a plan or protocol for how this SIP and progress will be shared and disseminated and to the extent practicable, provided in a language a parent can understand. (ESSA 1114(b)(4))
List the school's webpage* where the SIP is made publicly available.

The information is printed and shared with EESAC members, posted on the school website, and all meeting information concerning governing board meetings and EESAC meetings is sent to parents through messaging blast system.

Describe how the school plans to build positive relationships with parents, families and other community stakeholders to fulfill the school's mission, support the needs of students and keep parents informed of their child's progress.
List the school's webpage* where the school's Family Engagement Plan is made publicly available. (ESSA 1116(b-g))

Discipline is progressive in nature and is designed to modify the unacceptable behaviors students may exhibit. Prepared, Attitude, Respect, Responsibility =PARR. PARR is based on the Positive Behavior Support Plan designed by the Florida Department of Education. The discipline policy is implemented school-wide at EPA and is designed to deter unwanted behaviors. PARR: Prepared- Students are expected to be prepared for all classes, classroom activities and assignments while putting forth their best effort, Attitude- Students are to maintain a good attitude towards their teacher, classmates, school personnel and all aspects of the learning environment, Respect- All students are expected to show respect to their teachers, classmates and all school personal. Responsibility- It Is the responsibility of the student to complete all classroom and homework assignments while putting forth their best efforts. Rules are posted in each classroom, the cafeteria, etc. anyplace where students must behave within a structured environment. The teacher is responsible for minor disciplinary infractions that may occur in the classroom. If the behavior of the student does not improve, then the parents/guardians are notified, and a conference may be requested. If misbehavior continues to occur, the administrative staff are asked to become involved. All students must follow the school-wide discipline plan as posted in each teacher's classroom. PARR Behavior Plan Process: Step1: Teacher/Staff will have a private conversation about the inappropriate behavior and send home a "Behavior Notice". Step2: Teacher/Staff will contact parent, fill out "Detention Notice" Step3: If behavior continues, teacher/staff contact parent and contact administration.
