Somerset Preparatory Academy Middle School (Homestead)

3000 SE 9TH ST, Homestead, FL 33035

[no web address on file]

SIP Authority

Section 1001.42(18), Florida Statutes (F.S.), requires district school boards to annually approve and require implementation of a new, amended, or continuation SIP for each school in the district which has a school grade of D or F; has a significant gap in achievement on statewide, standardized assessments administered pursuant to s. 1008.22 by one or more student subgroups, as defined in the federal Elementary and Secondary Education Act (ESEA), 20 U.S.C. s. 6311(b)(2)(C)(v)(II); has not significantly increased the percentage of students passing statewide, standardized assessments; has not significantly increased the percentage of students demonstrating Learning Gains, as defined in s. 1008.34, and as calculated under s. 1008.34(3)(b), who passed statewide, standardized assessments; has been identified as requiring instructional supports under the Reading Achievement Initiative for Scholastic Excellence (RAISE) program established in s. 1008.365; or has significantly lower graduation rates for a subgroup when compared to the state's graduation rate. Rule 6A-1.098813, Florida Administrative Code (F.A.C.), requires district school boards to approve a SIP for each Department of Juvenile Justice (DJJ) school in the district rated as Unsatisfactory.

Below are the criteria for identification of traditional public and public charter schools pursuant to the Every Student Succeeds Act (ESSA) State plan:

Additional Target Support and Improvement (ATSI)

A school not identified for CSI or TSI, but has one or more subgroups with a Federal Index below 41%.

Targeted Support and Improvement (TSI)

A school not identified as CSI that has at least one consistently underperforming subgroup with a Federal Index below 32% for three consecutive years.

Comprehensive Support and Improvement (CSI)

A school can be identified as CSI in any of the following four ways:

1. Have an overall Federal Index below 41%;
2. Have a graduation rate at or below 67%;
3. Have a school grade of D or F; or
4. Have a Federal Index below 41% in the same subgroup(s) for 6 consecutive years.

ESEA sections 1111(d) requires that each school identified for ATSI, TSI or CSI develop a support and improvement plan created in partnership with stakeholders (including principals and other school leaders, teachers and parent), is informed by all indicators in the State's accountability system, includes evidence-based interventions, is based on a school-level needs assessment, and identifies resource inequities to be addressed through implementation of the plan. The support and improvement plans for schools identified as TSI, ATSI and non-Title I CSI must be approved and monitored by the school district. The support and improvement plans for schools identified as Title I, CSI must be approved by the school district and

Department. The Department must monitor and periodically review implementation of each CSI plan after approval.

The Department's SIP template in the Florida Continuous Improvement Management System (CIMS), <https://www.floridacims.org>, meets all state and rule requirements for traditional public schools and incorporates all ESSA components for a support and improvement plan required for traditional public and public charter schools identified as CSI, TSI and ATSI, and eligible schools applying for Unified School Improvement Grant (UniSIG) funds.

Districts may allow schools that do not fit the aforementioned conditions to develop a SIP using the template in CIMS.

The responses to the corresponding sections in the Department's SIP template may address the requirements for: 1) Title I schools operating a schoolwide program (SWD), pursuant to ESSA, as amended, Section 1114(b); and 2) charter schools that receive a school grade of D or F or three consecutive grades below C, pursuant to Rule 6A-1.099827, F.A.C. The chart below lists the applicable requirements.

SIP Sections	Title I Schoolwide Program	Charter Schools
I-A: School Mission/Vision		6A-1.099827(4)(a)(1)
I-B-C: School Leadership, Stakeholder Involvement & SIP Monitoring	ESSA 1114(b)(2-3)	
I-E: Early Warning System	ESSA 1114(b)(7)(A)(iii)(III)	6A-1.099827(4)(a)(2)
II-A-C: Data Review		6A-1.099827(4)(a)(2)
II-F: Progress Monitoring	ESSA 1114(b)(3)	
III-A: Data Analysis/Reflection	ESSA 1114(b)(6)	6A-1.099827(4)(a)(4)
III-B: Area(s) of Focus	ESSA 1114(b)(7)(A)(i-iii)	
III-C: Other SI Priorities		6A-1.099827(4)(a)(5-9)
VI: Title I Requirements	ESSA 1114(b)(2, 4-5), (7)(A)(iii)(I-V)-(B) ESSA 1116(b-g)	

Note: Charter schools that are also Title I must comply with the requirements in both columns.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Department encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

I. School Information

School Mission and Vision

Provide the school's mission statement.

Somerset Academy, Inc. promotes a transformational culture that maximizes student achievement and the development of accountable, global learners in a safe and enriching environment that fosters high-quality education.

Provide the school's vision statement.

Empowering students to explore global learning opportunities to promote and enrich their communities and the communities we serve.

School Leadership Team, Stakeholder Involvement and SIP Monitoring

School Leadership Team

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities as it relates to SIP implementation for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Mesa, Jessica	Principal	
Killins, Jason	Assistant Principal	
Stay, Jennifer	Instructional Coach	
Quiroga, Mary	Instructional Coach	

Stakeholder Involvement and SIP Development

Describe the process for involving stakeholders (including the school leadership team, teachers and school staff, parents, students (mandatory for secondary schools) and families, and business or community leaders) and how their input was used in the SIP development process. (ESSA 1114(b)(2))

Note: If a School Advisory Council is used to fulfill these requirements, it must include all required stakeholders.

Initially school admin meets monthly to review school needs, followed by monthly leadership team meetings, and department meetings. We review school wide data and ensure baseline assessments are implemented with fidelity in order to identify our students' areas of growth. Throughout the year, we hold EESAC meetings where additional stakeholder input is welcomed. Staff, parents, students, families and community members all attend and contribute to assist in brainstorming possible plans of action to improve student academic performance.

SIP Monitoring

Describe how the SIP will be regularly monitored for effective implementation and impact on increasing the achievement of students in meeting the State's academic standards, particularly for those students with the greatest achievement gap. Describe how the school will revise the plan, as necessary, to ensure continuous improvement. (ESSA 1114(b)(3))

Our SIP will be monitored on a quarterly basis as students complete progress monitoring assessments. Teachers will ensure to administer mini benchmark assessments and review data on Performance

Matters. They will also use AP1 coupled with standards mastery assessments in iReady to monitor progress and tailor instruction as needed. Students with the greatest achievement gap will participate in Tier 2 and Tier 3 interventions. These students will be closely monitored by their teachers as well as work closely with our interventionist. Furthermore, they will be encouraged to attend afterschool tutoring to help bridge their academic gap.

Demographic Data

Only ESSA identification and school grade history updated 3/11/2024

2023-24 Status (per MSID File)	Active
School Type and Grades Served (per MSID File)	Middle School 6-8
Primary Service Type (per MSID File)	K-12 General Education

Early Warning Systems

Using 2022-23 data, complete the table below with the number of students by current grade level that exhibit each early warning indicator listed:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Absent 10% or more days	0	0	0	0	0	0	3	4	4	11
One or more suspensions	0	0	0	0	0	0	30	20	32	82
Course failure in English Language Arts (ELA)	0	0	0	0	0	0	3	3	9	15
Course failure in Math	0	0	0	0	0	0	2	3	6	11
Level 1 on statewide ELA assessment	0	0	0	0	0	0	34	19	29	82
Level 1 on statewide Math assessment	0	0	0	0	0	0	16	7	16	39
Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C.	0	0	0	0	0	0	51	43	54	148

Using the table above, complete the table below with the number of students by current grade level that have two or more early warning indicators:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Students with two or more indicators	0	0	0	0	0	0	9	70	73	152

Using the table above, complete the table below with the number of students identified retained:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Retained Students: Current Year	0	0	0	0	0	0	3	3	9	15
Students retained two or more times	0	0	0	0	0	0	0	0	0	

Prior Year (2022-23) As Initially Reported (pre-populated)

The number of students by grade level that exhibited each early warning indicator:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Absent 10% or more days	0	0	0	0	0	0	0	0	0	
One or more suspensions	0	0	0	0	0	0	0	0	0	
Course failure in ELA	0	0	0	0	0	0	0	0	0	
Course failure in Math	0	0	0	0	0	0	0	0	0	
Level 1 on statewide ELA assessment	0	0	0	0	0	0	7	9	15	31
Level 1 on statewide Math assessment	0	0	0	0	0	0	19	23	12	54
Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C.	0	0	0	0	0	0	7	9	15	31

The number of students by current grade level that had two or more early warning indicators:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Students with two or more indicators	0	0	0	0	0	0	14	8	9	31

The number of students identified retained:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Retained Students: Current Year	0	0	0	0	0	0	0	0	0	0
Students retained two or more times	0	0	0	0	0	0	0	0	0	0

Prior Year (2022-23) Updated (pre-populated)

Section 3 includes data tables that are pre-populated based off information submitted in prior year's SIP.

The number of students by grade level that exhibited each early warning indicator:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Absent 10% or more days	0	0	0	0	0	0	3	4	4	11
One or more suspensions	0	0	0	0	0	0	0	0	0	0
Course failure in ELA	0	0	0	0	0	0	1	1	1	3
Course failure in Math	0	0	0	0	0	0	0	0	0	0
Level 1 on statewide ELA assessment	0	0	0	0	0	0	7	9	15	31
Level 1 on statewide Math assessment	0	0	0	0	0	0	19	23	12	54
Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C.	0	0	0	0	0	0	7	9	15	31

The number of students by current grade level that had two or more early warning indicators:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Students with two or more indicators	0	0	0	0	0	0	14	8	9	31

The number of students identified retained:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Retained Students: Current Year	0	0	0	0	0	0	1	0	1	2
Students retained two or more times	0	0	0	0	0	0	0	0	0	0

II. Needs Assessment/Data Review

ESSA School, District and State Comparison (pre-populated)

Please note that the district and state averages shown here represent the averages for similar school types (elementary, middle, high school or combination schools). Each "blank" cell indicates the school had less than 10 eligible students with data for a particular component and was not calculated for the school.

On April 9, 2021, FDOE Emergency Order No. 2021-EO-02 made 2020-21 school grades optional. They have been removed from this publication.

Accountability Component	2023			2022			2021		
	School	District	State	School	District	State	School	District	State
ELA Achievement*	49	56	49	57	55	50	54		
ELA Learning Gains				56			53		
ELA Lowest 25th Percentile				49			40		
Math Achievement*	49	60	56	52	43	36	46		
Math Learning Gains				58			40		
Math Lowest 25th Percentile				55			50		
Science Achievement*	41	55	49	49	54	53	41		
Social Studies Achievement*	59	72	68	62	64	58	54		
Middle School Acceleration	67	74	73	93	56	49	73		
Graduation Rate					51	49			
College and Career Acceleration					73	70			
ELP Progress	68	50	40	67	77	76	50		

* In cases where a school does not test 95% of students in a subject, the achievement component will be different in the Federal Percent of Points Index (FPPI) than in school grades calculation.

See [Florida School Grades, School Improvement Ratings and DJJ Accountability Ratings](#).

ESSA School-Level Data Review (pre-populated)

III. Planning for Improvement

Data Analysis/Reflection

Answer the following reflection prompts after examining any/all relevant school data sources.

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

Algebra and 8th grade science were the lowest. Teacher support was a factor in this area.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

Eighth grade science had the greatest decline from previous year. 2022 we had 28% and 2023 it was 16%. Again, there was a factor with teacher support.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

Eighth grade science had the greatest gap. School 16 state was 44. Again, the greatest factor that contributed to this gap is teacher support.

Which data component showed the most improvement? What new actions did your school take in this area?

Middle school geometry had the greatest improvement of all. We placed a veteran teacher in the class to help the present teacher work during crunch time to improve student's scores.

Reflecting on the EWS data from Part I, identify one or two potential areas of concern.

The greatest concern would be MS math and 8th science. These two areas show a great concern. We are working diligently to ensure that the teachers receive the support needed in the classroom.

Rank your highest priorities (maximum of 5) for school improvement in the upcoming school year.

There are now 2 curriculum coaches that will be working with teachers closely.

We will hold more data chats with teachers to ensure that students are aware of where they will need to grow.

Have newer teachers shadow veteran teachers.

Have coaches sit in and support all teachers.

Area of Focus

(Identified key Area of Focus that addresses the school's highest priority based on any/all relevant data sources)

#1. Positive Culture and Environment specifically relating to Other

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

After reviewing the data from the tests scores it was identified that teacher needed more guidance on how to have a data driven classroom. The data is there we need to use it.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Work with teachers, students, and parents on the importance of having data chats. Once the parents and students know their deficiency the teacher can focus on working with these students in small group.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

The area will be monitored by having admin work with teacher on having these data chats and teaching them how to use data to drive better test scores.

Person responsible for monitoring outcome:

Mary Quiroga (mquiroga@somersetprephomestead.com)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

By using the data to reinforce student's learning will ensure that the students will make gains and growth during the state tests.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Support teachers in the classroom with data, resources, and classroom management

Person Responsible: Jason Killins (jkillins@somersetprephomestead.com)

By When: During the month of September

#2. ESSA Subgroup specifically relating to Students with Disabilities**Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Our middle school's SWD sub group scored a 40% under the Federal Percent of Points Index. This is an indicator that our students with disabilities are in need of additional support in order to reach proficiency. Last year we only had one support facilitator. Luckily, we have been able to augment our support in this area for the 23-24 school year. We now have two support facilitators that are pushing in and pulling out as needed. Our SWD are being proactive in ensuring that they are properly communicating with all stakeholders to secure fidelity of implementation. This additional support, coupled with prescribed and tailored Tier 2 and Tier 3 intervention will ensure that our SWD population get the support needed to bridge the gap and increase in their percent of proficiency.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Our SWD students will increase their average proficiency by 10% by the end of year assessments.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

We will provide support in order to reach proficiency.

Person responsible for monitoring outcome:

Mary Quiroga (mquiroga@somersetprephomestead.com)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

We now have two support facilitators that are pushing in and pulling out as needed. Our SWD are being proactive in ensuring that they are properly communicating with all stakeholders to secure fidelity of implementation.

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

N/A

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

No action steps were entered for this area of focus

#3. -- Select below -- specifically relating to

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Person responsible for monitoring outcome:

[no one identified]

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

No action steps were entered for this area of focus

CSI, TSI and ATSI Resource Review

Describe the process to review school improvement funding allocations and ensure resources are allocated based on needs. This section must be completed if the school is identified as ATSI, TSI or CSI in addition to completing an Area(s) of Focus identifying interventions and activities within the SIP (ESSA 1111(d)(1)(B)(4) and (d)(2)(C).

Our middle school's SWD sub group scored a 40% under the Federal Percent of Points Index. This is an indicator that our students with disabilities are in need of additional support in order to reach proficiency. Last year we only had one support facilitator. Luckily, we have been able to augment our support in this area for the 23-24 school year. We now have two support facilitators that are pushing in and pulling out as needed. Our SWD facilitators are being proactive in ensuring that they are properly communicating with all stakeholders to secure fidelity of implementation. This additional support, coupled with prescribed and tailored Tier 2 and Tier 3 intervention will ensure that our SWD population get the support needed to bridge the gap and increase in their percent of proficiency.
