### SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or with a grade of F within the prior two years. For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education's school improvement planning web application located at <https://www.floridacims.org>.

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

### Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

### Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

### Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify resources available to support the goals and barriers that could hinder achieving those goals (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

### Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

## Differentiated Accountability

Florida’s Differentiated Accountability (DA) system is a statewide network of strategic support, differentiated by need according to performance data, and provided to schools and districts in order to improve leadership capacity, teacher efficacy and student outcomes. DA field teams collaborate with district and school leadership to design, implement and refine improvement plans, as well as provide instructional coaching, as needed.

### DA Regions

Florida’s DA network is divided into five geographical regions, each served by a field team led by a regional executive director (RED).

### DA Categories

Traditional public schools are classified at the start of each school year, based upon the most recently released school grades (A-F), into one of the following categories:

- Not in DA – currently A or B with no F in prior three years; charter schools; ungraded schools
- Monitoring Only – currently A or B with at least one F in the prior three years
- Prevent – currently C
- Focus – currently D
  - Planning – two consecutive grades of D (i.e., DD), or a grade of F immediately followed by a grade of D in the most recent grades release (i.e., FD)
  - Implementing – two consecutive grades of D in the most recent grades release preceded by a grade below C (i.e., FDD or DDD)
- Priority – currently F
  - Planning – declined to a grade of F in the most recent grades release and have not received a planning year or implemented a turnaround option during the previous school year
  - Implementing – two consecutive grades of F (i.e., FF), or three consecutive grades below C with an F in the most recent grades release (i.e., FDF or DDF)

### DA Turnaround and Monitoring Statuses

Additionally, schools in DA are subject to one or more of the following Turnaround and Monitoring Statuses:

- Former F – currently A-D with at least one F in the prior three years; SIP is monitored by FDOE
- Planning – Focus Planning and Priority Planning; district is planning for possible turnaround
- Implementing – Focus Implementing and Priority Implementing; district is implementing the Turnaround Option Plan (TOP)

## Part I: Current School Status

### Supportive Environment

#### School Mission and Vision

##### **Provide the school's mission statement**

Boone Middle School believes learning is for all and all students can learn. We are responsible for doing whatever it takes to learn the social and academic skills needed to succeed in our ever-changing society.

##### **Provide the school's vision statement**

The Boone Middle School team joins the parents and community in delivering rigorous and relevant curriculum and assisting all students regardless of background to achieve success in middle school, high school, post-secondary options and throughout their life.

#### School Environment

##### **Describe the process by which the school learns about students' cultures and builds relationships between teachers and students**

Each year we have an Open House Event, Fall Festival, Smile Pack Program, PBS Program, School Clubs, Concert Events and Intermural Sports Program that help to build relationships with teachers and students. We also encourage teachers to make positive phone calls home to let parents know how their students are on our campus. Additionally we make all calls home to parents to let them know of events taking place on school. This year we have developed a tutoring program with our ESOL students to help them be successful in the classroom.

##### **Describe how the school creates an environment where students feel safe and respected before, during and after school**

At the beginning of the school year we have a yearly student orientation on our PBS Program. Our PBS Program includes two important pieces. The first piece focuses on the reward aspect of the program. We call this our PBS Gold Cards for positive reinforcement. The second aspect deals with behavior improvement and classroom management. This part includes a flow chart that divides classroom managed behaviors and office managed behaviors. Each side of the chart has specific instructions on how to handle classroom and office behaviors. Our school has three core expectations that are taught in the beginning, middle, and end of the school year and reinforced throughout the year by the use of this program.

We also have student assemblies that focus on student expectations in regards to the Student Code of Conduct. We discuss our zero tolerance for bullying and explain to students the procedures to report bullying if they feel this is occurring.

##### **Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced**

At the beginning of the school year we have a yearly staff orientation on our PBS Program. Our PBS Program includes two important pieces. The first piece focuses on the reward aspect of the program. We call this our PBS Gold Cards for positive reinforcement. The second aspect deals with behavior improvement and classroom management. This part includes a flow chart that divides classroom managed behaviors and office managed behaviors. Each side of the chart has specific instructions on

how to handle classroom and office behaviors. Our school has three core expectations that are taught in the beginning, middle, and end of the school year and reinforced throughout the year by the use of this program.

**Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services**

We have two guidance counselors on campus that meet with our students that need helping dealing with personal and social issues. We have a school social worker that meets with students as well to discuss attendance and other issues that arise.

**Early Warning Systems**

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(ii)(III), (b)(1)(B)(iii)(I), and (b)(1)(I).

**Describe the school's early warning system and provide a list of the early warning indicators used in the system**

Our early Warning System is housed through the District Office. The system identifies students that are absent 10% or more of the days enrolled, are over-age 2 or more years for the grade level, are tardy 20% or more in one period, and have received 3 or more days in ISS/OSS.

**Provide the following data related to the school's early warning system**

*The number of students by grade level that exhibit each early warning indicator:*

Indicator	Grade Level			Total
	6	7	8	
Attendance below 90 percent	58	72	61	191
One or more suspensions	16	18	4	38
Course failure in ELA or Math	4	51	32	87
Level 1 on statewide assessment	149	198	173	520

*The number of students identified by the system as exhibiting two or more early warning indicators:*

Indicator	Grade Level			Total
	6	7	8	
Students exhibiting two or more indicators	7	6	2	15

**Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system**

Our guidance counselors will meet with students that are listed on the Early Warning System to discuss the issues that they may be having in these different areas. We offer Anger Management Groups for those students that are having difficulty getting along with others that eventually leads to disciplinary problems. Our school social worker meets with all students that have attendance problems. We also offer tutoring for students that are failing in all content areas.

**Family and Community Involvement**

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(iii)(I)(aa).

**Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress**

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. § 6314(b)(1)(F).

**Will the school use its PIP to satisfy this question?**

No

**PIP Link**

The school completes a Parental Involvement Plan (PIP), which is available at the school site.

**Description**

This year's parental involvement activities include: orientation, open house, Title One mtg, All Pro Dads (meets monthly), IMoms (meets monthly), science night, Fall into Reading Night, Lunch with a Loved One, Showcase Boone, and a writing night.

**Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement**

Our school reaches out to community businesses to attend school functions and to be a part of our School Advisory Council through emails, personal visits, letters, and Holiday cards. This is an area that Boone Middle School still has difficulty getting the support of the local businesses. We continue to invite these people in to develop partnerships with.

**Effective Leadership**

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(H).

**School Leadership Team**

**Membership**

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Raub, Kathryn	Principal
Gutierrez, Enrique	Assistant Principal
Tarver, Brad	Assistant Principal
Mankowski, Heather	Teacher, K-12
Torres, Cynthia	Instructional Coach
Boggs, Mary	Other
Carson, Anita	Teacher, K-12
Greenwood, Terry	Teacher, K-12
Harris, Cheryce	Teacher, K-12
liames, Kenneth	Dean
Lane, Brandon	Teacher, K-12
McCray, Ruby	Paraprofessional
Montgomery, Lateria	Dean
Pascoa, Hugo	Teacher, K-12

**Duties**

***Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making***

Kathryn Raub (Principal), Brad Tarver (Assistant Principal) and Enrique Gutierrez (Assistant Principal) are responsible for monitoring the fidelity of the MTSS process and implementation of strategies listed on our SIP. They also allocate resources and determine what additional supports are needed for our teachers. Cynthia Torres, Heather Mankowski, and Rachel Jensen are Academic Intervention Facilitators that conduct PLCs and provide professional development to teachers within their subject area. Anita Carson, Brandon Lane, and Cheryce Harris are Lead Teachers that communicate what strategies are being used in the classroom and report any updates within their subject areas. Kenneth Iames and Lateria Montgomery are Deans and provide feedback about discipline concerns on our campus. Terry Greenwood and Ruby McCray are our Title One personnel that help facilitate activities within the Title One Guidelines. Mary Boggs is our LEA Facilitator and ensures that we meet the needs of our ESE students. Hugo Pascoa is our technology manager that assists in the data gathering of our school's progress.

***Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact***

The School Based Leadership Team meets on a weekly basis to monitor the effectiveness of our core instruction and to allocate appropriate resources needed to improve our students' achievement. We utilize a rotating schedule to ensure that all areas are able to be addressed at least monthly. The SBLT identifies any areas of concern by analyzing our trend data in the areas of reading, math, science, writing, behavior and attendance. We then identify what our barriers are and what strategies to put in place to address these barriers. During our weekly meetings we monitor the effectiveness of our strategies by looking at progress monitoring data and determining if the rate of progress is sufficient to close the current performance gap. If the rate of progress is insufficient we go back through the problem-solving process to determine what adjustments need to be made.

Title I, Part A, funds school-wide services to Boone Middle School. The Title 1 funds provide supplemental instructional resources and interventions for students with academic achievement needs. Title I, Part A, support provides after-school and summer instructional programs, supplemental instructional materials, resource teachers, technology for students, professional development for the staff, and resources for parents.

Title I, Part A, funds school-wide services to Boone Middle School. The Title 1 funds provide supplemental instructional resources and interventions for students with academic achievement needs. Title I, Part A, support provides after-school and summer instructional programs, supplemental instructional materials, resource teachers, technology for students, professional development for the staff, and resources for parents.

Title 1, Part D, provides Transition Facilitators to assist students with transition from Department of Juvenile Justice (DJJ) facilities back into their zoned school. The Transition Facilitators communicate with the Guidance Counselors at schools to facilitate the transfer of records and appropriate placement.

Title II- Professional development resources are available to Title I schools through Title II funds. In addition,, School Technology Services provide technical support, technology training, technology training, and licenses for software programs and web-based access via Title II-D funds. Funds available to Boone Middle provide technical support, technology training, and licenses for software programs and web-based access via Title II-D funds.

Title III- Title III provides supplemental resources for English Language Learners (ELL) and their teachers in Title I schools, as well as professional learning opportunities for school staff.

Title X- Homeless- The Hearth program, funded through Title X, provides support for identified homeless students. Title I provides support for this program, and many activities implemented by the

Hearth program are carried out in cooperation with the Migrant Education Program (MEP) funded through Title I, Part C.

Supplemental Academic Instruction (SAI)- SAI funds will be coordinated with the Title I funds to provide after school math and reading support for all level 1 students who are able to participate. The summer Credit Retrieval program makes it possible for students to succeed and gain credit when it may not have been achieved in their regular classes during the school year. SES (Supplemental Educational Services) provides additional academic instruction for economically disadvantaged students for enhancement in Reading, Math, and Science.

Violence Prevention Programs- Boone Middle provides violence and drug prevention programs in order to promote a safe school environment. Examples of violence prevention programs include anti-bullying, gang awareness. Many speakers are scheduled throughout the year to support making the right choices in life for our students. School safety is a major concern.

Nutrition Programs-Boone Middle is a location for a summer feeding program for the community.

Housing Programs- N/A

### School Advisory Council (SAC)

#### Membership

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group
Gary Roberson	Business/Community
Wes Belisle	Business/Community
Kathy Raub	Principal
Enrique Gutierrez	Principal
Brad Tarver	Principal
Terry Greenwood	Teacher
Ruby McCray	Education Support Employee
Derrick Whiteman	Business/Community

#### Duties

**Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes**

##### *Evaluation of last year's school improvement plan*

The SAC Committee was in full agreement of our goals for last year that were listed in our SIP and agreed that we need to continue to focus on the standards based instruction in the classroom. Once this goal is met in the classroom than it will lead to students being more successful in all academic areas. Our Sac also agreed that this year they will help support Boone and work with the community to help involve them more in the activities on campus.

##### *Development of this school improvement plan*

One of the major duties of the SAC is to play an active part in contributing to and monitoring the School Improvement process. Throughout the school year, elements of the SIP are presented, reviewed, discussed and monitored for overall effectiveness.

##### *Preparation of the school's annual budget and plan*

The Title One Budget is shared with the SAC members. All agree that budgeted funds should be used toward student achievement and the discretion to spend these funds be left to the principal.

**Describe the use of school improvement funds allocated last year, including the amount budgeted for each project**

Student Incentives- 100% of the School Improvement Funds

**Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC**

Yes

*If the school is not in compliance, describe the measures being implemented to meet SAC requirements*

**Literacy Leadership Team (LLT)**

**Membership**

Identify the name, email address and position title for each member of the school-based LLT.:

Name	Title
Carson, Anita	Teacher, K-12
Torres, Cynthia	Instructional Coach
Painter, Rebecca	Instructional Media

**Duties**

**Describe how the LLT promotes literacy within the school**

The major initiatives of the LLT will be to ensure the implementation of extended reading passages across all content areas, implementation of distributive summarizing, HOT questions, and appropriate vocabulary instruction .

**Public and Collaborative Teaching**

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(D).

**Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction**

Collaborative planning is scheduled two times per week with grade level and academic teams. This is a time when plans are developed and ideas shared to increase the standards based and rigorous instruction in the classroom. All content areas have common planning times each day of the week to allow for individual collaboration amongst teams.

**Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school**

All teachers will participate in: PEC, New Teacher training, AIF facilitators coaching, Learning Focused Professional Development, PBS/Rtl training, Weekly PLCs and planning meetings. Coaches will observe and model instruction for new teachers and provide opportunities for continuous professional development through PLCs.

**Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities**

All teachers will participate in: PEC, New Teacher training, AIF facilitators coaching, Learning Focused Professional Development, PBS/Rtl training, Weekly PLCs and planning meetings. Coaches will observe and model instruction for new teachers and provide opportunities for continuous professional development through PLCs.

## Ambitious Instruction and Learning

### Instructional Programs and Strategies

#### Instructional Programs

**Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards**

Weekly planning meetings occur on campus that are facilitated by the instructional coaches to help teachers understand the new Florida standards and to plan lessons that appropriately teach these standards. Resources such as our District Learning Maps, Test Item Specs, and Florida Standards are used when planning these lessons on a regular basis.

#### Instructional Strategies

**Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments**

We monitor student progress through ongoing progress monitoring, pre and post assessments in content areas, and classroom observations to provide additional support for our students. The type of support offered include but are not limited to small group instruction, individual assistance, assigned to intensive classes, before and after school tutoring.

**Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:**

**Strategy:** After School Program

**Minutes added to school year:** 6,720

Teachers are utilizing Rosetta Stone and homework help. Students are working in all academic areas to be successful. All students that have requested to be part of this program are participating and transportation is provided if needed.

#### **Strategy Rationale**

To help our ESOL students be successful in their academic areas and to help overcome the language barrier some students encounter.

#### **Strategy Purpose(s)**

- Core Academic Instruction
- Enrichment

#### **Person(s) responsible for monitoring implementation of the strategy**

Tarver, Brad, brad.tarver@polk-fl.net

#### **Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy**

Data is collected throughout the year through classroom grades and Rosetta Stone reports to monitor the effectiveness of the program.

**Strategy:** Weekend Program

**Minutes added to school year:** 1,440

FCAT Saturday Camp is implemented to focus on reading, math, writing, and science instruction. Students are prioritized based on prior years FCAT data and ongoing assessments throughout the year. High performing teachers are selected to teach during the FCAT Saturday camp to offer intensive instruction in targeted academic areas. Students are encouraged to attend and incentives are offered for attendance and participation. Students are placed in groups based on current data collected. Students may attend one or two sessions based on current academic needs.

**Strategy Rationale**

**Strategy Purpose(s)**

""

**Person(s) responsible for monitoring implementation of the strategy**

**Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy**

A pre and post test is administered during the FCAT Saturday Camp to monitor the effectiveness of this strategy as well as FCAT data.

**Student Transition and Readiness**

**PreK-12 Transition**

The school's response to this question may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(G).

**Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another**

NA

**College and Career Readiness**

**Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations**

We currently have the school guidance counselors meet with students to discuss the courses offered and what offerings best fit the needs and interests of each student. Students are placed in classes based on these discussions.

**Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs**

Each year our 8th grade students attend the WE EXPO to learn about college and career planning and to be exposed to all of the career academies offered at our local High Schools.

We currently offer four technology courses that are career readiness classes.

**Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement**

**Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes**
