Pride Elementary School

10310 LIONS DEN DR, Tampa, FL 33647

[no web address on file]

SIP Authority

Section 1001.42(18), Florida Statutes (F.S.), requires district school boards to annually approve and require implementation of a new, amended, or continuation SIP for each school in the district which has a school grade of D or F; has a significant gap in achievement on statewide, standardized assessments administered pursuant to s. 1008.22 by one or more student subgroups, as defined in the federal Elementary and Secondary Education Act (ESEA), 20 U.S.C. s. 6311(b)(2)(C)(v)(II); has not significantly increased the percentage of students passing statewide, standardized assessments; has not significantly increased the percentage of students demonstrating Learning Gains, as defined in s. 1008.34, and as calculated under s. 1008.34(3)(b), who passed statewide, standardized assessments; has been identified as requiring instructional supports under the Reading Achievement Initiative for Scholastic Excellence (RAISE) program established in s. 1008.365; or has significantly lower graduation rates for a subgroup when compared to the state's graduation rate. Rule 6A-1.098813, Florida Administrative Code (F.A.C.), requires district school boards to approve a SIP for each Department of Juvenile Justice (DJJ) school in the district rated as Unsatisfactory.

Below are the criteria for identification of traditional public and public charter schools pursuant to the Every Student Succeeds Act (ESSA) State plan:

Additional Target Support and Improvement (ATSI)

A school not identified for CSI or TSI, but has one or more subgroups with a Federal Index below 41%.

Targeted Support and Improvement (TSI)

A school not identified as CSI that has at least one consistently underperforming subgroup with a Federal Index below 32% for three consecutive years.

Comprehensive Support and Improvement (CSI)

A school can be identified as CSI in any of the following four ways:

- 1. Have an overall Federal Index below 41%;
- 2. Have a graduation rate at or below 67%;
- 3. Have a school grade of D or F; or
- 4. Have a Federal Index below 41% in the same subgroup(s) for 6 consecutive years.

ESEA sections 1111(d) requires that each school identified for ATSI, TSI or CSI develop a support and improvement plan created in partnership with stakeholders (including principals and other school leaders, teachers and parent), is informed by all indicators in the State's accountability system, includes evidence-based interventions, is based on a school-level needs assessment, and identifies resource inequities to be addressed through implementation of the plan. The support and improvement plans for schools identified as TSI, ATSI and non-Title I CSI must be approved and monitored by the school district. The support and improvement plans for schools identified as Title I, CSI must be approved by the school district and

Department. The Department must monitor and periodically review implementation of each CSI plan after approval.

The Department's SIP template in the Florida Continuous Improvement Management System (CIMS), https://www.floridacims.org, meets all state and rule requirements for traditional public schools and incorporates all ESSA components for a support and improvement plan required for traditional public and public charter schools identified as CSI, TSI and ATSI, and eligible schools applying for Unified School Improvement Grant (UniSIG) funds.

Districts may allow schools that do not fit the aforementioned conditions to develop a SIP using the template in CIMS.

The responses to the corresponding sections in the Department's SIP template may address the requirements for: 1) Title I schools operating a schoolwide program (SWD), pursuant to ESSA, as amended, Section 1114(b); and 2) charter schools that receive a school grade of D or F or three consecutive grades below C, pursuant to Rule 6A-1.099827, F.A.C. The chart below lists the applicable requirements.

| SIP Sections | Title I Schoolwide Program | Charter Schools |
|--|---|------------------------|
| I-A: School Mission/Vision | | 6A-1.099827(4)(a)(1) |
| I-B-C: School Leadership, Stakeholder Involvement & SIP Monitoring | ESSA 1114(b)(2-3) | |
| I-E: Early Warning System | ESSA 1114(b)(7)(A)(iii)(III) | 6A-1.099827(4)(a)(2) |
| II-A-C: Data Review | | 6A-1.099827(4)(a)(2) |
| II-F: Progress Monitoring | ESSA 1114(b)(3) | |
| III-A: Data Analysis/Reflection | ESSA 1114(b)(6) | 6A-1.099827(4)(a)(4) |
| III-B: Area(s) of Focus | ESSA 1114(b)(7)(A)(i-iii) | |
| III-C: Other SI Priorities | | 6A-1.099827(4)(a)(5-9) |
| VI: Title I Requirements | ESSA 1114(b)(2, 4-5), (7)(A)(iii)(I-V)-(B) ESSA 1116(b-g) | |

Note: Charter schools that are also Title I must comply with the requirements in both columns.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Department encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

I. School Information

School Mission and Vision

Provide the school's mission statement.

Pride Elementary will prepare students for life.

Provide the school's vision statement.

Pride Elementary will provide an education and the supports which enable each student to excel as a successful and responsible citizen.

School Leadership Team, Stakeholder Involvement and SIP Monitoring

School Leadership Team

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities as it relates to SIP implementation for each member of the school leadership team.:

| Name | Position Title | Job Duties and Responsibilities |
|----------------------|------------------------|--|
| English, Paulette | Principal | Serves as the instructional leader, engages stakeholders, and collaborates with school and district personnel. |
| Humbert, Shelby | SAC Member | Serves as the School Advisory Council Chairperson. |
| Moncrief, Heather | Assistant Principal | Serves as instructional leader, engages stakeholders, collaborates with school and district personnel. |
| Noll, Elizabeth | Other | Responsible for providing support to students, teachers, and staff to ensure that students with disabilities demonstrate increased participation and performance in the classroom. Assists with fully and satisfactorily implementing the Individuals with Disabilities Education Act (IDEA) and all related requirements. Provides leadership in the development and implementation of the ESE Strategic Plan that is aligned with both the state and district plans. |
| Garcia, Eva | Other | Creates and provides tools, resources, technical assistance, trainings, and assessments of students (WIDA) to ensure the school has the supports necessary to educate ELL students successfully. |
| Goff, Christine | School Counselor | Provides classroom education and skill building as well as counseling and support for students; provides training to teachers and staff; identifies students who are at-risk for harmful behaviors and intervenes to limit or eliminate the risk of harm and/or negative consequences; assists with setting goals and incentives for attendance; coordinates a school-wide character education program (7 Mindsets). |

Stakeholder Involvement and SIP Development

Describe the process for involving stakeholders (including the school leadership team, teachers and school staff, parents, students (mandatory for secondary schools) and families, and business or community leaders) and how their input was used in the SIP development process. (ESSA 1114(b)(2))

Note: If a School Advisory Council is used to fulfill these requirements, it must include all required stakeholders.

Stakeholders include the parents and guardians, administration, faculty and staff of Pride Elementary School. After reviewing the parent survey results, the Instructional Leadership Team met during the summer to discuss and make suggestions for the instructional goals, including climate and culture, for the 2023-2024 school year. Grade level Team Leaders sought input from their teams. After reviewing the assessment and survey data from 2022-2023, the instructional goals were developed and presented during preplanning and integrated into the School Improvement Plan. The Pride Elementary School Advisory Council from 2022-2023 were also asked for input in regards to School Climate and Culture, with one parent of SAC responding. The School Advisory Council (SAC) will meet on August 28, 2023 to vote on the proposed School Improvement Plan.

SIP Monitoring

Describe how the SIP will be regularly monitored for effective implementation and impact on increasing the achievement of students in meeting the State's academic standards, particularly for those students with the greatest achievement gap. Describe how the school will revise the plan, as necessary, to ensure continuous improvement. (ESSA 1114(b)(3))

The SIP will be regularly monitored for effective implementation and impact on increasing the achievement of students in meeting the State's academic standards, particularly for those students with the greatest achievement gap. Monitoring will be accomplished through monthly Instructional Leadership Meetings, weekly Leadership meetings, and quarterly School Advisory Council meetings. The school will revise the plan, as necessary, to ensure continuous improvement after Progress Monitoring assessment results are analyzed in the first quarter and middle of the school year.

Demographic DataOnly ESSA identification and school grade history updated 3/11/2024

Early Warning Systems

Using 2022-23 data, complete the table below with the number of students by current grade level that exhibit each early warning indicator listed:

| Indicator | | Grade Level | | | | | | | | | | | |
|---|---|-------------|----|----|----|----|---|---|---|-------|--|--|--|
| indicator | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | Total | | | |
| Absent 10% or more days | 1 | 38 | 42 | 38 | 26 | 33 | 0 | 0 | 0 | 178 | | | |
| One or more suspensions | 0 | 1 | 2 | 2 | 1 | 0 | 0 | 0 | 0 | 6 | | | |
| Course failure in English Language Arts (ELA) | 0 | 0 | 0 | 0 | 0 | 14 | 0 | 0 | 0 | 14 | | | |
| Course failure in Math | 0 | 0 | 0 | 0 | 0 | 18 | 0 | 0 | 0 | 18 | | | |
| Level 1 on statewide ELA assessment | 0 | 0 | 0 | 0 | 26 | 19 | 0 | 0 | 0 | 45 | | | |
| Level 1 on statewide Math assessment | 0 | 0 | 0 | 0 | 19 | 23 | 0 | 0 | 0 | 42 | | | |
| Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C. | 0 | 9 | 12 | 11 | 31 | 5 | 0 | 0 | 0 | 68 | | | |

Using the table above, complete the table below with the number of students by current grade level that have two or more early warning indicators:

| Indicator | Grade Level | | | | | | | | | | |
|--------------------------------------|-------------|---|---|---|---|---|---|---|---|-------|--|
| | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | Total | |
| Students with two or more indicators | 0 | 0 | 1 | 2 | 0 | 7 | 0 | 0 | 0 | 10 | |

Using the table above, complete the table below with the number of students identified retained:

| Indicator | | Grade Level | | | | | | | | | | | |
|-------------------------------------|---|-------------|---|---|---|---|---|---|---|-------|--|--|--|
| Indicator | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | Total | | | |
| Retained Students: Current Year | 1 | 3 | 3 | 0 | 0 | 0 | 0 | 0 | 0 | 7 | | | |
| Students retained two or more times | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | | | | |

Prior Year (2022-23) As Initially Reported (pre-populated)

The number of students by grade level that exhibited each early warning indicator:

| Indicator | | Grade Level | | | | | | | | | | | |
|---|---|-------------|----|----|----|----|---|---|---|-------|--|--|--|
| indicator | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | Total | | | |
| Absent 10% or more days | 1 | 29 | 24 | 23 | 18 | 19 | 0 | 0 | 0 | 114 | | | |
| One or more suspensions | 0 | 0 | 0 | 1 | 1 | 0 | 0 | 0 | 0 | 2 | | | |
| Course failure in ELA | 0 | 0 | 0 | 14 | 0 | 0 | 0 | 0 | 0 | 14 | | | |
| Course failure in Math | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | | | | |
| Level 1 on statewide ELA assessment | 0 | 0 | 0 | 14 | 9 | 9 | 0 | 0 | 0 | 32 | | | |
| Level 1 on statewide Math assessment | 0 | 0 | 0 | 11 | 10 | 18 | 0 | 0 | 0 | 39 | | | |
| Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C. | 0 | 7 | 13 | 10 | 13 | 15 | 0 | 0 | 0 | 58 | | | |

The number of students by current grade level that had two or more early warning indicators:

| Indicator | | Total | | | | | | | | |
|--------------------------------------|---|-------|---|---|---|---|---|---|---|-------|
| Indicator | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | Total |
| Students with two or more indicators | 0 | 0 | 0 | 4 | 0 | 0 | 0 | 0 | 0 | 4 |

The number of students identified retained:

| Indicator | | Grade Level | | | | | | | | | | | |
|-------------------------------------|---|-------------|---|---|---|---|---|---|---|-------|--|--|--|
| Indicator | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | Total | | | |
| Retained Students: Current Year | 0 | 3 | 0 | 9 | 0 | 0 | 0 | 0 | 0 | 12 | | | |
| Students retained two or more times | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | | | | |

Prior Year (2022-23) Updated (pre-populated)

Section 3 includes data tables that are pre-populated based off information submitted in prior year's SIP.

The number of students by grade level that exhibited each early warning indicator:

| Indicator | | Grade Level | | | | | | | | | | |
|---|---|-------------|----|----|----|----|---|---|---|-------|--|--|
| indicator | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | Total | | |
| Absent 10% or more days | 1 | 29 | 24 | 23 | 18 | 19 | 0 | 0 | 0 | 114 | | |
| One or more suspensions | 0 | 0 | 0 | 1 | 1 | 0 | 0 | 0 | 0 | 2 | | |
| Course failure in ELA | 0 | 0 | 0 | 14 | 0 | 0 | 0 | 0 | 0 | 14 | | |
| Course failure in Math | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | | | |
| Level 1 on statewide ELA assessment | 0 | 0 | 0 | 14 | 9 | 9 | 0 | 0 | 0 | 32 | | |
| Level 1 on statewide Math assessment | 0 | 0 | 0 | 11 | 10 | 18 | 0 | 0 | 0 | 39 | | |
| Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C. | 0 | 7 | 13 | 10 | 13 | 15 | 0 | 0 | 0 | 58 | | |

The number of students by current grade level that had two or more early warning indicators:

| Indicator | | | (| Grad | de L | evel | | | | Total |
|--------------------------------------|---|---|---|------|------|------|---|---|---|-------|
| indicator | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | TOLAT |
| Students with two or more indicators | 0 | 0 | 0 | 4 | 0 | 0 | 0 | 0 | 0 | 4 |

The number of students identified retained:

| Indicator | Grade Level | | | | | | | | | Total |
|-------------------------------------|-------------|---|---|---|---|---|---|---|---|-------|
| indicator | K | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | TOLAT |
| Retained Students: Current Year | 0 | 3 | 0 | 9 | 0 | 0 | 0 | 0 | 0 | 12 |
| Students retained two or more times | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | |

II. Needs Assessment/Data Review

ESSA School, District and State Comparison (pre-populated)

Please note that the district and state averages shown here represent the averages for similar school types (elementary, middle, high school or combination schools). Each "blank" cell indicates the school had less than 10 eligible students with data for a particular component and was not calculated for the school.

On April 9, 2021, FDOE Emergency Order No. 2021-EO-02 made 2020-21 school grades optional. They have been removed from this publication.

| Accountability Component | | 2023 | | | 2022 | | | 2021 | |
|------------------------------------|--------|----------|-------|--------|----------|-------|--------|----------|-------|
| Accountability Component | School | District | State | School | District | State | School | District | State |
| ELA Achievement* | 75 | 50 | 53 | 80 | 53 | 56 | 79 | | |
| ELA Learning Gains | | | | 83 | | | 74 | | |
| ELA Lowest 25th Percentile | | | | 73 | | | 53 | | |
| Math Achievement* | 78 | 56 | 59 | 83 | 50 | 50 | 79 | | |
| Math Learning Gains | | | | 82 | | | 67 | | |
| Math Lowest 25th Percentile | | | | 65 | | | 45 | | |
| Science Achievement* | 73 | 50 | 54 | 77 | 59 | 59 | 74 | | |
| Social Studies Achievement* | | | | | 69 | 64 | | | |
| Middle School Acceleration | | | | | 56 | 52 | | | |
| Graduation Rate | | | | | 48 | 50 | | | |
| College and Career Acceleration | | | | | | 80 | | | |
| ELP Progress | 64 | 59 | 59 | 79 | | | 65 | | |

^{*} In cases where a school does not test 95% of students in a subject, the achievement component will be different in the Federal Percent of Points Index (FPPI) than in school grades calculation.

See Florida School Grades, School Improvement Ratings and DJJ Accountability Ratings.

Grade Level Data Review- State Assessments (pre-populated)

The data are raw data and include ALL students who tested at the school. This is not school grade data. The percentages shown here represent ALL students who received a score of 3 or higher on the statewide assessments.

An asterisk (*) in any cell indicates the data has been suppressed due to fewer than 10 students tested, or all tested students scoring the same.

III. Planning for Improvement

Data Analysis/Reflection

Answer the following reflection prompts after examining any/all relevant school data sources.

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

Our lowest performance was in the area of science. Overall, 71% of our 5th graders demonstrated proficiency. 32% of our SWD subgroup demonstrated proficiency. 46% of our Black subgroup demonstrated proficiency.

Potential contributing factors may include that more focus was placed on supporting struggling students in ELA, the utilization of a push-in model for AGP math/science in 5th grade making class sizes large, and a high number of students in all intermediate classrooms.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

Overall math proficiency decreased from 83% (prior year FSA) to 77% (2023 FAST). SWD subgroup math proficiency decreased from 46% (prior year FSA) to 41% (2023 FAST). Black subgroup math proficiency decreased from 62% (prior year FSA) to 56% (2023 FAST).

A potential contributing factor may be that more focus was placed on supporting struggling students in ELA, as well as the introduction of new curriculum materials.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

The data components that had the greatest gaps when compared to the state average are as follows: All data components at Pride Elementary indicate the percentage of students demonstrating proficiency to be between 17% and 24% higher than the state.

- 3 Math FL: 59% to 78% at Pride Elementary
- 4 Math FL: 61% to 78% at Pride Elementary
- 5 Math FL: 55% to 76% at Pride Elementary
- 3 Reading FL 50% to 73% at Pride Elementary
- 4 Reading FL 57% to 76% at Pride Elementary
- 5 Reading FL 55% to 79% at Pride Elementary
- 5 Science FL 51% to 71% at Pride Elementary

Pride is a suburban, high SES (28% FRL population) school with supportive parents and active parent involvement. For the 2022-2023 school year 85% of classroom teachers had two or more years of experience and were evaluated as highly effective. Teachers collaborated in PLCs twice monthly and planned with colleagues weekly or biweekly.

Which data component showed the most improvement? What new actions did your school take in this area?

73% of 4th grade students demonstrated proficiency in ELA (FSA) in 2022. This group of students demonstrated 79% proficiency in ELA as 5th graders in ELA (FAST) in 2023.

Actions which may have contributed to this success include team planning and collaboration in PLCs, focus on student ownership of learning, and focus on vocabulary,

Reflecting on the EWS data from Part I, identify one or two potential areas of concern.

Based on EWS data, attendance is an area of concern. During the 2022-2023 school year, 178 students were absent 10% or more of the school year compared to 114 in 2021-2022.

Rank your highest priorities (maximum of 5) for school improvement in the upcoming school year.

Student attendance Overall science proficiency Overall math proficiency SWD reading proficiency/growth SWD math proficiency/growth

Area of Focus

(Identified key Area of Focus that addresses the school's highest priority based on any/all relevant data sources)

#1. Positive Culture and Environment specifically relating to Early Warning System

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Description:

Positive culture and environment specifically relating to student attendance will focus on improving student attendance in order to positively impact student achievement, particularly with students who are chronically absent, defined as missing 10% or more of the school year.

Rationale:

In Gottfried's 2019 study (Chronic absenteeism in the classroom context: Effects on achievement), "students who are chronically absent have lower achievement outcomes." (p.25) "Students in classrooms with a higher percentage of chronic absentees have lower test scores." (p.26)

The percentage of all students with 90% or higher attendance, shown in EdConnect attendance reports:

Q1 2022-2023 86%

Q2 2022-2023 78%

Q3 2022-2023 80%

Q4 2022-2023 78%

The percentage of students with chronic absenteeism was 19% in 2022-2023.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Measurable Outcome 1:

The percentage of all students with 90% or higher attendance rate, as measured by EdConnect, will increase as follows compared to the 2022-2023 school year:

Q1 86% to 88%

Q2 78% to 82%

Q3 80% to 84%

Q4 78% to 80%

Measurable Outcome 2:

The percentage of students with chronic absenteeism, as measured by EdConnect, will decrease from 19% in 2022-2023 to 15% in 2023-2024.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Student attendance, led by the school leadership team, will be monitored daily, monthly, and quarterly by analyzing data from EdConnect, and other data sources. The data will be monitored and tracked to look for trends and patterns and used to intervene before chronic attendance can occur. The school leadership team will review attendance data at weekly meetings and adjust the SIP's Action Steps. The school leadership team will share attendance data with the staff, School Advisory Council, and parents/students monthly to inform and employ them in implementing action steps to improve student attendance.

Person responsible for monitoring outcome:

Paulette English (paulette.english@hcps.net)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Response to Intervention (RtI):

Rtl will be focused on strengthening Tier 1, 2, and 3 to improve student attendance, particularly with students

with chronic absenteeism.

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

The rationale for using RtI for attendance is to utilize a schoolwide process that supports students at all three

tiers. The following two sources document the effectiveness of RtI:

- -John Hattie's Effect Size on Response to Intervention: 1.29
- -Kim and Streeter's Strategies and Interventions for Improving School Attendance | Encyclopedia of Social Work (oxfordre.com)

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Monitor Data: The school leadership team will monitor attendance data at weekly meetings.

Engage Students & Families: ParentLink emails will be sent to families of students with unexcused or unknown reasons for absence. The weekly school newsletter will include information about attendance and correlation to student achievement.

Recognize Good and Improved Attendance: Morning Show reminders regarding attendance and recognition of attendance goals, quarterly perfect attendance recognition, monthly attendance trophies awarded to the class on each grade level with the highest attendance percentage, attendance challenges, improved attendance recognition

Personalized Outreach: Parents will receive a letter and/or phone call when a student accumulates 5 absences. Student attendance will be discussed at parent/teacher conferences. Phone calls and home visits will be made to assist with identifying and removing barriers contributing to absenteeism.

Person Responsible: Paulette English (paulette.english@hcps.net)

By When: Students with a history of chronic absenteeism will be identified and teachers notified in August/September. Other action steps will be implemented throughout the school year.

#2. Instructional Practice specifically relating to Science

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Based on the 2023 state science assessment, 71% of students in 5th grade scored at a proficiency level of three or higher. This is a decrease of 6% compared to the prior year (77%). A stronger focus will be placed on strengthening science instruction through hands-on learning experiences, students taking ownership of their learning through discussion, elaboration of their thinking, frequent monitoring of student understanding, and providing feedback to students. These steps will support an increase in student proficiency on the 5th grade state science assessment in the spring of 2024.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

75% of 5th grade students will demonstrate proficiency on the state science assessment in the Spring of 2024.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

The administration will encourage and monitor participation in district training opportunities, conduct fidelity classroom walk- throughs, review progress monitoring data, attend PLC meetings, and review PLC agendas and notes.

Person responsible for monitoring outcome:

Heather Moncrief (heather.moncrief@hcps.net)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Students will be provided with opportunities to take ownership of their learning through projects and processes, discussion in whole and small groups, collaboration with classmates, as well as opportunities to elaborate on their own thinking.

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

This evidence-based strategy is based on research which supports the idea that when students take ownership of their learning and teach reciprocally, they will see an increase in information retention.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Teachers will design and implement hands on learning opportunities through investigations and experiments within the science instructional block. Opportunities will be provided for students to share and explain their thinking and engage in meaningful discussions with their classmates.

Immediate and constructive feedback will be provided to students within whole and small groups to further their understanding of the content.

Person Responsible: Heather Moncrief (heather.moncrief@hcps.net)

By When: Action steps will continue throughout the school year.

CSI, TSI and ATSI Resource Review

Describe the process to review school improvement funding allocations and ensure resources are allocated based on needs. This section must be completed if the school is identified as ATSI, TSI or CSI in addition to completing an Area(s) of Focus identifying interventions and activities within the SIP (ESSA 1111(d)(1)(B)(4) and (d)(2)(C).

Not applicable to Pride Elementary School
