1202 W GRANT ST, Plant City, FL 33563

[ no web address on file ]

### SIP Authority

Section 1001.42(18), Florida Statutes (F.S.), requires district school boards to annually approve and require implementation of a new, amended, or continuation SIP for each school in the district which has a school grade of D or F; has a significant gap in achievement on statewide, standardized assessments administered pursuant to s. 1008.22 by one or more student subgroups, as defined in the federal Elementary and Secondary Education Act (ESEA), 20 U.S.C. s. 6311(b)(2)(C)(v)(II); has not significantly increased the percentage of students passing statewide, standardized assessments; has not significantly increased the percentage of students demonstrating Learning Gains, as defined in s. 1008.34, and as calculated under s. 1008.34(3)(b), who passed statewide, standardized assessments; has been identified as requiring instructional supports under the Reading Achievement Initiative for Scholastic Excellence (RAISE) program established in s. 1008.365; or has significantly lower graduation rates for a subgroup when compared to the state's graduation rate. Rule 6A-1.098813, Florida Administrative Code (F.A.C.), requires district school boards to approve a SIP for each Department of Juvenile Justice (DJJ) school in the district rated as Unsatisfactory.

Below are the criteria for identification of traditional public and public charter schools pursuant to the Every Student Succeeds Act (ESSA) State plan:

#### Additional Target Support and Improvement (ATSI)

A school not identified for CSI or TSI, but has one or more subgroups with a Federal Index below 41%.

#### Targeted Support and Improvement (TSI)

A school not identified as CSI that has at least one consistently underperforming subgroup with a Federal Index below 32% for three consecutive years.

#### Comprehensive Support and Improvement (CSI)

A school can be identified as CSI in any of the following four ways:

1. Have an overall Federal Index below 41%;
2. Have a graduation rate at or below 67%;
3. Have a school grade of D or F; or
4. Have a Federal Index below 41% in the same subgroup(s) for 6 consecutive years.

ESEA sections 1111(d) requires that each school identified for ATSI, TSI or CSI develop a support and improvement plan created in partnership with stakeholders (including principals and other school leaders, teachers and parent), is informed by all indicators in the State's accountability system, includes evidence-based interventions, is based on a school-level needs assessment, and identifies resource inequities to be addressed through implementation of the plan. The support and improvement plans for schools identified as TSI, ATSI and non-Title I CSI must be approved and monitored by the school district. The support and improvement plans for schools identified as Title I, CSI must be approved by the school district and

Department. The Department must monitor and periodically review implementation of each CSI plan after approval.

The Department's SIP template in the Florida Continuous Improvement Management System (CIMS), <https://www.floridacims.org>, meets all state and rule requirements for traditional public schools and incorporates all ESSA components for a support and improvement plan required for traditional public and public charter schools identified as CSI, TSI and ATSI, and eligible schools applying for Unified School Improvement Grant (UniSIG) funds.

Districts may allow schools that do not fit the aforementioned conditions to develop a SIP using the template in CIMS.

The responses to the corresponding sections in the Department's SIP template may address the requirements for: 1) Title I schools operating a schoolwide program (SWD), pursuant to ESSA, as amended, Section 1114(b); and 2) charter schools that receive a school grade of D or F or three consecutive grades below C, pursuant to Rule 6A-1.099827, F.A.C. The chart below lists the applicable requirements.

SIP Sections	Title I Schoolwide Program	Charter Schools
I-A: School Mission/Vision		6A-1.099827(4)(a)(1)
I-B-C: School Leadership, Stakeholder Involvement & SIP Monitoring	ESSA 1114(b)(2-3)	
I-E: Early Warning System	ESSA 1114(b)(7)(A)(iii)(III)	6A-1.099827(4)(a)(2)
II-A-C: Data Review		6A-1.099827(4)(a)(2)
II-F: Progress Monitoring	ESSA 1114(b)(3)	
III-A: Data Analysis/Reflection	ESSA 1114(b)(6)	6A-1.099827(4)(a)(4)
III-B: Area(s) of Focus	ESSA 1114(b)(7)(A)(i-iii)	
III-C: Other SI Priorities		6A-1.099827(4)(a)(5-9)
VI: Title I Requirements	ESSA 1114(b)(2, 4-5), (7)(A)(iii)(I-V)-(B) ESSA 1116(b-g)	

Note: Charter schools that are also Title I must comply with the requirements in both columns.

## **Purpose and Outline of the SIP**

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Department encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## I. School Information

### School Mission and Vision

#### Provide the school's mission statement.

Simmons Exceptional Center provides students with the academic and social structure necessary for them to maximize their potential. Students are also provided with behavior supports to constructively channel their emotions in a productive and safe manner in daily interactions with others.

#### Provide the school's vision statement.

Simmons Exceptional Center seeks to become a district leader in empowering students to become positive and productive members of society through social, mental, and emotional development. Students are placed on a level system through which academic progress coupled with positive behavior results in students reaching level 5 and "leveling out" in which they return to their neighborhood school.

### School Leadership Team, Stakeholder Involvement and SIP Monitoring

#### School Leadership Team

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities as it relates to SIP implementation for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Chazares, Cleto	Principal	Manage the daily operations of the site.
Rajpaul, Shalini	Teacher, K-12	SAC Chair

#### Stakeholder Involvement and SIP Development

Describe the process for involving stakeholders (including the school leadership team, teachers and school staff, parents, students (mandatory for secondary schools) and families, and business or community leaders) and how their input was used in the SIP development process. (ESSA 1114(b)(2))

Note: If a School Advisory Council is used to fulfill these requirements, it must include all required stakeholders.

All stakeholders are invited to review the data used to identify areas of focus, including those areas monitored by the SIP in previous years. Stakeholders were asked to give relevant feedback and detailed observations/experiences that would help to identify areas of focus, as well as evaluate the areas of focus identified previously. In order to ensure student success in all circumstances, paraprofessionals will receive para as sub pay and be permitted to stay in the classroom with students.

#### SIP Monitoring

Describe how the SIP will be regularly monitored for effective implementation and impact on increasing the achievement of students in meeting the State's academic standards, particularly for those students with the greatest achievement gap. Describe how the school will revise the plan, as necessary, to ensure continuous improvement. (ESSA 1114(b)(3))

Stakeholders will monitor the SIP, reviewing the progress during each meeting. Successful implementation will be recognized by pointing out strategies/incentives used, and if no results are

achieved SAC members will come up with alternative ways in which we might encourage gains toward meeting the current State's academic standards. Reading/Math tutoring during lunches, after school, or perhaps even on weekends are plans that may be put into place if progress is not being made.

### Demographic Data

### Early Warning Systems

Using 2022-23 data, complete the table below with the number of students by current grade level that exhibit each early warning indicator listed:

Indicator	Grade Level										Total
	K	1	2	3	4	5	6	7	8		
Absent 10% or more days	0	0	0	0	0	0	0	0	0	0	
One or more suspensions	0	0	0	0	0	0	0	0	0	0	
Course failure in English Language Arts (ELA)	0	0	0	0	0	0	0	0	0	0	
Course failure in Math	0	0	0	0	0	0	0	0	0	0	
Level 1 on statewide ELA assessment	0	0	0	0	0	0	0	0	0	0	
Level 1 on statewide Math assessment	0	0	0	0	0	0	0	0	0	0	
Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C.	0	0	0	0	0	0	0	0	0	0	

**Using the table above, complete the table below with the number of students by current grade level that have two or more early warning indicators:**

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Students with two or more indicators	0	0	0	0	0	0	0	0	0	

**Using the table above, complete the table below with the number of students identified retained:**

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Retained Students: Current Year	0	0	0	0	0	0	0	0	0	
Students retained two or more times	0	0	0	0	0	0	0	0	0	

#### **Prior Year (2022-23) As Initially Reported (pre-populated)**

**The number of students by grade level that exhibited each early warning indicator:**

Indicator	Grade Level										Total
	K	1	2	3	4	5	6	7	8		
Absent 10% or more days	0	0	0	0	0	0	0	0	0	0	
One or more suspensions	0	0	0	0	0	0	0	0	0	0	
Course failure in ELA	0	0	0	0	0	0	0	0	0	0	
Course failure in Math	0	0	0	0	0	0	0	0	0	0	
Level 1 on statewide ELA assessment	0	0	0	0	0	0	0	0	0	0	
Level 1 on statewide Math assessment	0	0	0	0	0	0	0	0	0	0	
Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C.	0	0	0	0	0	0	0	0	0	0	

**The number of students by current grade level that had two or more early warning indicators:**

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Students with two or more indicators	0	0	0	0	0	0	0	0	0	

**The number of students identified retained:**

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Retained Students: Current Year	0	0	0	0	0	0	0	0	0	
Students retained two or more times	0	0	0	1	0	1	1	4	1	12

**Prior Year (2022-23) Updated (pre-populated)**

Section 3 includes data tables that are pre-populated based off information submitted in prior year's SIP.

**The number of students by grade level that exhibited each early warning indicator:**

Indicator	Grade Level										Total
	K	1	2	3	4	5	6	7	8		
Absent 10% or more days	0	0	0	0	0	0	0	0	0	0	
One or more suspensions	0	0	0	0	0	0	0	0	0	0	
Course failure in ELA	0	0	0	0	0	0	0	0	0	0	
Course failure in Math	0	0	0	0	0	0	0	0	0	0	
Level 1 on statewide ELA assessment	0	0	0	0	0	0	0	0	0	0	
Level 1 on statewide Math assessment	0	0	0	0	0	0	0	0	0	0	
Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C.	0	0	0	0	0	0	0	0	0	0	

**The number of students by current grade level that had two or more early warning indicators:**

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Students with two or more indicators	0	0	0	0	0	0	0	0	0	

**The number of students identified retained:**

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Retained Students: Current Year	0	0	0	0	0	0	0	0	0	
Students retained two or more times	0	0	0	1	0	1	1	4	1	8

**II. Needs Assessment/Data Review****ESSA School, District and State Comparison (pre-populated)**

Please note that the district and state averages shown here represent the averages for similar school types (elementary, middle, high school or combination schools). Each "blank" cell indicates the school had less than 10 eligible students with data for a particular component and was not calculated for the school.

**On April 9, 2021, FDOE Emergency Order No. 2021-EO-02 made 2020-21 school grades optional. They have been removed from this publication.**

Accountability Component	2023			2022			2021		
	School	District	State	School	District	State	School	District	State
ELA Achievement*	8	51	53		51	55	20		
ELA Learning Gains									
ELA Lowest 25th Percentile									
Math Achievement*		50	55		41	42			
Math Learning Gains									
Math Lowest 25th Percentile									
Science Achievement*		48	52		48	54			
Social Studies Achievement*		65	68		57	59			
Middle School Acceleration		70	70		51	51			
Graduation Rate		83	74		44	50			
College and Career Acceleration		33	53		68	70			
ELP Progress		52	55		73	70			

\* In cases where a school does not test 95% of students in a subject, the achievement component will be different in the Federal Percent of Points Index (FPPI) than in school grades calculation.

See [Florida School Grades, School Improvement Ratings and DJJ Accountability Ratings](#).

### Grade Level Data Review– State Assessments (pre-populated)

The data are raw data and include ALL students who tested at the school. This is not school grade data. The percentages shown here represent ALL students who received a score of 3 or higher on the statewide assessments.

An asterisk (\*) in any cell indicates the data has been suppressed due to fewer than 10 students tested, or all tested students scoring the same.

ELA						
Grade	Year	School	District	School-District Comparison	State	School-State Comparison

### III. Planning for Improvement

#### Data Analysis/Reflection

Answer the following reflection prompts after examining any/all relevant school data sources.

**Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.**

The Subgroup Summary is unavailable for schools that receive a school improvement rating or did not receive a school grade in the selected year.

**Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.**

-

**Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.**

-

**Which data component showed the most improvement? What new actions did your school take in this area?**

-

**Reflecting on the EWS data from Part I, identify one or two potential areas of concern.**

-

**Rank your highest priorities (maximum of 5) for school improvement in the upcoming school year.**

-

#### Area of Focus

(Identified key Area of Focus that addresses the school's highest priority based on any/all relevant data sources)

**#1. ESSA Subgroup specifically relating to Students with Disabilities****Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed.

One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Based on the number of students retained in the EWS section, the focus must be on increasing student social and academic success through engagement in the classroom. If students are actively engaged, they will inherently perform better on state assessments and will also attend more regularly. Special attention will be given to SWD students through visual and social aids like video clips.

**Measurable Outcome:**

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

The outcome is two-fold: one for students to attend school on average 75% or more each quarter and secondly for students to make gains on state assessments based on class performance and assessments.

**Monitoring:**

Describe how this Area of Focus will be monitored for the desired outcome.

1. Students will be monitored for behavior and academic progress through a daily point sheet which will be sent home for parents
2. Teachers will collaborate with behavioral coaches and district staff to develop targeted strategies for increasing engagement among SWD
3. Holding quarterly conferences with parents to discuss student progress and routes for improvement

**Person responsible for monitoring outcome:**

Cleto Chazares (cleto.chazares@hcps.net)

**Evidence-based Intervention:**

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

The strategy being implemented for this area of focus is to create:

1. Student classroom and school incentives such as snack cart to encourage positive social interactions and academic success.
2. Incorporating more student driven activities and projects such as a historical poster to increase student engagement and critical thinking.

**Rationale for Evidence-based Intervention:**

Explain the rationale for selecting this specific strategy.

By increasing student buy-in instructional effectiveness and engagement will also increase which ultimately will translate into academic success and social growth.

**Tier of Evidence-based Intervention**

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

**Will this evidence-based intervention be funded with UniSIG?**

No

### **Action Steps to Implement**

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

1. Students will be monitored for behavior and academic progress through a daily point sheet which will be sent home for parents.
2. Teachers will collaborate with behavioral coaches and district staff to develop targeted strategies for increasing engagement among SWD
3. Holding quarterly conferences with parents to discuss student progress and routes for improvement.

**Person Responsible:** Cleto Chazares (cleto.chazares@hcps.net)

**By When:** 9/1/2023

**#2. ESSA Subgroup specifically relating to Economically Disadvantaged****Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

The area of focus for these students is tied to providing additional resources and supplies to students who are financially challenged. If these students are provided with consumables such as workbooks which they can keep and markup they will be more prepared for state and classroom assessments.

**Measurable Outcome:**

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

The measurable outcome here is to increase attendance among free and reduced lunch students by 3% each grading quarter.

**Monitoring:**

Describe how this Area of Focus will be monitored for the desired outcome.

1. Weekly student conferences will be held to make sure students have the resources and supplies they need to be successful.
2. A supply area in the main office for students to request supplies
3. Classroom consumables which students will be able to write in and keep

**Person responsible for monitoring outcome:**

Cleto Chazares (cleto.chazares@hcps.net)

**Evidence-based Intervention:**

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

The strategy here is to provide students with economic needs the supplies such as notebooks, paper, markers, etc. to be able to participate in classroom activities. Also, special focus will be given to these students to send home printed out notes, work, and consumables to complete assignments while practice academic skills.

**Rationale for Evidence-based Intervention:**

Explain the rationale for selecting this specific strategy.

This strategy was selected because it focuses on providing students with the consumable resources and everyday supplies to be academically successful while preventing social ridicule. As a result of this students will feel more comfortable to engage in classroom instruction while also attending more regularly.

**Tier of Evidence-based Intervention**

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

**Will this evidence-based intervention be funded with UniSIG?**

No

**Action Steps to Implement**

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

1. Weekly student conferences will be held to make sure students have the resources and supplies they need to be successful.

2. A supply area in the main office for students to request supplies
3. Classroom consumables which students will be able to write in and keep.

**Person Responsible:** Cleto Chazares (cleto.chazares@hcps.net)

**By When:** 9/1/23

**#3. Instructional Practice specifically relating to Differentiation****Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed.

One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Acceleration with a focus on recovering lost learning and ultimately increasing graduation rates will be an area of focus. In conjunction it is also imperative to increase the number of students meeting their math and reading benchmarks to increase the number of students who graduate with their standard diploma.

The rationale

here is to demonstrate acceleration by increasing the number of graduates and students who meet their benchmarks.

**Measurable Outcome:**

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

The measurable outcome for the school plan is to increase the number of students who pass their standardized assessments by 4% or more.

**Monitoring:**

Describe how this Area of Focus will be monitored for the desired outcome.

1. Encourage students to stay on track for graduation through month progress monitoring conferences
2. Present students with the routes to success after graduation to encourage student success
3. Monthly parent-teacher conferences to discuss student progress and concerns related to graduation
4. Weekly reminders for students working online of their target goal and date
5. Monthly meetings among the ILT to discuss students at risk and solutions for improvement

**Person responsible for monitoring outcome:**

Cleto Chazares (cleto.chazares@hcps.net)

**Evidence-based Intervention:**

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

The strategy to accomplish this is to provide students with a variety of resources such as extended learning practice, working with various staff in a small group setting, and completing course online through Edgenuity. Staff will incorporate scaffolding into daily lessons along with district approved acceleration activities to stimulate engagement and understanding of key themes.

**Rationale for Evidence-based Intervention:**

Explain the rationale for selecting this specific strategy.

The rationale behind this strategy is that by providing students with more tools to be successful academically a school will inherently have more students graduate and lower the number of students who withdraw or drop out. By implementing district resources tied to acceleration students will grasp course materials more effectively and demonstrate that understanding on standardized assessments.

**Tier of Evidence-based Intervention**

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

**Will this evidence-based intervention be funded with UniSIG?**

No

### **Action Steps to Implement**

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

1. Students who experience rampant unexcused absences of five or more will be required to have a parent student conference with administration.
2. Staff and faculty will encourage student buy using praise and acknowledgment inside the classroom and outside as well.

**Person Responsible:** Cleto Chazares (cleto.chazares@hcps.net)

**By When:** 9/1/23

**#4. Instructional Practice specifically relating to Professional Learning Communities****Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Professional development is important for staff and faculty in an educational setting because it teaches them new skills and strategies to utilize in relation to students. The sharing of knowledge among peers will inherently lead to more diverse and creative instructional practices with a focus on student achievement.

**Measurable Outcome:**

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

The measurable outcome for the school to achieve this plan is, students should be able to not only maintain a C average in all face-to-face classes each grading period but will also culminate on higher standardized assessments scores of 10 points or more.

**Monitoring:**

Describe how this Area of Focus will be monitored for the desired outcome.

1. Staff will be offered professional development opportunities by site administration and staff.
2. Staff will be encouraged to reach out to other educators and district staff for instructional resources and strategies
3. Staff will collaborate in Professional Learning Communities with co-workers to develop cross-discipline lessons and share instructional tools/tips.

**Person responsible for monitoring outcome:**

Cleto Chazares (cleto.chazares@hcps.net)

**Evidence-based Intervention:**

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

The strategy being implemented for this area of focus is professional development tied to tolerance, diversity, and instructional practice. This is also tied to hybrid learning in which staff learn how to more effectively run online credit labs while also increasing their instructional toolbox.

**Rationale for Evidence-based Intervention:**

Explain the rationale for selecting this specific strategy.

Professional development in the following areas will allow staff to interact and collaborate more effectively with student's and parents who come from various socioeconomic statuses, religious practices, and cultural differences. Furthermore, this will spill over into classroom instruction in which teachers create more culturally sensitive lesson plans while presenting sensitive topics through a honed lens.

**Tier of Evidence-based Intervention**

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

**Will this evidence-based intervention be funded with UniSIG?**

No

**Action Steps to Implement**

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

1. Staff will be offered professional development opportunities on the school internal
2. Staff will be encouraged to reach out to other educators and district staff for instructional resources and

strategies

3. Staff will collaborate in Professional Learning Communities with co-workers to develop cross-discipline lessons and share instructional tools/tips.

**Person Responsible:** Cleto Chazares (cleto.chazares@hcps.net)

**By When:**

#### **#5. Positive Culture and Environment specifically relating to Early Warning System**

##### **Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed.

One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Almost all of our student population exhibits 2 or more EWS indicators, particularly low attendance.

Improving the culture and climate of our school will encourage students to attend as they feel celebrated and accomplished in their school.

##### **Measurable Outcome:**

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Students exhibiting EWS indicators will show at least 5% gains in their ELA and/or Mathematic scores.

##### **Monitoring:**

Describe how this Area of Focus will be monitored for the desired outcome.

Various stakeholders will meet and review quarterly PM data and discuss student needs as well as successes.

##### **Person responsible for monitoring outcome:**

Cleto Chazares (cleto.chazares@hcps.net)

##### **Evidence-based Intervention:**

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

After reviewing PM data, ELA and Mathematics instructors will focus on those students who are not on track to show the projected gains. Interventions such as tutoring at lunch and/or before and after school will be put in place for those students who are not on track to meet the gains.

##### **Rationale for Evidence-based Intervention:**

Explain the rationale for selecting this specific strategy.

These interventions will help increase student confidence, as well as making the idea of graduating more attainable to the student.

##### **Tier of Evidence-based Intervention**

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 3 - Promising Evidence

##### **Will this evidence-based intervention be funded with UniSIG?**

No

##### **Action Steps to Implement**

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

***No action steps were entered for this area of focus***

### CSI, TSI and ATSI Resource Review

Describe the process to review school improvement funding allocations and ensure resources are allocated based on needs. This section must be completed if the school is identified as ATSI, TSI or CSI in addition to completing an Area(s) of Focus identifying interventions and activities within the SIP (ESSA 1111(d)(1)(B)(4) and (d)(2)(C)).

N/A

### Reading Achievement Initiative for Scholastic Excellence (RAISE)

#### Area of Focus Description and Rationale

Include a description of your Area of Focus (Instructional Practice specifically relating to Reading/ELA) for each grade below, how it affects student learning in literacy, and a rationale that explains how it was identified as a critical need from the data reviewed. Data that should be used to determine the critical need should include, at a minimum:

- The percentage of students below Level 3 on the 2022 statewide, standardized ELA assessment. Identification criteria must include each grade that has 50 percent or more students scoring below level 3 in grades 3-5 on the statewide, standardized ELA assessment.
- The percentage of students in kindergarten through grade 3, based on 2021-2022 end of year screening and progress monitoring data, who are not on track to score Level 3 or above on the statewide, standardized ELA assessment.
- Other forms of data that should be considered: formative, progress monitoring and diagnostic assessment data.

#### Grades K-2: Instructional Practice specifically relating to Reading/ELA

Students will be given a diagnostic at the beginning of the school year to discover each student's areas of strengths versus areas of focus. Assignments and activities will be tailored to each student's level to maximize their potential and success throughout the year. At the end of each unit students will be given a summative assessment to discover which areas a student has mastered and areas which need additional explanation/instruction. Additionally, students will have meeting at the end of each unit with the teacher to see if supplemental material tied to ELA standards need to be sent home or if a student has shown mastery of key ELA concepts and standards.

#### Grades 3-5: Instructional Practice specifically related to Reading/ELA

Students will be given a diagnostic at the beginning of the school year to discover each student's areas of strengths versus areas of focus. Assignments and activities will be tailored to each student's level to maximize their potential and success throughout the year. At the end of each unit students will be given a summative assessment to discover which areas a student has mastered and areas which need additional explanation/instruction. Additionally, students will have meeting at the end of each unit with the teacher to see if supplemental material tied to ELA standards need to be sent home or if a student has shown mastery of key ELA concepts and standards.

### Measurable Outcomes

State the specific measurable outcome the school plans to achieve for each grade below. This should be a data-based, objective outcome. Include prior year data and a measurable outcome for each of the following:

- Each grade K -3, using the coordinated screening and progress monitoring system, where 50 percent or more of the students are not on track to pass the statewide ELA assessment;
- Each grade 3-5 where 50 percent or more of its students scored below a Level 3 on the most recent statewide, standardized ELA assessment; and
- Grade 6 measurable outcomes may be included, as applicable.

### Grades K-2 Measurable Outcomes

Each grade K-3, under the diagnostic and unit progress monitoring system will result in 60 percent or more of the students not on track will be prepared to pass the statewide ELA assessment.

### Grades 3-5 Measurable Outcomes

Each grade 3-5, under the diagnostic and unit progress monitoring system will result in 60 percent or more of the students not on track will be prepared to pass the statewide ELA assessment with a level 3 or above.

### Monitoring

#### Monitoring

Describe how the school's Area(s) of Focus will be monitored for the desired outcomes. Include a description of how ongoing monitoring will impact student achievement outcomes.

1. Students who experience rampant unexcused absences of five or more will be required to have a parent student conference with administration
2. Staff and faculty will encourage student praise and acknowledgment inside the classroom and outside.

#### Person Responsible for Monitoring Outcome

Select the person responsible for monitoring this outcome.

Chazares, Cleto, cleto.chazares@hcps.net

### Evidence-based Practices/Programs

**Description:**

Describe the evidence-based practices/programs being implemented to achieve the measurable outcomes in each grade and describe how the identified practices/programs will be monitored. The term “evidence-based” means demonstrating a statistically significant effect on improving student outcomes or other relevant outcomes as provided in 20 U.S.C. §7801(21)(A)(i). Florida’s definition limits evidence-based practices/programs to only those with strong, moderate or promising levels of evidence.

- Do the identified evidence-based practices/programs meet Florida’s definition of evidence-based (strong, moderate or promising)?
- Do the evidence-based practices/programs align with the district’s K-12 Comprehensive Evidence-based Reading Plan?
- Do the evidence-based practices/programs align to the B.E.S.T. ELA Standards?

The main program which will be used to monitor progress is guided readings and small group instruction. The readings provided are tied to state standards and come from the district approved list of readings. This program align to the B.E.S.T. ELA standards.

**Rationale:**

Explain the rationale for selecting practices/programs. Describe the resources/criteria used for selecting the practices/programs.

- Do the evidence-based practices/programs address the identified need?
- Do the identified evidence-based practices/programs show proven record of effectiveness for the target population?

The selection of these practices/program is tied to the need to improve comprehension, synthesis, and textual analysis and inference building among students K-5. These practices have shown to build student awareness and reading comprehension in past settings.

**Action Steps to Implement**

List the action steps that will be taken to address the school’s Area(s) of Focus. To address the area of focus, identify 2 to 3 action steps and explain in detail for each of the categories below:

- Literacy Leadership
- Literacy Coaching
- Assessment
- Professional Learning

**Action Step****Person Responsible for Monitoring**

Professional learning will take root in staff participating in weekly PLCs and district workshops to gain new strategies and resources which to implement in their own classrooms. Students will be monitored for behavior and academic progress through IEP meetings and teacher planning notes. Literacy Leadership will take the form of students select the assigned readings from a list of approved choices and then learning to diffuse the information in the text to their peers. Literacy coaching will take the form of Paraprofessionals working in small groups and one on one with students who are struggling to understand assigned texts and concepts in class. Assessment will be in the form of class discussions, unit tests, and exit slips.

Chazares, Cleto,  
cleto.chazares@hcps.net

**Title I Requirements****Schoolwide Program Plan (SWP) Requirements**

This section must be completed if the school is implementing a Title I, Part A SWP and opts to use the SIP to satisfy the requirements of the SWP plan, as outlined in the ESSA, Public Law No. 114-95, § 1114(b). This section is not required for non-Title I schools.

**Provide the methods for dissemination of this SIP, UniSIG budget and SWP to stakeholders (e.g., students, families, school staff and leadership and local businesses and organizations). Please articulate a plan or protocol for how this SIP and progress will be shared and disseminated and to the extent practicable, provided in a language a parent can understand. (ESSA 1114(b)(4))**  
List the school's webpage\* where the SIP is made publicly available.

Information regarding the SIP will be communicated with stakeholders electronically as well as in person at SAC meetings, which all stakeholders are encouraged to attend. Information will also be made available in print and sent to homes in the identified "Home Language" in the student data.

**Describe how the school plans to build positive relationships with parents, families and other community stakeholders to fulfill the school's mission, support the needs of students and keep parents informed of their child's progress.**  
List the school's webpage\* where the school's Family Engagement Plan is made publicly available. (ESSA 1116(b-g))

Daily and/or weekly home reports and parent contact system is in place of encourage parents to participate in their student's education and decision making regarding Title I funds. Parents are invited to participate in SAC meetings and events, provide feedback through surveys sent home and local businesses are asked to sponsor our students by donating resources to help our school organize projects and events to help our students. Faculty may also participate in the Grant Writing Professional Development in order to apply for grants to help with supplies to increase student success.

**Describe how the school plans to strengthen the academic program in the school, increase the amount and quality of learning time and help provide an enriched and accelerated curriculum. Include the Area of Focus if addressed in Part III of the SIP. (ESSA 1114(b)(7)ii)**

Professional learning communities allow teachers to collaborate and plan lessons with mediums of instruction appropriate for the student population. In order to ensure student success in all circumstances, paraprofessionals will receive para as sub pay and be permitted to stay in the classroom

with students. Small groups and one-on-one time helps to ensure students are practicing and working to master skillsets that will help them be successful in school and life.

**If appropriate and applicable, describe how this plan is developed in coordination and integration with other Federal, State, and local services, resources and programs, such as programs supported under ESSA, violence prevention programs, nutrition programs, housing programs, Head Start programs, adult education programs, career and technical education programs, and schools implementing CSI or TSI activities under section 1111(d). (ESSA 1114(b)(5))**

N/A

### **Optional Component(s) of the Schoolwide Program Plan**

Include descriptions for any additional strategies that will be incorporated into the plan.

**Describe how the school ensures counseling, school-based mental health services, specialized support services, mentoring services, and other strategies to improve students' skills outside the academic subject areas. (ESSA 1114(b)(7)(iii)(I))**

All services offered at Simmons Exceptional are available for students including Social Worker, Psychologist, and Guidance Counselor. If a student is in need, they may ask and self-advocate or be referred to a specific service based on teachers observing the needs of their students. Teachers act as mentors to model accountability and self-advocacy, setting positive examples for students to observe.

**Describe the preparation for and awareness of postsecondary opportunities and the workforce, which may include career and technical education programs and broadening secondary school students' access to coursework to earn postsecondary credit while still in high school. (ESSA 1114(b)(7)(iii)(II))**

N/A

**Describe the implementation of a schoolwide tiered model to prevent and address problem behavior, and early intervening services, coordinated with similar activities and services carried out under the Individuals with Disabilities Education Act. 20 U.S.C. 1400 et seq. and ESSA 1114(b)(7)(iii)(III).**

The tiered model (Levels 1-5) implemented includes consistent communication with student and family about behavior and academic success. As students make positive progress, their levels raise and they are rewarded with various incentive options including Fun Friday, snacks, and outdoor activities.

**Describe the professional learning and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data from academic assessments, and to recruit and retain effective teachers, particularly in high need subjects. (ESSA 1114(b)(7)(iii)(IV))**

Teachers participate in Learning Communities to collaborate and exchange successful strategies. Professional development courses focused on SWD are advertised on Teams, and teachers are encouraged to review CUM folder data when making instructional/behavioral decisions.

**Describe the strategies the school employs to assist preschool children in the transition from early childhood education programs to local elementary school programs. (ESSA 1114(b)(7)(iii)(V))**

N/A

## **Budget to Support Areas of Focus**

Part VII: Budget to Support Areas of Focus

The approved budget does not reflect any amendments submitted for this project.

1	III.B.	Area of Focus: ESSA Subgroup: Students with Disabilities	\$0.00
2	III.B.	Area of Focus: ESSA Subgroup: Economically Disadvantaged	\$0.00
3	III.B.	Area of Focus: Instructional Practice: Differentiation	\$0.00
4	III.B.	Area of Focus: Instructional Practice: Professional Learning Communities	\$0.00
5	III.B.	Area of Focus: Positive Culture and Environment: Early Warning System	\$0.00
Total:			\$0.00

Budget Approval
