Building Construction Academy At Bowers Whitley

13609 N 22ND ST, Tampa, FL 33613

[no web address on file]

SIP Authority

Section 1001.42(18), Florida Statutes (F.S.), requires district school boards to annually approve and require implementation of a new, amended, or continuation SIP for each school in the district which has a school grade of D or F; has a significant gap in achievement on statewide, standardized assessments administered pursuant to s. 1008.22 by one or more student subgroups, as defined in the federal Elementary and Secondary Education Act (ESEA), 20 U.S.C. s. 6311(b)(2)(C)(v)(II); has not significantly increased the percentage of students passing statewide, standardized assessments; has not significantly increased the percentage of students demonstrating Learning Gains, as defined in s. 1008.34, and as calculated under s. 1008.34(3)(b), who passed statewide, standardized assessments; has been identified as requiring instructional supports under the Reading Achievement Initiative for Scholastic Excellence (RAISE) program established in s. 1008.365; or has significantly lower graduation rates for a subgroup when compared to the state's graduation rate. Rule 6A-1.098813, Florida Administrative Code (F.A.C.), requires district school boards to approve a SIP for each Department of Juvenile Justice (DJJ) school in the district rated as Unsatisfactory.

Below are the criteria for identification of traditional public and public charter schools pursuant to the Every Student Succeeds Act (ESSA) State plan:

Additional Target Support and Improvement (ATSI)

A school not identified for CSI or TSI, but has one or more subgroups with a Federal Index below 41%.

Targeted Support and Improvement (TSI)

A school not identified as CSI that has at least one consistently underperforming subgroup with a Federal Index below 32% for three consecutive years.

Comprehensive Support and Improvement (CSI)

A school can be identified as CSI in any of the following four ways:

- 1. Have an overall Federal Index below 41%;
- 2. Have a graduation rate at or below 67%;
- 3. Have a school grade of D or F; or
- 4. Have a Federal Index below 41% in the same subgroup(s) for 6 consecutive years.

ESEA sections 1111(d) requires that each school identified for ATSI, TSI or CSI develop a support and improvement plan created in partnership with stakeholders (including principals and other school leaders, teachers and parent), is informed by all indicators in the State's accountability system, includes evidence-based interventions, is based on a school-level needs assessment, and identifies resource inequities to be addressed through implementation of the plan. The support and improvement plans for schools identified as TSI, ATSI and non-Title I CSI must be approved and monitored by the school district. The support and improvement plans for schools identified as Title I, CSI must be approved by the school district and

Department. The Department must monitor and periodically review implementation of each CSI plan after approval.

The Department's SIP template in the Florida Continuous Improvement Management System (CIMS), https://www.floridacims.org, meets all state and rule requirements for traditional public schools and incorporates all ESSA components for a support and improvement plan required for traditional public and public charter schools identified as CSI, TSI and ATSI, and eligible schools applying for Unified School Improvement Grant (UniSIG) funds.

Districts may allow schools that do not fit the aforementioned conditions to develop a SIP using the template in CIMS.

The responses to the corresponding sections in the Department's SIP template may address the requirements for: 1) Title I schools operating a schoolwide program (SWD), pursuant to ESSA, as amended, Section 1114(b); and 2) charter schools that receive a school grade of D or F or three consecutive grades below C, pursuant to Rule 6A-1.099827, F.A.C. The chart below lists the applicable requirements.

SIP Sections	Title I Schoolwide Program	Charter Schools
I-A: School Mission/Vision		6A-1.099827(4)(a)(1)
I-B-C: School Leadership, Stakeholder Involvement & SIP Monitoring	ESSA 1114(b)(2-3)	
I-E: Early Warning System	ESSA 1114(b)(7)(A)(iii)(III)	6A-1.099827(4)(a)(2)
II-A-C: Data Review		6A-1.099827(4)(a)(2)
II-F: Progress Monitoring	ESSA 1114(b)(3)	
III-A: Data Analysis/Reflection	ESSA 1114(b)(6)	6A-1.099827(4)(a)(4)
III-B: Area(s) of Focus	ESSA 1114(b)(7)(A)(i-iii)	
III-C: Other SI Priorities		6A-1.099827(4)(a)(5-9)
VI: Title I Requirements	ESSA 1114(b)(2, 4-5), (7)(A)(iii)(I-V)-(B) ESSA 1116(b-g)	

Note: Charter schools that are also Title I must comply with the requirements in both columns.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Department encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

I. School Information

School Mission and Vision

Provide the school's mission statement.

Maintain a positive and caring culture that welcomes support, and that encourages and motivates all faculty members, students, and their families to set and achieve goals and foster a learning environment that inspires students to graduate and develop career skills.

Provide the school's vision statement.

To develop the maximum potential of every student to excel in a changing world.

School Leadership Team, Stakeholder Involvement and SIP Monitoring

School Leadership Team

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities as it relates to SIP implementation for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Gaines, Derrick	Principal	School Principal; oversees implementation in all areas
Pears, Chad	Assistant Principal	Assistant Principal; lead the development and implementation of the plan
Diaz, Janice	SAC Member	SAC chair, coordinate meetings and assist with SIP development

Stakeholder Involvement and SIP Development

Describe the process for involving stakeholders (including the school leadership team, teachers and school staff, parents, students (mandatory for secondary schools) and families, and business or community leaders) and how their input was used in the SIP development process. (ESSA 1114(b)(2))

Note: If a School Advisory Council is used to fulfill these requirements, it must include all required stakeholders.

The school leadership team reviews vital data on current and incoming students to develop a plan that will support achievement and success for all students.

SIP Monitoring

Describe how the SIP will be regularly monitored for effective implementation and impact on increasing the achievement of students in meeting the State's academic standards, particularly for those students with the greatest achievement gap. Describe how the school will revise the plan, as necessary, to ensure continuous improvement. (ESSA 1114(b)(3))

The leadership team will review ongoing data and progress, discuss status with all stakeholders, and monitor plan closely to ensure progress toward goals is being made.

Demographic Data

Only ESSA identification and school grade history updated 3/11/2024

2023-24 Status (per MSID File)	Active
School Type and Grades Served	High School
(per MSID File)	11-12

Early Warning Systems

Using 2022-23 data, complete the table below with the number of students by current grade level that exhibit each early warning indicator listed:

Indicator			Grade Level											
indicator	K	1	2	3	4	5	6	7	8	Total				
Absent 10% or more days	0	0	0	0	0	0	0	0	0					
One or more suspensions	0	0	0	0	0	0	0	0	0					
Course failure in English Language Arts (ELA)	0	0	0	0	0	0	0	0	0					
Course failure in Math	0	0	0	0	0	0	0	0	0					
Level 1 on statewide ELA assessment	0	0	0	0	0	0	0	0	0					
Level 1 on statewide Math assessment	0	0	0	0	0	0	0	0	0					
Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C.	0	0	0	0	0	0	0	0	0					
	0	0	0	0	0	0	0	0	0					

Using the table above, complete the table below with the number of students by current grade level that have two or more early warning indicators:

Indicator			(Grac	de L	evel				Total
indicator	K	1	2	3	4	5	6	7	8	Total
Students with two or more indicators	0	0	0	0	0	0	0	0	0	

Using the table above, complete the table below with the number of students identified retained:

Indicator	Grade Level												
indicator	K	1	2	3	4	5	6	7	8	Total			
Retained Students: Current Year	0	0	0	0	0	0	0	0	0				
Students retained two or more times	0	0	0	0	0	0	0	0	0				

Prior Year (2022-23) As Initially Reported (pre-populated)

The number of students by grade level that exhibited each early warning indicator:

Indicator				Grade Level											
mulcator	K	1	2	3	4	5	6	7	8	Total					
Absent 10% or more days	0	0	0	0	0	0	0	0	0	25					
One or more suspensions	0	0	0	0	0	0	0	0	0						
Course failure in ELA	0	0	0	0	0	0	0	0	0						
Course failure in Math	0	0	0	0	0	0	0	0	0						
Level 1 on statewide ELA assessment	0	0	0	0	0	0	0	0	0	30					
Level 1 on statewide Math assessment	0	0	0	0	0	0	0	0	0	41					
Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C.	0	0	0	0	0	0	0	0	0						

The number of students by current grade level that had two or more early warning indicators:

Grade Level												
indicator	K	1	2	3	4	5	6	7	8	Total		
Students with two or more indicators	0	0	0	0	0	0	0	0	0	21		

The number of students identified retained:

Indicator	Grade Level													
indicator	K	1	2	3	4	5	6	7	8	Total				
Retained Students: Current Year	0	0	0	0	0	0	0	0	0	2				
Students retained two or more times	0	0	0	0	0	0	0	0	0					

Prior Year (2022-23) Updated (pre-populated)

Section 3 includes data tables that are pre-populated based off information submitted in prior year's SIP.

The number of students by grade level that exhibited each early warning indicator:

Indicator					Total					
Indicator	K	1	2	3	4	5	6	7	8	Total
Absent 10% or more days	0	0	0	0	0	0	0	0	0	
One or more suspensions	0	0	0	0	0	0	0	0	0	
Course failure in ELA	0	0	0	0	0	0	0	0	0	
Course failure in Math	0	0	0	0	0	0	0	0	0	
Level 1 on statewide ELA assessment	0	0	0	0	0	0	0	0	0	
Level 1 on statewide Math assessment	0	0	0	0	0	0	0	0	0	
Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C.	0	0	0	0	0	0	0	0	0	

The number of students by current grade level that had two or more early warning indicators:

Indicator			(Grad	de L	evel				Total
Indicator	K	1	2	3	4	5	6	7	8	Total
Students with two or more indicators	0	0	0	0	0	0	0	0	0	

The number of students identified retained:

Indicator	Grade Level								Total	
Indicator	K	1	2	3	4	5	6	7	8	Total
Retained Students: Current Year	0	0	0	0	0	0	0	0	0	
Students retained two or more times	0	0	0	0	0	0	0	0	0	

II. Needs Assessment/Data Review

ESSA School, District and State Comparison (pre-populated)

Please note that the district and state averages shown here represent the averages for similar school types (elementary, middle, high school or combination schools). Each "blank" cell indicates the school had less than 10 eligible students with data for a particular component and was not calculated for the school.

On April 9, 2021, FDOE Emergency Order No. 2021-EO-02 made 2020-21 school grades optional. They have been removed from this publication.

A constability Component		2023			2022			2021	
Accountability Component	School	District	State	School	District	State	School	District	State
ELA Achievement*	0	51	50	20	52	51	24		
ELA Learning Gains							33		
ELA Lowest 25th Percentile									
Math Achievement*	12	42	38	11	39	38	26		
Math Learning Gains							27		
Math Lowest 25th Percentile									
Science Achievement*		64	64		46	40			
Social Studies Achievement*	42	69	66	26	49	48	42		
Middle School Acceleration					41	44			
Graduation Rate	44	89	89	47	64	61	62		
College and Career Acceleration	20	62	65	19	72	67	17		_
ELP Progress		39	45						

^{*} In cases where a school does not test 95% of students in a subject, the achievement component will be different in the Federal Percent of Points Index (FPPI) than in school grades calculation.

See Florida School Grades, School Improvement Ratings and DJJ Accountability Ratings.

III. Planning for Improvement

Data Analysis/Reflection

Answer the following reflection prompts after examining any/all relevant school data sources.

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

Math achievement showed the lowest performance overall for students. The online curriculum and independent student learning has proved to create barriers to success for student achievement.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

The greatest decline from the previous year was the math performance for all students. As previously stated the online curriculum and independent student learning has created barriers to success. Students have received less traditional support and standards and expectations have increased.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

Math data showed the greatest gap when compared to state averages. A majority of students are performing below grade level in math skills and lack the foundation skills necessary to achieve success on district and state tests

Which data component showed the most improvement? What new actions did your school take in this area?

The most improvement was achieved in college and career acceleration as a result of a concentrated effort on our CTE programs which focused on career skills and earning industry certification.

Reflecting on the EWS data from Part I, identify one or two potential areas of concern.

Student attendance limits student success.

More than two-thirds of the students enrolled have achieved Level 1 on both ELA and Math State assessments.

Rank your highest priorities (maximum of 5) for school improvement in the upcoming school year.

Increase learning gains in Reading and Math. Improve overall student attendance.

Area of Focus

(Identified key Area of Focus that addresses the school's highest priority based on any/all relevant data sources)

#1. Positive Culture and Environment specifically relating to Other

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Overall student attendance is a vital area of focus for student success. The majority of our students have been identified as off track for graduation and underperforming on state assessments. Students who are present in school and receive the vital remediation skills being taught have performed better overall and achieved benchmarks and industry certification to graduate and be prepared for career readiness.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Overall student attendance will improve by 5% for the 2023-2024 school year.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

An attendance team has been established to monitor student attendance, identify concerns, communicate with stakeholders, and create plans to assist on an as needed basis for the variety of needs our students have that create barriers to regular student attendance.

Person responsible for monitoring outcome:

Derrick Gaines (derrick.gaines@hcps.net)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Refine and utilize the established Positive Behavior System with specific incentives for attendance, course progress and success, and overall student engagement.

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

Regular communication and establishment of clear expectations will set standards that must be followed. Incentives are offered to students with regular attendance. The majority of students are considered at-risk and have a history of below average attendance and academic performance. Key steps to improve attendance have included using incentives, regular communication, and a positive and caring school culture.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Set clear expectations for attendance and utilize contracts on an as needed basis. Refine and implement the PBS system with specific strategies for rewarding regular attendance. Monitor student attendance through the attendance committee. Communicate regularly with all stakeholders impacting individual student attendance. Meet with students and stakeholders regarding specific attendance issues.

Person Responsible: Derrick Gaines (derrick.gaines@hcps.net)

Last Modified: 5/7/2024 https://www.floridacims.org Page 16 of 22

#2. Instructional Practice specifically relating to Benchmark-aligned Instruction

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

The overall number of graduates and the graduation rate declined in the 2022-2023 school year. More than 2/3 of students entering the school as 9th graders for the 2023-2024 school year have achieved level 1 on district and state testing.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

More than half of students will demonstrated learning gains of 10% on district progress monitoring tests and therefore increase overall achievement on state standards testing as compared to their previous year test scores.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Data analysis will be conducted throughout the year by the Leadership team and disseminated and reviewed through PLCs so that intervention strategies can be specifically designed to target student needs. Written goal setting is utilized in each subject area. Progress monitoring is conducted in the classroom by the teachers and the administration leadership teams. Reading and math assessments are utilized strategically throughout the year to measure growth and progress.

Person responsible for monitoring outcome:

Derrick Gaines (derrick.gaines@hcps.net)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Implement the BEST standards and utilize strategies school-wide for literacy and math skills along with a targeted test preparation group specifically designed to support students with achievement levels 1 & 2. Students will focus on interpreting information using inferences, they will learn to cite evidence to support their writing, and they will learn skills related to text evidence, text marking, and expanding vocabulary.

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

More than 2/3 of incoming students are performing at a level 1 on state assessments. The monitoring and evaluation of student results and overall academic performance will determine specified strategies to improve skills and results.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Review and implement district curriculum and state BEST standards. Integrate literacy strategies for reading and writing focused on the specified skills.

Model and utilize structured note taking strategies for both traditional and online courses.

Communicate clear expectations, utilize goal setting strategies, and monitor progress and involve all stakeholders.

Monitor results of pre-tests and district progress monitoring tests to target specific needs.

Measure growth based on these identified needs.

Person Responsible: Derrick Gaines (derrick.gaines@hcps.net)

By When: The process for monitoring and assessing student needs will be ongoing throughout the school year. Specifically students will participate in district progress monitoring in August, December, and April/May. Monthly PLCs will analyze data and modify strategies as needed. Growth will be evaluated through state assessments.

CSI, TSI and ATSI Resource Review

Describe the process to review school improvement funding allocations and ensure resources are allocated based on needs. This section must be completed if the school is identified as ATSI, TSI or CSI in addition to completing an Area(s) of Focus identifying interventions and activities within the SIP (ESSA 1111(d)(1)(B)(4) and (d)(2)(C).

The school is identified as a CSI school due to the graduation rate and the overall Federal Index. Previous students enrolled at Bowers/Whitley were all identified as at-risk for not graduating. Students are given an opportunity to get on track for graduation, learn career skills, and earn industry certifications to prepare for the workforce or post-secondary education. Although the graduation rate has declined the number of potential graduates has also declined. A focus on key themed literacy strategies has been implemented across the curriculum. Written goals are established for each individual student in all subject areas. Funding is directed toward overall school improvement and implementation of the themed learning strategies.

Reading Achievement Initiative for Scholastic Excellence (RAISE)

Area of Focus Description and Rationale

Include a description of your Area of Focus (Instructional Practice specifically relating to Reading/ELA) for each grade below, how it affects student learning in literacy, and a rationale that explains how it was identified as a critical need from the data reviewed. Data that should be used to determine the critical need should include, at a minimum:

- The percentage of students below Level 3 on the 2022 statewide, standardized ELA assessment.
 Identification criteria must include each grade that has 50 percent or more students scoring below level 3 in grades 3-5 on the statewide, standardized ELA assessment.
- The percentage of students in kindergarten through grade 3, based on 2021-2022 end of year screening and progress monitoring data, who are not on track to score Level 3 or above on the statewide, standardized ELA assessment.
- Other forms of data that should be considered: formative, progress monitoring and diagnostic assessment data.

Grades K-2: Instructional Practice specifically relating to Reading/ELA

Measurable Outcomes

State the specific measurable outcome the school plans to achieve for each grade below. This should be a data-based, objective outcome. Include prior year data and a measurable outcome for each of the following:

- Each grade K -3, using the coordinated screening and progress monitoring system, where 50
 percent or more of the students are not on track to pass the statewide ELA assessment;
- Each grade 3-5 where 50 percent or more of its students scored below a Level 3 on the most recent statewide, standardized ELA assessment; and
- Grade 6 measurable outcomes may be included, as applicable.

Grades K-2 Measurable Outcomes

Grades 3-5 Measurable Outcomes

N/A

Monitoring

Monitoring

Describe how the school's Area(s) of Focus will be monitored for the desired outcomes. Include a description of how ongoing monitoring will impact student achievement outcomes.

N/A

Person Responsible for Monitoring Outcome

Select the person responsible for monitoring this outcome.

Evidence-based Practices/Programs

Description:

Describe the evidence-based practices/programs being implemented to achieve the measurable outcomes in each grade and describe how the identified practices/programs will be monitored. The term "evidence-based" means demonstrating a statistically significant effect on improving student outcomes or other relevant outcomes as provided in 20 U.S.C. §7801(21)(A)(i). Florida's definition limits evidence-based practices/programs to only those with strong, moderate or promising levels of evidence.

- Do the identified evidence-based practices/programs meet Florida's definition of evidence-based (strong, moderate or promising)?
- Do the evidence-based practices/programs align with the district's K-12 Comprehensive Evidence-based Reading Plan?
- Do the evidence-based practices/programs align to the B.E.S.T. ELA Standards?

n/a

Rationale:

Explain the rationale for selecting practices/programs. Describe the resources/criteria used for selecting the practices/programs.

- Do the evidence-based practices/programs address the identified need?
- Do the identified evidence-based practices/programs show proven record of effectiveness for the target population?

n/a

Action Steps to Implement

List the action steps that will be taken to address the school's Area(s) of Focus. To address the area of focus, identify 2 to 3 action steps and explain in detail for each of the categories below:

- Literacy Leadership
- Literacy Coaching
- Assessment
- Professional Learning

Title I Requirements

Schoolwide Program Plan (SWP) Requirements

This section must be completed if the school is implementing a Title I, Part A SWP and opts to use the SIP to satisfy the requirements of the SWP plan, as outlined in the ESSA, Public Law No. 114-95, § 1114(b). This section is not required for non-Title I schools.

Provide the methods for dissemination of this SIP, UniSIG budget and SWP to stakeholders (e.g., students, families, school staff and leadership and local businesses and organizations). Please articulate a plan or protocol for how this SIP and progress will be shared and disseminated and to the extent practicable, provided in a language a parent can understand. (ESSA 1114(b)(4)) List the school's webpage* where the SIP is made publicly available.

N/A

Describe how the school plans to build positive relationships with parents, families and other community stakeholders to fulfill the school's mission, support the needs of students and keep parents informed of their child's progress.

List the school's webpage* where the school's Family Engagement Plan is made publicly available. (ESSA 1116(b-g))

N/A

Describe how the school plans to strengthen the academic program in the school, increase the amount and quality of learning time and help provide an enriched and accelerated curriculum. Include the Area of Focus if addressed in Part III of the SIP. (ESSA 1114(b)(7)ii))

N/A

If appropriate and applicable, describe how this plan is developed in coordination and integration with other Federal, State, and local services, resources and programs, such as programs supported under ESSA, violence prevention programs, nutrition programs, housing programs, Head Start programs, adult education programs, career and technical education programs, and schools implementing CSI or TSI activities under section 1111(d). (ESSA 1114(b)(5))

N/A

Optional Component(s) of the Schoolwide Program Plan

Include descriptions for any additional strategies that will be incorporated into the plan.

Describe how the school ensures counseling, school-based mental health services, specialized support services, mentoring services, and other strategies to improve students' skills outside the academic subject areas. (ESSA 1114(b)(7)(iii)(I))

N/A

Describe the preparation for and awareness of postsecondary opportunities and the workforce, which may include career and technical education programs and broadening secondary school students' access to coursework to earn postsecondary credit while still in high school. (ESSA 1114(b)(7)(iii)(II))

N/A

Describe the implementation of a schoolwide tiered model to prevent and address problem behavior, and early intervening services, coordinated with similar activities and services carried out under the Individuals with Disabilities Education Act. 20 U.S.C. 1400 et seq. and ESSA 1114(b)(7)(iii)(III).

N/A

Describe the professional learning and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data from academic assessments, and to recruit and retain effective teachers, particularly in high need subjects. (ESSA 1114(b)(7)(iii)(IV))

N/A

Describe the strategies the school employs to assist preschool children in the transition from early childhood education programs to local elementary school programs. (ESSA 1114(b)(7)(iii)(V))

N/A
