Mcso Adults

700 NW 30TH AVE, Ocala, FL 34475

[no web address on file]

SIP Authority

Section 1001.42(18), Florida Statutes (F.S.), requires district school boards to annually approve and require implementation of a new, amended, or continuation SIP for each school in the district which has a school grade of D or F; has a significant gap in achievement on statewide, standardized assessments administered pursuant to s. 1008.22 by one or more student subgroups, as defined in the federal Elementary and Secondary Education Act (ESEA), 20 U.S.C. s. 6311(b)(2)(C)(v)(II); has not significantly increased the percentage of students passing statewide, standardized assessments; has not significantly increased the percentage of students demonstrating Learning Gains, as defined in s. 1008.34, and as calculated under s. 1008.34(3)(b), who passed statewide, standardized assessments; has been identified as requiring instructional supports under the Reading Achievement Initiative for Scholastic Excellence (RAISE) program established in s. 1008.365; or has significantly lower graduation rates for a subgroup when compared to the state's graduation rate. Rule 6A-1.098813, Florida Administrative Code (F.A.C.), requires district school boards to approve a SIP for each Department of Juvenile Justice (DJJ) school in the district rated as Unsatisfactory.

Below are the criteria for identification of traditional public and public charter schools pursuant to the Every Student Succeeds Act (ESSA) State plan:

Additional Target Support and Improvement (ATSI)

A school not identified for CSI or TSI, but has one or more subgroups with a Federal Index below 41%.

Targeted Support and Improvement (TSI)

A school not identified as CSI that has at least one consistently underperforming subgroup with a Federal Index below 32% for three consecutive years.

Comprehensive Support and Improvement (CSI)

A school can be identified as CSI in any of the following four ways:

1. Have an overall Federal Index below 41%;
2. Have a graduation rate at or below 67%;
3. Have a school grade of D or F; or
4. Have a Federal Index below 41% in the same subgroup(s) for 6 consecutive years.

ESEA sections 1111(d) requires that each school identified for ATSI, TSI or CSI develop a support and improvement plan created in partnership with stakeholders (including principals and other school leaders, teachers and parent), is informed by all indicators in the State's accountability system, includes evidence-based interventions, is based on a school-level needs assessment, and identifies resource inequities to be addressed through implementation of the plan. The support and improvement plans for schools identified as TSI, ATSI and non-Title I CSI must be approved and monitored by the school district. The support and improvement plans for schools identified as Title I, CSI must be approved by the school district and

Department. The Department must monitor and periodically review implementation of each CSI plan after approval.

The Department's SIP template in the Florida Continuous Improvement Management System (CIMS), <https://www.floridacims.org>, meets all state and rule requirements for traditional public schools and incorporates all ESSA components for a support and improvement plan required for traditional public and public charter schools identified as CSI, TSI and ATSI, and eligible schools applying for Unified School Improvement Grant (UniSIG) funds.

Districts may allow schools that do not fit the aforementioned conditions to develop a SIP using the template in CIMS.

The responses to the corresponding sections in the Department's SIP template may address the requirements for: 1) Title I schools operating a schoolwide program (SWD), pursuant to ESSA, as amended, Section 1114(b); and 2) charter schools that receive a school grade of D or F or three consecutive grades below C, pursuant to Rule 6A-1.099827, F.A.C. The chart below lists the applicable requirements.

SIP Sections	Title I Schoolwide Program	Charter Schools
I-A: School Mission/Vision		6A-1.099827(4)(a)(1)
I-B-C: School Leadership, Stakeholder Involvement & SIP Monitoring	ESSA 1114(b)(2-3)	
I-E: Early Warning System	ESSA 1114(b)(7)(A)(iii)(III)	6A-1.099827(4)(a)(2)
II-A-C: Data Review		6A-1.099827(4)(a)(2)
II-F: Progress Monitoring	ESSA 1114(b)(3)	
III-A: Data Analysis/Reflection	ESSA 1114(b)(6)	6A-1.099827(4)(a)(4)
III-B: Area(s) of Focus	ESSA 1114(b)(7)(A)(i-iii)	
III-C: Other SI Priorities		6A-1.099827(4)(a)(5-9)
VI: Title I Requirements	ESSA 1114(b)(2, 4-5), (7)(A)(iii)(I-V)-(B) ESSA 1116(b-g)	

Note: Charter schools that are also Title I must comply with the requirements in both columns.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Department encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

I. School Information

School Mission and Vision

Provide the school's mission statement.

Our school's mission is to provide an alternative educational experience by helping at-risk students achieve academic and social success while working towards their educational goals.

Provide the school's vision statement.

Our school's vision is to forge strong, positive connections with students so they can achieve independence, build confidence, become productive citizens, and gain academic knowledge.

School Leadership Team, Stakeholder Involvement and SIP Monitoring

School Leadership Team

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities as it relates to SIP implementation for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Thomas, Dwan	Program Coordinator	To oversee implementation of the school's SIP as an administrator and to support the Leadership Team with their duties.
Luckey, Steven	Lead Educator	Implement the SIP on a daily basis while collecting and aggregating school data.

Stakeholder Involvement and SIP Development

Describe the process for involving stakeholders (including the school leadership team, teachers and school staff, parents, students (mandatory for secondary schools) and families, and business or community leaders) and how their input was used in the SIP development process. (ESSA 1114(b)(2))

Note: If a School Advisory Council is used to fulfill these requirements, it must include all required stakeholders.

Stakeholders for the Marion County Jail include our Leadership Team, instructional staff, MCSO's Programs Director, students, and parents. Stakeholder involvement is conducted by face-to-face meetings, through our school's website, and through letters sent to parents. Input from stakeholders is collected through conversation in meetings, through email, by phone, and from survey's posted on the school's website.

SIP Monitoring

Describe how the SIP will be regularly monitored for effective implementation and impact on increasing the achievement of students in meeting the State's academic standards, particularly for those students with the greatest achievement gap. Describe how the school will revise the plan, as necessary, to ensure continuous improvement. (ESSA 1114(b)(3))

Data related to MCSO's Areas of Focus will be collected and analyzed monthly to determine if the action steps taken have been successful. The data will be shared with school stakeholders, and the SIP will be revised if necessary to make adjustments or improvements to strategies and action steps.

Demographic Data

Only ESSA identification and school grade history updated 3/11/2024

2023-24 Status (per MSID File)	Active
School Type and Grades Served (per MSID File)	High School 9-12
Primary Service Type (per MSID File)	Alternative Education
2022-23 Title I School Status	Yes
2022-23 Minority Rate	71%
2022-23 Economically Disadvantaged (FRL) Rate	59%
Charter School	No
RAISE School	No
ESSA Identification *updated as of 3/11/2024	N/A
Eligible for Unified School Improvement Grant (UniSIG)	No
2021-22 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	
School Grades History *2022-23 school grades will serve as an informational baseline.

Early Warning Systems

Using 2022-23 data, complete the table below with the number of students by current grade level that exhibit each early warning indicator listed:

Indicator	Grade Level										Total
	K	1	2	3	4	5	6	7	8		
Absent 10% or more days	0	0	0	0	0	0	0	0	0	0	
One or more suspensions	0	0	0	0	0	0	0	0	0	0	
Course failure in English Language Arts (ELA)	0	0	0	0	0	0	0	0	2	2	
Course failure in Math	0	0	0	0	0	0	0	0	2	2	
Level 1 on statewide ELA assessment	0	0	0	0	0	0	0	0	0	0	
Level 1 on statewide Math assessment	0	0	0	0	0	0	0	0	0	0	
Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C.	0	0	0	0	0	0	0	0	0	0	
	0	0	0	0	0	0	0	0	0	0	

Using the table above, complete the table below with the number of students by current grade level that have two or more early warning indicators:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Students with two or more indicators	0	0	0	0	0	0	0	0	2	2

Using the table above, complete the table below with the number of students identified retained:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Retained Students: Current Year	0	0	0	0	0	0	0	0	2	2
Students retained two or more times	0	0	0	0	0	0	0	0	1	1

Prior Year (2022-23) As Initially Reported (pre-populated)

The number of students by grade level that exhibited each early warning indicator:

Indicator	Grade Level										Total
	K	1	2	3	4	5	6	7	8		
Absent 10% or more days	0	0	0	0	0	0	0	0	0	1	
One or more suspensions	0	0	0	0	0	0	0	0	0		
Course failure in ELA	0	0	0	0	0	0	0	0	2	22	
Course failure in Math	0	0	0	0	0	0	0	0	2	23	
Level 1 on statewide ELA assessment	0	0	0	0	0	0	0	0	0	2	
Level 1 on statewide Math assessment	0	0	0	0	0	0	0	0	0	2	
Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C.	0	0	0	0	0	0	0	0	0		

The number of students by current grade level that had two or more early warning indicators:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Students with two or more indicators	0	0	0	0	0	0	0	0	2	21

The number of students identified retained:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Retained Students: Current Year	0	0	0	0	0	0	0	0	0	
Students retained two or more times	0	0	0	0	0	0	0	0	0	1

Prior Year (2022-23) Updated (pre-populated)

Section 3 includes data tables that are pre-populated based off information submitted in prior year's SIP.

The number of students by grade level that exhibited each early warning indicator:

Indicator	Grade Level										Total
	K	1	2	3	4	5	6	7	8		
Absent 10% or more days	0	0	0	0	0	0	0	0	0		
One or more suspensions	0	0	0	0	0	0	0	0	0		
Course failure in ELA	0	0	0	0	0	0	0	0	2	2	
Course failure in Math	0	0	0	0	0	0	0	0	2	2	
Level 1 on statewide ELA assessment	0	0	0	0	0	0	0	0	0		
Level 1 on statewide Math assessment	0	0	0	0	0	0	0	0	0		
Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C.	0	0	0	0	0	0	0	0	0		

The number of students by current grade level that had two or more early warning indicators:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Students with two or more indicators	0	0	0	0	0	0	0	0	2	2

The number of students identified retained:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Retained Students: Current Year	0	0	0	0	0	0	0	0	0	
Students retained two or more times	0	0	0	0	0	0	0	0	0	

II. Needs Assessment/Data Review

ESSA School, District and State Comparison (pre-populated)

Please note that the district and state averages shown here represent the averages for similar school types (elementary, middle, high school or combination schools). Each "blank" cell indicates the school had less than 10 eligible students with data for a particular component and was not calculated for the school.

On April 9, 2021, FDOE Emergency Order No. 2021-EO-02 made 2020-21 school grades optional. They have been removed from this publication.

Accountability Component	2023			2022			2021		
	School	District	State	School	District	State	School	District	State
ELA Achievement*		44	50		46	51			
ELA Learning Gains									
ELA Lowest 25th Percentile									
Math Achievement*	0	32	38		38	38			
Math Learning Gains									
Math Lowest 25th Percentile									

Accountability Component	2023			2022			2021		
	School	District	State	School	District	State	School	District	State
Science Achievement*		59	64		31	40			
Social Studies Achievement*		67	66		41	48			
Middle School Acceleration					41	44			
Graduation Rate	0	86	89		54	61			
College and Career Acceleration		63	65		67	67			
ELP Progress		46	45						

* In cases where a school does not test 95% of students in a subject, the achievement component will be different in the Federal Percent of Points Index (FPPI) than in school grades calculation.

See [Florida School Grades, School Improvement Ratings and DJJ Accountability Ratings](#).

ESSA School-Level Data Review (pre-populated)

2021-22 ESSA Federal Index

Grade Level Data Review– State Assessments (pre-populated)

The data are raw data and include ALL students who tested at the school. This is not school grade data. The percentages shown here represent ALL students who received a score of 3 or higher on the statewide assessments.

An asterisk (*) in any cell indicates the data has been suppressed due to fewer than 10 students tested, or all tested students scoring the same.

III. Planning for Improvement

Data Analysis/Reflection

Answer the following reflection prompts after examining any/all relevant school data sources.

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

The Math Achievement data component for MCSO showed the lowest performance with 0% of students scoring a 3 or higher on state assessments. MCSO students are typically non proficient in Math well below grade level and seems to be the largest contributing factor for low assessment scores.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

The ELA Achievement data component for MCSO showed the greatest decline from the prior year with 0% of students scoring a 3 or higher on state assessments. MCSO students are typically non proficient in ELA well below grade level and seems to be the largest contributing factor for this decline.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

The ELA Achievement data component had the greatest gap when compared to the state average with MCSO students scoring a 3 or higher on state assessments at 0%, and the state average for scoring a 3 or higher on state assessments is 53.2%

Which data component showed the most improvement? What new actions did your school take in this area?

None of the data components showed improvement over the previous year.

Reflecting on the EWS data from Part I, identify one or two potential areas of concern.

Math and ELA course failures for MCSO 8th graders is a potential area of concern.

Rank your highest priorities (maximum of 5) for school improvement in the upcoming school year.

Raising all students' ELA and Math achievement levels to a 3 or higher on state assessments is MCSO's top priority.

Area of Focus

(Identified key Area of Focus that addresses the school's highest priority based on any/all relevant data sources)

#1. Instructional Practice specifically relating to Differentiation**Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Differentiated instructional practices are an identified crucial need based off of the varying grade levels and academic abilities of our school's student population. ELA and Math state assessment scores for MCSO students are very poor when compared to the state average. Differentiated instruction is designed for the individual, and addresses their specific needs as a student. Proper use of differentiated instruction in the classroom should lead to higher state assessment scores.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

50% or greater of MCSO students will score at an achievement level of 3 or higher on ELA and Math state assessments.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

MCSO students' ELA and Math state assessment score data will be reviewed after each testing window throughout the school year to determine if they are aligning with the measurable outcome.

Person responsible for monitoring outcome:

Steven Luckey (steven.luckey@marion.k12.fl.us)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Instructional scaffolding will be implemented for this Area of Focus. It is the support given to a student by an instructor throughout the learning process. This support is specifically tailored to each student; this instructional approach allows students to experience student-centered learning, which tends to facilitate more efficient learning than teacher-centered learning.

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

The main benefit of scaffolded instruction is that it provides for a supportive learning environment. Students share the responsibility of teaching and learning through scaffolds that require them to move beyond their current skill and knowledge levels. One of the main goals of scaffolding is to reduce the negative emotions and self-perceptions that students may experience when they get frustrated, intimidated, or discouraged when attempting a difficult task without the assistance, direction, or understanding they need to complete it.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Conduct a comprehensive review and needs assessment of the current curriculum and ensure that it aligns with state standards and assessment.

Person Responsible: Steven Luckey (steven.luckey@marion.k12.fl.us)

By When: Quarterly

Establish a consistent framework for curriculum components.

Person Responsible: Steven Luckey (steven.luckey@marion.k12.fl.us)

By When: Quarterly

Provide on-going professional learning in differentiated instruction for all teachers.

Person Responsible: Dwan Thomas (dwan.thomas@marion.k12.fl.us)

By When: Quarterly

Continually monitor .

Person Responsible: Steven Luckey (steven.luckey@marion.k12.fl.us)

By When: Quarterly

#2. Positive Culture and Environment specifically relating to Teacher Attendance

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Consistent and regular teacher attendance is a crucial need at MCSO because the school is only staffed with a few instructors.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

<90% teacher attendance at MCSO is the measurable outcome the school plans to achieve.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Teacher attendance will be monitored through time taken off in Skyward.

Person responsible for monitoring outcome:

Dwan Thomas (dwan.thomas@marion.k12.fl.us)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

The school will promote mental and physical wellness, as well as providing professional development and supports for teachers to lessen burnout.

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

Teacher absenteeism is very often associated with the mental and physical health of the individual.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Make available MCPS and outside resources regarding mental and physical health to staff.

Person Responsible: Dwan Thomas (dwan.thomas@marion.k12.fl.us)

By When: Quarterly.

Provide professional development opportunities.

Person Responsible: Dwan Thomas (dwan.thomas@marion.k12.fl.us)

By When: Quarterly.

Monitor teacher attendance.

Person Responsible: Dwan Thomas (dwan.thomas@marion.k12.fl.us)

By When: Quarterly.
