www.accelerationacademy.org

SIP Authority

Section 1001.42(18), Florida Statutes (F.S.), requires district school boards to annually approve and require implementation of a new, amended, or continuation SIP for each school in the district which has a school grade of D or F; has a significant gap in achievement on statewide, standardized assessments administered pursuant to s. 1008.22 by one or more student subgroups, as defined in the federal Elementary and Secondary Education Act (ESEA), 20 U.S.C. s. 6311(b)(2)(C)(v)(II); has not significantly increased the percentage of students passing statewide, standardized assessments; has not significantly increased the percentage of students demonstrating Learning Gains, as defined in s. 1008.34, and as calculated under s. 1008.34(3)(b), who passed statewide, standardized assessments; has been identified as requiring instructional supports under the Reading Achievement Initiative for Scholastic Excellence (RAISE) program established in s. 1008.365; or has significantly lower graduation rates for a subgroup when compared to the state's graduation rate. Rule 6A-1.098813, Florida Administrative Code (F.A.C.), requires district school boards to approve a SIP for each Department of Juvenile Justice (DJJ) school in the district rated as Unsatisfactory.

Below are the criteria for identification of traditional public and public charter schools pursuant to the Every Student Succeeds Act (ESSA) State plan:

Additional Target Support and Improvement (ATSI)

A school not identified for CSI or TSI, but has one or more subgroups with a Federal Index below 41%.

Targeted Support and Improvement (TSI)

A school not identified as CSI that has at least one consistently underperforming subgroup with a Federal Index below 32% for three consecutive years.

Comprehensive Support and Improvement (CSI)

A school can be identified as CSI in any of the following four ways:

1. Have an overall Federal Index below 41%;
2. Have a graduation rate at or below 67%;
3. Have a school grade of D or F; or
4. Have a Federal Index below 41% in the same subgroup(s) for 6 consecutive years.

ESEA sections 1111(d) requires that each school identified for ATSI, TSI or CSI develop a support and improvement plan created in partnership with stakeholders (including principals and other school leaders, teachers and parent), is informed by all indicators in the State's accountability system, includes evidence-based interventions, is based on a school-level needs assessment, and identifies resource inequities to be addressed through implementation of the plan. The support and improvement plans for schools identified as TSI, ATSI and non-Title I CSI must be approved and monitored by the school district. The support and improvement plans for schools identified as Title I, CSI must be approved by the school district and

Department. The Department must monitor and periodically review implementation of each CSI plan after approval.

The Department's SIP template in the Florida Continuous Improvement Management System (CIMS), <https://www.floridacims.org>, meets all state and rule requirements for traditional public schools and incorporates all ESSA components for a support and improvement plan required for traditional public and public charter schools identified as CSI, TSI and ATSI, and eligible schools applying for Unified School Improvement Grant (UniSIG) funds.

Districts may allow schools that do not fit the aforementioned conditions to develop a SIP using the template in CIMS.

The responses to the corresponding sections in the Department's SIP template may address the requirements for: 1) Title I schools operating a schoolwide program (SWD), pursuant to ESSA, as amended, Section 1114(b); and 2) charter schools that receive a school grade of D or F or three consecutive grades below C, pursuant to Rule 6A-1.099827, F.A.C. The chart below lists the applicable requirements.

SIP Sections	Title I Schoolwide Program	Charter Schools
I-A: School Mission/Vision		6A-1.099827(4)(a)(1)
I-B-C: School Leadership, Stakeholder Involvement & SIP Monitoring	ESSA 1114(b)(2-3)	
I-E: Early Warning System	ESSA 1114(b)(7)(A)(iii)(III)	6A-1.099827(4)(a)(2)
II-A-C: Data Review		6A-1.099827(4)(a)(2)
II-F: Progress Monitoring	ESSA 1114(b)(3)	
III-A: Data Analysis/Reflection	ESSA 1114(b)(6)	6A-1.099827(4)(a)(4)
III-B: Area(s) of Focus	ESSA 1114(b)(7)(A)(i-iii)	
III-C: Other SI Priorities		6A-1.099827(4)(a)(5-9)
VI: Title I Requirements	ESSA 1114(b)(2, 4-5), (7)(A)(iii)(I-V)-(B) ESSA 1116(b-g)	

Note: Charter schools that are also Title I must comply with the requirements in both columns.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Department encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

I. School Information

School Mission and Vision

Provide the school's mission statement.

Acceleration Academies is a national leader in re-engaging young adults not experiencing success in a traditional high school setting. We help them identify their goals, overcome obstacles, build confidence, and pursue a personalized academic program to achieve the dream many had thought out of reach: a high school diploma. Our success is rooted in earning the trust of the school districts with which we partner, the community organizations that support our mission, and the students and families we have the honor of serving year-round.

Provide the school's vision statement.

To transform the way education is delivered, by partnering with school districts to graduate more at-risk or unenrolled high school students than any other program in the country — giving them a second chance at a life that will make them and their families proud.

School Leadership Team, Stakeholder Involvement and SIP Monitoring

School Leadership Team

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities as it relates to SIP implementation for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Lyde, Keyana	Career Coach	Career Coaches serve as one of the learning resources for our Graduation Candidates (GC), collaborating within a team environment to (1) support the competency-based blended curriculum in which GCs demonstrate proficiency through formative and summative assessments, (2) lead in the development of Personalized Learning Plans for GCs, (3) support and coach GCs to obtain a passing score on required state assessments, End-of-Course exams (EOC), college entry exams and any required standardized assessments, and (4) ensure that every GC masters the content on the path to high school graduation and post-secondary success.

Stakeholder Involvement and SIP Development

Describe the process for involving stakeholders (including the school leadership team, teachers and school staff, parents, students (mandatory for secondary schools) and families, and business or community leaders) and how their input was used in the SIP development process. (ESSA 1114(b)(2))

Note: If a School Advisory Council is used to fulfill these requirements, it must include all required stakeholders.

They review school improvement plan with school leadership team and get feedback,
Review with Acceleration Academy Board
SIP published for all stakeholder per websites.

SIP Monitoring

Describe how the SIP will be regularly monitored for effective implementation and impact on increasing the achievement of students in meeting the State's academic standards, particularly for those students with the greatest achievement gap. Describe how the school will revise the plan, as necessary, to ensure continuous improvement. (ESSA 1114(b)(3))

The SIP will be reviewed quarterly at their Administration meeting with the board and revise as needed.

We will monitor data quarterly to make sure there SIP goals are supporting student achievement with a special focus on students in greats achievement gap.

Demographic Data

Only ESSA identification and school grade history updated 3/11/2024

Early Warning Systems

Using 2022-23 data, complete the table below with the number of students by current grade level that exhibit each early warning indicator listed:

Indicator	Grade Level										Total
	K	1	2	3	4	5	6	7	8		
Absent 10% or more days	0	0	0	0	0	0	0	0	0	0	
One or more suspensions	0	0	0	0	0	0	0	0	0	0	
Course failure in English Language Arts (ELA)	0	0	0	0	0	0	0	0	0	0	
Course failure in Math	0	0	0	0	0	0	0	0	0	0	
Level 1 on statewide ELA assessment	0	0	0	0	0	0	0	0	0	0	
Level 1 on statewide Math assessment	0	0	0	0	0	0	0	0	0	0	
Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C.	0	0	0	0	0	0	0	0	0	0	

Using the table above, complete the table below with the number of students by current grade level that have two or more early warning indicators:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Students with two or more indicators	0	0	0	0	0	0	0	0	0	

Using the table above, complete the table below with the number of students identified retained:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Retained Students: Current Year	0	0	0	0	0	0	0	0	0	
Students retained two or more times	0	0	0	0	0	0	0	0	0	

Prior Year (2022-23) As Initially Reported (pre-populated)

The number of students by grade level that exhibited each early warning indicator:

Indicator	Grade Level	Total
Absent 10% or more school days		
One or more suspensions		
Course failure in English Language Arts (ELA)		
Course failure in Math		
Level 1 on statewide FSA ELA assessment		
Level 1 on statewide FSA Math assessment		
Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C.		

The number of students by current grade level that had two or more early warning indicators:

Indicator	Grade Level	Total
Students with two or more indicators		

The number of students identified retained:

Indicator	Grade Level	Total
Retained Students: Current Year		
Students retained two or more times		

Prior Year (2022-23) Updated (pre-populated)

Section 3 includes data tables that are pre-populated based off information submitted in prior year's SIP.

The number of students by grade level that exhibited each early warning indicator:

Indicator	Grade Level										Total
	K	1	2	3	4	5	6	7	8		
Absent 10% or more school days	0	0	0	0	0	0	0	0	0	0	
One or more suspensions	0	0	0	0	0	0	0	0	0	0	
Course failure in English Language Arts (ELA)	0	0	0	0	0	0	0	0	0	0	
Course failure in Math	0	0	0	0	0	0	0	0	0	0	
Level 1 on statewide FSA ELA assessment	0	0	0	0	0	0	0	0	0	0	
Level 1 on statewide FSA Math assessment	0	0	0	0	0	0	0	0	0	0	
Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C.	0	0	0	0	0	0	0	0	0	0	

The number of students by current grade level that had two or more early warning indicators:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Students with two or more indicators	0	0	0	0	0	0	0	0	0	

The number of students identified retained:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Retained Students: Current Year	0	0	0	0	0	0	0	0	0	
Students retained two or more times	0	0	0	0	0	0	0	0	0	

II. Needs Assessment/Data Review**ESSA School, District and State Comparison (pre-populated)**

Please note that the district and state averages shown here represent the averages for similar school types (elementary, middle, high school or combination schools). Each "blank" cell indicates the school had less than 10 eligible students with data for a particular component and was not calculated for the school.

On April 9, 2021, FDOE Emergency Order No. 2021-EO-02 made 2020-21 school grades optional. They have been removed from this publication.

Accountability Component	2023			2022			2021		
	School	District	State	School	District	State	School	District	State
ELA Achievement*		44	50		46	51			
ELA Learning Gains									
ELA Lowest 25th Percentile									
Math Achievement*		32	38		38	38			
Math Learning Gains									
Math Lowest 25th Percentile									
Science Achievement*		59	64		31	40			
Social Studies Achievement*		67	66		41	48			
Middle School Acceleration					41	44			
Graduation Rate		86	89		54	61			
College and Career Acceleration		63	65		67	67			
ELP Progress		46	45						

* In cases where a school does not test 95% of students in a subject, the achievement component will be different in the Federal Percent of Points Index (FPPI) than in school grades calculation.

See [Florida School Grades, School Improvement Ratings and DJJ Accountability Ratings](#).

III. Planning for Improvement

Data Analysis/Reflection

Answer the following reflection prompts after examining any/all relevant school data sources.

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

N/A

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

N/A

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

N/A

Which data component showed the most improvement? What new actions did your school take in this area?

N/A

Reflecting on the EWS data from Part I, identify one or two potential areas of concern.

N/A

Rank your highest priorities (maximum of 5) for school improvement in the upcoming school year.

N/A

Area of Focus
(Identified key Area of Focus that addresses the school’s highest priority based on any/all relevant data sources)

#1. Positive Culture and Environment specifically relating to Student Engagement**Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Although a SIP was not required for MCAA last year, positive culture/environment, attendance and academic performance are a constant focal point. Our students struggle with attendance and staying engaged in their coursework for a variety of reasons. Individual trends emerge when students are dealing with personal issues and become unresponsive to our outreach. Key for this focus is onsite attendance so that we can reach a greater number of students to provide them with resources needed to increase academic performance. Daily monitoring of student data through the use of a developed tracker as well as performance coaching for staff on positive student interactions when their goals aren't being met on a consistent basis will also be implemented.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Marion County Acceleration Academies will have an average monthly attendance rate of 80% or higher.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Daily onsite attendance is monitored through Incite and daily data tracker. Daily onsite attendance trends can be reviewed on a monthly basis to determine high- and low-traffics times, which can help to drive messaging to onsite attendance during typically low-traffic times and/or adjust staffing and hours to accommodate more students during high-traffic times. Onsite attendance also improves student work habits and develops a sense of community among the staff and the students. Throughout the school year, various strategies will be developed/implemented to improve onsite attendance by providing academic incentives as well as opportunities for post-secondary planning. Onsite attendance will be monitored weekly with monthly goals being set by the Network.

Person responsible for monitoring outcome:

Keyana Lyde (klyde@accelerationacademy.org)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Our data driven strategy for supporting young adults in earning their high school diploma after deciding to leave the traditional high school setting is centered around creating and monitoring a functional flexible schedule in a blended learning environment. Our teachers are frequently assessing the needs, strengths, progress, and performance of students.

The attendance protocols that Acceleration Academies have in place establish the expectation that students are required to meet attendance requirements in order to make adequate progress in their academic courses.

Professional Development will be provided to help teachers identify lessons/topics that cover material in multiple areas that can be used for individual and group instruction to improve student engagement, learning and onsite attendance. Monthly teacher huddles will take place at the Network level to learn more about pertinent topics regarding Edmentum curriculum and the implementation of the curriculum.

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

Acceleration Academy is based on a research study conducted by Dr. Joseph Wise and David Sundstrom. They asked the question, "Why are students dropping out of high school?" This program was created to address those needs and re-engage young adults in earning their high school diploma. Our students are facing a variety of challenges which include: being parents of young children, being young adults working to support their parents, siblings and others. Some of our students are immigrants or new to the district and are learners who struggle in a conventional school setting or may be learners who work best in a small learning environment.

Additionally, some of our students may have experienced bullying, racism or other difficulties in larger, traditional school settings and some may also be managing medical conditions. Whatever their circumstances, we provide opportunities for success.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

A "Back to School" letter will be sent to families of all students to review expectations for onsite attendance and progress. Throughout the year, parents/guardians will be notified when students are not meeting onsite expectations.

Person Responsible: Keyana Lyde (klyde@accelerationacademy.org)

By When: September 30, 2023

Onsite attendance is also monitored weekly and if attendance falls below the established goal the plan will be adjusted to improve the data point.

Person Responsible: Keyana Lyde (klyde@accelerationacademy.org)

By When: Ongoing

#2. Instructional Practice specifically relating to Student Engagement

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

It is imperative that Marion County Acceleration Academy sets the expectation that adherence to the engagement requirements is crucial to academic success. Lack of consistent engagement negatively impacts various data points, including course completions, state assessment scores, and in-cohort graduation rates.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

During the 2022-2023 school year, Acceleration Academies will have an average monthly engagement rate of 80% or higher.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

The following strategies will be monitored on a weekly basis, via the academy data tracker. The tracker consolidates weekly student performance measures for monitoring at the academy and AA network staff:

Implement attendance/engagement and retention protocols with fidelity

Hold staff members accountable for adhering to the retention protocol

Conduct weekly data dialogue sessions with staff via individual check-ins and staff huddles to analyze attendance and retention data to develop action plans to address chronic absenteeism.

Implement Orientation with fidelity to ensure that students understand the attendance expectations (both engagement and onsite attendance) and staff begins the process of establishing strong relationships with students.

Institute weekly contacts with ALL students from various staff members to reinforce attendance expectations

Plan, develop, and implement post-secondary/recognition activities on a weekly basis to drive retention and engagement

Person responsible for monitoring outcome:

[no one identified]

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Our data driven strategy for supporting young adults in earning their high school diploma after deciding to leave the traditional high school setting is centered around creating and monitoring a functional flexible schedule in a blended learning environment. Our teachers are frequently assessing the needs, strengths, progress, and performance of students. While leadership is looking at data for ways to revise goals and targets to meet the needs of our most fragile students. The attendance/engagement, Orientation, and retention protocols that Acceleration Academies have in place establish the expectation that students are required to meet attendance requirements in order to make adequate progress in their academic courses.

Weekly staff huddles and individual check-ins, along with performance coaching, help ensure that all students are receiving a high level of progress monitoring/case management so they don't "fall through the cracks" in terms of attendance/engagement.

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

Acceleration Academy is based on a research study conducted by Dr. Joseph Wise and David Sundstrom. They asked the question, "Why are students dropping out of high school?" This program was created to address those needs and reengage young adults in earning their high school diploma. Our students are facing a variety of challenges including parents of young children, young adults working to support their parents, siblings and others, immigrants and others new to the district, learners who struggle in a conventional school setting or work best in small learning environments, students who have experienced bullying, racism or other difficulties in larger, traditional school settings, young adults who are managing medical conditions. Whatever their circumstances, we provide opportunities for success.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

No action steps were entered for this area of focus

CSI, TSI and ATSI Resource Review

Describe the process to review school improvement funding allocations and ensure resources are allocated based on needs. This section must be completed if the school is identified as ATSI, TSI or CSI in addition to completing an Area(s) of Focus identifying interventions and activities within the SIP (ESSA 1111(d)(1)(B)(4) and (d)(2)(C)).

N/A

Reading Achievement Initiative for Scholastic Excellence (RAISE)

Area of Focus Description and Rationale

Include a description of your Area of Focus (Instructional Practice specifically relating to Reading/ELA) for each grade below, how it affects student learning in literacy, and a rationale that explains how it was identified as a critical need from the data reviewed. Data that should be used to determine the critical need should include, at a minimum:

- The percentage of students below Level 3 on the 2022 statewide, standardized ELA assessment. Identification criteria must include each grade that has 50 percent or more students scoring below level 3 in grades 3-5 on the statewide, standardized ELA assessment.
- The percentage of students in kindergarten through grade 3, based on 2021-2022 end of year screening and progress monitoring data, who are not on track to score Level 3 or above on the statewide, standardized ELA assessment.
- Other forms of data that should be considered: formative, progress monitoring and diagnostic assessment data.

Grades K-2: Instructional Practice specifically relating to Reading/ELA

N/A

Grades 3-5: Instructional Practice specifically related to Reading/ELA

N/A

Measurable Outcomes

State the specific measurable outcome the school plans to achieve for each grade below. This should be a data-based, objective outcome. Include prior year data and a measurable outcome for each of the following:

- Each grade K -3, using the coordinated screening and progress monitoring system, where 50 percent or more of the students are not on track to pass the statewide ELA assessment;
- Each grade 3-5 where 50 percent or more of its students scored below a Level 3 on the most recent statewide, standardized ELA assessment; and
- Grade 6 measurable outcomes may be included, as applicable.

Grades K-2 Measurable Outcomes

Monitoring**Monitoring**

Describe how the school's Area(s) of Focus will be monitored for the desired outcomes. Include a description of how ongoing monitoring will impact student achievement outcomes.

N/A

Person Responsible for Monitoring Outcome

Select the person responsible for monitoring this outcome.

Evidence-based Practices/Programs

Description:

Describe the evidence-based practices/programs being implemented to achieve the measurable outcomes in each grade and describe how the identified practices/programs will be monitored. The term “evidence-based” means demonstrating a statistically significant effect on improving student outcomes or other relevant outcomes as provided in 20 U.S.C. §7801(21)(A)(i). Florida’s definition limits evidence-based practices/programs to only those with strong, moderate or promising levels of evidence.

- Do the identified evidence-based practices/programs meet Florida’s definition of evidence-based (strong, moderate or promising)?
- Do the evidence-based practices/programs align with the district’s K-12 Comprehensive Evidence-based Reading Plan?
- Do the evidence-based practices/programs align to the B.E.S.T. ELA Standards?

N/A

Rationale:

Explain the rationale for selecting practices/programs. Describe the resources/criteria used for selecting the practices/programs.

- Do the evidence-based practices/programs address the identified need?
- Do the identified evidence-based practices/programs show proven record of effectiveness for the target population?

N/A

Action Steps to Implement

List the action steps that will be taken to address the school’s Area(s) of Focus. To address the area of focus, identify 2 to 3 action steps and explain in detail for each of the categories below:

- Literacy Leadership
- Literacy Coaching
- Assessment
- Professional Learning

Action Step

Title I Requirements

Schoolwide Program Plan (SWP) Requirements

This section must be completed if the school is implementing a Title I, Part A SWP and opts to use the SIP to satisfy the requirements of the SWP plan, as outlined in the ESSA, Public Law No. 114-95, § 1114(b). This section is not required for non-Title I schools.

Provide the methods for dissemination of this SIP, UniSIG budget and SWP to stakeholders (e.g., students, families, school staff and leadership and local businesses and organizations). Please articulate a plan or protocol for how this SIP and progress will be shared and disseminated and to the extent practicable, provided in a language a parent can understand. (ESSA 1114(b)(4))

List the school's webpage* where the SIP is made publicly available.

website via Board or Sac
Family engagement plan

Describe how the school plans to build positive relationships with parents, families and other community stakeholders to fulfill the school's mission, support the needs of students and keep parents informed of their child's progress.

List the school's webpage* where the school's Family Engagement Plan is made publicly available. (ESSA 1116(b-g))

Webpage, family engagement plan, letters, email correspondence, parent/teacher conferences, texting messaging, messaging through the students (GCs) learning platform (Edmentum), All-call messaging to parents/families, host informational orientations for families and students, invited community stakeholders to onsite events, share community resources with students (GCs) and families.

Describe how the school plans to strengthen the academic program in the school, increase the amount and quality of learning time and help provide an enriched and accelerated curriculum. Include the Area of Focus if addressed in Part III of the SIP. (ESSA 1114(b)(7)ii)

Leadership, teachers and mentors meet regularly to discuss individual student progress, student needs and the ability of the team to support those needs. We collaborate with other Florida AA sites to share best practices and successful strategies for student reengagement. Professional Development occurs monthly. Weekly huddles are held for Content Coaches (teachers) to collaborate.

If appropriate and applicable, describe how this plan is developed in coordination and integration with other Federal, State, and local services, resources and programs, such as programs supported under ESSA, violence prevention programs, nutrition programs, housing programs, Head Start programs, adult education programs, career and technical education programs, and schools implementing CSI or TSI activities under section 1111(d). (ESSA 1114(b)(5))

MCAA invites guest speakers onsite twice a month to help students (GCs) prepare for the transition from AA to adulthood. Guest speakers include local community colleges, CTAE programs, trade programs, military branches, local business owners, dress for success programs and local employers to help students (GCs) explore different career pathways.

Optional Component(s) of the Schoolwide Program Plan

Include descriptions for any additional strategies that will be incorporated into the plan.

Describe how the school ensures counseling, school-based mental health services, specialized support services, mentoring services, and other strategies to improve students' skills outside the academic subject areas. (ESSA 1114(b)(7)(iii)(I))

N/A

Describe the preparation for and awareness of postsecondary opportunities and the workforce, which may include career and technical education programs and broadening secondary school students' access to coursework to earn postsecondary credit while still in high school. (ESSA 1114(b)(7)(iii)(II))

N/A

Describe the implementation of a schoolwide tiered model to prevent and address problem behavior, and early intervening services, coordinated with similar activities and services carried out under the Individuals with Disabilities Education Act. 20 U.S.C. 1400 et seq. and ESSA 1114(b)(7)(iii)(III).

N/A

Describe the professional learning and other activities for teachers, paraprofessionals, and other school personnel to improve instruction and use of data from academic assessments, and to recruit and retain effective teachers, particularly in high need subjects. (ESSA 1114(b)(7)(iii)(IV))

N/A

Describe the strategies the school employs to assist preschool children in the transition from early childhood education programs to local elementary school programs. (ESSA 1114(b)(7)(iii)(V))

N/A

Budget to Support Areas of Focus

Part VII: Budget to Support Areas of Focus

The approved budget does not reflect any amendments submitted for this project.

1	III.B.	Area of Focus: Positive Culture and Environment: Student Engagement	\$0.00
2	III.B.	Area of Focus: Instructional Practice: Student Engagement	\$0.00
Total:			\$0.00

Budget Approval

Check if this school is eligible and opting out of UniSIG funds for the 2023-24 school year.
