### School Board Approval

This plan was approved by the Okaloosa County School Board on 8/28/2023.

### SIP Authority

Section 1001.42(18), Florida Statutes (F.S.), requires district school boards to annually approve and require implementation of a new, amended, or continuation SIP for each school in the district which has a school grade of D or F; has a significant gap in achievement on statewide, standardized assessments administered pursuant to s. 1008.22 by one or more student subgroups, as defined in the federal Elementary and Secondary Education Act (ESEA), 20 U.S.C. s. 6311(b)(2)(C)(v)(II); has not significantly increased the percentage of students passing statewide, standardized assessments; has not significantly increased the percentage of students demonstrating Learning Gains, as defined in s. 1008.34, and as calculated under s. 1008.34(3)(b), who passed statewide, standardized assessments; has been identified as requiring instructional supports under the Reading Achievement Initiative for Scholastic Excellence (RAISE) program established in s. 1008.365; or has significantly lower graduation rates for a subgroup when compared to the state's graduation rate. Rule 6A-1.098813, Florida Administrative Code (F.A.C.), requires district school boards to approve a SIP for each Department of Juvenile Justice (DJJ) school in the district rated as Unsatisfactory.

Below are the criteria for identification of traditional public and public charter schools pursuant to the Every Student Succeeds Act (ESSA) State plan:

#### Additional Target Support and Improvement (ATSI)

A school not identified for CSI or TSI, but has one or more subgroups with a Federal Index below 41%.

#### Targeted Support and Improvement (TSI)

A school not identified as CSI that has at least one consistently underperforming subgroup with a Federal Index below 32% for three consecutive years.

#### Comprehensive Support and Improvement (CSI)

A school can be identified as CSI in any of the following four ways:

1. Have an overall Federal Index below 41%;
2. Have a graduation rate at or below 67%;
3. Have a school grade of D or F; or
4. Have a Federal Index below 41% in the same subgroup(s) for 6 consecutive years.

ESEA sections 1111(d) requires that each school identified for ATSI, TSI or CSI develop a support and improvement plan created in partnership with stakeholders (including principals and other school leaders, teachers and parent), is informed by all indicators in the State's accountability system, includes evidence-based interventions, is based on a school-level needs assessment, and identifies resource inequities to be

addressed through implementation of the plan. The support and improvement plans for schools identified as TSI, ATSI and non-Title I CSI must be approved and monitored by the school district. The support and improvement plans for schools identified as Title I, CSI must be approved by the school district and Department. The Department must monitor and periodically review implementation of each CSI plan after approval.

The Department's SIP template in the Florida Continuous Improvement Management System (CIMS), <https://www.floridacims.org>, meets all state and rule requirements for traditional public schools and incorporates all ESSA components for a support and improvement plan required for traditional public and public charter schools identified as CSI, TSI and ATSI, and eligible schools applying for Unified School Improvement Grant (UniSIG) funds.

Districts may allow schools that do not fit the aforementioned conditions to develop a SIP using the template in CIMS.

The responses to the corresponding sections in the Department's SIP template may address the requirements for: 1) Title I schools operating a schoolwide program (SWD), pursuant to ESSA, as amended, Section 1114(b); and 2) charter schools that receive a school grade of D or F or three consecutive grades below C, pursuant to Rule 6A-1.099827, F.A.C. The chart below lists the applicable requirements.

SIP Sections	Title I Schoolwide Program	Charter Schools
I-A: School Mission/Vision		6A-1.099827(4)(a)(1)
I-B-C: School Leadership, Stakeholder Involvement & SIP Monitoring	ESSA 1114(b)(2-3)	
I-E: Early Warning System	ESSA 1114(b)(7)(A)(iii)(III)	6A-1.099827(4)(a)(2)
II-A-C: Data Review		6A-1.099827(4)(a)(2)
II-F: Progress Monitoring	ESSA 1114(b)(3)	
III-A: Data Analysis/Reflection	ESSA 1114(b)(6)	6A-1.099827(4)(a)(4)
III-B: Area(s) of Focus	ESSA 1114(b)(7)(A)(i-iii)	
III-C: Other SI Priorities		6A-1.099827(4)(a)(5-9)
VI: Title I Requirements	ESSA 1114(b)(2, 4-5), (7)(A)(iii)(I-V)-(B) ESSA 1116(b-g)	

Note: Charter schools that are also Title I must comply with the requirements in both columns.

## **Purpose and Outline of the SIP**

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Department encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## I. School Information

### School Mission and Vision

#### Provide the school's mission statement.

We prepare all students to achieve excellence by providing the highest quality education while empowering each individual to positively impact their families, communities, and the world.

#### Provide the school's vision statement.

We inspire a lifelong passion for learning.

### School Leadership Team, Stakeholder Involvement and SIP Monitoring

#### School Leadership Team

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities as it relates to SIP implementation for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Morris, Gwen	Principal	the instructional leader of the building and work collaboratively with teachers to improve instruction across the entire school

#### Stakeholder Involvement and SIP Development

Describe the process for involving stakeholders (including the school leadership team, teachers and school staff, parents, students (mandatory for secondary schools) and families, and business or community leaders) and how their input was used in the SIP development process. (ESSA 1114(b)(2))

Note: If a School Advisory Council is used to fulfill these requirements, it must include all required stakeholders.

Names and Titles of the School Performance Plan developers:

Gwen Morris - Principal (Laura Seegars - Previous Principal)  
 Daren Everage - Assistant Principal (Amy Church - Previous Assistant Principal)  
 Bridget Bishop, Lisa Parnell - Kindergarten Representatives  
 Amy Anderson, Desiree Harmon - 1st Grade Representatives  
 Crystal Cheeseman, Skylar McSheehy - 2nd Grade Representatives  
 Suzanne Glass-Troutman, Solonia Bogar - 3rd Grade Representatives  
 June Whiting-Cobb, Marilyn Jones-Urena - 4th Grade Representatives

Eglin Elementary School's School Performance Plan (SPP) is at the forefront of every department meeting, grade level meeting and faculty meeting. Each meeting, a piece of the SPP is addressed and discussed to provide input from teachers and monitored for fidelity and adjusted throughout the school year to meet the needs of both teachers, students, and all stakeholders. At the end of the school year, the SPP team re-addresses those needs and makes suggestions for next year's plan. A professional development needs survey is provided to teachers twice a year to ensure ongoing training, coaching, and support is in place. Embedded SPP initiatives and follow up help create the following year's plan. After the district's central message is given to the team, they add additional information to meet the needs and strengths of Eglin Elementary. The plan is then provided to all stakeholders for input and

adjusted accordingly.

### SIP Monitoring

Describe how the SIP will be regularly monitored for effective implementation and impact on increasing the achievement of students in meeting the State's academic standards, particularly for those students with the greatest achievement gap. Describe how the school will revise the plan, as necessary, to ensure continuous improvement. (ESSA 1114(b)(3))

SPP grade level representatives were given an SPP survey in April/May 2023 and were asked to gather feedback and input from their grade levels about strengths and weaknesses from the 2022-2023 SPP initiatives, the Balanced Literacy and Math models, professional development goals for the 2023-2024 school year, questions, and ideas for implementation of the 2023-2024 central focus. During the initial SPP team meetings on May 15, 2023, school data and survey information was presented, reviewed and discussed. Both teams created the ELA and Math Targeted School-based Professional Development and Classroom Instruction based on the district guidelines, data, and teacher input. The assistant principal completed the Progress Monitoring section for the school-based Focus.

**Grade Level Data Review– State Assessments (pre-populated)**

The data are raw data and include ALL students who tested at the school. This is not school grade data. The percentages shown here represent ALL students who received a score of 3 or higher on the statewide assessments.

An asterisk (\*) in any cell indicates the data has been suppressed due to fewer than 10 students tested, or all tested students scoring the same.

### III. Planning for Improvement

**Data Analysis/Reflection**

Answer the following reflection prompts after examining any/all relevant school data sources.

**Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.**

Subgroup: Students with Disabilities (ESE)

According to Every Student Succeeds Act (ESSA) Sub-Group Data, the subgroup we will focus on is Students with Disabilities (20%).

**Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.**

Subgroup: Students with Disabilities (ESE)

2021-22 English Language Arts Achievement (Level 3 and Above) - 35%

2022-23 English Language Arts Achievement (Level 3 and Above) - 20%

This show a decline of 15% from the previous year.

**Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.**

ELA - ESE Subgroup

35% (Eglin) compared to 21% (State) from 2021-22

**Which data component showed the most improvement? What new actions did your school take in this area?**

Mathematics Achievement

43% (Eglin) compared to 25% (State) from 2021-22

**Reflecting on the EWS data from Part I, identify one or two potential areas of concern.**

ESE teachers will notify general education teachers of ESE students and accommodations during preplanning and throughout the year when changes occur. Teachers will implement the IEP through standards-based instruction.

Teachers will address specific levels of performance for students with disabilities.

**Rank your highest priorities (maximum of 5) for school improvement in the upcoming school year.**

1. Added one additional unit to our ESE team which will provide additional push-in and/or pull-out time for students.
2. Additional Professional Learning provided to our staff via Staffing coaches.
3. MTSS (Multi-Tiered System of Support): Provide additional training and support measures that will help staff quickly identify students' needs by providing targeted support and intervention. To further support the needs of students, we will provide Zones of Regulation (behavior) small group intervention and Zones of Regulation (academic) small group intervention. This framework develops awareness of feelings, energy and alertness levels while exploring a variety of tools and strategies for regulation, prosocial skills, self-care, and overall wellness.

**Area of Focus**

(Identified key Area of Focus that addresses the school's highest priority based on any/all relevant data sources)

**#1. ESSA Subgroup specifically relating to Students with Disabilities****Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Subgroup: Students with Disabilities (ESE)

**Measurable Outcome:**

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

School will score above the 41% Federal Index

**Monitoring:**

Describe how this Area of Focus will be monitored for the desired outcome.

FAST / iReady Diagnostics 3 times a year from Data Review and lesson plans

IEP goals monitored monthly

Inclusion services with monthly scheduling and walkthroughs

**Person responsible for monitoring outcome:**

Gwen Morris (morrisg@okaloosaschools.com)

**Evidence-based Intervention:**

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Implement intentional scaffolding strategies within the gradual release framework during both interactive whole group and small group instruction.

I do (teacher modeling), We do (teacher/student collaboration), You do it together (student collaboration with teacher assistance, as needed), You do it alone (student demonstrates skill/concept independently)

Use Strategies for Building Student Success resource to incorporate high yield cognitive engagement strategies within interactive whole group and small group instruction.

Strategically integrate the components of close reading that lead to a culminating task using grade-level complex text(s) to include purposeful text-dependent questions at the appropriate DOK, text-marking, annotating, writing through reading, and purposeful student talk.

Implement Benchmark Advance foundational skills lessons, grounded in the science of reading, with a strong focus on multi-sensory systematic foundational learning that consists of:

Oral Language

Phonological Awareness

Phonics

Fluency

**Rationale for Evidence-based Intervention:**

Explain the rationale for selecting this specific strategy.

Building these necessary skills will provide the foundation needed to be successful and increase the percentage.

**Tier of Evidence-based Intervention**

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 3 - Promising Evidence

**Will this evidence-based intervention be funded with UniSIG?**

No

**Action Steps to Implement**

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

*No action steps were entered for this area of focus*

**#2. Positive Culture and Environment specifically relating to Other****Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed.

One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

The four weakest areas according to our data are: The guidance department at my child's school provides for the educational success of my student (71%), School funds are used to support the school in a financially responsible manner (76%), I receive positive phone calls, emails, or notes about my child from the school (78%), and Parent input is valued at my child's school (78%). Based on these areas, we will strive to better our communication about the guidance department and school funds through the school newsletter and/or Tidbits and by making positive phone calls to parents from both teachers and the front office. We will also provide more opportunities for families to be involved in the decision-making process while providing valuable input.

**Measurable Outcome:**

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

The outcome we plan to achieve for this upcoming school year in the four weakest areas would be to increase them by at least 10% in each area.

**Monitoring:**

Describe how this Area of Focus will be monitored for the desired outcome.

The complete the Parent and Community Awareness Survey

**Person responsible for monitoring outcome:**

Gwen Morris (morrisg@okaloosaschools.com)

**Evidence-based Intervention:**

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Classroom newsletters, school newsletters, email, automated informational call outs, class DoJo, Remind App, Friday Tidbits, school website, school Facebook page, communication with Eglin Air Force Base leadership, parent open house/orientation, curriculum nights, School Advisory Council (SAC), Parent Teacher Organization (PTO).

**Rationale for Evidence-based Intervention:**

Explain the rationale for selecting this specific strategy.

According to the Parent and Community Survey, communication is a area which needed more attention. The interventions selected will increase the outcomes desired.

**Tier of Evidence-based Intervention**

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

### **CSI, TSI and ATSI Resource Review**

Describe the process to review school improvement funding allocations and ensure resources are allocated based on needs. This section must be completed if the school is identified as ATSI, TSI or CSI in addition to completing an Area(s) of Focus identifying interventions and activities within the SIP (ESSA 1111(d)(1)(B)(4) and (d)(2)(C).

SPP Committee will meet as needed to discuss and review the use of funds in order to ensure they are being used with fidelity.
