38815 CUMMER RD, Dade City, FL 33523

<https://les.pasco.k12.fl.us>

## SIP Authority

Section 1001.42(18), Florida Statutes (F.S.), requires district school boards to annually approve and require implementation of a new, amended, or continuation SIP for each school in the district which has a school grade of D or F; has a significant gap in achievement on statewide, standardized assessments administered pursuant to s. 1008.22 by one or more student subgroups, as defined in the federal Elementary and Secondary Education Act (ESEA), 20 U.S.C. s. 6311(b)(2)(C)(v)(II); has not significantly increased the percentage of students passing statewide, standardized assessments; has not significantly increased the percentage of students demonstrating Learning Gains, as defined in s. 1008.34, and as calculated under s. 1008.34(3)(b), who passed statewide, standardized assessments; has been identified as requiring instructional supports under the Reading Achievement Initiative for Scholastic Excellence (RAISE) program established in s. 1008.365; or has significantly lower graduation rates for a subgroup when compared to the state's graduation rate. Rule 6A-1.098813, Florida Administrative Code (F.A.C.), requires district school boards to approve a SIP for each Department of Juvenile Justice (DJJ) school in the district rated as Unsatisfactory.

Below are the criteria for identification of traditional public and public charter schools pursuant to the Every Student Succeeds Act (ESSA) State plan:

### Additional Target Support and Improvement (ATSI)

A school not identified for CSI or TSI, but has one or more subgroups with a Federal Index below 41%.

### Targeted Support and Improvement (TSI)

A school not identified as CSI that has at least one consistently underperforming subgroup with a Federal Index below 32% for three consecutive years.

### Comprehensive Support and Improvement (CSI)

A school can be identified as CSI in any of the following four ways:

1. Have an overall Federal Index below 41%;
2. Have a graduation rate at or below 67%;
3. Have a school grade of D or F; or
4. Have a Federal Index below 41% in the same subgroup(s) for 6 consecutive years.

ESEA sections 1111(d) requires that each school identified for ATSI, TSI or CSI develop a support and improvement plan created in partnership with stakeholders (including principals and other school leaders, teachers and parent), is informed by all indicators in the State's accountability system, includes evidence-based interventions, is based on a school-level needs assessment, and identifies resource inequities to be addressed through implementation of the plan. The support and improvement plans for schools identified as TSI, ATSI and non-Title I CSI must be approved and monitored by the school district. The support and improvement plans for schools identified as Title I, CSI must be approved by the school district and

Department. The Department must monitor and periodically review implementation of each CSI plan after approval.

The Department's SIP template in the Florida Continuous Improvement Management System (CIMS), <https://www.floridacims.org>, meets all state and rule requirements for traditional public schools and incorporates all ESSA components for a support and improvement plan required for traditional public and public charter schools identified as CSI, TSI and ATSI, and eligible schools applying for Unified School Improvement Grant (UniSIG) funds.

Districts may allow schools that do not fit the aforementioned conditions to develop a SIP using the template in CIMS.

The responses to the corresponding sections in the Department's SIP template may address the requirements for: 1) Title I schools operating a schoolwide program (SWD), pursuant to ESSA, as amended, Section 1114(b); and 2) charter schools that receive a school grade of D or F or three consecutive grades below C, pursuant to Rule 6A-1.099827, F.A.C. The chart below lists the applicable requirements.

SIP Sections	Title I Schoolwide Program	Charter Schools
I-A: School Mission/Vision		6A-1.099827(4)(a)(1)
I-B-C: School Leadership, Stakeholder Involvement & SIP Monitoring	ESSA 1114(b)(2-3)	
I-E: Early Warning System	ESSA 1114(b)(7)(A)(iii)(III)	6A-1.099827(4)(a)(2)
II-A-C: Data Review		6A-1.099827(4)(a)(2)
II-F: Progress Monitoring	ESSA 1114(b)(3)	
III-A: Data Analysis/Reflection	ESSA 1114(b)(6)	6A-1.099827(4)(a)(4)
III-B: Area(s) of Focus	ESSA 1114(b)(7)(A)(i-iii)	
III-C: Other SI Priorities		6A-1.099827(4)(a)(5-9)
VI: Title I Requirements	ESSA 1114(b)(2, 4-5), (7)(A)(iii)(I-V)-(B) ESSA 1116(b-g)	

Note: Charter schools that are also Title I must comply with the requirements in both columns.

## **Purpose and Outline of the SIP**

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Department encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## I. School Information

### School Mission and Vision

#### Provide the school's mission statement.

To elevate and empower our community and school for ALL to achieve excellence

#### Provide the school's vision statement.

We envision a school in which we:

- \*have a strong sense of urgency
- \*reflect on our practices
- \*continue to grow professionally
- \*hold ourselves and others accountable

### School Leadership Team, Stakeholder Involvement and SIP Monitoring

#### School Leadership Team

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities as it relates to SIP implementation for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Jordan, Latoya	Principal	<p>Provide leadership and direction for the implementation and evaluation of curriculum and instruction at the assigned school, consistent with the District's goals and priorities.</p> <p>Maintain visibility and accessibility on the school campus and at school-related activities and events.</p>
Kazmier, April	Assistant Principal	<p>Provide leadership and direction for the implementation and evaluation of curriculum and instruction at the assigned school, consistent with the District's goals and priorities.</p> <p>Maintain visibility and accessibility on the school campus and at school-related activities and events.</p>
Darley Rizzo, Jaime	Instructional Coach	ELA Support
Donahue, Cynthia	Instructional Coach	Math Support

**Stakeholder Involvement and SIP Development**

Describe the process for involving stakeholders (including the school leadership team, teachers and school staff, parents, students (mandatory for secondary schools) and families, and business or community leaders) and how their input was used in the SIP development process. (ESSA 1114(b)(2))

Note: If a School Advisory Council is used to fulfill these requirements, it must include all required stakeholders.

Proposed school goals and strategies were presented to the school leadership team for feedback and suggestions. Changes were made based on the beginning of the year walkthrough data. The school leadership team then presented the goals and strategies to Instructional and noninstructional staff members.

**SIP Monitoring**

Describe how the SIP will be regularly monitored for effective implementation and impact on increasing the achievement of students in meeting the State's academic standards, particularly for those students with the greatest achievement gap. Describe how the school will revise the plan, as necessary, to ensure continuous improvement. (ESSA 1114(b)(3))

SIP goals and strategies were used to develop the school's walkthrough tool. Walkthroughs, utilizing the tool, are conducted at the beginning of the year and weekly by administrators and coaches. In addition, the tool is also used to conduct peer walkthroughs. Walkthrough data is shared with all staff members. Professional development and coaching support are based on walkthrough data.

**Demographic Data**

Only ESSA identification and school grade history updated 3/11/2024

<b>2023-24 Status</b> (per MSID File)	Active

### Early Warning Systems

Using 2022-23 data, complete the table below with the number of students by current grade level that exhibit each early warning indicator listed:

Indicator	Grade Level										Total
	K	1	2	3	4	5	6	7	8		
Absent 10% or more days	20	14	21	17	15	21	0	0	0	108	
One or more suspensions	0	0	0	2	2	1	0	0	0	5	
Course failure in English Language Arts (ELA)	0	0	0	0	0	0	0	0	0		
Course failure in Math	0	0	0	0	0	0	0	0	0		
Level 1 on statewide ELA assessment	0	0	0	18	11	14	0	0	0	43	
Level 1 on statewide Math assessment	0	0	0	17	9	11	0	0	0	37	
Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C.	0	0	0	5	0	0	0	0	0	5	

Using the table above, complete the table below with the number of students by current grade level that have two or more early warning indicators:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Students with two or more indicators	0	0	0	5	5	10	0	0	0	20

Using the table above, complete the table below with the number of students identified retained:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Retained Students: Current Year	0	0	0	1	0	0	0	0	0	1
Students retained two or more times	0	0	0	0	0	0	0	0	0	

### Prior Year (2022-23) As Initially Reported (pre-populated)

The number of students by grade level that exhibited each early warning indicator:

Indicator	Grade Level										Total
	K	1	2	3	4	5	6	7	8		
Absent 10% or more days	0	0	0	0	0	0	0	0	0	0	
One or more suspensions	0	0	0	0	0	0	0	0	0	0	
Course failure in ELA	0	0	0	0	0	0	0	0	0	0	
Course failure in Math	0	0	0	0	0	0	0	0	0	0	
Level 1 on statewide ELA assessment	0	0	0	0	0	0	0	0	0	0	
Level 1 on statewide Math assessment	0	0	0	0	0	0	0	0	0	0	
Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C.	0	0	0	0	0	0	0	0	0	0	

**The number of students by current grade level that had two or more early warning indicators:**

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Students with two or more indicators	0	0	0	0	0	0	0	0	0	

**The number of students identified retained:**

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Retained Students: Current Year	0	0	0	0	0	0	0	0	0	
Students retained two or more times	0	0	0	4	0	0	0	0	0	4

**Prior Year (2022-23) Updated (pre-populated)**

Section 3 includes data tables that are pre-populated based off information submitted in prior year's SIP.

**The number of students by grade level that exhibited each early warning indicator:**

Indicator	Grade Level										Total
	K	1	2	3	4	5	6	7	8		
Absent 10% or more days	0	0	0	0	0	0	0	0	0	0	
One or more suspensions	0	0	0	0	0	0	0	0	0	0	
Course failure in ELA	0	0	0	0	0	0	0	0	0	0	
Course failure in Math	0	0	0	0	0	0	0	0	0	0	
Level 1 on statewide ELA assessment	0	0	0	0	0	0	0	0	0	0	
Level 1 on statewide Math assessment	0	0	0	0	0	0	0	0	0	0	
Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C.	0	0	0	0	0	0	0	0	0	0	

**The number of students by current grade level that had two or more early warning indicators:**

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Students with two or more indicators	0	0	0	0	0	0	0	0	0	

**The number of students identified retained:**

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Retained Students: Current Year	0	0	0	0	0	0	0	0	0	
Students retained two or more times	0	0	0	4	0	0	0	0	0	4

**II. Needs Assessment/Data Review****ESSA School, District and State Comparison (pre-populated)**

Please note that the district and state averages shown here represent the averages for similar school types (elementary, middle, high school or combination schools). Each "blank" cell indicates the school had less than 10 eligible students with data for a particular component and was not calculated for the school.

**On April 9, 2021, FDOE Emergency Order No. 2021-EO-02 made 2020-21 school grades optional. They have been removed from this publication.**

Accountability Component	2023			2022			2021		
	School	District	State	School	District	State	School	District	State
ELA Achievement*	36	47	53	43	52	56	35		
ELA Learning Gains				61			51		
ELA Lowest 25th Percentile				58			70		
Math Achievement*	40	48	59	47	46	50	49		
Math Learning Gains				67			58		
Math Lowest 25th Percentile				65			50		
Science Achievement*	23	50	54	32	50	59	26		
Social Studies Achievement*					54	64			
Middle School Acceleration					38	52			
Graduation Rate					44	50			
College and Career Acceleration						80			
ELP Progress	56	61	59	38			49		

\* In cases where a school does not test 95% of students in a subject, the achievement component will be different in the Federal Percent of Points Index (FPPI) than in school grades calculation.

See [Florida School Grades, School Improvement Ratings and DJJ Accountability Ratings](#).

**ESSA School-Level Data Review (pre-populated)**

**2021-22 ESSA Federal Index**

ESSA Category (CSI, TSI or ATSI)	ATSI
OVERALL Federal Index – All Students	37
OVERALL Federal Index Below 41% - All Students	Yes
Total Number of Subgroups Missing the Target	5

**Grade Level Data Review– State Assessments (pre-populated)**

The data are raw data and include ALL students who tested at the school. This is not school grade data. The percentages shown here represent ALL students who received a score of 3 or higher on the statewide assessments.

An asterisk (\*) in any cell indicates the data has been suppressed due to fewer than 10 students tested, or all tested students scoring the same.

ELA						
Grade	Year	School	District	School-District Comparison	State	School-State Comparison
05	2023 - Spring	45%	51%	-6%	54%	-9%
04	2023 - Spring	40%	55%	-15%	58%	-18%

### III. Planning for Improvement

**Data Analysis/Reflection**

Answer the following reflection prompts after examining any/all relevant school data sources.

**Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.**

ELA-3rd, 4th, and 5th  
Math- 3rd and 5th math

**Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.**

3rd grade ELA-  
-new teacher in third grade who left in January  
-Students taking the test on the computer

3d grade Math

- teacher resigned in the middle of the year
- work was not to the rigor of the standard
- math teacher was ner to 3rd grade

**Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.**

3rd grade math

- teacher resigned in the middle of the year
- work was not to the rigor of the standard
- math teacher was new to 3rd grade

**Which data component showed the most improvement? What new actions did your school take in this area?**

N/A

**Reflecting on the EWS data from Part I, identify one or two potential areas of concern.**

The number of students scoring a level 1

**Rank your highest priorities (maximum of 5) for school improvement in the upcoming school year.**

ELA- all grade levels  
Math- K, 1, 2, 3

### Area of Focus

(Identified key Area of Focus that addresses the school's highest priority based on any/all relevant data sources)

**#1. Instructional Practice specifically relating to Differentiation****Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Walkthrough data and lesson plans show that instruction is not differentiated to meet the needs of all learners including our lowest performing subgroup: multiracial.

**Measurable Outcome:**

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

There will be an increase in student proficiency and learning gains for all students including our lowest performing subgroup--multiracial.

**Monitoring:**

Describe how this Area of Focus will be monitored for the desired outcome.

Walkthroughs  
Lesson Plans  
Posttest data

**Person responsible for monitoring outcome:**

[no one identified]

**Evidence-based Intervention:**

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Teachers will use pretest data to group students for each module of study. Students will receive instruction either at or above the grade-level benchmark. Instruction will be scaffolded to meet the needs of students who require additional support.

**Rationale for Evidence-based Intervention:**

Explain the rationale for selecting this specific strategy.

Lessons were generally taught in whole-group at the grade-level standard. STUdents who were performing higher than the standard were not provided instruction and practice at their level.

**Tier of Evidence-based Intervention**

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

**Will this evidence-based intervention be funded with UniSIG?**

No

**Action Steps to Implement**

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Develop pre and post-tests  
Administer pre test  
\*Pretests will be administered 1 to 2 weeks prior to the beginning of the next module  
Analyze data to form groups  
Administer posttests

**Person Responsible:** Latoya Jordan (lcjordan@pasco.k12.fl.us)

**By When:** Each module

## #2. Positive Culture and Environment specifically relating to Other

### Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a crucial need from the data reviewed.

One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Walkthrough data shows that most teachers call on one student at a time. Additionally, after a year of Kagan training, most teachers are not using the structures effectively.

### Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Student engagement and achievement will increase.

### Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Monthly Kagan walkthroughs

Weekly walkthroughs by the leadership team

Monthly team walkthroughs

Kagan structures will be included in lesson plans

### Person responsible for monitoring outcome:

Latoya Jordan (lcjordan@pasco.k12.fl.us)

### Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Focused walkthroughs

### Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

After a year of Kagan training, most teachers are not using the structures effectively. Most teachers are still calling on one student at a time. Those who use the structures, typically use the Class and Team Builder structures. When using structures that require students to work in pairs or groups, teachers are not planning or monitoring for equal participation.

### Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

### Will this evidence-based intervention be funded with UniSIG?

No

### Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Monthly Kagan walkthroughs

Weekly walkthroughs by the leadership team

Monthly team walkthroughs

Kagan structures will be included in lesson plans

**Person Responsible:** Latoya Jordan (lcjordan@pasco.k12.fl.us)

**By When:** August

### **CSI, TSI and ATSI Resource Review**

Describe the process to review school improvement funding allocations and ensure resources are allocated based on needs. This section must be completed if the school is identified as ATSI, TSI or CSI in addition to completing an Area(s) of Focus identifying interventions and activities within the SIP (ESSA 1111(d)(1)(B)(4) and (d)(2)(C)).

As a system, the Pasco district is engaging in a continuous improvement process always, and annually, we have a more focused reflection to look forward to the next coming school year. During the year, each school reflects and responds to data at the minimum quarterly, and the system engages in regular Calibration Meetings throughout the school year. Additionally, after reflecting on current mid-year data, the system engages in Comprehensive Needs Assessment (CNA). During this time, each school enters a needs assessment process that sets the stage for future planning and includes analysis of student performance, analysis of stakeholder feedback, self-assessment, and site visits. Subsequently, this analysis from each school drives the district planning process and the annual approach to Planning Forward to respond our schools, as well as the allocation of resources in an intentional manner based on the needs identified for each school.

Student Performance is analyzed by reviewing current and trend data by subgroup and school. Data sources include Florida BEST assessments, Statewide Science Assessment, district developed quarterly check results where applicable, and NWEA MAP Growth data. Stakeholder feedback is analyzed by reviewing results from both the student and staff Gallup polls, staff and parent surveys and focus groups.

Multiple tools are used to conduct a self-assessment. Each school and the district use the Cognia Standards for systems accreditation and each school and the district reviews and evaluates its progress toward goals set using the Best Practices in Inclusive Education (BPIE). Instructional Practice Observations, Professional Learning Community (PLC) rubrics, and Tiers of Support rubrics are also completed by each school to gain insight into instructional and support practices.

An Assistant Superintendent, Multi-Tiered System of Support (MTSS) Specialist, and District personnel engage in individual site visits with school leadership at each school after the school team has completed the first part of their analysis to gain insight into the school's unique needs as well as identify foci for school improvement efforts and needs for implementing the plan.

The conclusion of the CNA results in the identification of the root causes of barriers, the development of a school improvement plan to overcome/reduce barriers to improvement, the allocation of supports needed to implement each school's improvement plan and serves as the foundation for Planning Forward. Schools analyze their plans and basic allocations that will be provided based on district formulas to determine needs for additional allocations, resources and supports. With the school assistant superintendent and the school support team, each school then carefully aligns the additional available funds through Title 1 and/or UniSIG to specific strategies for improvement aimed at reducing barriers to achievement and closing learning gaps for underperforming student groups. This plan for use of additional funding is regularly monitored by the district support team, and is adjusted based on data, including student progress monitoring results, as applicable through the year, with the support of the state BSI team and the Department.

### **Reading Achievement Initiative for Scholastic Excellence (RAISE)**

**Area of Focus Description and Rationale**

Include a description of your Area of Focus (Instructional Practice specifically relating to Reading/ELA) for each grade below, how it affects student learning in literacy, and a rationale that explains how it was identified as a critical need from the data reviewed. Data that should be used to determine the critical need should include, at a minimum:

- The percentage of students below Level 3 on the 2022 statewide, standardized ELA assessment. Identification criteria must include each grade that has 50 percent or more students scoring below level 3 in grades 3-5 on the statewide, standardized ELA assessment.
- The percentage of students in kindergarten through grade 3, based on 2021-2022 end of year screening and progress monitoring data, who are not on track to score Level 3 or above on the statewide, standardized ELA assessment.
- Other forms of data that should be considered: formative, progress monitoring and diagnostic assessment data.

**Grades K-2: Instructional Practice specifically relating to Reading/ELA**

Teachers will receive PD on the implementation of UFLI. There was a decrease in the percentage of kindergarten students scoring at the proficient level in reading from PM1 to PM3 for the 2022-23 school year. Walkthrough data also supports the need for explicit and systematic phonics PD.

**Grades 3-5: Instructional Practice specifically related to Reading/ELA**

The percentage of students scoring a level 3 or higher in grades 3, 4, and 5 was below 50%.

**Measurable Outcomes**

State the specific measurable outcome the school plans to achieve for each grade below. This should be a data-based, objective outcome. Include prior year data and a measurable outcome for each of the following:

- Each grade K -3, using the coordinated screening and progress monitoring system, where 50 percent or more of the students are not on track to pass the statewide ELA assessment;
- Each grade 3-5 where 50 percent or more of its students scored below a Level 3 on the most recent statewide, standardized ELA assessment; and
- Grade 6 measurable outcomes may be included, as applicable.

**Grades K-2 Measurable Outcomes**

The percentage of students on grade-level with foundational skills will increase by 10%

**Grades 3-5 Measurable Outcomes**

At least 50% of students will score a 3 or higher on the FAST.

**Monitoring****Monitoring**

Describe how the school's Area(s) of Focus will be monitored for the desired outcomes. Include a description of how ongoing monitoring will impact student achievement outcomes.

Lesson Plans

**Person Responsible for Monitoring Outcome**

Select the person responsible for monitoring this outcome.

Darley Rizzo, Jaime, jdarley@pasco.k12.fl.us

## Evidence-based Practices/Programs

**Description:**

Describe the evidence-based practices/programs being implemented to achieve the measurable outcomes in each grade and describe how the identified practices/programs will be monitored. The term “evidence-based” means demonstrating a statistically significant effect on improving student outcomes or other relevant outcomes as provided in 20 U.S.C. §7801(21)(A)(i). Florida’s definition limits evidence-based practices/programs to only those with strong, moderate or promising levels of evidence.

- Do the identified evidence-based practices/programs meet Florida’s definition of evidence-based (strong, moderate or promising)?
- Do the evidence-based practices/programs align with the district’s K-12 Comprehensive Evidence-based Reading Plan?
- Do the evidence-based practices/programs align to the B.E.S.T. ELA Standards?

HMH

Kagan Structures

Vocabulary instruction

**Rationale:**

Explain the rationale for selecting practices/programs. Describe the resources/criteria used for selecting the practices/programs.

- Do the evidence-based practices/programs address the identified need?
- Do the identified evidence-based practices/programs show proven record of effectiveness for the target population?

District adopted program

Research shows that vocabulary supports reading comprehension

## Action Steps to Implement

List the action steps that will be taken to address the school’s Area(s) of Focus. To address the area of focus, identify 2 to 3 action steps and explain in detail for each of the categories below:

- Literacy Leadership
- Literacy Coaching
- Assessment
- Professional Learning

Action Step	Person Responsible for Monitoring
Biweekly Content PD Biweekly Staff PD on components of the Gradual Release of Responsibility Weekly Planning with ELA teachers	Darley Rizzo, Jaime, jdarley@pasco.k12.fl.us

## Title I Requirements

### Schoolwide Program Plan (SWP) Requirements

This section must be completed if the school is implementing a Title I, Part A SWP and opts to use the SIP to satisfy the requirements of the SWP plan, as outlined in the ESSA, Public Law No. 114-95, § 1114(b). This section is not required for non-Title I schools.

**Provide the methods for dissemination of this SIP, UniSIG budget and SWP to stakeholders (e.g., students, families, school staff and leadership and local businesses and organizations). Please articulate a plan or protocol for how this SIP and progress will be shared and disseminated and to the extent practicable, provided in a language a parent can understand. (ESSA 1114(b)(4))**

List the school's webpage\* where the SIP is made publicly available.

SIP is shared with parents at the first Parents Data Meeting (Open House). Progress towards meeting the goals will be shared during the Winter and Spring Data Meetings.

SIP will be shared with SAC during the first meeting. Progress towards meeting the goals will be shared throughout the year.

**Describe how the school plans to build positive relationships with parents, families and other community stakeholders to fulfill the school's mission, support the needs of students and keep parents informed of their child's progress.**

List the school's webpage\* where the school's Family Engagement Plan is made publicly available. (ESSA 1116(b-g))

Parent Conferences  
Regular Communication  
Positive phone calls home  
Thank you cards for appreciation of support

**Describe how the school plans to strengthen the academic program in the school, increase the amount and quality of learning time and help provide an enriched and accelerated curriculum. Include the Area of Focus if addressed in Part III of the SIP. (ESSA 1114(b)(7)ii)**

Differentiated Instruction  
Flexible Grouping  
Targeted PD

**If appropriate and applicable, describe how this plan is developed in coordination and integration with other Federal, State, and local services, resources and programs, such as programs supported under ESSA, violence prevention programs, nutrition programs, housing programs, Head Start programs, adult education programs, career and technical education programs, and schools implementing CSI or TSI activities under section 1111(d). (ESSA 1114(b)(5))**
