SIP Authority

Section 1001.42(18), Florida Statutes (F.S.), requires district school boards to annually approve and require implementation of a new, amended, or continuation SIP for each school in the district which has a school grade of D or F; has a significant gap in achievement on statewide, standardized assessments administered pursuant to s. 1008.22 by one or more student subgroups, as defined in the federal Elementary and Secondary Education Act (ESEA), 20 U.S.C. s. 6311(b)(2)(C)(v)(II); has not significantly increased the percentage of students passing statewide, standardized assessments; has not significantly increased the percentage of students demonstrating Learning Gains, as defined in s. 1008.34, and as calculated under s. 1008.34(3)(b), who passed statewide, standardized assessments; has been identified as requiring instructional supports under the Reading Achievement Initiative for Scholastic Excellence (RAISE) program established in s. 1008.365; or has significantly lower graduation rates for a subgroup when compared to the state's graduation rate. Rule 6A-1.098813, Florida Administrative Code (F.A.C.), requires district school boards to approve a SIP for each Department of Juvenile Justice (DJJ) school in the district rated as Unsatisfactory.

Below are the criteria for identification of traditional public and public charter schools pursuant to the Every Student Succeeds Act (ESSA) State plan:

Additional Target Support and Improvement (ATSI)

A school not identified for CSI or TSI, but has one or more subgroups with a Federal Index below 41%.

Targeted Support and Improvement (TSI)

A school not identified as CSI that has at least one consistently underperforming subgroup with a Federal Index below 32% for three consecutive years.

Comprehensive Support and Improvement (CSI)

A school can be identified as CSI in any of the following four ways:

1. Have an overall Federal Index below 41%;
2. Have a graduation rate at or below 67%;
3. Have a school grade of D or F; or
4. Have a Federal Index below 41% in the same subgroup(s) for 6 consecutive years.

ESEA sections 1111(d) requires that each school identified for ATSI, TSI or CSI develop a support and improvement plan created in partnership with stakeholders (including principals and other school leaders, teachers and parent), is informed by all indicators in the State's accountability system, includes evidence-based interventions, is based on a school-level needs assessment, and identifies resource inequities to be addressed through implementation of the plan. The support and improvement plans for schools identified as TSI, ATSI and non-Title I CSI must be approved and monitored by the school district. The support and improvement plans for schools identified as Title I, CSI must be approved by the school district and

Department. The Department must monitor and periodically review implementation of each CSI plan after approval.

The Department's SIP template in the Florida Continuous Improvement Management System (CIMS), <https://www.floridacims.org>, meets all state and rule requirements for traditional public schools and incorporates all ESSA components for a support and improvement plan required for traditional public and public charter schools identified as CSI, TSI and ATSI, and eligible schools applying for Unified School Improvement Grant (UniSIG) funds.

Districts may allow schools that do not fit the aforementioned conditions to develop a SIP using the template in CIMS.

The responses to the corresponding sections in the Department's SIP template may address the requirements for: 1) Title I schools operating a schoolwide program (SWD), pursuant to ESSA, as amended, Section 1114(b); and 2) charter schools that receive a school grade of D or F or three consecutive grades below C, pursuant to Rule 6A-1.099827, F.A.C. The chart below lists the applicable requirements.

| SIP Sections | Title I Schoolwide Program | Charter Schools |
|--|---|------------------------|
| I-A: School Mission/Vision | | 6A-1.099827(4)(a)(1) |
| I-B-C: School Leadership, Stakeholder Involvement & SIP Monitoring | ESSA 1114(b)(2-3) | |
| I-E: Early Warning System | ESSA 1114(b)(7)(A)(iii)(III) | 6A-1.099827(4)(a)(2) |
| II-A-C: Data Review | | 6A-1.099827(4)(a)(2) |
| II-F: Progress Monitoring | ESSA 1114(b)(3) | |
| III-A: Data Analysis/Reflection | ESSA 1114(b)(6) | 6A-1.099827(4)(a)(4) |
| III-B: Area(s) of Focus | ESSA 1114(b)(7)(A)(i-iii) | |
| III-C: Other SI Priorities | | 6A-1.099827(4)(a)(5-9) |
| VI: Title I Requirements | ESSA 1114(b)(2, 4-5), (7)(A)(iii)(I-V)-(B) ESSA 1116(b-g) | |

Note: Charter schools that are also Title I must comply with the requirements in both columns.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Department encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

I. School Information

School Mission and Vision

Provide the school's mission statement.

The staff, students and families of Wesley Chapel Elementary School will collaboratively strive for a rigorous, engaged learning environment that prepares students for college, career, and lifelong success.

Provide the school's vision statement.

The educators, staff and volunteers of Wesley Chapel Elementary School are committed to:

Providing students with the opportunity to gain the knowledge and skills necessary to become productive contributors to society.

Actively involving the home, school, and community in providing resources to meet the needs of individual students.

Continually re-evaluate and adapt our educational processes to produce lifelong learners.

School Leadership Team, Stakeholder Involvement and SIP Monitoring

School Leadership Team

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities as it relates to SIP implementation for each member of the school leadership team.:

| Name | Position Title | Job Duties and Responsibilities |
|--------------|----------------|--|
| Mykita, Stan | Principal | <p>Technical/Professional Knowledge</p> <p>Provide leadership and direction for the implementation and evaluation of curriculum and instruction at the assigned school, consistent with the District's goals and priorities.</p> <p>Oversee the administration of the testing program for the school.</p> <p>Interview and select qualified personnel to be recommended for appointment.</p> <p>Supervise, conduct annual performance appraisals, and make recommendations for appropriate employment actions.</p> <p>Implement and administer negotiated employee contracts at the school site.</p> <p>Implement School Board policy, state statutes, and federal regulations as they pertain to the assigned school.</p> <p>Establish and manage student accounting and attendance procedures at the assigned school.</p> <p>Supervise the school food and nutrition and custodial programs at the school.</p> <p>Coordinate and provide supervision for school-related before and/or afterschool programs or activities.</p> <p>Facilitate, coordinate, and monitor the implementation of Exceptional Student Education programs and services.</p> <p>Communication</p> <p>Maintain visibility and accessibility on the school campus and at school related activities and events.</p> <p>Use effective communication techniques with students, teacher parents, and other stakeholders.</p> <p>Write and disseminate newsletters, memos, letters, press releases, agendas, and other materials.</p> <p>Use E-mail effectively.</p> <p>Model effective listening and positive interaction skills.</p> <p>Critical Thinking</p> <p>Facilitate and coordinate the development of the School's Continuous Improvement Plan.</p> <p>Use current research, performance data, and feedback from students, teachers, parents, and community to make decisions related to improvement of instruction and student performance.</p> <p>Use technology effectively.</p> <p>Locate needed data and information.</p> <p>Consider different perspectives, alternative options, and consequences of each in making decisions.</p> <p>Proactive Orientation</p> <p>Develop work groups and monitor their progress.</p> <p>Access District and community resources to meet school needs.</p> <p>Provide leadership and direction for all aspects of the school's operation.</p> <p>Establish and actively pursue a vision and mission for the school in collaboration with all stakeholders.</p> |

Stakeholder Involvement and SIP Development

Describe the process for involving stakeholders (including the school leadership team, teachers and school staff, parents, students (mandatory for secondary schools) and families, and business or community leaders) and how their input was used in the SIP development process. (ESSA 1114(b)(2))

Note: If a School Advisory Council is used to fulfill these requirements, it must include all required stakeholders.

Used feedback from SAC, staff Gallup, and parent feedback survey to assist in development

SIP Monitoring

Describe how the SIP will be regularly monitored for effective implementation and impact on increasing the achievement of students in meeting the State's academic standards, particularly for those students with the greatest achievement gap. Describe how the school will revise the plan, as necessary, to ensure continuous improvement. (ESSA 1114(b)(3))

ESSA students have/will be identified and teachers, leadership team and Sit will monitor their progress throughout the year

II. Needs Assessment/Data Review

ESSA School, District and State Comparison (pre-populated)

Please note that the district and state averages shown here represent the averages for similar school types (elementary, middle, high school or combination schools). Each "blank" cell indicates the school had less than 10 eligible students with data for a particular component and was not calculated for the school.

On April 9, 2021, FDOE Emergency Order No. 2021-EO-02 made 2020-21 school grades optional. They have been removed from this publication.

Grade Level Data Review– State Assessments (pre-populated)

The data are raw data and include ALL students who tested at the school. This is not school grade data. The percentages shown here represent ALL students who received a score of 3 or higher on the statewide assessments.

An asterisk (*) in any cell indicates the data has been suppressed due to fewer than 10 students tested, or all tested students scoring the same.

III. Planning for Improvement**Data Analysis/Reflection**

Answer the following reflection prompts after examining any/all relevant school data sources.

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

In 3rd grade reading 48% did not meet proficiency. Had turnover in the third grade team.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

3rd grade reading showed the largest decline. Again teacher turnover.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

3rd grade math was 6 points below state average. Teacher knowledge in math.

Which data component showed the most improvement? What new actions did your school take in this area?

5th grade math. Began specialization teaching model.

Reflecting on the EWS data from Part I, identify one or two potential areas of concern.

Attendance

Rank your highest priorities (maximum of 5) for school improvement in the upcoming school year.

Improve 3rd grade reading proficiency.

Improve Reading and Math for our subgroups of ELL, ESE and ED.

Area of Focus

(Identified key Area of Focus that addresses the school's highest priority based on any/all relevant data sources)

#1. ESSA Subgroup specifically relating to Economically Disadvantaged**Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed.
One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

student proficiency was below state requirement.
Student of the month, free breakfast and lunch.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

To increase this subgroups proficiency by 5 % points.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Our SIT team and PLC's will monitor all three subgroups and their tiered intervention data.

Person responsible for monitoring outcome:

Heather Wallen (hwallen@pasco.k12.fl.us)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

SIPPS for our tier 3 kids
Heggerty
Seeing STARS

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

SIPPS Handbook provides teachers with enhanced routines, which include strategies for integrating visual, auditory, and kinesthetic-tactile learning pathways that help students connect and remember their learning.

The Heggerty Phonemic Awareness Curriculum conducts consistent and repeated instructions, increasing their decoding and encoding abilities. Other benefits of participating in Heggerty's daily lessons include blending, segmenting, substituting, and deleting phonemes.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

No action steps were entered for this area of focus

#2. ESSA Subgroup specifically relating to English Language Learners**Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed.
One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

ELL student did not meet the state requirement for proficiency.

Student of the month, free breakfast and lunch.

Deficit in content/academic vocabulary.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Students will meet ESSA requirements

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

The SIT, PLC's and Leadership team will monitor progress of this subgroups using PLC data, interventions and quarterly data.

Person responsible for monitoring outcome:

Heather Wallen (hwallen@pasco.k12.fl.us)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

In reading, research based and district approved programs and interventions will be used to support students. In math, Eureka Equip or ZEARN will be utilized.

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

The district has provided research based programs.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

No action steps were entered for this area of focus

#3. ESSA Subgroup specifically relating to Students with Disabilities**Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed.
One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

SWD students did not meet the state requirement for proficiency.

Student of the month, free breakfast and lunch.

Deficit in content/academic vocabulary.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Students will meet ESSA requirements

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

The SIT, PLC's and Leadership team will monitor progress of this subgroups using PLC data, interventions and quarterly data.

Person responsible for monitoring outcome:

Stan Mykita (smykita@pasco.k12.fl.us)

#4. Positive Culture and Environment specifically relating to Early Warning System**Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Attendance

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Decrease the amount of chronic absences

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Leadership team will monitor students with a high absenteeism rate.

Person responsible for monitoring outcome:

Stan Mykita (smykita@pasco.k12.fl.us)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

CSI, TSI and ATSI Resource Review

Describe the process to review school improvement funding allocations and ensure resources are allocated based on needs. This section must be completed if the school is identified as ATSI, TSI or CSI in addition to completing an Area(s) of Focus identifying interventions and activities within the SIP (ESSA 1111(d)(1)(B)(4) and (d)(2)(C).

As a system, the Pasco district is engaging in a continuous improvement process always, and annually, we have a more focused reflection to look forward to the next coming school year. During the year, each school reflects and responds to data at the minimum quarterly, and the system engages in regular Calibration Meetings throughout the school year. Additionally, after reflecting on current mid-year data, the system engages in Comprehensive Needs Assessment (CNA). During this time, each school enters a needs assessment process that sets the stage for future planning and includes analysis of student performance, analysis of stakeholder feedback, self-assessment, and site visits. Subsequently, this analysis from each

school drives the district planning process and the annual approach to Planning Forward to respond our schools, as well as the allocation of resources in an intentional manner based on the needs identified for each school.

Student Performance is analyzed by reviewing current and trend data by subgroup and school. Data sources include Florida BEST assessments, Statewide Science Assessment, district developed quarterly check results where applicable, and NWEA MAP Growth data. Stakeholder feedback is analyzed by reviewing results from both the student and staff Gallup polls, staff and parent surveys and focus groups.

Multiple tools are used to conduct a self-assessment. Each school and the district use the Cognia Standards for systems accreditation and each school and the district reviews and evaluates its progress toward goals set using the Best Practices in Inclusive Education (BPIE). Instructional Practice Observations, Professional Learning Community (PLC) rubrics, and Tiers of Support rubrics are also completed by each school to gain insight into instructional and support practices.

An Assistant Superintendent, Multi-Tiered System of Support (MTSS) Specialist, and District personnel engage in individual site visits with school leadership at each school after the school team has completed the first part of their analysis to gain insight into the school's unique needs as well as identify foci for school improvement efforts and needs for implementing the plan.

The conclusion of the CNA results in the identification of the root causes of barriers, the development of a school improvement plan to overcome/reduce barriers to improvement, the allocation of supports needed to implement each school's improvement plan and serves as the foundation for Planning Forward. Schools analyze their plans and basic allocations that will be provided based on district formulas to determine needs for additional allocations, resources and supports. With the school assistant superintendent and the school support team, each school then carefully aligns the additional available funds through Title 1 and/or UniSIG to specific strategies for improvement aimed at reducing barriers to achievement and closing learning gaps for underperforming student groups. This plan for use of additional funding is regularly monitored by the district support team, and is adjusted based on data, including student progress monitoring results, as applicable through the year, with the support of the state BSI team and the Department.
