Demographics

Principal: Mychelle Grover

Start Date for this Principal: 7/26/2022

2019-20 Status (per MSID File)	Active
School Type and Grades Served (per MSID File)	Elementary School PK-5
Primary Service Type (per MSID File)	K-12 General Education
2021-22 Title I School	Yes
2021-22 Economically Disadvantaged (FRL) Rate (as reported on Survey 3)	100%
2021-22 ESSA Subgroups Represented (subgroups with 10 or more students) (subgroups below the federal threshold are identified with an asterisk)	Students With Disabilities* Black/African American Students Economically Disadvantaged Students
School Grades History	2021-22: C (48%) 2018-19: C (46%) 2017-18: C (43%)
2019-20 School Improvement (SI) Information*	
SI Region	Northeast
Regional Executive Director	Cassandra Brusca
Turnaround Option/Cycle	N/A
Year	
Support Tier	
ESSA Status	N/A
* As defined under Rule 6A-1.099811, Florida Administrative Code. For more information, click here .	

School Board Approval

This plan is pending approval by the Duval County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a Schoolwide Improvement Plan (SIP) for each school in the district that has a school grade of D or F. This plan is also a requirement for Targeted Support and Improvement (TS&I) and Comprehensive Support and Improvement (CS&I) schools pursuant to 1008.33 F.S. and the Every Student Succeeds Act (ESSA).

To be designated as TS&I, a school must have one or more ESSA subgroup(s) with a Federal Index below 41%. This plan shall be approved by the district. There are three ways a school can be designated as CS&I:

1. have a school grade of D or F
2. have a graduation rate of 67% or lower
3. have an overall Federal Index below 41%.

For these schools, the SIP shall be approved by the district as well as the Bureau of School Improvement.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or a graduation rate 67% or less. Districts may opt to require a SIP using a template of its choosing for schools that do not fit the aforementioned conditions. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at www.floridacims.org.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

School Board Approval

This plan is pending approval by the Duval County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at

<https://www.floridacims.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement.

At Andrew Robinson Elementary, our mission is to foster a community working together where learning takes priority and students strive for high achievement in the core content areas and the S.T.E.A.M. model.

Provide the school's vision statement.

At Andrew Robinson, our vision is to ensure that all children show academic growth through the implementation of rigorous standards-based instruction and increase critical thinking skills through the Math, Science, and Pre-Engineering magnet program.

School Leadership Team

Membership

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities.:

Name	Position Title	Job Duties and Responsibilities
Grover, Mychelle	Principal	<p>Leads, directs, and manages school operations; recruits, selects, orients, trains, coaches, counsels, and disciplines staff. Plans, monitors, appraises, and reviews staff job contributions to planning, development, delivery, follow-up, and evaluation of school reform initiatives.</p> <p>2. Sets high expectations and standards for the academic and social development of all students. Utilizes data to monitor student achievement aligned to performance expectations.</p> <p>3. Participates in the school performance review process to determine causes of low performance and implements appropriate strategies for school improvement.</p> <p>4. Facilitates professional development of the instructional staff utilizing assessment data and other performance measures. Ensures professional development strategies are aligned and targeted to meet the needs of students in programs.</p> <p>5. Ensures a safe and secure learning environment through the systematic implementation of Positive Behavior Intervention Supports and other appropriate preventive strategies.</p> <p>6. Supervises the school's instructional program through the evaluation of lesson planning, systematic monitoring of curriculum and instruction, and targeted feedback aligned with the Florida Education Accomplished Practices (FEAPs).</p> <p>7. Develops and encourages positive school/community relations with internal and external stakeholders, and serves as liaison between the school, staff, and the community. Actively engages School Advisory Council, PTSA, volunteers, business partners, civic clubs, and parents to create shared ownership for student and school success.</p> <p>8. Administers managerial functions of the school to include efficient and strategic preparation of the school's budget in alignment with school performance initiatives, maintenance of the school facility, and other operational functions impacting student learning.</p> <p>9. Performs other duties as assigned.</p>
Palmer, Lashanda	Assistant Principal	<p>Serve as the principal's designee</p> <ul style="list-style-type: none"> • Assist in managing the learning environment – curriculum implementation, common planning, lesson study, book study, etc... • Oversee Discipline (handle issues, process referrals, etc..) • Conduct formal and informal CAST Evaluations (see CAST calendar) • Conduct daily Walkthroughs and provided specific feedback to faculty and staff • Conduct quarterly Data Chats with teachers • Disaggregate and analyze school-wide data – determine next steps in instruction, provide specific feedback to stakeholders, maintain the school's data notebook and update data boards • Prepare data reports for faculty meetings, common planning, and professional development sessions • Actively participate in and facilitate professional development with staff during common planning and ERD sessions • Participate in monthly coaching meetings for reading and math

Name	Position Title	Job Duties and Responsibilities
		<ul style="list-style-type: none"> • Oversee discipline and adhere to the Code of Conduct - process referrals, communicate with parents and teachers, follow through with disciplinary actions • Participate in the planning of the PBIS and Safety Plans – Monitor the implementation of the plans • Serve as the Testing Coordinator – receive and prepare materials for testing (district & state) • Complete the Title I PIP Budget and Plan – engage stakeholders and oversee the implementation of the plan; maintain the Title I Audit Box • Participate in the planning of the SIP – Monitor the implementation of the plan • Collaborate with staff to create the Master Schedules (classroom & resource) • Oversee the cleanliness and upkeep of the facilities and grounds – complete GCA and cafeteria report cards • Complete Para Evaluations • Handle constituent concerns and complete the weekly Parent Comm. Letter for submission to the principal • Prepare the Morn/After Duty schedules – oversee the implementation • Create and maintain the school's Master Calendar • Schedule and conduct safety drills • Manage quarterly awards – orders, teacher folders, program set-up • Monitor FOCUS and provide PD and support for teachers as needed – approve parent registration • Attend and actively participate in committee meetings – SAC, PTA, etc... • Update the school's webpage and scrolling announcements • Organize Monthly Student of the Month ceremonies • Perform all other duties assigned by the principal
Brock, Stephanie	Instructional Coach	<p>Serve as the Professional Development Facilitator and adhere to all of the roles and responsibilities</p> <ul style="list-style-type: none"> • Participate in MTSS Leadership Team (MLT) and Collaborative Problem Solving Team (CPST) Meetings • Assign and mentor teachers (MINT, novice, or new to the school) • Oversee college interns and completion of the paperwork • Facilitate PD for ELA during common planning, ERD, and/or other scheduled trainings • Conduct content specific book study • Assist with overseeing Program Fidelity and provide curriculum support for teachers • Actively participate in weekly common planning session • Provide small group support for bubble students in 3rd grade • Research and provide instructional resources for teachers • Conduct walkthroughs and classroom observations for teachers who requested support • Prepare and model lessons for teachers participating in coaching cycles – Debrief and provide specific feedback • Provide coaching support (voluntarily and those assigned by administration)

Name	Position Title	Job Duties and Responsibilities
		<ul style="list-style-type: none"> • Maintain a weekly coaching log • Create and implement weekly schedule • Disaggregate and analyze ELA data, create monthly data reports by grade level and class • Assist with maintaining the school's data notebook and update data boards for ELA • Participate in the planning of the SIP (ELA & Writing) • Receive, distribute, and collect ELA materials • Generate grade level ELA common assessments • Facilitate the Ready to Learn • Serve as Achieve 3000 Manager • Plan and facilitate parent workshop • Participate in family nights • Oversee the preparation of the reading celebration and the million word campaign • Perform all other duties assigned by the principal
Sams, Sonja	Other	<p>Provides intensive instruction in reading to at-risk students in a one-on-one or small group setting.</p> <ul style="list-style-type: none"> • Teach content specific groups in 3rd-5th grade daily • Identifies students in grades K-5 who are at-risk of not meeting grade level reading proficiency by analyzing data from identified state and district formative and summative assessments, classroom grades, and Measures of Academic Progress (MAP), and other identified reading curricula based learning objectives. • Work collaboratively with the administrative team to select targeted students based on data and generate a daily schedule for support • Work collaboratively with the homeroom teachers to coordinate intervention program efforts that align with regular classroom instructional focuses to promote student success • Adhere to the daily schedule and maintain accurate attendance records • Generate lesson plans that demonstrate skills of focus for the week • Review student data weekly and make adjustments in instruction to meet the needs of the students • Maintain a data notebook to track the growth of the students • Participate in interventionist training • Administer DAR to all students • Complete running words to determine growth in reading levels • Use research-based materials to provide daily instruction (implement w/ fidelity) • K-2 – iReady Toolkit and Tools for Instruction, Reading Mastery Signature Edition, LLI • 3-5 – LLI, Corrective Reading, iReady Toolkit and Tools for Instruction, Achieve 3000 • Attend admin & interventionist team meetings • Participate in MTSS Leadership Team (MLT) and Collaborative Problem Solving Team (CPST) Meetings • Perform all other duties assigned by the principal

Name	Position Title	Job Duties and Responsibilities
Levesque, Erica	Teacher, ESE	<p>Serve as the school's ESE Liaison and Collaborative Problem Solving Team (CPST) Facilitator</p> <ul style="list-style-type: none"> • Review IEPs for compliance • Create master calendar for IEP reviews • Attend MRT meeting • Facilitate MTSS Leadership Team (MLT) and Collaborative Problem-Solving Team (CPST) meetings with the Guidance Counselor and Behavior Interventionist • Provide instructional support for teachers implementing intervention strategies for MTSS • Help teacher navigate through the documentation MTSS • Provide PD with the Guidance Counselor and Behavior Interventionist on the MTSS process (folders, documentations, interventions, etc...) • Maintain meeting minutes for students before the CPST committee • Perform all other duties assigned by the principal

Demographic Information

Principal start date

Tuesday 7/26/2022, Mychelle Grover

Number of teachers with a 2022 3-year aggregate or a 1-year Algebra state VAM rating of Highly Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

Number of teachers with a 2022 3-year aggregate or a 1-year Algebra state VAM rating of Effective. *Note: For UniSIG Supplemental Teacher Allocation, teachers must have at least 10 student assessments.*

Total number of teacher positions allocated to the school

36

Total number of students enrolled at the school

550

Identify the number of instructional staff who left the school during the 2021-22 school year.

5

Identify the number of instructional staff who joined the school during the 2022-23 school year.

5

Demographic Data

Early Warning Systems

Using prior year's data, complete the table below with the number of students by current grade level that exhibit each early warning indicator listed:

Part III: Planning for Improvement

Data Analysis

Answer the following analysis questions using the progress monitoring data and state assessment data, if applicable.

What trends emerge across grade levels, subgroups and core content areas?

Overall, math saw significant gains in all grade levels and subgroups. Proficiency increased 4 points, student gains increased by 16 points, and LPQ student gains increased by 41 points.

What data components, based off progress monitoring and 2022 state assessments, demonstrate the greatest need for improvement?

ELA-although there was improvement in ELA proficiency percentage, we were not able to breach the 40% target.

Science-although there was an improvement in reading proficiency, this trend did not transfer to science proficiency.

What were the contributing factors to this need for improvement? What new actions would need to be taken to address this need for improvement?

Decreased ELA scores were mainly seen in 5th grade. This also mirrors the decrease in science proficiency. This is attributed to the poor attendance rate of this group of students. This sub group has maintained its proficiency rate throughout their testing career.

ELA-closer monitoring of primary ELA instruction, implementation of interventions prior to mid year, consistent monitoring of student and teacher performance, and adjustments to instruction as needed.

What data components, based off progress monitoring and 2022 state assessments, showed the most improvement?

Overall, math saw significant gains in all grade levels and subgroups. Proficiency increased 4 points, student gains increased by 16 points, and LPQ student gains increased by 41 points.

What were the contributing factors to this improvement? What new actions did your school take in this area?

*Prescriptive instruction for this data component.

*Constant monitoring of student data, and adjustments to instruction as needed.

*Specialized Common Planning/PLCs to equip teachers with strategies for optimum performance for LPQ data component.

What strategies will need to be implemented in order to accelerate learning?

*Continued implementation of prescriptive instruction for all groups.

*Wholistic implementation of standard...elimination of teaching/assessing individual standards in reading. This will be further aided by implementation of BEST standards across all grade levels.

*Continuous common planning/PLCs that focus on strategies/instruction for all groups.

Based on the contributing factors and strategies identified to accelerate learning, describe the professional development opportunities that will be provided at the school to support teachers and leaders.

- *Multiple standards instruction.
- *Teaching of standards in clusters, not isolation.
- *Assessing of multiple standards, thereby providing more test-like opportunities for student performance.

Provide a description of the additional services that will be implemented to ensure sustainability of improvement in the next year and beyond.

- *Inclusion of City Year members to provide additional classroom support.
- *Small group instruction throughout the school day.

Areas of Focus

Identify the key Areas of Focus to address your school's highest priorities based on any/all relevant data sources.

:

#1. Instructional Practice specifically relating to ELA

Area of Focus Description and Rationale:
Include a rationale that explains how it was identified as a critical need from the data reviewed.

According to the most recent PMA data, current FSA data, and the Standards Walkthrough Tool, classroom instruction, aligned tasks, and assessments do not provide adequate support and experiences to students.

Measurable Outcome:
State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

100% of teachers will participate in weekly collaborative planning and data chats with school based leadership.

Monitoring:
Describe how this Area of Focus will be monitored for the desired outcome.

*Weekly classroom walkthroughs will be completed using the Standards Walkthrough Tool.
*Leadership will meet weekly to discuss successes/areas of focus noticed throughout each grade level.
*Leadership will work to develop PLCs/Common Planning that address areas of concern, and use model teachers to present as experts when appropriate.
*Leadership will revisit classrooms to monitor agreed upon changes to instruction.
*Leadership will conduct monthly data chats with teachers.
*Teachers and leadership team will use data collected to make informed decisions surrounding differentiated small groups, and FOCUS calendars.

Person responsible for monitoring outcome:

Mychelle Grover (groverm@duvalschools.org)

Evidence-based Strategy:
Describe the evidence-based strategy being implemented for this Area of Focus.

Administration, coach and interventionist will facilitate specific, focused, data driven collaborative planning using a cyclical approach(plan, implement, observe, adjust) to provide standards based instruction in every ELA classroom, every day.

Rationale for Evidence-based Strategy:
Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

*Implementing effective planning streamlines teacher instruction, ensures that all lessons are driven to ensure standards mastery, and ensures students remain on task.
*Implementing effective planning allows teachers to reflect on their craft, glean from other colleagues, provide adjustments to their teaching, and sustain building capacity.
*Consistent data chats ensures that students receive small group, prescriptive activities geared towards improving student misconceptions. Data chats also ensure that monthly Focus calendars align to standards previously taught.

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

*Focused common planning.
*Common planning that is based on teacher needs
*Ensuring that student work is dissected, determining student areas of deficiency as well as teacher deficiencies.
*Determining when adjustments to instruction should be made.
*Providing additional paraprofessional support to ELA classrooms. This will enable teachers to provide data driven, small group instruction.

*Provide additional ELA support during Media resource. This will be provided for all students through the incorporation of a full time media specialist.

*Provide additional supplies for all ELA classrooms to ensure active student engagement.

Person Responsible

Mychelle Grover (groverm@duvalschools.org)

#2. Instructional Practice specifically relating to Science

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a critical need from the data reviewed.

According to the most recent PMA data, current FSA data, and the Standards Walkthrough Tool, classroom instruction, aligned tasks, and assessments do not provide adequate support and experiences to students.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

100% of teachers will participate in weekly collaborative planning with school based leadership.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

*Weekly classroom walkthroughs will be completed using the Standards Walkthrough Tool.

*Leadership will meet weekly to discuss successes/areas of focus noticed throughout each grade level.

*Leadership will work to develop PLCs/Common Planning that address areas of concern, and use model teachers to present as experts when appropriate.

*Leadership will revisit classrooms to monitor agreed upon changes to instruction.

*Teachers and leadership will participate in monthly data chats.

Person responsible for monitoring outcome:

Lashanda Palmer (belll2@duvalschools.org)

Evidence-based Strategy:

Describe the evidence-based strategy being implemented for this Area of Focus.

Administration, coach and interventionist will facilitate specific, focused, data driven collaborative planning using a cyclical approach(plan, implement, observe, adjust) to provide standards based instruction in every science classroom, every day.

Rationale for Evidence-based Strategy:

Explain the rationale for selecting this specific strategy. Describe the resources/criteria used for selecting this strategy.

*Implementing effective planning streamlines teacher instruction, ensures that all lessons are driven to ensure standards mastery, and ensures students remain on task.

*Implementing effective planning allows teachers to reflect on their craft, glean from other colleagues, provide adjustments to their teaching, and sustain building capacity.

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

*Focused common planning.

*Common planning that is based on teacher needs

*Ensuring that student work is dissected, determining student areas of deficiency as well as teacher deficiencies.

*Determining when adjustments to instruction should be made.

*Provide additional support to 3rd grade math students through the addition of an additional 3rd grade math/science teacher.

Person Responsible

Lashanda Palmer (belll2@duvalschools.org)

RAISE

The RAISE program established criteria for identifying schools for additional support. The criteria for the 2022-23 school year includes schools with students in grades Kindergarten through fifth, where 50 percent or more of its students, for any grade level, score below a level 3 on the most recent statewide English Language Arts (ELA) assessment.

Area of Focus Description and Rationale

Include a description of your Area of Focus (Instructional Practice specifically relating to Reading/ELA) for each grade below, how it affects student learning in literacy, and a rationale that explains how it was identified as a critical need from the data reviewed. Data that should be used to determine the critical need should include, at a minimum:

- The percentage of students below Level 3 on the 2022 statewide, standardized ELA assessment. Identification criteria must include each grade that has 50 percent or more students scoring below level 3 in grades 3-5 on the statewide, standardized ELA assessment.
- The percentage of students in kindergarten through grade 3, based on 2021-2022 end of year screening and progress monitoring data, who are not on track to score Level 3 or above on the statewide, standardized ELA assessment.
- Other forms of data that should be considered: formative, progress monitoring and diagnostic assessment data.

Grades K-2: Instructional Practice specifically relating to Reading/ELA

According to the most recent PMA data, current FSA data, and the Standards Walkthrough Tool, classroom instruction, aligned tasks, and assessments do not provide adequate support and experiences to students.

Grades 3-5: Instructional Practice specifically relating to Reading/ELA

According to the most recent PMA data, current FSA data, and the Standards Walkthrough Tool, classroom instruction, aligned tasks, and assessments do not provide adequate support and experiences to students. The overall percentage of students proficient in reading/ELA for the 2021-2022 school year was 35%

Measurable Outcomes:

State the specific measurable outcome the school plans to achieve for each grade below. This should be a data based, objective outcome. Include prior year data and a measurable outcome for each of the following:

- Each grade K-3, using the new coordinated screening and progress monitoring system, where 50 percent or more of the students are not on track to pass the statewide ELA assessment.
- Each grade 3-5 where 50 percent or more of its students scored below a level 3 on the most recent statewide, standardized ELA assessment and
- Grade 6 measurable outcomes may be included, as applicable.

Grades K-2: Measureable Outcome(s)

100% of teachers will participate in weekly collaborative planning and data chats with school based leadership, resulting in an increase of student proficiency to 50%.

Grades 3-5: Measureable Outcome(s)

100% of teachers will participate in weekly collaborative planning and data chats with school based leadership, resulting in an increase of student proficiency to 50%. This will be measured by the 2022-2023 FAST.

Monitoring:

Describe how the school's Area(s) of Focus will be monitored for the desired outcomes. Include a description of how ongoing monitoring will take place with evaluating impact at the end of the year.

- *Weekly classroom walkthroughs will be completed using the Standards Walkthrough Tool.
- *Leadership will meet weekly to discuss successes/areas of focus noticed throughout each grade level.
- *Leadership will work to develop PLCs/Common Planning that address areas of concern, and use model teachers to present as experts when appropriate.
- *Leadership will revisit classrooms to monitor agreed upon changes to instruction.
- *Leadership will conduct monthly data chats with teachers.
- *Teachers and leadership team will use data collected to make informed decisions surrounding differentiated small groups, and FOCUS calendars.

Person responsible for monitoring outcome:

Select the person responsible for monitoring this outcome.

Grover, Mychelle, groverm@duvalschools.org

Evidence-based Practices/Programs:

Describe the evidence-based practices/programs being implemented to achieve the measurable outcomes in each grade and describe how the identified practices/programs will be monitored. The term "evidence-based" means demonstrating a statistically significant effect on improving student outcomes or other relevant outcomes as provided in 20 U.S.C. Â§7801(21)(A)(i). Florida's definition limits evidence-based practices/programs to only those with strong, moderate or promising levels of evidence.

- Do the identified evidence-based practices/programs meet Florida's definition of evidence-based (strong, moderate or promising)?
- Do the evidence-based practices/programs align with the district's K-12 Comprehensive Evidence-based Reading Plan?
- Do the evidence-based practices/programs align to the B.E.S.T. ELA Standards?

- *Implementation of Benchmark Advance curriculum.
- *Implementation of differentiated small groups.
- *Implementation of UFLI in primary grades.
- *Read USA small group tutoring.

Rationale for Evidence-based Practices/Programs:

Explain the rationale for selecting the specific practices/programs. Describe the resources/criteria used for selecting the practices/programs.

- Do the evidence-based practices/programs address the identified need?
- Do the identified practices/programs show proven record of effectiveness for the target population?

*Implementing Benchmark Advance will expose students to grade level material that provides standards instruction in a wholistic manner, as directed by the BEST standards.

*Differentiated small group instruction will provide students with instruction based on their needs/deficiencies.

*UFLI will provide primary students engaging instruction focused on phonics.

Action Steps to Implement:

List the action steps that will be taken to address the school's Area(s) of Focus. To address the area of focus, identify 2 to 3 action steps and explain in detail for each of the categories below:

- Literacy Leadership
- Literacy Coaching
- Assessment
- Professional Learning

Action Step	Person Responsible for Monitoring
<p>*Focused common planning.</p> <p>*Common planning that is based on teacher needs</p> <p>*Ensuring that student work is dissected, determining student areas of deficiency as well as teacher deficiencies.</p> <p>*Determining when adjustments to instruction should be made.</p> <p>*Providing additional paraprofessional support to ELA classrooms. Positive Culture & Environment

A positive school culture and environment reflects: a supportive and fulfilling environment, learning conditions that meet the needs of all students, people who are sure of their roles and relationships in student learning and a culture that values trust, respect and high expectations. Consulting with various stakeholder groups is critical in formulating a statement of vision, mission, values, goals, and employing school improvement strategies that impact the school culture and environment. Stakeholder groups more proximal to the school include teachers, students and families of students, volunteers and school board members. Broad stakeholder groups include early childhood providers, community colleges and universities, social services and business partners.

Describe how the school addresses building a positive school culture and environment.

Safety

1. Revise, review, and implement expectations outlined in the safe schools plan. Train teachers wot ensure understanding of expectations
2. Conduct monthly required safety drills and record findings in the reporting programs
3. Conduct monthly meetings with the safety team to review and update safety protocols when needed

Business /Community Partnerships

1. Cultivate existing partnership for the upcoming year
2. Meet monthly with partners to review programming and effective of the program
3. Seek opportunities to increase the number of business/community partnership at the school

Teacher Recruitment/Retention

1. Seek and hire high quality teachers
2. Assign mentors to support new teachers to the school
3. Conduct monthly teacher meet & greets and address topics submitted by the staff
4. Provide opportunities to teacher leaders to facilitate professional learning or lead committees
5. Establish model classrooms and utilize those rooms for instructional rounding
6. Conduct monthly staff outings to build relationships with staff beyond the school day
7. Provide opportunities for teachers to participate in the decision-making process
8. Survey the teachers and provide opportunities for input in teaching assignments for the next school year

Identify the stakeholders and their role in promoting a positive school culture and environment.

All teachers, staff, parents, business partners, community partners, and faith based partners are involved in promoting positive culture and environment at Andrew Robinson Elementary.

Teachers-lead professional development, supervise committees, and lead spirit committee, which recognizes teachers ,birthdays, celebrations, etc.

Business partners-provide teacher incentives, student incentives, and school support as needed.

Community partners-provide teacher incentives, classroom volunteers, and student incentives.

Faith based partners-provide classroom volunteers, teacher and student incentives.
