SIP Authority

Section 1001.42(18), Florida Statutes (F.S.), requires district school boards to annually approve and require implementation of a new, amended, or continuation SIP for each school in the district which has a school grade of D or F; has a significant gap in achievement on statewide, standardized assessments administered pursuant to s. 1008.22 by one or more student subgroups, as defined in the federal Elementary and Secondary Education Act (ESEA), 20 U.S.C. s. 6311(b)(2)(C)(v)(II); has not significantly increased the percentage of students passing statewide, standardized assessments; has not significantly increased the percentage of students demonstrating Learning Gains, as defined in s. 1008.34, and as calculated under s. 1008.34(3)(b), who passed statewide, standardized assessments; has been identified as requiring instructional supports under the Reading Achievement Initiative for Scholastic Excellence (RAISE) program established in s. 1008.365; or has significantly lower graduation rates for a subgroup when compared to the state's graduation rate. Rule 6A-1.098813, Florida Administrative Code (F.A.C.), requires district school boards to approve a SIP for each Department of Juvenile Justice (DJJ) school in the district rated as Unsatisfactory.

Below are the criteria for identification of traditional public and public charter schools pursuant to the Every Student Succeeds Act (ESSA) State plan:

Additional Target Support and Improvement (ATSI)

A school not identified for CSI or TSI, but has one or more subgroups with a Federal Index below 41%.

Targeted Support and Improvement (TSI)

A school not identified as CSI that has at least one consistently underperforming subgroup with a Federal Index below 32% for three consecutive years.

Comprehensive Support and Improvement (CSI)

A school can be identified as CSI in any of the following four ways:

1. Have an overall Federal Index below 41%;
2. Have a graduation rate at or below 67%;
3. Have a school grade of D or F; or
4. Have a Federal Index below 41% in the same subgroup(s) for 6 consecutive years.

ESEA sections 1111(d) requires that each school identified for ATSI, TSI or CSI develop a support and improvement plan created in partnership with stakeholders (including principals and other school leaders, teachers and parent), is informed by all indicators in the State's accountability system, includes evidence-based interventions, is based on a school-level needs assessment, and identifies resource inequities to be addressed through implementation of the plan. The support and improvement plans for schools identified as TSI, ATSI and non-Title I CSI must be approved and monitored by the school district. The support and improvement plans for schools identified as Title I, CSI must be approved by the school district and

Department. The Department must monitor and periodically review implementation of each CSI plan after approval.

The Department's SIP template in the Florida Continuous Improvement Management System (CIMS), <https://www.floridacims.org>, meets all state and rule requirements for traditional public schools and incorporates all ESSA components for a support and improvement plan required for traditional public and public charter schools identified as CSI, TSI and ATSI, and eligible schools applying for Unified School Improvement Grant (UniSIG) funds.

Districts may allow schools that do not fit the aforementioned conditions to develop a SIP using the template in CIMS.

The responses to the corresponding sections in the Department's SIP template may address the requirements for: 1) Title I schools operating a schoolwide program (SWD), pursuant to ESSA, as amended, Section 1114(b); and 2) charter schools that receive a school grade of D or F or three consecutive grades below C, pursuant to Rule 6A-1.099827, F.A.C. The chart below lists the applicable requirements.

SIP Sections	Title I Schoolwide Program	Charter Schools
I-A: School Mission/Vision		6A-1.099827(4)(a)(1)
I-B-C: School Leadership, Stakeholder Involvement & SIP Monitoring	ESSA 1114(b)(2-3)	
I-E: Early Warning System	ESSA 1114(b)(7)(A)(iii)(III)	6A-1.099827(4)(a)(2)
II-A-C: Data Review		6A-1.099827(4)(a)(2)
II-F: Progress Monitoring	ESSA 1114(b)(3)	
III-A: Data Analysis/Reflection	ESSA 1114(b)(6)	6A-1.099827(4)(a)(4)
III-B: Area(s) of Focus	ESSA 1114(b)(7)(A)(i-iii)	
III-C: Other SI Priorities		6A-1.099827(4)(a)(5-9)
VI: Title I Requirements	ESSA 1114(b)(2, 4-5), (7)(A)(iii)(I-V)-(B) ESSA 1116(b-g)	

Note: Charter schools that are also Title I must comply with the requirements in both columns.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Department encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

I. School Information

School Mission and Vision

Provide the school's mission statement.

The City of Hialeah Educational Academy is committed to setting an environment that strives for academic achievement, develops character and maintains the goal of preparing students to serve and give back to their community in the field of public service.

Provide the school's vision statement.

The vision of the City of Hialeah Educational Academy is to provide a high quality, rigorous career oriented curriculum that will prepare students for successful progression into post-secondary education and productive employment within a multilingual work environment.

School Leadership Team, Stakeholder Involvement and SIP Monitoring

School Leadership Team

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities as it relates to SIP implementation for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
		Master Schedule Maintenance Administrator School Safety & Compliance CRISIS Management & Intervention Instructional Leadership-All Core Areas School Budget & Expenditures Staffing Federal Grants (Title I, II, III, IV / ESSER I, II, III) Marketing & Communication Enrollment/Admissions National COHEA Student Council CTE/Academies Administrator President/Chief Academic Officer Civica Network Oversight of Athletics Community Partners DLI Evaluation (only Dept. Stakeholder Involvement and SIP Development

Describe the process for involving stakeholders (including the school leadership team, teachers and school staff, parents, students (mandatory for secondary schools) and families, and business or community leaders) and how their input was used in the SIP development process. (ESSA 1114(b)(2))

Note: If a School Advisory Council is used to fulfill these requirements, it must include all required stakeholders.

The SIP is a collaborative effort developed by all stakeholders at City of Hialeah Educational Academy including the school leadership team and the schools curriculum leadership council which met at the commencement of the 2023-2024 school year to review data and give input on the SIP. In addition, an EESAC meeting was held with leadership team, teachers, staff, community partners, parents and students during this meeting stakeholders shared their input on data and goals for the development of the SIP.

SIP Monitoring

Describe how the SIP will be regularly monitored for effective implementation and impact on increasing the achievement of students in meeting the State’s academic standards, particularly for those students with the greatest achievement gap. Describe how the school will revise the plan, as necessary, to ensure continuous improvement. (ESSA 1114(b)(3))

The SIP will be monitored on a quarterly basis for effective implementation during EESAC meetings with parents, community stakeholders, students, teachers and staff. The leadership team will meet monthly to review data and make adjustments to the SIP as needed to ensure the needs of students with the greatest achievement gaps are being met. Administration will use classroom walkthroughs, and student data to monitor the implementation of the SIP. Teachers, have common planning meetings by department and participate in professional learning communities where they can collaboratively discuss student progress and make adjustments to lessons as needed based on student needs.

Early Warning Systems

Using 2022-23 data, complete the table below with the number of students by current grade level that exhibit each early warning indicator listed:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Absent 10% or more days	0	0	0	0	0	0	0	0	0	0
One or more suspensions	0	0	0	0	0	0	0	0	0	0
Course failure in English Language Arts (ELA)	0	0	0	0	0	0	1	0	0	1
Course failure in Math	0	0	0	0	0	0	0	2	0	2
Level 1 on statewide ELA assessment	0	0	0	0	0	0	24	52	1	77
Level 1 on statewide Math assessment	0	0	0	0	0	0	29	57	2	88
Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C.	0	0	0	0	0	0	0	0	0	0
	0	0	0	0	0	0	0	0	0	0

Using the table above, complete the table below with the number of students by current grade level that have two or more early warning indicators:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Students with two or more indicators	0	0	0	0	0	0	18	40	1	59

Using the table above, complete the table below with the number of students identified retained:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Retained Students: Current Year	0	0	0	0	0	0	0	0	0	0
Students retained two or more times	0	0	0	0	0	0	0	0	0	0

Prior Year (2022-23) As Initially Reported (pre-populated)

The number of students by grade level that exhibited each early warning indicator:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Absent 10% or more days	0	0	0	0	0	0	0	0	0	
One or more suspensions	0	0	0	0	0	0	3	2	2	13
Course failure in ELA	0	0	0	0	0	0	0	1	0	2
Course failure in Math	0	0	0	0	0	0	6	0	0	13
Level 1 on statewide ELA assessment	0	0	0	0	0	0	22	53	55	274
Level 1 on statewide Math assessment	0	0	0	0	0	0	25	59	73	293
Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C.	0	0	0	0	0	0	0	0	0	

The number of students by current grade level that had two or more early warning indicators:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Students with two or more indicators	0	0	0	0	0	0	12	40	50	180

The number of students identified retained:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Retained Students: Current Year	0	0	0	0	0	0	0	0	0	
Students retained two or more times	0	0	0	0	0	0	0	0	0	

Prior Year (2022-23) Updated (pre-populated)

Section 3 includes data tables that are pre-populated based off information submitted in prior year's SIP.

The number of students by grade level that exhibited each early warning indicator:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Absent 10% or more days	0	0	0	0	0	0	0	0	0	
One or more suspensions	0	0	0	0	0	0	3	2	2	7
Course failure in ELA	0	0	0	0	0	0	0	1	0	1
Course failure in Math	0	0	0	0	0	0	6	0	0	6
Level 1 on statewide ELA assessment	0	0	0	0	0	0	22	53	55	130
Level 1 on statewide Math assessment	0	0	0	0	0	0	25	59	73	157
Number of students with a substantial reading deficiency as defined by Rule 6A-6.0531, F.A.C.	0	0	0	0	0	0	0	0	0	

The number of students by current grade level that had two or more early warning indicators:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Students with two or more indicators	0	0	0	0	0	0	12	40	50	102

The number of students identified retained:

Indicator	Grade Level									Total
	K	1	2	3	4	5	6	7	8	
Retained Students: Current Year	0	0	0	0	0	0	0	0	0	0
Students retained two or more times	0	0	0	0	0	0	0	0	0	0

II. Needs Assessment/Data Review

ESSA School, District and State Comparison (pre-populated)

Please note that the district and state averages shown here represent the averages for similar school types (elementary, middle, high school or combination schools). Each "blank" cell indicates the school had less than 10 eligible students with data for a particular component and was not calculated for the school.

On April 9, 2021, FDOE Emergency Order No. 2021-EO-02 made 2020-21 school grades optional. They have been removed from this publication.

Accountability Component	2023			2022			2021		
	School	District	State	School	District	State	School	District	State
ELA Achievement*	59	55	50	60	54	51	57		
ELA Learning Gains				58			58		
ELA Lowest 25th Percentile				50			46		
Math Achievement*	59	43	38	52	42	38	42		
Math Learning Gains				64			25		
Math Lowest 25th Percentile				62			25		
Science Achievement*	58	62	64	54	41	40	42		
Social Studies Achievement*	74	69	66	77	56	48	67		
Middle School Acceleration	55			51	56	44	52		
Graduation Rate	97	89	89	100	56	61	98		
College and Career Acceleration	86	70	65	94	67	67	99		
ELP Progress	55	49	45	60			77		

* In cases where a school does not test 95% of students in a subject, the achievement component will be different in the Federal Percent of Points Index (FPPI) than in school grades calculation.

See [Florida School Grades, School Improvement Ratings and DJJ Accountability Ratings](#).

III. Planning for Improvement

Data Analysis/Reflection

Answer the following reflection prompts after examining any/all relevant school data sources.

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

Based on student data, the component with the lowest student performance was Geometry. One contributing factor was the lack of in-class support for students enrolled in the course of Geometry. Additionally, low performing Geometry students did not receive intensive remediation as did students in the lower math curriculum courses. Saturday tutoring was offered to students, but participation was low for students taking Geometry.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

The data showed the greatest decline from the prior year was in the area of 7th grade ELA (-14 points). Some of the factors that contributed to this decline was overall learning gap amongst this group of students and the new assessment standards on the FAST. Additionally, both 7th grade ELA and Reading teachers were new teachers to the education field.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

The data component that showed the greatest gap when compared to the state average was US History (+16 points). The factors that contributed to this positive gap was investing in students with afterschool tutoring and various seminars targeting the assessment standards. Differentiated instruction targeting vocabulary and analyzing primary and secondary sources from the 1890's -1940's. Cross curricular planning amongst departments.

Which data component showed the most improvement? What new actions did your school take in this area?

The data component that showed the most improvements was 6th grade math (+14 points). Continued actions that helped were intervention (pull out) provided, and Saturday tutoring sessions. Data chats with students and teachers. Different teachers providing instruction. One teacher for regular mathematics and a different teacher for intensive mathematics. Informational parent nights to increase parental support and understanding of student expectations.

Reflecting on the EWS data from Part I, identify one or two potential areas of concern.

Reflection on the EWS data one potential area of concern is the amount of students that scored a Level 1 on statewide ELA/Math assessment

Rank your highest priorities (maximum of 5) for school improvement in the upcoming school year.

1. increase ELA F.A.S.T. PM3
2. increase Math EOC Achievement

Area of Focus

(Identified key Area of Focus that addresses the school's highest priority based on any/all relevant data sources)

#1. Instructional Practice specifically relating to Math

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

As part of our initial Professional Learning Community, the Curriculum Leadership Council, met to review and discuss the Math EOC data and collaborated on the trend of second year decline in the area of geometry.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Increase Math EOC achievement proficiency by 2% from 53% to 55% as measured by the Spring 2024 Administration of the EOC Assessment.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

The Administration Team and the Department Head will conduct walk-throughs and data chats on a monthly basis.

Person responsible for monitoring outcome:

Nelson Pena (npena@coheaedu.com)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

COHEA will be using results from FAST PM1 to identify students that need extra support or remediation. Student will be pulled out and interventions will be determined by the students individual are of need. I-Ready will be used to remediate academic gaps.

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

Our school has hired additional math interventionists in order to support and ensure that our students are being helped in their specific area of need.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

No action steps were entered for this area of focus

#2. Positive Culture and Environment specifically relating to Other

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

One Area of Focus is to increase positive culture and environment which will enable teachers to participate and collaborate in leadership opportunities.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Teachers across departments will collaborate and create cross-curricular lessons to support student learning during teacher led professional learning communities throughout the school year.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

This will be monitored by PLC sign-in sheets and teacher cross-curricular lesson plans.

Person responsible for monitoring outcome:

Graciela Carbajosa (carbajosag@dadeschools.net)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

No action steps were entered for this area of focus

#3. Instructional Practice specifically relating to ELA

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

As part of our initial Professional Learning Community, the Curriculum Leadership Council, met to review and discuss the ELA data and collaborated on the trends in the area of reading.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

The students in sixth through tenth grade will increase from 57% to 59% proficient as evidenced by the ELA F.A.S.T. PM3 by June 2024.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

The Administration Team and the Department Heads will conduct daily walkthroughs. The team will meet monthly to review and discuss how the students are performing. COHEA has hired Interventionists to do the push-ins and pull out with our low performing students.

Person responsible for monitoring outcome:

Kristine Gonzalez (kigonzalez@dadeschools.net)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Differentiated instruction, data chat sheet, Reading intervention will tailor sessions to the students needs, more progress monitoring across all content areas, closer monitor of subgroups, and vertical alignment. Other resources that are being implemented are I Ready and Achieve 3000.

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

COHEA will utilize the resources to assist with this improvement, continuous interventions, Saturday tutoring, and push-ins.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

No action steps were entered for this area of focus

Title I Requirements

Schoolwide Program Plan (SWP) Requirements

This section must be completed if the school is implementing a Title I, Part A SWP and opts to use the SIP to satisfy the requirements of the SWP plan, as outlined in the ESSA, Public Law No. 114-95, § 1114(b). This section is not required for non-Title I schools.

Provide the methods for dissemination of this SIP, UniSIG budget and SWP to stakeholders (e.g., students, families, school staff and leadership and local businesses and organizations). Please articulate a plan or protocol for how this SIP and progress will be shared and disseminated and to the extent practicable, provided in a language a parent can understand. (ESSA 1114(b)(4))

List the school's webpage* where the SIP is made publicly available.

Dissemination of the SIP to all stakeholders including students, families will be during EESAC Meetings and Parent Academies. During EESAC meetings leadership team and staff will collaborate with parents and students to discuss school goals and communicate steps towards meeting these goals. In addition, the SIP will be made available to faculty during monthly faculty meeting and professional learning communities.

Describe how the school plans to build positive relationships with parents, families and other community stakeholders to fulfill the school's mission, support the needs of students and keep parents informed of their child's progress.

List the school's webpage* where the school's Family Engagement Plan is made publicly available. (ESSA 1116(b-g))

The school plans to build positive relationships with parents, and families through monthly Parent Academies, Annual Family Day, Parent Nights, Holiday Parent Recognition Events and quarterly EESAC Meetings. To support the needs of students and keep parents informed of their child's progress the school will host quarterly Parent Teacher conferences. In addition, parents will receive messages via school messenger, Remind, email, and social media regarding upcoming school events and assessments.

Describe how the school plans to strengthen the academic program in the school, increase the amount and quality of learning time and help provide an enriched and accelerated curriculum. Include the Area of Focus if addressed in Part III of the SIP. (ESSA 1114(b)(7)ii)

The school plans to strengthen the academic program in the school by providing differentiated instruction, data chat sheet, Math interventions tailored to the students, additional progress monitoring across all content areas, closer monitoring of subgroups, and vertical alignment. Teacher will plan cross curricular lessons to support each other and ensure student engagement on aligned topics. In the area of mathematics, additional interventionists have been hired and will provide support to algebra 1 and geometry students.

If appropriate and applicable, describe how this plan is developed in coordination and integration with other Federal, State, and local services, resources and programs, such as programs supported under ESSA, violence prevention programs, nutrition programs, housing programs, Head Start programs, adult education programs, career and technical education programs, and schools implementing CSI or TSI activities under section 1111(d). (ESSA 1114(b)(5))
