## School Board Approval

This plan was approved by the Lee County School Board on 9/12/2023.

## SIP Authority

Section 1001.42(18), Florida Statutes (F.S.), requires district school boards to annually approve and require implementation of a new, amended, or continuation SIP for each school in the district which has a school grade of D or F; has a significant gap in achievement on statewide, standardized assessments administered pursuant to s. 1008.22 by one or more student subgroups, as defined in the federal Elementary and Secondary Education Act (ESEA), 20 U.S.C. s. 6311(b)(2)(C)(v)(II); has not significantly increased the percentage of students passing statewide, standardized assessments; has not significantly increased the percentage of students demonstrating Learning Gains, as defined in s. 1008.34, and as calculated under s. 1008.34(3)(b), who passed statewide, standardized assessments; has been identified as requiring instructional supports under the Reading Achievement Initiative for Scholastic Excellence (RAISE) program established in s. 1008.365; or has significantly lower graduation rates for a subgroup when compared to the state's graduation rate. Rule 6A-1.098813, Florida Administrative Code (F.A.C.), requires district school boards to approve a SIP for each Department of Juvenile Justice (DJJ) school in the district rated as Unsatisfactory.

Below are the criteria for identification of traditional public and public charter schools pursuant to the Every Student Succeeds Act (ESSA) State plan:

### Additional Target Support and Improvement (ATSI)

A school not identified for CSI or TSI, but has one or more subgroups with a Federal Index below 41%.

### Targeted Support and Improvement (TSI)

A school not identified as CSI that has at least one consistently underperforming subgroup with a Federal Index below 32% for three consecutive years.

### Comprehensive Support and Improvement (CSI)

A school can be identified as CSI in any of the following four ways:

1. Have an overall Federal Index below 41%;
2. Have a graduation rate at or below 67%;
3. Have a school grade of D or F; or
4. Have a Federal Index below 41% in the same subgroup(s) for 6 consecutive years.

ESEA sections 1111(d) requires that each school identified for ATSI, TSI or CSI develop a support and improvement plan created in partnership with stakeholders (including principals and other school leaders, teachers and parent), is informed by all indicators in the State's accountability system, includes evidence-based interventions, is based on a school-level needs assessment, and identifies resource inequities to be

addressed through implementation of the plan. The support and improvement plans for schools identified as TSI, ATSI and non-Title I CSI must be approved and monitored by the school district. The support and improvement plans for schools identified as Title I, CSI must be approved by the school district and Department. The Department must monitor and periodically review implementation of each CSI plan after approval.

The Department's SIP template in the Florida Continuous Improvement Management System (CIMS), <https://www.floridacims.org>, meets all state and rule requirements for traditional public schools and incorporates all ESSA components for a support and improvement plan required for traditional public and public charter schools identified as CSI, TSI and ATSI, and eligible schools applying for Unified School Improvement Grant (UniSIG) funds.

Districts may allow schools that do not fit the aforementioned conditions to develop a SIP using the template in CIMS.

The responses to the corresponding sections in the Department's SIP template may address the requirements for: 1) Title I schools operating a schoolwide program (SWD), pursuant to ESSA, as amended, Section 1114(b); and 2) charter schools that receive a school grade of D or F or three consecutive grades below C, pursuant to Rule 6A-1.099827, F.A.C. The chart below lists the applicable requirements.

SIP Sections	Title I Schoolwide Program	Charter Schools
I-A: School Mission/Vision		6A-1.099827(4)(a)(1)
I-B-C: School Leadership, Stakeholder Involvement & SIP Monitoring	ESSA 1114(b)(2-3)	
I-E: Early Warning System	ESSA 1114(b)(7)(A)(iii)(III)	6A-1.099827(4)(a)(2)
II-A-C: Data Review		6A-1.099827(4)(a)(2)
II-F: Progress Monitoring	ESSA 1114(b)(3)	
III-A: Data Analysis/Reflection	ESSA 1114(b)(6)	6A-1.099827(4)(a)(4)
III-B: Area(s) of Focus	ESSA 1114(b)(7)(A)(i-iii)	
III-C: Other SI Priorities		6A-1.099827(4)(a)(5-9)
VI: Title I Requirements	ESSA 1114(b)(2, 4-5), (7)(A)(iii)(I-V)-(B) ESSA 1116(b-g)	

Note: Charter schools that are also Title I must comply with the requirements in both columns.

## **Purpose and Outline of the SIP**

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Department encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

## I. School Information

### School Mission and Vision

#### Provide the school's mission statement.

Our mission is to create a K-12 system that educates students to be responsible, critical thinkers who are prepared to successfully compete in a dynamic, global workforce.

#### Provide the school's vision statement.

"Four Schools, One Vision" We believe that everyone can succeed in a nurturing and secure learning environment that is supported by diverse and meaningful community partnerships..

### School Leadership Team, Stakeholder Involvement and SIP Monitoring

#### School Leadership Team

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities as it relates to SIP implementation for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Brown, Kevin	Principal	Responsible for full implementation of SIP

#### Stakeholder Involvement and SIP Development

Describe the process for involving stakeholders (including the school leadership team, teachers and school staff, parents, students (mandatory for secondary schools) and families, and business or community leaders) and how their input was used in the SIP development process. (ESSA 1114(b)(2))

Note: If a School Advisory Council is used to fulfill these requirements, it must include all required stakeholders.

The Leadership Team consists of a representative from each grade level including ESE. The Principal is the lead of this team. The Assistant Principal is also a member of this team. Our current data was shared with a sampling of our current students, along with our SAC. Both groups share the Leaderships Team desire to increase the academic achievement of all students.

#### SAC Members:

Kevin Brown - Principal  
 Kelly Weeks - Assistant Principal  
 Tiffany Lanzone  
 Courtney Gabelbauer - Parent  
 Jamie Stone - Parent  
 Kelly Coppertino - Parent  
 Sage Stella - Parent

#### SIP Monitoring

Describe how the SIP will be regularly monitored for effective implementation and impact on increasing the achievement of students in meeting the State's academic standards, particularly for those students with the greatest achievement gap. Describe how the school will revise the plan, as necessary, to ensure continuous improvement. (ESSA 1114(b)(3))

Our goal was shared multiple times at preschool week meetings with all staff. They clearly understand the focus we will have on our students with disabilities and their academic achievement. Sources of data will include teacher observation, STAR Reading and FAST Reading. Data points will be examined every two weeks at grade level data meetings.

The ESE will work with classroom teachers to best accommodate the additional needs of the ESE students.

### Grade Level Data Review– State Assessments (pre-populated)

The data are raw data and include ALL students who tested at the school. This is not school grade data. The percentages shown here represent ALL students who received a score of 3 or higher on the statewide assessments.

An asterisk (\*) in any cell indicates the data has been suppressed due to fewer than 10 students tested, or all tested students scoring the same.

### III. Planning for Improvement

#### Data Analysis/Reflection

Answer the following reflection prompts after examining any/all relevant school data sources.

**Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.**

Our SWD subgroup is the lowest performing group in our school. According to the 21-22 FSA results, of our lowest 25% of our students, 59% made learning gains with 35% of the SWD population being proficient (Level 3).

**Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.**

Our overall proficiency levels for ELA went from 71% to 69%. Factors for this decline include missing approximately 21 days of school due to Hurricane Ian, air conditioner issues for approximately five months and an new ESE teacher who attendance issues.

**Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.**

Our school scores were well above the state and district averages. However, our SWD did not exceed the 41% threshold for proficiency.

**Which data component showed the most improvement? What new actions did your school take in this area?**

Our math scores were exceptional in all grades.

A new math curriculum was adopted last year (Savvas). We also use a small group math learning model that is extremely effective.

**Reflecting on the EWS data from Part I, identify one or two potential areas of concern.**

Our major area of concern is the reading achievement of all students. We continue to hover around 70% of students proficient in reading.

Our second goal for this year is to work to improve achievement in reading. We are focused on providing the most appropriate interventions to struggling students, including an intensive reading class to our Level 1.

**Rank your highest priorities (maximum of 5) for school improvement in the upcoming school year.**

SWD subgroup - reading proficiency and learning gains (if being calculated this year)

Reading proficiency for all students

**Area of Focus**

(Identified key Area of Focus that addresses the school's highest priority based on any/all relevant data sources)

**#1. ESSA Subgroup specifically relating to Students with Disabilities****Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Our SWD subgroup was selected as ATSI by the State. This group of students is performing at 35%, below the State target of 41%. This trend has been seen here at OEN the last two years.

**Measurable Outcome:**

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

In our SWD subgroup, at least 41% of students will show proficiency on the PM3 FAST Reading.  
In our SWD subgroup, at least 50% of students will make learning gains (if calculated by the State) on the PM3 FAST Reading results from 23-24, when compared to the PM3 FAST Reading results from 22-23.

**Monitoring:**

Describe how this Area of Focus will be monitored for the desired outcome.

PLCs meetings - Teachers will be tracking this data and the growth of students through...  
FAST Reading PM1, PM2, PM3  
Classroom Assessments  
STAR Testing  
Classroom Observations

**Person responsible for monitoring outcome:**

Kevin Brown (kevinbr@leeschools.net)

**Evidence-based Intervention:**

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Renaissance STAR  
Really Great Reading  
FAST

**Rationale for Evidence-based Intervention:**

Explain the rationale for selecting this specific strategy.

Renaissance STAR and Really Great Reading are research-based programs, found to yield positive results for student achievement in reading. Renaissance is the computer-based.

**Tier of Evidence-based Intervention**

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

**Will this evidence-based intervention be funded with UniSIG?**

No

**Action Steps to Implement**

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Really Great Reading - will be implemented with fidelity by grade level interventionists through the school year  
Renaissance STAR - Assessments will be given 3-4 times per school year in conjunction with FAST testing .

Classroom teachers and the ESE department will also be responsible for monitoring these.

**Person Responsible:** Kevin Brown (kevinbr@leeschools.net)

**By When:** June 1, 2024

## #2. Positive Culture and Environment specifically relating to Teacher Attendance

### Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Our previous ESE/SWD teacher's attendance was poor and she missed approximately 40 days of school last year. This previous teacher has been replaced with an internal teacher who has excellent attendance.

### Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

We will track the current teacher's attendance.

### Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Through our attendance record keeping.

### Person responsible for monitoring outcome:

Kevin Brown (kevinbr@leeschools.net)

### Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Research shows that students are more likely to make gains when they form a positive relationship with their classroom teacher

### Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

Research shows that students are more likely to make gains when they form a positive relationship with their classroom teacher.

### Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

### Will this evidence-based intervention be funded with UniSIG?

No

### Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

***No action steps were entered for this area of focus***

### **CSI, TSI and ATSI Resource Review**

Describe the process to review school improvement funding allocations and ensure resources are allocated based on needs. This section must be completed if the school is identified as ATSI, TSI or CSI in addition to completing an Area(s) of Focus identifying interventions and activities within the SIP (ESSA 1111(d)(1)(B)(4) and (d)(2)(C)).

The School District of Lee County follows all state and federal guidelines when allocating funding to schools. The schools are budgeted in multi-faceted methods based on the student needs. Initially the schools are tiered based on the following criteria: student proficiency, learning gains, struggling schools, percentage of new teachers, percentage of ELL students, percentage of ESE students for academic support and for funding purposes. Content tiers are also established to provide instructional support resources based on individual student group needs. Within each school's Title I, SAI, and UniSIG plans as appropriate there is a requirement to address ESSA student groups through high quality instruction and monitoring systems. School funding needs are addressed weekly throughout the school year in collaboration with principal supervisors and the budget department. Ongoing monitoring of student data and underperforming subgroups is provided through monthly visits and data chats by principal supervisors.

### **Reading Achievement Initiative for Scholastic Excellence (RAISE)**

#### **Area of Focus Description and Rationale**

Include a description of your Area of Focus (Instructional Practice specifically relating to Reading/ELA) for each grade below, how it affects student learning in literacy, and a rationale that explains how it was identified as a critical need from the data reviewed. Data that should be used to determine the critical need should include, at a minimum:

- The percentage of students below Level 3 on the 2022 statewide, standardized ELA assessment. Identification criteria must include each grade that has 50 percent or more students scoring below level 3 in grades 3-5 on the statewide, standardized ELA assessment.
- The percentage of students in kindergarten through grade 3, based on 2021-2022 end of year screening and progress monitoring data, who are not on track to score Level 3 or above on the statewide, standardized ELA assessment.
- Other forms of data that should be considered: formative, progress monitoring and diagnostic assessment data.

**Grades K-2: Instructional Practice specifically relating to Reading/ELA**

**Grades 3-5: Instructional Practice specifically related to Reading/ELA**

## Measurable Outcomes

State the specific measurable outcome the school plans to achieve for each grade below. This should be a data-based, objective outcome. Include prior year data and a measurable outcome for each of the following:

- Each grade K -3, using the coordinated screening and progress monitoring system, where 50 percent or more of the students are not on track to pass the statewide ELA assessment;
- Each grade 3-5 where 50 percent or more of its students scored below a Level 3 on the most recent statewide, standardized ELA assessment; and
- Grade 6 measurable outcomes may be included, as applicable.

### Grades 3-5 Measurable Outcomes

## Monitoring

### Monitoring

Describe how the school's Area(s) of Focus will be monitored for the desired outcomes. Include a description of how ongoing monitoring will impact student achievement outcomes.

### Person Responsible for Monitoring Outcome

Select the person responsible for monitoring this outcome.

## Evidence-based Practices/Programs

### Description:

Describe the evidence-based practices/programs being implemented to achieve the measurable outcomes in each grade and describe how the identified practices/programs will be monitored. The term "evidence-based" means demonstrating a statistically significant effect on improving student outcomes or other relevant outcomes as provided in 20 U.S.C. §7801(21)(A)(i). Florida's definition limits evidence-based practices/programs to only those with strong, moderate or promising levels of evidence.

- Do the identified evidence-based practices/programs meet Florida's definition of evidence-based (strong, moderate or promising)?
- Do the evidence-based practices/programs align with the district's K-12 Comprehensive Evidence-based Reading Plan?
- Do the evidence-based practices/programs align to the B.E.S.T. ELA Standards?

### Rationale:

Explain the rationale for selecting practices/programs. Describe the resources/criteria used for selecting the practices/programs.

- Do the evidence-based practices/programs address the identified need?
- Do the identified evidence-based practices/programs show proven record of effectiveness for the target population?

### Action Steps to Implement

List the action steps that will be taken to address the school's Area(s) of Focus. To address the area of focus, identify 2 to 3 action steps and explain in detail for each of the categories below:

- Literacy Leadership
- Literacy Coaching
- Assessment
- Professional Learning
