SIP Authority

Section 1001.42(18), Florida Statutes (F.S.), requires district school boards to annually approve and require implementation of a new, amended, or continuation SIP for each school in the district which has a school grade of D or F; has a significant gap in achievement on statewide, standardized assessments administered pursuant to s. 1008.22 by one or more student subgroups, as defined in the federal Elementary and Secondary Education Act (ESEA), 20 U.S.C. s. 6311(b)(2)(C)(v)(II); has not significantly increased the percentage of students passing statewide, standardized assessments; has not significantly increased the percentage of students demonstrating Learning Gains, as defined in s. 1008.34, and as calculated under s. 1008.34(3)(b), who passed statewide, standardized assessments; has been identified as requiring instructional supports under the Reading Achievement Initiative for Scholastic Excellence (RAISE) program established in s. 1008.365; or has significantly lower graduation rates for a subgroup when compared to the state's graduation rate. Rule 6A-1.098813, Florida Administrative Code (F.A.C.), requires district school boards to approve a SIP for each Department of Juvenile Justice (DJJ) school in the district rated as Unsatisfactory.

Below are the criteria for identification of traditional public and public charter schools pursuant to the Every Student Succeeds Act (ESSA) State plan:

Additional Target Support and Improvement (ATSI)
A school not identified for CSI or TSI, but has one or more subgroups with a Federal Index below 41%.

Targeted Support and Improvement (TSI)
A school not identified as CSI that has at least one consistently underperforming subgroup with a Federal Index below 32% for three consecutive years.

Comprehensive Support and Improvement (CSI)
A school can be identified as CSI in any of the following four ways: 1. Have an overall Federal Index below 41%; 2. Have a graduation rate at or below 67%; 3. Have a school grade of D or F; or 4. Have a Federal Index below 41% in the same subgroup(s) for 6 consecutive years.

ESEA sections 1111(d) requires that each school identified for ATSI, TSI or CSI develop a support and improvement plan created in partnership with stakeholders (including principals and other school leaders, teachers and parent), is informed by all indicators in the State's accountability system, includes evidence-based interventions, is based on a school-level needs assessment, and identifies resource inequities to be addressed through implementation of the plan. The support and improvement plans for schools identified as TSI, ATSI and non-Title I CSI must be approved and monitored by the school district. The support and improvement plans for schools identified as Title I, CSI must be approved by the school district and

Department. The Department must monitor and periodically review implementation of each CSI plan after approval.

The Department's SIP template in the Florida Continuous Improvement Management System (CIMS), https://www.floridacims.org, meets all state and rule requirements for traditional public schools and incorporates all ESSA components for a support and improvement plan required for traditional public and public charter schools identified as CSI, TSI and ATSI, and eligible schools applying for Unified School Improvement Grant (UniSIG) funds.

Districts may allow schools that do not fit the aforementioned conditions to develop a SIP using the template in CIMS.

The responses to the corresponding sections in the Department's SIP template may address the requirements for: 1) Title I schools operating a schoolwide program (SWD), pursuant to ESSA, as amended, Section 1114(b); and 2) charter schools that receive a school grade of D or F or three consecutive grades below C, pursuant to Rule 6A-1.099827, F.A.C. The chart below lists the applicable requirements.

SIP Sections	Title I Schoolwide Program	Charter Schools
I-A: School Mission/Vision		6A-1.099827(4)(a)(1)
I-B-C: School Leadership, Stakeholder Involvement & SIP Monitoring	ESSA 1114(b)(2-3)	
I-E: Early Warning System	ESSA 1114(b)(7)(A)(iii)(III)	6A-1.099827(4)(a)(2)
II-A-C: Data Review		6A-1.099827(4)(a)(2)
II-F: Progress Monitoring	ESSA 1114(b)(3)	
III-A: Data Analysis/Reflection	ESSA 1114(b)(6)	6A-1.099827(4)(a)(4)
III-B: Area(s) of Focus	ESSA 1114(b)(7)(A)(i-iii)	
III-C: Other SI Priorities		6A-1.099827(4)(a)(5-9)
VI: Title I Requirements	ESSA 1114(b)(2, 4-5), (7)(A)(iii)(I-V)-(B) ESSA 1116(b-g)	

Note: Charter schools that are also Title I must comply with the requirements in both columns.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Department encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

I. School Information

School Mission and Vision

Provide the school's mission statement.

Campbell Middle School will provide students with an education that recognizes their uniqueness, enhances their self-esteem, confidence, and prepares students for college and/or career experiences as productive, responsible citizens, while ensuring a safe environment conducive to learning.

Provide the school's vision statement.

Campbell Middle School will create a school-wide culture and climate, conducive to academic success and student achievement.

School Leadership Team, Stakeholder Involvement and SIP Monitoring

School Leadership Team
For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities as it relates to SIP implementation for each member of the school leadership team.**:**

Name	Position Title	Job Duties and Responsibilities
Matthews, Kimberly	Principal	Instructional Leader monitoring Math
Seidel, Susan	Assistant Principal	Instructional Leader with a focus on SWD
Kelleher, Al	Assistant Principal	Instructional Leader Science/Data AP
Haynes, Lloyd	Assistant Principal	Instructional Leader ELA/Facilities/8th grade
Butts, Rose	Teacher, K-12	Algebra I/Geometry Instructional Leader - Math Department Chair
Shaughnessy, Shawnda	Dean	Sixth Grade Dean/Instructional Leader
Travis, Derek	Teacher, K-12	Admin. TOA/Testing Coordinator/Instruction Leader for Social Studies
Mills, Jennifer	School Counselor	School Counselor/MTSS Chair./Instructional Leader
Anderson, Teresa	Teacher, ESE	ESE Dept. Chair./IEP Facilitator
Babilonia, Jorge	Teacher, K-12	Life Skill Coach/Instructional Leader
Winck-Hall, Darlette	School Counselor	School Counselor/MTSS Chair./Instructional Leader
Taylor, Jasmine	Teacher, K-12	Science Dept. Chair./Instructional Leader
Tweedy, Mark	Teacher, K-12	Social Studies Dept. Chair./Instructional Leader
Rayburn, Brenda	Instructional Coach	Instructional Leader/ELA Dept. Chair
Soli, Joanne	School Counselor	School Counselor/MTSS Chair./Instructional Leader

Stakeholder Involvement and SIP Development
Describe the process for involving stakeholders (including the school leadership team, teachers and school staff, parents, students (mandatory for secondary schools) and families, and business or community leaders) and how their input was used in the SIP development process. (ESSA 1114(b)(2))

Note: If a School Advisory Council is used to fulfill these requirements, it must include all required stakeholders.

SAC, Title I, PLC, Grade Level Parent Nights, and faculty meetings are where the information is reviewed and input is invited.

SIP Monitoring
Describe how the SIP will be regularly monitored for effective implementation and impact on increasing the achievement of students in meeting the State's academic standards, particularly for those students with the greatest achievement gap. Describe how the school will revise the plan, as necessary, to ensure continuous improvement. (ESSA 1114(b)(3))

Data will be collected from: Weekly PLC meetings, District Assessments, Progress Monitoring 1 & 2, Bi-Monthly SLT Meetings, and Classroom Visits by the administration, deans, and instructional coaches.

II. Needs Assessment/Data Review

ESSA School, District and State Comparison (pre-populated)
Please note that the district and state averages shown here represent the averages for similar school types (elementary, middle, high school or combination schools). Each "blank" cell indicates the school had less than 10 eligible students with data for a particular component and was not calculated for the school.

On April 9, 2021, FDOE Emergency Order No. 2021-EO-02 made 2020-21 school grades optional. They have been removed from this publication.

III. Planning for Improvement

Data Analysis/Reflection
Answer the following reflection prompts after examining any/all relevant school data sources.

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

ELA
Lack of alignment to benchmarks and lack of rigorous activities in the classroom

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

Science
Lack of alignment to benchmarks and lack of rigorous activities in the classroom

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

ELA and Science
Lack of alignment to benchmarks and lack of rigorous activities in the classroom
Late hires for science positions

Which data component showed the most improvement? What new actions did your school take in this area?

Acceleration
Implementation of interventions and tutoring every day as well as Boot Camps.
Verified students with a three or higher were placed in Algebra one

Reflecting on the EWS data from Part I, identify one or two potential areas of concern.

State Assessments for ESSA groups and all students
Retention area with high data

Rank your highest priorities (maximum of 5) for school improvement in the upcoming school year.

1. Explicit Standards Aligned Instruction
2. Tasks Aligned to the benchmarks
3. Planning
4. Coaching
5. Positive Behavior Supports

Area of Focus
(Identified key Area of Focus that addresses the school's highest priority based on any/all relevant data sources)

#1. Instructional Practice specifically relating to Instructional Coaching/Professional Learning

Area of Focus Description and Rationale:
Include a rationale that explains how it was identified as a crucial need from the data reviewed.
One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Provide support to meet the needs of new teachers inexperienced in the content area, teaching, and those demonstrating the need for Tier 3 support to increase students' academic achievement.

High turnover and insufficient experience of teachers caused weak instruction for students, including ESSA subgroups.

Measurable Outcome:
State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Using the classroom walk-through tool, observe classroom instruction and identify quality instruction will be observed 80% of the time.
The leadership team will provide defined tiered coaching for 90% of teachers in the core areas.
Establish coaching support plans and coach logs for the fifteen targeted teachers.
Teachers will participate in 100% of the professional trainings to include ERPL and school PL.
Teachers who exhibit quality instruction based on the walkthrough tool will receive PBIS points.
Students will show growth in ELA achievement 29% to 39%, ELA learning gain 34% to 50%, ELA lower quartile 26% to 60%, Math achievement 30% to 40%., Math learning gain 46% to 56%, Math lower quartile 43% to 60%, Science achievement 29% to 40%, and Civics 50% to 65%.

Monitoring:
Describe how this Area of Focus will be monitored for the desired outcome.

SWD Data will be reviewed monthly.
Instructional practices for teachers with Tier 2 and Tier 3 coaching support will address ESSA subgroups.
Monitoring:
Coaching plans that include:
Identified focus for coaching aligned with the school's instructional look-fors:
Teachers will provide explicit instruction aligned to benchmark and intended learning.
Teachers will provide task(s) aligned to the benchmark(s) and intended learning.
Teachers ask questions to deepen their understanding of intended learning.
Teachers provide students with opportunities to collaborate
Documentation of coaching cycles and targeted look-fors.
Coaching Logs that include:
Actions taken by the coach and the teacher
Outcomes as a result of coaching
Weekly, the administration will review coaching documentation and provide feedback and support to coaches.

Person responsible for monitoring outcome:
Kimberly Matthews (kdmatthe@volusia.k12.fl.us)

Evidence-based Intervention:
Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

The administration will review Coaching Cycles
Professional Development will provide various ways to improve the previously mentioned look-fors.
Instructional coach will support core teachers with guided planning.

Rationale for Evidence-based Intervention:
Explain the rationale for selecting this specific strategy.

By reviewing coaching cycles, the administration can monitor teacher progress.
Professional Development will help teachers understand the implementation and importance of the look-fors and their impact on student learning. Teachers will also be given opportunities to participate in guided planning.

Tier of Evidence-based Intervention
(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement
List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Provide support facilitation training for ESE teachers and their co-teachers. Support facilitation and intervention teachers will work closely with classroom teachers to provide scaffolding to raise ELL and SWDs achievement levels.

#2. Instructional Practice specifically relating to Benchmark-aligned Instruction

Area of Focus Description and Rationale:
Include a rationale that explains how it was identified as a crucial need from the data reviewed.
One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

New teachers and high teacher turnover led to a lack of high-quality instruction delivered to Campbell Middle School students. To remedy any instructional gaps, teachers will provide an opportunity for additional academic support. Students will be identified by District Test Scores, state standardized test data, teacher recommendations, or student/parent's requests.

Measurable Outcome:
State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

To measure the impact of focused planning, professional learning we will use:
*Classroom walk-through data to ensure teachers are 100% aligned to the benchmarks.
*Professional learning (implementation) will be given to the instructional staff and 100% attendance will be expected with 80% of teachers implementing the PL.
*PLC Notes/plans/schedules Dept Head and Coaches will ensure100% of PLC notes are loaded to the school team site for access to everyone.
*Coaching logs will be completed and review during weekly meetings with administration.
*100% of coaching support plans will be shared with administration.
*Student test data student will be monitored & discussed weekly at PLC and administration.
*Students achieving academic growth will be awarded PBIS points.

Monitoring:
Describe how this Area of Focus will be monitored for the desired outcome.

*Student achievement data (with a focus on ESSA Groups)
*Observed teacher instructional practice (planning, professional learning)
*Coaching Cycles and Logs
*Classroom walk-through feedback and support
*SLT will monitor data and PBIS outcomes to ensure gains are being made.
*SAC will be kept updated on student achievement and behavior at monthly meetings.
*PLCs & Teams will monitor student behavior and academic performance.

Person responsible for monitoring outcome:

Kimberly Matthews (kdmatthe@volusia.k12.fl.us)

Evidence-based Intervention:
Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Instructional coach will meet with departments once weekly via PLCs.
Instructional coach will monitor district and state assessments.
Teacher clarity emphasizes using research-based best practices, standards-aligned instruction, small groups, differentiation, focus boards, and coaching support in the classroom.
Instructional coach will support core teachers with guided planning.
Substitute tutors will be supporting Math and ELA classes.

Rationale for Evidence-based Intervention:
Explain the rationale for selecting this specific strategy.

The rationale for using the strategy of standards-based instruction is that all educational stakeholders must align to high rigorous standards of instruction to increase overall student achievement in ELA. John Hatties' effect size of collective teacher efficacy is 1.57, teacher clarity .84, setting standards for self-judgement .62, comprehensive instructional

programs for teachers are .72, learning goals vs no learning goals .68, and teacher feedback .76. Research on standards-based instruction has been conducted by the Florida Department of Education, American Federation of Teachers, and Learning Sciences Marzano Center which recommends standards-based instruction to increase student success rate.

Tier of Evidence-based Intervention
(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement
List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Create a master schedule allowing for weekly common planning for PLCs and supports the required services for Students With Disabilities to promote growth in core subject areas.

Person Responsible: Al Kelleher (apkelleh@volusia.k12.fl.us)

By When: August 14, 2023

Define the roles and responsibilities of team members (coaches, teachers, admin, district) for before during and after PLC sessions. During PLCs teachers will review curriculum map and plan upcoming lessons. After PLCs, administrators will walkthrough classes weekly to ensure benchmark aligned instruction is occurring in core classes. An administrator will be assigned to each PLC.

Person Responsible: Lloyd Haynes (lghaynes@volusia.k12.fl.us)

By When: August 18, 2023

Monthly PLC to determine progress of lowest quartile, including ESSA subgroups, making progress towards 70% proficiency on Unit/Chapter Assessments in ELA and Math.
•Bi-weekly checkpoints of targeted students - make adjustments to the intervention, as needed, through data analysis, while considering ICEL.
•Monitoring fidelity of Tier 2 and Tier 3 interventions of LQ students through walkthroughs.
Students that continue to need further supports/intervention would be identified in order to move them to Tier 3.

Person Responsible: Susan Seidel (sjseidel@volusia.k12.fl.us)

By When: June 2024

Administrators will create a shared document to note coaching cycles and walkthrough evidence. The leadership team will conduct classroom observations and provide actionable feedback on a weekly basis to ensure Standards-based instruction is being delivered. A support plan will be developed, and teachers will receive coaching support (coaching cycle, side-by-side, push in support based on their specific needs.

#3. Positive Culture and Environment specifically relating to Other

Area of Focus Description and Rationale:
Include a rationale that explains how it was identified as a crucial need from the data reviewed.
One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

The total number of referrals increased by 113 from the 21/22 school year to the 22/23 school year. The number of fourth quarter referrals was double that in 3rd quarter.

Measurable Outcome:
State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Reduction in Discipline Referrals by 30%
Reduction in Level 2/Level 3 Offences by 30%
Reduction in Out-of-School Suspensions by 30%

Monitoring:
Describe how this Area of Focus will be monitored for the desired outcome.

Reduction in discipline referrals
Reduction in level two and three offences
Reduction in out of school suspensions

Person responsible for monitoring outcome:

Lloyd Haynes (lghaynes@volusia.k12.fl.us)

Evidence-based Intervention:
Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Meet with District discipline personnel quarterly.
Review grade level referrals –Admin.
Establish school-wide norms
PL for all teachers on discipline procedures.
Use of "Common Language" by all faculty and staff.
Behavior Expectations are posted in common areas.
Behavior Expectations are posted in all classrooms.
Behavior Expectations reviewed by teachers.
Expand parent involvement in behavior.
Utilize Life Skill Coaches to support positive behaviors
PBIS app will be purchased with UNISIG funds to capture positive behavior

Rationale for Evidence-based Intervention:
Explain the rationale for selecting this specific strategy.

By implementing the strategies, school culture and climate will be conducive for academic growth.

Tier of Evidence-based Intervention
(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

CSI, TSI and ATSI Resource Review
Describe the process to review school improvement funding allocations and ensure resources are allocated based on needs. This section must be completed if the school is identified as ATSI, TSI or CSI in addition to completing an Area(s) of Focus identifying interventions and activities within the SIP (ESSA 1111(d)(1)(B)(4) and (d)(2)(C).

SAC, SLT, administration & coaches will make sure that all funding is used in the targeted areas as identified in the SIP.
This will be reviewed regularly throughout the year in SAC and SLT meetings.

Title I Requirements

Schoolwide Program Plan (SWP) Requirements
This section must be completed if the school is implementing a Title I, Part A SWP and opts to use the SIP to satisfy the requirements of the SWP plan, as outlined in the ESSA, Public Law No. 114-95, § 1114(b). This section is not required for non-Title I schools.

Provide the methods for dissemination of this SIP, UniSIG budget and SWP to stakeholders (e.g., students, families, school staff and leadership and local businesses and organizations). Please articulate a plan or protocol for how this SIP and progress will be shared and disseminated and to the extent practicable, provided in a language a parent can understand. (ESSA 1114(b)(4))
List the school's webpage* where the SIP is made publicly available.

The School Improvement Plan, UNISIG budget, and SWP is disseminated to all stakeholders at Open House and in SAC meetings. The school's webpage is https://campbell.vcsedu.org/

Describe how the school plans to build positive relationships with parents, families and other community stakeholders to fulfill the school's mission, support the needs of students and keep parents informed of their child's progress.
List the school's webpage* where the school's Family Engagement Plan is made publicly available. (ESSA 1116(b-g))

Counselors will hold regular meetings to provide support for parents.
The school's Family Engagement plan can be accessed at https://campbell.vcsedu.org/.
Teachers will communicate positive behaviors and achievements with parents and other stakeholders regularly throughout the year.

Describe how the school plans to strengthen the academic program in the school, increase the amount and quality of learning time and help provide an enriched and accelerated curriculum. Include the Area of Focus if addressed in Part III of the SIP. (ESSA 1114(b)(7)ii))

The teachers will have support through intervention, PBIS, academic coaches, and administration to strengthen their practice(coaching).
PLCs will also help teachers incorporate best practices and rigor in their instruction throughout the year.
Instruction will occur from bell to bell using every instructional minute available.
The CNA program will provide support to students in core areas.
Saturday school programs will target all academic levels to improve academic achievement for every student.
Tutoring programs will be established for students, in addition to individual teachers providing assistance to students as needed.

If appropriate and applicable, describe how this plan is developed in coordination and integration with other Federal, State, and local services, resources and programs, such as programs supported under ESSA, violence prevention programs, nutrition programs, housing programs, Head Start programs, adult education programs, career and technical education programs, and schools implementing CSI or TSI activities under section 1111(d). (ESSA 1114(b)(5))

Our school offers Free lunch to all students attending school. Academics are supported through district-based curriculum specialists, and academic coaches that work with our teachers. The teacher on assignment and Life Skill coaches work with all teachers and students. School counselors and outside agencies provide information to parents and guardians in regard to housing, clothing, food banks and community resources.
