SIP Authority

Section 1001.42(18), Florida Statutes (F.S.), requires district school boards to annually approve and require implementation of a new, amended, or continuation SIP for each school in the district which has a school grade of D or F; has a significant gap in achievement on statewide, standardized assessments administered pursuant to s. 1008.22 by one or more student subgroups, as defined in the federal Elementary and Secondary Education Act (ESEA), 20 U.S.C. s. 6311(b)(2)(C)(v)(II); has not significantly increased the percentage of students passing statewide, standardized assessments; has not significantly increased the percentage of students demonstrating Learning Gains, as defined in s. 1008.34, and as calculated under s. 1008.34(3)(b), who passed statewide, standardized assessments; has been identified as requiring instructional supports under the Reading Achievement Initiative for Scholastic Excellence (RAISE) program established in s. 1008.365; or has significantly lower graduation rates for a subgroup when compared to the state's graduation rate. Rule 6A-1.098813, Florida Administrative Code (F.A.C.), requires district school boards to approve a SIP for each Department of Juvenile Justice (DJJ) school in the district rated as Unsatisfactory.

Below are the criteria for identification of traditional public and public charter schools pursuant to the Every Student Succeeds Act (ESSA) State plan:

Additional Target Support and Improvement (ATSI)

A school not identified for CSI or TSI, but has one or more subgroups with a Federal Index below 41%.

Targeted Support and Improvement (TSI)

A school not identified as CSI that has at least one consistently underperforming subgroup with a Federal Index below 32% for three consecutive years.

Comprehensive Support and Improvement (CSI)

A school can be identified as CSI in any of the following four ways:

1. Have an overall Federal Index below 41%;
2. Have a graduation rate at or below 67%;
3. Have a school grade of D or F; or
4. Have a Federal Index below 41% in the same subgroup(s) for 6 consecutive years.

ESEA sections 1111(d) requires that each school identified for ATSI, TSI or CSI develop a support and improvement plan created in partnership with stakeholders (including principals and other school leaders, teachers and parent), is informed by all indicators in the State's accountability system, includes evidence-based interventions, is based on a school-level needs assessment, and identifies resource inequities to be addressed through implementation of the plan. The support and improvement plans for schools identified as TSI, ATSI and non-Title I CSI must be approved and monitored by the school district. The support and improvement plans for schools identified as Title I, CSI must be approved by the school district and

Department. The Department must monitor and periodically review implementation of each CSI plan after approval.

The Department's SIP template in the Florida Continuous Improvement Management System (CIMS), <https://www.floridacims.org>, meets all state and rule requirements for traditional public schools and incorporates all ESSA components for a support and improvement plan required for traditional public and public charter schools identified as CSI, TSI and ATSI, and eligible schools applying for Unified School Improvement Grant (UniSIG) funds.

Districts may allow schools that do not fit the aforementioned conditions to develop a SIP using the template in CIMS.

The responses to the corresponding sections in the Department's SIP template may address the requirements for: 1) Title I schools operating a schoolwide program (SWD), pursuant to ESSA, as amended, Section 1114(b); and 2) charter schools that receive a school grade of D or F or three consecutive grades below C, pursuant to Rule 6A-1.099827, F.A.C. The chart below lists the applicable requirements.

SIP Sections	Title I Schoolwide Program	Charter Schools
I-A: School Mission/Vision		6A-1.099827(4)(a)(1)
I-B-C: School Leadership, Stakeholder Involvement & SIP Monitoring	ESSA 1114(b)(2-3)	
I-E: Early Warning System	ESSA 1114(b)(7)(A)(iii)(III)	6A-1.099827(4)(a)(2)
II-A-C: Data Review		6A-1.099827(4)(a)(2)
II-F: Progress Monitoring	ESSA 1114(b)(3)	
III-A: Data Analysis/Reflection	ESSA 1114(b)(6)	6A-1.099827(4)(a)(4)
III-B: Area(s) of Focus	ESSA 1114(b)(7)(A)(i-iii)	
III-C: Other SI Priorities		6A-1.099827(4)(a)(5-9)
VI: Title I Requirements	ESSA 1114(b)(2, 4-5), (7)(A)(iii)(I-V)-(B) ESSA 1116(b-g)	

Note: Charter schools that are also Title I must comply with the requirements in both columns.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Department encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

I. School Information

School Mission and Vision

Provide the school's mission statement.

We at R. B. Hunt Elementary School believe that all children can learn. We will provide children with a supportive, caring environment that develops self-esteem, self-motivation, and a sense of responsibility. We strive to provide every opportunity for maximum student achievement and to recognize and stimulate special talents in all students. The educational environment and the teaching strategies are designed to meet the goals and objectives of a strong curriculum. Our major goal is to prepare students to become responsible citizens and to take their place as productive members of the community. We believe that education is a cooperative effort among home, school, and community.

Provide the school's vision statement.

Learning and Working Together

As an R. B. Hunt elementary School Student, it is my responsibility to:

- * Respect myself and the rights and property of others.
- * Attend school every day and be on time to all classes.
- * Come to school prepared with all materials and assignments.
- * Obey the directions of all R. B. Hunt Staff members.

As an R. B. Hunt Elementary School Staff Member, it is my responsibility to:

- * Provide a quality instructional program for each student.
- * Provide an orderly classroom and safe school environment.
- * Develop programs and activities which will respond to the social, emotional, personal, and physical developmental needs of each student.
- * Assist parents in helping their children develop self-discipline, self-respect and self-confidence.

As the parent of an R. B. Hunt School student, it is my responsibility to:

- * Send my child to school each day on time, well-rested, and properly dressed.
- * Communicate regularly with my child's teacher regarding my child's social and academic needs and growth.
- * Check my child's work and homework daily.
- * Provide my child with support for learning which includes homework, help, a set time and place for homework and project work, and the supplies needed to complete assignments.

School Leadership Team, Stakeholder Involvement and SIP Monitoring

School Leadership Team

For each member of the school leadership team, select the employee name and email address from the dropdown. Identify the position title and job duties/responsibilities as it relates to SIP implementation for each member of the school leadership team.:

Name	Position Title	Job Duties and Responsibilities
Garman, Amanda	Principal	Responsible for all aspects of the school
Larson, Alice	Assistant Principal	Serves as school LEA, works with the principal to provide a quality school environment.
Eyestone, Heather	Instructional Coach	Works with teachers to assist them in providing for each child's needs.
Kledzik, Raymond	Other	Works to provide a safe and clean learning environment for students and staff.

Stakeholder Involvement and SIP Development

Describe the process for involving stakeholders (including the school leadership team, teachers and school staff, parents, students (mandatory for secondary schools) and families, and business or community leaders) and how their input was used in the SIP development process. (ESSA 1114(b)(2))

Note: If a School Advisory Council is used to fulfill these requirements, it must include all required stakeholders.

School Advisory Council provides input and direction for the school leadership team. Stakeholders include: community members, parents, teachers and administration.

SIP Monitoring

Describe how the SIP will be regularly monitored for effective implementation and impact on increasing the achievement of students in meeting the State's academic standards, particularly for those students with the greatest achievement gap. Describe how the school will revise the plan, as necessary, to ensure continuous improvement. (ESSA 1114(b)(3))

SIP plan will be monitored by the SAC committee as well as by the MTSS Core Team.

III. Planning for Improvement**Data Analysis/Reflection**

Answer the following reflection prompts after examining any/all relevant school data sources.

Which data component showed the lowest performance? Explain the contributing factor(s) to last year's low performance and discuss any trends.

Students with Disabilities continue to fall behind in both reading and math compared to their non-disabled peers. Percentage of level 3 and above for nondisabled students was at 82 % for reading and 86 % for math. Students with disabilities were only at 48% proficiency in ELA. Math percentages were not available at this time. While we saw disabled students making a high level of growth, we have not closed the gap completely. We fell below the 41% threshold for SWD in schoolyear 21-22. Previous years data had SWD achievement at 55% in 20-21 and 62% in 18-19. Based on growth from last year, if that year counted, I believe we would have been out of ATSI status. Because SWD growth seemed to be quite good.

Which data component showed the greatest decline from the prior year? Explain the factor(s) that contributed to this decline.

Students with disabilities K-2 went down from 79% proficiency to 73% for the third progress monitoring period. Information for math was not available to review at this time.

Which data component had the greatest gap when compared to the state average? Explain the factor(s) that contributed to this gap and any trends.

R. B. Hunt was well above State and district averages for both ELA and math.

Which data component showed the most improvement? What new actions did your school take in this area?

Growth for both ELA and math from progress monitoring period 1 to 3 was outstanding. Looking at individual student growth, especially with disabled student's growth was good, and we are proud of that, but overall they are not where non-disabled peers are.

Reflecting on the EWS data from Part I, identify one or two potential areas of concern.

Attendance rates for 5th grade, Kindergarten and first grade are above 10%.

Rank your highest priorities (maximum of 5) for school improvement in the upcoming school year.

1. Continued growth for all students, especially ESE students
2. Reduced rates of referrals to office for discipline
3. Increase rates of attendance.

Area of Focus

(Identified key Area of Focus that addresses the school's highest priority based on any/all relevant data sources)

#1. ESSA Subgroup specifically relating to Students with Disabilities**Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

While our school in general performs well and growth is made throughout the year there is a gap that remains between students with disabilities and those who are in general education.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Our Goal is that students with start to close the gap by raising the proficiency level from 36% to 41% in ELA.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Through the FAST testing, MTSS Team and meeting of I.E.P. goals.

Person responsible for monitoring outcome:

Amanda Garman (amanda.garman@stjohns.k12.fl.us)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Students with disabilities will be scheduled first and the master schedule will revolve around their needs. Students will utilize targeted based interventions approved by the St. Johns County School district during I.E.P. service times and during afterschool tutoring activities.

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

Approved for use by the school district these interventions are researched based and approved.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 4 - Demonstrates a Rationale

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Scheduling ESE students first

Person Responsible: Amanda Garman (amanda.garman@stjohns.k12.fl.us)

By When: Before school begins, using FIN

Training ESE and afterschool tutors on research based interventions

Person Responsible: Heather Eyestone (heather.eyestone@stjohns.k12.fl.us)

By When: By end of first 9 weeks of school

Set up afterschool tutoring to address ESE needs and students in MTSS Tier II and III

Person Responsible: Alice Larson (alice.larson@stjohns.k12.fl.us)

By When: Before end of first 9 weeks

#2. Instructional Practice specifically relating to Collaborative Planning

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a crucial need from the data reviewed.

One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Instructional practice. Grade level teams will meet weekly to plan collaboratively to meet the needs of all students. They will use the PLC time to look and examine data with a focus on SWD. They will utilize "intervention" blocks to provide targeted instruction to fill in learning gaps.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Grade level teams will function as a grade level PLC and collaborate to provide a guaranteed and viable curriculum for their students. SWD will grow each time they do progress monitoring. Data will be examined to assist in student instruction by teams.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

Administrators will attend teacher Wednesday PLC team meetings.

Person responsible for monitoring outcome:

Amanda Garman (amanda.garman@stjohns.k12.fl.us)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

Teams will review student data and utilize the intervention blocks to address individual student needs.

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

This will allow targeted interventions and acceleration to better meet student needs.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Meet with faculty and discuss expectations for P.L.C.'s , grade level lesson planning and use of intervention blocks.

Person Responsible: Amanda Garman (amanda.garman@stjohns.k12.fl.us)

By When: Pre-Planning

Set a schedule for monitoring PLC's and minutes of meetings.

#3. Positive Culture and Environment specifically relating to Other

Area of Focus Description and Rationale:

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Positive Culture and Environment. We will utilize our P.B.I.S. program with CKH and our Liveschool points and incentives to keep SWD engaged and excited about school.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Rate of referrals to the office for discipline infractions will decrease by 25%. Data of SWD will be tracked closely to see if Behavior Intervention plans need to be created for them.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

By data entered into eschool and compared to last year.

Person responsible for monitoring outcome:

Amanda Garman (amanda.garman@stjohns.k12.fl.us)

Evidence-based Intervention:

Describe the evidence-based intervention being implemented for this Area of Focus (Schools identified for ATSI, TSI or CSI must include one or more evidence-based interventions.)

P.B.I.S. program and use of "Capturing Kids Hearts" strategies used by the staff.

Rationale for Evidence-based Intervention:

Explain the rationale for selecting this specific strategy.

We believe that strong teacher student relationships can prevent many disruptions in class and create harmony in the school.

Tier of Evidence-based Intervention

(Schools that use UniSIG funds for an evidence-based intervention must meet the top three levels of evidence as defined by ESSA section 8101(21)(A).)

Tier 1 - Strong Evidence

Will this evidence-based intervention be funded with UniSIG?

No

Action Steps to Implement

List the action steps that will be taken as part of this strategy to address the Area of Focus. Identify the person responsible for monitoring each step.

Attend P.B.I.S. and Capturing Kids hearts training. Review and set expectations for staff during pre-planning.

Person Responsible: Heather Eyestone (heather.eyestone@stjohns.k12.fl.us)

By When: Ongoing throughout the year. End of year data and behavior intervention plans will be reviewed.

#4. Positive Culture and Environment specifically relating to Teacher Retention and Recruitment**Area of Focus Description and Rationale:**

Include a rationale that explains how it was identified as a crucial need from the data reviewed. One Area of Focus must be positive culture and environment. If identified for ATSI or TSI, each identified low-performing subgroup must be addressed.

Teachers need to feel the joy in connecting with students and learn to build positive relationships with their students. These relationships will help connections with SWD and their teachers. A mutual understanding and respect is the ultimate outcome.

Measurable Outcome:

State the specific measurable outcome the school plans to achieve. This should be a data based, objective outcome.

Teachers through the SIP survey will positively answer questions regarding their satisfaction with the profession and their relationships with their students.

Monitoring:

Describe how this Area of Focus will be monitored for the desired outcome.

CSI, TSI and ATSI Resource Review

Describe the process to review school improvement funding allocations and ensure resources are allocated based on needs. This section must be completed if the school is identified as ATSI, TSI or CSI in addition to completing an Area(s) of Focus identifying interventions and activities within the SIP (ESSA 1111(d)(1)(B)(4) and (d)(2)(C)).

ESSER funds will be utilized to target ESE students to work on skills in order to increase their learning gains and levels to meet regular education students level of achievement and to close the gap between the two. We will utilize tutoring during the day with Tier II and Tier III students as well as an afterschool tutoring program for ESE students.

ESSER funds were used to train staff on Capturing Kids Hearts, to work alongside our P.B.I.S. program.
