School Board Approval

This plan is pending approval by the Bay County School Board.

SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or with a grade of F within the prior two years. For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education's school improvement planning web application located at <https://www.floridacims.org>.

Table of Contents

Purpose and Outline of the SIP	4
Differentiated Accountability	5
Current School Status	8
8-Step Planning and Problem Solving Implementation	18
Goals Summary	18
Goals Detail	18
Action Plan for Improvement	21
Appendix 1: Implementation Timeline	26
Appendix 2: Professional Development and Technical Assistance Outlines	27
Professional Development Opportunities	28
Technical Assistance Items	31
Appendix 3: Budget to Support Goals	32

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify resources available to support the goals and barriers that could hinder achieving those goals (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida's Differentiated Accountability (DA) system is a statewide network of strategic support, differentiated by need according to performance data, and provided to schools and districts in order to improve leadership capacity, teacher efficacy and student outcomes. DA field teams collaborate with district and school leadership to design, implement and refine improvement plans, as well as provide instructional coaching, as needed.

DA Regions

Florida's DA network is divided into five geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

Traditional public schools are classified at the start of each school year, based upon the most recently released school grades (A-F), into one of the following categories:

- Not in DA – currently A or B with no F in prior three years; charter schools; ungraded schools
- Monitoring Only – currently A or B with at least one F in the prior three years
- Prevent – currently C
- Focus – currently D
 - Planning – two consecutive grades of D (i.e., DD), or a grade of F immediately followed by a grade of D in the most recent grades release (i.e., FD)
 - Implementing – two consecutive grades of D in the most recent grades release preceded by a grade below C (i.e., FDD or DDD)
- Priority – currently F
 - Planning – declined to a grade of F in the most recent grades release and have not received a planning year or implemented a turnaround option during the previous school year
 - Implementing – two consecutive grades of F (i.e., FF), or three consecutive grades below C with an F in the most recent grades release (i.e., FDF or DDF)

DA Turnaround and Monitoring Statuses

Additionally, schools in DA are subject to one or more of the following Turnaround and Monitoring Statuses:

- Former F – currently A-D with at least one F in the prior three years; SIP is monitored by FDOE
- Planning – Focus Planning and Priority Planning; district is planning for possible turnaround
- Implementing – Focus Implementing and Priority Implementing; district is implementing the Turnaround Option Plan (TOP)

2014-15 DA Category and Statuses

DA Category	Region	RED
Not In DA	1	Melissa Ramsey
Former F	Turnaround Status	
No		

Part I: Current School Status

Supportive Environment

School Mission and Vision

Provide the school's mission statement

Our mission at Tyndall Elementary School is to instill in our students a love of learning by challenging, nurturing and guiding them to achieve their maximum potential as critical thinkers, lifelong learners, and model citizens.

Our motto is "T.E.S.-Taking Education Seriously.....NO EXCUSES!"

Provide the school's vision statement

Employees of Tyndall Elementary envision a school where stakeholders work together to ensure success of all students. The faculty and staff are supportive and respectful of each other and hold high expectations for themselves and students.

School Environment

Describe the process by which the school learns about students' cultures and builds relationships between teachers and students

At the beginning of each school year teachers call and introduce themselves to parents and invite them to the grade level orientation.

PTO hosts an open house for all parents and students that begins with a dinner and continues with the visiting of classrooms.

Guidance provides a program called "Little Troopers" for students with deployed family members. Teachers have met with all parents during the first quarter for a conference.

Describe how the school creates an environment where students feel safe and respected before, during and after school

Security Forces personnel from TAFB regularly monitor and patrol the campus

The BDS Safety officer is available when requested

We have 3 gates that are supervised during drop off and pick up

Gates to the front and back of school are locked at 7:25

Visitors must sign in through one entrance during school hours

Visitors must sign in through a RAPTOR system that does a sexual predator check

Students are loaded individually on buses using a color coded system

Regular safety drills (tornado, fire and lockdown)

Afterschool activities are provided by the special area teachers, and other grade levels throughout the year.

Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced

The schoolwide behavioral system is based on the acronym SOAR. SOAR stands for S-Safety, O-Owning Choices, A-Actively engaged, and R-Respectful. It is a positive behavior system that is seamless throughout the school community (classroom, special areas, cafeteria, hallways, and bathrooms). As a reminder to students, posters with these expectations are located around the campus. All personnel have been trained in this behavioral system to keep it consistent.

Rewards are in place for meeting these expectations quarterly. Students who have not met these expectations are provided with a character education lesson.

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services

The school ensures the social-emotional needs for students are being met through counseling and mentoring. The guidance counselors provide monthly lessons in each classroom that educates students about the definition of bullying and the prevention of bullying. They keep open doors for students and teachers when guidance is needed.

The school houses two Military Family Life Counselors (MFLC). These counselors are available each day to assist military students.

Early Warning Systems

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(ii)(III), (b)(1)(B)(iii)(I), and (b)(1)(I).

Describe the school's early warning system and provide a list of the early warning indicators used in the system

We are provided with a report that provides the requested information. If a child has extended tardies or absences, we contact the parent to make them aware of our concern. If the situation does not improve, we then have a conference to discuss the situation and create opportunities for improvement, or a plan to help at home.

Parents of students that are suspended are notified and come in for a conference with administration prior to returning to school.

Provide the following data related to the school's early warning system

The number of students by grade level that exhibit each early warning indicator:

Indicator	Grade Level						Total
	K	1	2	3	4	5	
Attendance below 90 percent	18	21	11	11	14	6	81
One or more suspensions	1	0	1	0	0	1	3
Course failure in ELA or Math	0	0	0	0	0	0	
Level 1 on statewide assessment	0	0	0	1	13	8	22

The number of students identified by the system as exhibiting two or more early warning indicators:

Indicator	Grade Level		Total
	2	4	
Students exhibiting two or more indicators	1	4	5

Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system

MTSS: Teachers present students not meeting grade level expectations to the MTSS committee during bi-weekly meetings during their planning time. The team discusses student performance, academic needs, and possible reasons for exhibited difficulties. An intervention plan is then developed using scientifically research based approved programs and strategies at Tier 2 and Tier 3 levels as appropriate. Progress is monitored biweekly for Tier 2 or weekly for Tier 3. In addition to

teachers providing direct instruction, paraprofessionals deliver specific interventions, and computer based programs offer students practice and instruction. An MTSS committee meets monthly to monitor the progress of all active MTSS plans to ensure that the plans and progress monitoring are being done with fidelity. Recommendations are made to the teacher of record as a result of the audit. ESE: When deemed necessary, students are offered special education services through an individual education plan in order to close achievement gaps. Services are provided in self-contained ESE classes or in inclusion classes where ESE teachers push in to provide instruction.

504 Plans: For students not qualifying for ESE services, but needing additional support to close achievement gaps, specific plans under 504 are developed to establish accommodations and interventions needed for the student to be successful.

ELL: Students whose primary language is not English, and who qualify, are provided an ELL plan that stipulates the supports and instructional tools that are to be provided to develop their English language skills for both social and academic needs.

PLC: Teachers work in professional learning communities to analyze student performance data, identify areas of need, and plan appropriate instruction to provide intervention where necessary. This work occurs during weekly grade level meetings, extended PLC grade level meetings monthly, and content area PLC meetings held monthly. Common assessments are used to identify areas of student strength and weakness. Classroom teaching strategies and best practice are discussed in regard to the data. The common assessments are given in the format of the new FSA with multiple choice, multi-select items, tables, etc. We also are trying to teach and assess at the same level of rigor in our classrooms with at least 60-80% of our instruction at the DOK Level 2.

Progress monitoring: Administration regularly reviews weekly lesson plans submitted by teachers that reference differentiation and interventions provided for specific students. Classroom walkthroughs are conducted to monitor instruction and student learning. Administration also monitors grade book grades for all classes and discusses areas of concern with teachers on an individual basis or grade level as needed. Plans for improvement are established and resources allocated to teachers in need via district level instructional coaches or supplemental materials that are available.

District ELA and Math Instructional Specialists: Staff training specialists provide professional development to teachers to educate them in resources available to support student instruction. Examples include but are not limited to are writing support through ReadWorks.org and MFAS through Florida CPalms.

IPDP: Individual Professional Development Plans are created by each teacher focusing on a specific area of need among their students as reflected in assessment data and in concert with an area of professional growth. These mini action research plans include a specific teaching/learning strategy that teachers employ in their regular instruction. Student achievement is monitored throughout the process and course corrections are made as necessary.

Family and Community Involvement

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(iii)(I)(aa).

Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. § 6314(b)(1)(F).

Will the school use its PIP to satisfy this question?

No

PIP Link

The school completes a Parental Involvement Plan (PIP), which is available at the school site.

Description

Orientations to welcome families and students
Open House to show parents what is happening in classrooms
Various family content area enrichment nights
TSAC (Tyndall School Advisory Council) to discuss school concerns and school data
Parent Teacher Organization (PTO) to discuss school fundraisers, data, and issues
Performances to encourage the Arts at TES

Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement

Mentors from the community
Volunteers from the community in the classrooms, health room, and cafeteria
Base squadrons that assist with clean up, painting , and maintenance as needed
PTO collaboration that supplies various resources for our students, parents, and teachers

Effective Leadership

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(H).

School Leadership Team

Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Ross, Susan	Principal
Dehner, Carolyn	Assistant Principal
Fabie, Monica	Teacher, K-12
Koss, Julie	Teacher, K-12
Whiting, Wendy	Teacher, K-12
Mullen, Jeni	Teacher, K-12
Skinner, Joyce	Teacher, K-12

Duties

Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making

Susan Ross (Principal) and Carolyn Dehner (Assistant Administrator): Provide a common vision for the use of data-based decision-making, ensure that the school-based team is implementing MTSS as well as enrichment, conduct assessment of teaching skills of school staff, ensure implementation of intervention and enrichment support and documentation, ensure adequate professional development to support academic implementation, and communicate with parents regarding school plans and activities.

Julie Koss and Joyce Skinner serve as math content area co-chairs. They lead the math PLC and conduct monthly meetings for the team and share resources with the staff.

Monica Fabie serves as our ELA content chair. She leads the ELA PLC and conducts monthly meetings for the team and shares resources with the staff.

Jeni Mullen and Wendy Whiting serve as science and social studies content area co-chairs. They lead the science and social studies team and share resources with the staff.

Wendy Whiting and Deborah Carey-Burkett serve as teaching framework co-chairs. They provide resources and professional development for our staff.

Nicole Olson and Cindy Daniels serve as our PBS co-chairs. They lead monthly meetings and provide resources for their team.

Shannon Andersch, Teresa Brown, Deborah Carey-Burkett, Rosemary Jones, Lisa Ammerman, and Julie Koss serve as our grade level chairs. They lead grade level weekly and monthly meetings and provide resources for their team. They lead the creation of common assessments for the grade level and come to administration with any educational needs.

Dana McBee serves as our special area chair. She leads grade level weekly and monthly meetings and provide resources for their team.

Renee Combs serves as ESE grade chair. She leads grade level weekly and monthly meetings and provide resources for their team.

Karetta Monette (School Psychologist): Participates in collection, interpretation, and analysis of data; facilitates development of intervention plans; provides support for intervention fidelity and documentation; provides professional development and technical assistance for problem-solving activities including data collection, data analysis, intervention planning, and program evaluation; facilitates data-based decision making activities.

Kim Iferd and Lindsey Money (Speech Language Pathologists): Educate the team in the role language plays in curriculum, assessment, and instruction, as a basis for appropriate program design; assist in the selection of screening measures; and help identify systemic patterns of student need with respect to language skills.

All Regular Education Teachers: Provide information about core instruction, participate in student data collection, deliver Tier 1 instruction/intervention, collaborate with other staff to implement Tier 2 interventions, and integrate Tier 1 materials/instruction with Tier 2/3 activities.

Jennifer Jennings (MTSS Coach): Identifies and analyzes existing literature on scientifically based curriculum and behavior assessment and intervention approaches. Identifies appropriate, evidence-based intervention strategies; supports the implementation of Tier I, Tier 2 and Tier 3 intervention plans; assists in the design and implementation for progress monitoring, data collection, and data analysis; participates in the design and delivery of professional development; and provides support for assessment and implementation monitoring.

Jennifer Mullen and Mike Guthrie (ESE Teacher): Participate in student data collection, integrates core instructional activities/materials into Tier 3 instruction, and collaborates with general education teachers through such activities as co-teaching.

Sonia Herrin and Lindsay Steindorf (Guidance): Provide quality services and expertise on issues ranging from program design to assessment and intervention with individual students; assist the school and families to support the child's academic, emotional, behavioral and social success.

Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact

Administration tracks Gradebook grades and attendance for students using the FOCUS database.

The new Enrich program helps with student progress monitoring for those in the MTSS process.

Lesson plans are reviewed weekly for small group differentiation and academic focus.

The FOCUS database is also used to record discipline referrals. Data is shared monthly with teachers and the PBS school based committee reviews it to identify school wide as well as small group and individual needs.

Tyndall is not designated as a Title 1 school so therefore no Title 1 funds are available. District personnel that are supported through other funds do respond when called upon to support families who are homeless or in need of social services. Guidance conducts bully proofing lessons to all classes and Positive Behavior Support initiatives set school wide expectations and promote a non-violent, respectful learning environment. The contracted school food service provides meals that meet government nutritional guidelines. Visual displays in the serving area contribute to student

understanding of food groups and nutrition for a healthy life style. Funds allocated to Bay District as a whole are used to provide equal access to learning for all students.

School Advisory Council (SAC)

Membership

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group
Ashlie Bailey	Parent
Jessica Carrier	Parent
Juliet Cade	Parent
Susan Ross	Principal
Dionne Dunton	Parent
Pauline Bocalon	Parent
Tamera Marler	Business/Community
	Student
Susan Shumaker	Teacher
	Student

Duties

Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

Evaluation of last year's school improvement plan

Our SAC is involved in the review of our SIP and provides input about our goals. We review current data from Discovery Education and other monitoring assessments throughout the year and discuss current events and concerns in an open forum.

Development of this school improvement plan

Our school improvement team, which consists of all grade level and content area chairs came together to review our school data, then develop SMART goals for the upcoming year and strategies to address our goals.

Preparation of the school's annual budget and plan

When planning for the budget for the current year, last year's allocation was reviewed. Instructional units and needs were identified, then the budget was made accordingly.

Describe the use of school improvement funds allocated last year, including the amount budgeted for each project

N/A

Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC

Yes

If the school is not in compliance, describe the measures being implemented to meet SAC requirements

Literacy Leadership Team (LLT)

Membership

Identify the name, email address and position title for each member of the school-based LLT.:

Name	Title
Ross, Susan	Principal
Dehner, Carolyn	Assistant Principal
Fabie, Monica	Teacher, K-12

Duties

Describe how the LLT promotes literacy within the school

Support during implementation of new Wonders series; professional development and instructional needs, etc. Implement with fidelity the Florida State Standards.

Implement KAGAN or CRISS strategies within reading and writing.
Actively participates in statewide programs such as Just Read, Florida.

District Staff Training Specialist meets with 3rd- 5th grade teachers for writing instruction
Pilot teachers for Dr. Gentry's Core of Writing/6 Traits
Conduct Learning Walks; Modeling in the Classroom for Reading /Writing Instruction
Participates in Bay Writes
Teachers calibrate/score writing samples together in an effort to analyze data and drive instruction

Vertical alignment of ELA standards
Extended Monthly PLC Time for grade level collaboration
School wide focused lesson plans for reading/writing during extended monthly PLC Time
Supports grade levels/individuals creating, implementing, and analyzing data derived from Common Assessments in order to drive instruction

Public and Collaborative Teaching

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(D).

Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction

As an active Professional Learning Community, our teachers have dedicated time weekly to plan together and develop a dedicated, viable curriculum as well as an extended session monthly dedicated to review of student data and development of common assessments. Teachers work in professional learning communities to analyze student performance data, identify areas of need, and plan appropriate instruction to provide intervention where necessary. This work occurs during weekly grade level meetings, extended PLC grade level meetings monthly, and content area PLC meetings held monthly. Common assessments are used to identify areas of student strength and weakness. Classroom teaching strategies and best practice are discussed in regard to the data. The common assessments are given in the format of the new FSA with multiple choice, multi-select items, tables, etc. We also are trying to teach and assess at the same level of rigor in our classrooms with at least 60-80% of our instruction at the DOK Level 2.

Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school

Extensive review of candidates through Searchsoft program by administration
Team interviews are done with the SBLT, grade level members, and administration
Support is provided by administration and grade/content area groups.

Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities

New teachers to Tyndall are mentored by the grade level chair (who is an experienced teacher that has been at Tyndall in that grade level previously)
New teachers to Tyndall meet for induction and training.
New teachers must complete specific staff development (Reading and math frameworks, Fred Jones)
New teachers complete a formative observation cycle, receiving feedback about classroom practices.
New teachers are given the opportunity to work with a district coach to provide assistance with the district expectations, guidelines, and requirements.

Ambitious Instruction and Learning

Instructional Programs and Strategies

Instructional Programs

Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards

Tyndall utilizes grade level PLC's to align instruction with Florida's Standards through collaborative lesson plan development and creation of common assessments based on Florida State Standards. Tyndall uses Cpalms to supplement the core materials which provides formative assessments, lessons, differentiated tasks and instructional implications which are all based on Florida State Standards.

Tyndall uses district representatives in the core areas as a resource for aligning instruction to Florida State Standards.

New teachers are trained in reading and math frameworks which are aligned with Florida State Standards.

All Tyndall teachers attended summer in-service training in English Language Arts and Math aligning with Florida State Standards.

Staff development was provided with training for Webb's Depth of Knowledge and implementation in the classroom as it relates to Florida State Standards.

All teachers received coarse descriptions of Florida Standards.

Administrators review teacher lesson plans on a weekly basis to ensure alignment with standards.

Learning objectives and standards are posted in classrooms.

State approved, district provided curriculum and materials.

New teacher induction program ensures teachers are properly trained in aligning their instructional programs and materials to Florida State Standards.

Instructional Strategies

Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments

Curriculum is taught in small group settings. Students receive MTSS intervention when they struggle. Students are pulled in an individual/small group setting to be retaught and reassesses if they have not mastered the content as shown through assessments.

Students are enriched through content, process, or product when they have mastered a concept and are ready to move ahead of their peers.

Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: Extended School Day

Minutes added to school year:

Strategy Rationale

Strategy Purpose(s)

""

Person(s) responsible for monitoring implementation of the strategy

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

Student Transition and Readiness

PreK-12 Transition

The school's response to this question may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(G).

Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another

Make direct contact with families by phone or at community activities in order to share grade-level expectations and school contact information.

Host open houses or pre-enrollment classroom visits for parents and children in order for them to gain experience in what the school day is like.

Host parent orientation sessions off the school grounds at community centers to provide family members with forms and insights to help children transition to the next grade level.

Provide helpful pamphlets for families on what the school will expect of them and tips on things they can do at home to prepare their children for school.

College and Career Readiness

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations

Personnel from Tyndall Air Force Base support the instructional program by providing supplemental lessons and materials to our students in the areas of fire safety, energy conservation, recycling, environmental needs, and healthy life styles. This affords our students the opportunity to learn about the skills needed and the career possibilities in these fields.

Additional personnel from Tyndall Air Force Base support STEM initiatives by mentoring fifth grade students in scientific inquiries through hands on experiences.

Another science related activity is provided by The Science Brothers who are engineers from Naval Support Activity Panama City.

Community business personnel of Junior Achievement of Bay County conduct a full day of lessons with fifth grade students geared toward leveling resources, STEM opportunities, entrepreneurship, etc.

Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs

N/A

Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement

N/A

Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes

N/A

School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.

Problem Solving Key

G = Goal

B =
Barrier

S = Strategy

 = Problem Solving Step  S123456 = Quick Key

Strategic Goals Summary

- G1.** If Tyndall Elementary continues implementation of Professional Learning Communities and focuses on cognitive engagement, then proficiency will increase in all subject areas.

Strategic Goals Detail

For each strategic goal, this section lists the associated targets (i.e., "SMART goals"), resources available to support movement toward the goal, barriers to achieving the goal, and the plan for monitoring progress toward the goal

G1. If Tyndall Elementary continues implementation of Professional Learning Communities and focuses on cognitive engagement, then proficiency will increase in all subject areas. 1a

Targets Supported 1b

G047216

Indicator	Annual Target
AMO Reading - All Students	81.0
FSA - English Language Arts - Proficiency Rate	80.0
AMO Math - All Students	81.0

Resources Available to Support the Goal 2

- Dedicated Time for Leadership and Grade Level Teams (Beginning Summer 2014)
- Dedicated Weekly Focused Grade Level Time
- Monthly Extended PLC Time
- Kagan Training
- SAM (Structure of the Month Meeting)
- Kagan Coaching Visits (2 Days Per Month)
- Learning by Doing Book Study
- Learning Walks
-

Action Plan for Improvement

For each strategy selected in the plan to reduce a targeted barrier to a strategic goal, this section lists the rationale for that strategy (i.e., why the school believes it will reduce the barrier) and the action steps that have been identified as necessary to implementing the strategy, including details such as the point person, timing and duration, and evidence of completion. At the end of each set of action steps is the plan for monitoring the implementation and effectiveness of the respective strategy.

Schedule

On 8/13/2014

Evidence of Completion

Sign-in Sheets and Agendas

Action Step 5 5

Monthly Leadership Team Meetings

Person Responsible

Susan Ross

Schedule

Monthly, from 8/20/2014 to 6/10/2015

Evidence of Completion

Agenda and Minutes with Established Norms

Action Step 6 5

Weekly Grade Level Meetings with assigned Roles and Responsibilities

Person Responsible

Susan Ross

Schedule

Weekly, from 8/19/2014 to 6/10/2015

Evidence of Completion

Agenda and Minutes

Plan to Monitor Fidelity of Implementation of G1.B3.S1 6

Administration participates in and monitors Leadership Team/Grade Level/Content Area Meetings

Person Responsible

Susan Ross

Schedule

Weekly, from 8/19/2014 to 6/10/2015

Evidence of Completion

Agenda, Minutes, and Administrative Observation

Plan to Monitor Effectiveness of Implementation of G1.B3.S1 7

PLC Work Samples and Classroom Walkthroughs

Person Responsible

Susan Ross

Schedule

Weekly, from 8/19/2014 to 6/10/2015

Evidence of Completion

PLC Work Samples, Classroom Walk-through Data

Plan to Monitor Effectiveness of Implementation of G1.B3.S1 7

Lesson Plan

Person Responsible

Susan Ross

Schedule

Weekly, from 8/19/2014 to 6/10/2015

Evidence of Completion

Feedback provided to teachers based on Lesson Plans submitted

G1.B3.S2 Building capacity of Tyndall Teachers to cognitively engage all students **4**

 S129463

Strategy Rationale

By building capacity for teachers to engage student's cognitively, teachers are able to encourage students to interact with rigorous tasks and instruction.

Action Step 1 **5**

Sent selected teachers to cooperative learning professional development

Person Responsible

Susan Ross

Schedule

On 7/18/2014

Evidence of Completion

classroom practice

Action Step 2 **5**

administration attended professional development on cooperative learning

Person Responsible

Carolyn Dehner

Schedule

On 7/11/2014

Evidence of Completion

use of learned strategies in teacher inservice

Action Step 3 **5**

Monitoring engagement strategies in classroom walkthroughs

Person Responsible

Susan Ross

Schedule

Daily, from 8/18/2014 to 6/5/2015

Evidence of Completion

Template is provided with feedback after every CWT

Action Step 4 5

Cooperative Learning of core elements of cooperative learning for student engagement

Person Responsible

Carolyn Dehner

Schedule

On 8/14/2014

Evidence of Completion

agenda

Action Step 5 5

lesson plans specify what engagement strategies are being used in the classroom

Person Responsible

Susan Ross

Schedule

Weekly, from 8/18/2014 to 6/5/2015

Evidence of Completion

weekly review of lesson plans by administration

Action Step 6 5

Person Responsible

Schedule

Evidence of Completion

Appendix 1: Implementation Timeline

Grade Level Summer Planning (Set Norms, Plan for Year, etc)

Facilitator

Grade Level Chairs

Participants

All Teachers

Schedule

On 7/29/2014

PD Opportunity 3

Leadership Team Presented at Inservice

Facilitator

Leadership Team

Participants

All Teachers

Schedule

On 8/13/2014

PD Opportunity 4

Monthly Leadership Team Meetings

Facilitator

Shared Responsibility in Content

Participants

Leadership Team

Schedule

Monthly, from 8/20/2014 to 6/10/2015

G1.B3.S2 Building capacity of Tyndall Teachers to cognitively engage all students

PD Opportunity 1

Sent selected teachers to cooperative learning professional development

Facilitator

KAGAN

Participants

selected teachers that applied

Schedule

On 7/18/2014

PD Opportunity 2

administration attended professional development on cooperative learning

Facilitator

KAGAN

Participants

Tyndall administration

Schedule

On 7/11/2014

PD Opportunity 3

Monitoring engagement strategies in classroom walkthroughs

Facilitator

S. Ross and C. Dehner

Participants

teachers

Schedule

Daily, from 8/18/2014 to 6/5/2015

PD Opportunity 4

Cooperative Learning of core elements of cooperative learning for student engagement

Facilitator

S Ross C. Dehner

Participants

all teachers

Schedule

On 8/14/2014

Technical Assistance Items

Technical Assistance opportunities identified in the SIP as action steps to achieve the school's goals.

Budget Rollup

Summary

Description	Total
Goal 1: If Tyndall Elementary continues implementation of Professional Learning Communities and focuses on cognitive engagement, then proficiency will increase in all subject areas.	6,249
Grand Total	6,249

Goal 1: If Tyndall Elementary continues implementation of Professional Learning Communities and focuses on cognitive engagement, then proficiency will increase in all subject areas.
