SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or with a grade of F within the prior two years. For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education's school improvement planning web application located at <https://www.floridacims.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify resources available to support the goals and barriers that could hinder achieving those goals (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida’s Differentiated Accountability (DA) system is a statewide network of strategic support, differentiated by need according to performance data, and provided to schools and districts in order to improve leadership capacity, teacher efficacy and student outcomes. DA field teams collaborate with district and school leadership to design, implement and refine improvement plans, as well as provide instructional coaching, as needed.

DA Regions

Florida’s DA network is divided into five geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

Traditional public schools are classified at the start of each school year, based upon the most recently released school grades (A-F), into one of the following categories:

- Not in DA – currently A or B with no F in prior three years; charter schools; ungraded schools
- Monitoring Only – currently A or B with at least one F in the prior three years
- Prevent – currently C
- Focus – currently D
 - Planning – two consecutive grades of D (i.e., DD), or a grade of F immediately followed by a grade of D in the most recent grades release (i.e., FD)
 - Implementing – two consecutive grades of D in the most recent grades release preceded by a grade below C (i.e., FDD or DDD)
- Priority – currently F
 - Planning – declined to a grade of F in the most recent grades release and have not received a planning year or implemented a turnaround option during the previous school year
 - Implementing – two consecutive grades of F (i.e., FF), or three consecutive grades below C with an F in the most recent grades release (i.e., FDF or DDF)

DA Turnaround and Monitoring Statuses

Additionally, schools in DA are subject to one or more of the following Turnaround and Monitoring Statuses:

- Former F – currently A-D with at least one F in the prior three years; SIP is monitored by FDOE
- Planning – Focus Planning and Priority Planning; district is planning for possible turnaround
- Implementing – Focus Implementing and Priority Implementing; district is implementing the Turnaround Option Plan (TOP)

Supportive Environment

School Mission and Vision

Provide the school's mission statement

We, Team Pierson, will provide a high quality education for our students. Collaboratively, we will create safe and supportive learning opportunities that will prepare students for the challenges at the next level.

Provide the school's vision statement

Through the individual commitment of all, our students will graduate with the knowledge, skills, and values necessary to be successful contributors to our democratic society.

School Environment

Describe the process by which the school learns about students' cultures and builds relationships between teachers and students

The administration, faculty and staff at Pierson Elementary believe in the importance of fostering connection with students which begins with a sincere, deliberate commitment to the belief that all students can meet high academic standards, and that schools have the ability and the responsibility to help every child reach that potential. To that end, all staff are encouraged to interact with families through school sponsored events such as but not limited to: Meet the Teacher, Open House, Literacy Nights, Parent-Teacher Conferences, Parents-to-Kids, Plaza Comunitaria, PTA events, School Advisory Council and Volunteer /Business Partner opportunities, as well as outreach services including Project Share and Food Brings Hope

Describe how the school creates an environment where students feel safe and respected before, during and after school

The Pierson Elementary community of learners adheres to the standards of Volusia County Code of Student Conduct to "Be Safe, Be Responsible, and Be Respectful." At the beginning of each year, faculty and staff are provided instruction on District Threat Levels, Bullying/Harassment: The Jeffrey Johnson Act, Psychotropic Medications, Creating Emotional Safety for our Students, and Dating Violence. Administration, teachers and the school counselor work together to provide instruction to students on social skills, school safety, behavior expectations, bullying reporting and prevention. Students are encouraged to report any concerns to teachers or administration. In the classroom, KAGAN strategies are implemented school-wide to build teamwork and collaboration skills in students.

Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced

The Pierson Elementary community of learners adhere to the standards of Volusia County Code of Student Conduct to "Be Safe, Be Responsible, and Be Respectful." Each classroom posts rules and levels of consequences that students and teachers may refer to throughout the day. Behavior expectations remain the same in all areas of the campus and with all staff members. Behavior expectations are communicated to families through the school newsletters, beginning of the year student and family handbook, the Volusia County Code of Student Conduct, Open House, and

presentations during class time.

All teachers receive training in setting behavioral expectations at the beginning of each school year. All teachers new to Volusia County Schools receive CHAMPS training as a component of the E3 teacher development program. Volusia County Schools provides discipline training to administration annually which includes information on changes to the code of conduct, the juvenile justice program, and discipline referrals and consequences.

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services

The school counselor at Pierson Elementary works with the school population as a whole on character and social skill development. As well, the school counselor meets with targeted groups of children VPK- grade 5 to assist with anger and behavior management, home situations, and peer relations throughout the school day. One on one counseling and student outreach services are also provided to assist students and families in need.

Early Warning Systems

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(ii)(III), (b)(1)(B)(iii)(I), and (b)(1)(I).

Describe the school's early warning system and provide a list of the early warning indicators used in the system

Provide the following data related to the school's early warning system

The number of students by grade level that exhibit each early warning indicator:

Indicator	Grade Level	Total
Attendance below 90 percent		
One or more suspensions		
Course failure in ELA or Math		
Level 1 on statewide assessment		

The number of students identified by the system as exhibiting two or more early warning indicators:

Indicator	Grade Level	Total
Students exhibiting two or more indicators		

Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system

Family and Community Involvement

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(iii)(I)(aa).

Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. § 6314(b)(1)(F).

Will the school use its PIP to satisfy this question?

Yes

PIP Link

The school completes a Parental Involvement Plan (PIP), which is accessible through the Continuous Improvement Management System (CIMS) at <https://www.floridacims.org/documents/188187>.

Description

A PIP has been uploaded for this school or district - see the link above.

Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement

Pierson Elementary has a volunteer and business partner coordinator who reaches out to local businesses with opportunities to partner with the school in offering gifts of time, talent, as well as to provide incentives and program support for student endeavors. Community volunteers receive training at the beginning of each school year. Throughout the year, business partners and volunteers receive recognition through having a month dedicated to them on the school marquee, names and contributions listed on the school webpage and newsletter, and through celebrations at the district and school level.

Effective Leadership

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(H).

School Leadership Team

Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Myers, Richard	Principal
Deane, Catherine	Assistant Principal
Cortes, Catherine	Instructional Coach
Harper, Beth	Instructional Coach
Hoy, Rowann	Instructional Coach
Davis, Hilma	Teacher, K-12
Brugone, Yanelisi	Teacher, K-12
Molve, Stacy	Teacher, K-12
Coward, Allison	Teacher, K-12
Hinson, Jami	Teacher, K-12
Ackerman, Celeste	Teacher, K-12
Fryar, Lenarda	Teacher, K-12
Cortes, Jose	Teacher, K-12
Biferie, Kathryn	Teacher, K-12

Duties

Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making

Administrators--overseeing all phases related to MTSS and SIP
 PST Chair, School Social Worker and School Psychologist--overseeing the PST process and early warning systems
 Grade-Level Team Leaders--communication with administration on a weekly basis through PLC

minutes related to data analysis and progress toward SIP goal(s)

Instructional Coaches--communication with grade levels and administration concerning data analysis and monitoring progress towards achieving the SIP goal(s)

Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact

The school improvement plan is data driven and focuses on areas of school- based need for both specific content areas as well as specific student populations. Similarly, MTSS is a data-driven framework that seeks to find solutions/resources matched in intensity to student need in academic and behavioral areas. The MTSS framework follows the district's four-step problem solving process, with RtI as an integral component of the process. As a result, the school improvement plan is based on a strategic analysis of data, and identified resources (as identified by the MTSS school based leadership team) are matched to the needs of the students/schools. Building the SIP within the context of MTSS and following the 8-step problem solving process results in the school determining the areas of most significant need and, as importantly, enables the school to develop a plan that can be addressed based on existing resources.

In addition, the leadership team will meet with all classroom teachers three times per year to monitor MTSS and analyze individual student data. These data chats will be conducted in our school's data room using individual student's data analysis cards.

Title I, Part A

Under Title I Part A our school works with outside agencies that provide specific services to targeted children and their families. These organizations team with our school to provide specific services to students, parents, and staff, including all special needs groups. It is the expectation of those involved in these partnerships that the activities and services will benefit the students by providing the children served with the support, tools, and materials they need to be ready to learn as they move down the appropriate path to graduation.

Programs supported by Title I at Pierson Elementary include:

- Academic Coaches for the purpose of comprehensive staff development and coaching
- Family Center para-professional who facilitates our extensive parent involvement program
- Reading Intervention Teachers to provide interventions for students in need
- Math/Science Intervention Teacher to provide interventions for students in need via a push-in model
- Tutoring before, after, and during school
- Supplemental materials and supplies needed to close the achievement gap
- Supplemental funds for ongoing staff development as determined by the results of FCAT data
- Parent To Kids workshops to teach literacy skills to parents so they can help their children to become better readers

Title I, Part C Migrant

The District Migrant Education Program Coordinator, Migrant Advocates and Migrant Recruiters work together to provide services and support to the migrant students and their parents. The MEP Coordinator works with Title I and other programs to ensure student needs are met. The Migrant Education Program provides the following:

- Academic Assistance through credit accrual/recovery, tutoring, and summer school
- Translation Services for parent/teacher conferences
- Parental support through parent/kid activity nights and workshops on school success
- Migrant Parent Advisory Council (MPAC)
- Medical assistance through referrals to outside community agencies
- Food assistance through referrals to food assistance programs

Title I, Part D

The district receives funds to support the N & D programs to accelerate the rate of student

achievement and close the achievement gaps for students in these programs. Services are coordinated with district DJJ and Neglected programs. Students are transitioned from DJJ centers back into the district schools with a transition plan to ensure academic and social success.

Title II

The district receives federal funds to provide access to Professional Development activities for public and private school teachers and principals in the core subject areas to ensure quality instruction and student success.

Title III

The District ESOL Coordinator and staff provide ongoing support and professional development to teachers to ensure instructional best practices are utilized. Teachers consistently monitor the progress of ELL students to identify specific needs, as well as target interventions and enrichments that ensure the appropriate pathway toward graduation.

Title X Homeless

The school works closely with Pam Woods, Title X Coordinator, to ensure that homeless students have the materials and resources they need to be successful.

Supplemental Academic Instruction (SAI)

The District provides remedial and supplemental instructional resources to students who fail to meet performance levels.

Violence Prevention Programs

The school offers the following non-violence and anti-drug programs:

- Peer Mediation
- Crisis training
- Suicide prevention
- Bullying

Nutrition Programs

Pierson Elementary offers a variety of nutrition/wellness programs including:

- Free and Reduced Meal Plan
- Wellness Policy School Plan
- Nutrition and Wellness classes
- Health classes
- Personal Fitness classes
- Marathon/P.E. Enrichment Clubs

Head Start

The District, in conjunction with the Head Start agency serving the community, coordinates efforts to promote continuity of services and effective transitions for children and their families. These include:

- Providing the opportunity for ongoing channels of communication with Head Start to facilitate coordination of programs and for shared expectations for children's learning and development as the children transition to elementary school.
- Assisting in the development of a systematic procedure for transferring, with parental consent, Head Start program records, for each participating child to the school in which such child will enroll.
- Collaborating and participating in joint professional development, including transition-related training for school staff and Head Start staff when feasible.
- Coordinating the services being provided by Head Start with services in elementary schools.
- Providing to the Head Start agency local public school policies, kindergarten registration and other relevant information to ease the transition of children and families from Head Start.

Job Training

Pierson Elementary offers students career awareness opportunities through job shadowing opportunities (Florida Future Educators of America--FFEA), guest speakers from business and industry, and field trips to business and industry locations.

School Advisory Council (SAC)

Membership

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group
Richard Myers	Principal
Melissa Baister	Parent
Mary Katherine Cowart	Parent
Beth Harper	Teacher
Jolie Kelly	Teacher
Amanda Love	Parent
Delia Morales	Parent
Wayne Prevatt	Parent
Stacy Turner	Parent
Teresa Mikalik	Education Support Employee
Phil Mikalik	Business/Community

Duties

Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

Evaluation of last year's school improvement plan

Data from state assessments is shared in relation to last year's SIP goals. Areas of proficiency are discussed as well as areas still in need of improvement.

Development of this school improvement plan

After reviewing relevant data, the council members have an opportunity to provide input for the development of the plan. The final plan is approved by the members. The plan will be monitored throughout the year and the members will be updated on the progression towards reaching the goal(s) addressed in the plan.

Preparation of the school's annual budget and plan

The school's annual budget and plan are shared with the SAC for input and feedback.

Describe the use of school improvement funds allocated last year, including the amount budgeted for each project

Due to funds being released late in the Spring of 2014, SAC decided to roll the funds to the upcoming school year.

Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC

Yes

If the school is not in compliance, describe the measures being implemented to meet SAC requirements

Literacy Leadership Team (LLT)

Membership

Identify the name, email address and position title for each member of the school-based LLT.:

Name	Title
Myers, Richard	Principal
Deane, Catherine	Assistant Principal
Cortes, Catherine	Instructional Coach
Harper, Beth	Instructional Coach
Hoy, Rowann	Instructional Coach

Duties

Describe how the LLT promotes literacy within the school

Administration: Provides a common vision for the use of data-based decision-making by promoting MTSS and the K-12 Reading Plan; ensures that educators are implementing the District's Progress Monitoring Plan (PMP) accessible through the K-12 curriculum link of the Volusia County Schools' webpage.; monitors students who do not respond to core instruction and are in need of immediate intensive intervention; supports the Problem Solving Team (PST); ensures that adequate professional development is scheduled for the faculty.

Grade-Level Team Leaders: Provide information about core instruction; participate in student data collection; deliver Tier 1 instruction/intervention; collaborate with other teachers that provide Tier 2 interventions; integrate Tier 1 materials/instruction with Tier 2/Tier 3 activities.

Academic Coaches: Observe and coach teachers on the implementation of best practices; develop, lead

and evaluate core content standards/programs; research existing literature on scientifically-based curriculum, behavior assessment and intervention approaches; identify systemic patterns of student need while working with District personnel to identify appropriate, evidence-based intervention strategies; assist with school assessments in order to provide early intervention services for children considered "at risk"; provide support for progress monitoring, data collection and data analysis; participate in the design and delivery of professional development.

Intervention Teachers: Instruct and assess "at risk" students; collaborate with core instruction providers

regarding interventions and student progress.

*Meet weekly to review literacy programs and their effectiveness *Create capacity of reading knowledge

within the school *Implement a variety of strategies to build a culture of literacy.*Focus on areas of concern across the school

*Provide professional development opportunities for teachers

*Schedule activities that promote reading.

Public and Collaborative Teaching

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(D).

Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction

The school uses the common planning time for grade levels to collaboratively plan and develop instructional plans. The school builds positive working relationship with teachers by allowing time for teachers to collaboratively plan once a week for one hour during their Professional Learning Community.

Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school

The principal contacts local colleges and universities in an effort to recruit upcoming graduates. School administration participates in the district sponsored job fairs. In an effort to retain highly qualified teachers, the school will encourage participation in new teacher programs (Empowering Educators for Excellence, mentors, peer classroom visits), professional development and PLC activities. Leadership opportunities will be provided as well as celebrations and teacher recognition.

Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities

New teachers are paired with experienced teachers for mentoring. The pairings are made based on the teachers' job roles or departments. Mentoring teacher activities include team planning, observations, resource allocation, professional development and monthly meetings with administration.

Ambitious Instruction and Learning

Instructional Programs and Strategies

Instructional Programs

Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards

The school uses and incorporates the Florida Standards by utilizing and supporting the use of district created curriculum maps and pacing guides for teacher and periodic use of assessments to track and monitor progress of students as they progress throughout the year. The staff then provides remediation, intervention and enrichment as needed throughout the year.

Instructional Strategies

Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments

The school uses Walk to Intervention to provide differentiated instruction to all students in grades Kindergarten to Fifth Grade. The Walk to Intervention groups are changed periodically by using to data to provide ongoing support for the students based on new assessment information.

Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: Extended School Day

Minutes added to school year: 10,800

Pierson Elementary participates in the Plus One program. This extends the school day by an hour. The additional hour is used for academic purposes. This school year it will allow more time to be spent in providing differentiated reading intervention across all grade levels. This provides an additional opportunity for teachers to work with students in small groups. To utilize the best instructional practices, teachers work collaboratively with one another, resource and special area teachers to align instruction with standards and student needs.

Strategy Rationale

The rationale would be that the increase amount of learning time would provide time for interventions in reading to reduce the learning gaps for these students.

Strategy Purpose(s)

- Instruction in core academic subjects
- Enrichment activities that contribute to a well-rounded education

Person(s) responsible for monitoring implementation of the strategy

Myers, Richard, rtmyers@volusia.k12.fl.us

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

The effectiveness of using the Plus One hour for differentiated reading intervention will be analyzed by use of data from in FAIR, DRA, DIA, SIPPS and other program assessments.

Student Transition and Readiness

PreK-12 Transition

The school's response to this question may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(G).

Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another

The District, in conjunction with the local Head Start agency, Early Learning Coalition, VPK Sites and other local pre-school facilities, coordinates efforts to promote continuity of services and effective transitions for children and their families. These include: • Providing the opportunity for ongoing communication between agencies to facilitate coordination of programs and shared expectations for children's learning and development as the children transition to elementary school. • Collaborating and participating in joint professional development, including transition-related training for school staff and pre-school staff when feasible. • Utilizing pre-school assessments to monitor readiness skills for students transitioning from pre-school to kindergarten. • Providing to the pre-school agencies local public school policies, kindergarten registration, kindergarten orientation and other relevant information to ease the transition of children and families.

Pierson Elementary is a site provider for Early Learning VPK. VPK teacher implements VPK instruction as well as Common Core Curriculum instruction during the school day. Students are provided with Special Area classes to ease transition to Kindergarten.

College and Career Readiness

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations

Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs

Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement

Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes

School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.
