SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or with a grade of F within the prior two years. For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education's school improvement planning web application located at <u>https://www.floridaCIMS.org</u>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school's Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., "SMART goals") for the coming school year in context of the school's greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify resources available to support the goals and barriers that could hinder achieving those goals (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- · Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida's Differentiated Accountability (DA) system is a statewide network of strategic support, differentiated by need according to performance data, and provided to schools and districts in order to improve leadership capacity, teacher efficacy and student outcomes. DA field teams collaborate with district and school leadership to design, implement and refine improvement plans, as well as provide instructional coaching, as needed.

DA Regions

Florida's DA network is divided into five geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

Traditional public schools are classified at the start of each school year, based upon the most recently released school grades (A-F), into one of the following categories:

- Not in DA currently A or B with no F in prior three years; charter schools; ungraded schools
- Monitoring Only currently A or B with at least one F in the prior three years
- Prevent currently C
- Focus currently D
 - Planning two consecutive grades of D (i.e., DD), or a grade of F immediately followed by a grade of D in the most recent grades release (i.e., FD)
 - Implementing two consecutive grades of D in the most recent grades release preceded by a grade below C (i.e., FDD or DDD)
- Priority currently F
 - Planning declined to a grade of F in the most recent grades release and have not received a planning year or implemented a turnaround option during the previous school year
 - Implementing two consecutive grades of F (i.e., FF), or three consecutive grades below C with an F in the most recent grades release (i.e., FDF or DDF)

DA Turnaround and Monitoring Statuses

Additionally, schools in DA are subject to one or more of the following Turnaround and Monitoring Statuses:

- Former F currently A-D with at least one F in the prior three years; SIP is monitored by FDOE
- Planning Focus Planning and Priority Planning; district is planning for possible turnaround
- Implementing Focus Implementing and Priority Implementing; district is implementing the Turnaround Option Plan (TOP)

Supportive Environment

School Mission and Vision

Provide the school's mission statement

Our mission at Pleasant Grove Elementary is to provide a safe learning environment that will enable all children to grow and develop to their greatest potential intellectually, physically, and socially.

Provide the school's vision statement

Our vision at Pleasant Grove is to promote the recognition of positive behaviors and academic success that aligns with the school-wide expectation to create a positive learning environment encouraging students, teachers, staff and parent to exhibit school and community pride.

School Environment

Describe the process by which the school learns about students' cultures and builds relationships between teachers and students

Pleasant Grove implements Whole Brain strategies which allows for students to engage in learning. Teachers research student cum folders and also make positive calls home. Children are greeted each day at the door by their teachers.

Describe how the school creates an environment where students feel safe and respected before, during and after school

Pleasant Grove Elementary School is a Positive Behavior Support school. School wide behavior plans have been implementing recognizing the positive behaviors and attitudes of students. We recite our PGE Expectation Pledge every morning on the announcements: Today I pledge to be respectful, responsible, and safe. I am a proud Pleasant Grove Roadrunner. Beep! Beep!

Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced

Pleasant Grove Elementary School is a Positive Behavior Support school. School wide behavior plans have been implementing recognizing the positive behaviors and attitudes of students. Teachers utilize infraction sheets to help monitor student behavior. With each infraction, interventions are established to work on inappropriate behaviors. Students who do not have any referrals are rewarded at the end of each month. Students are given BUGS fro making positive choices and may earn a special treat weekly if name is drawn.

This is the first year PGES is a PBS school. The school leadership team was thoroughly trained this summer. Teachers were trained during preplanning and will continue to meet with grade level rep for refresher if needed.

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services

The school guidance counselor is on hand to assist with counseling needs. The RtI/MTSS committee meets to also come up with strategies and interventions for students with needs. Mentors are utilized to assist with students academic needs as well as emotional needs.

Early Warning Systems

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(ii)(III), (b)(1)(B)(iii)(I), and (b)(1)(I).

Describe the school's early warning system and provide a list of the early warning indicators used in the system

The Escambia School District provides the school with the following data:

*Attendance below 90 percent, regardless of whether absence is excused or a result of out-of-school suspension

*One or more suspensions, whether in school or out of school

*Course failure in English Language Arts or mathematics

*A Level 1 score on the statewide, standardized assessments in English Language Arts or mathematics

Provide the following data related to the school's early warning system

The number of students by grade level that exhibit each early warning indicator:

Indicator		Grade Level					Total
		1	2	3	4	5	Total
Attendance below 90 percent	8	12	14	11	6	5	56
One or more suspensions	0	1	4	1	2	5	13
Course failure in ELA or Math	0	3	7	3	2	0	15
Level 1 on statewide assessment	0	0	0	5	29	22	56

The number of students identified by the system as exhibiting two or more early warning indicators:

Indicator		Total				
	1	2	3	4	5	Total
Students exhibiting two or more indicators	1	4	5	6	2	18

Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system

The School Leadership team and Positive Behavior Support Team reviews data and shares with grade levels. Strategies are reviewed in the SIP and PBS plan for edits or revisions.

Family and Community Involvement

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(iii)(I)(aa).

Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. § 6314(b)(1)(F).

Will the school use its PIP to satisfy this question?

Yes

PIP Link

The school completes a Parental Involvement Plan (PIP), which is accessible through the Continuous Improvement Management System (CIMS) at <u>https://www.floridacims.org/documents/168083</u>.

Description

A PIP has been uploaded for this school or district - see the link above.

Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement

Pleasant Grove Elementary has a Volunteer/Community Coordinator. She calls on business partners for donations and volunteers to assist students in learning needs. Some businesses hold family nights to raise money to donate to the school for student needs. Also, volunteers come in to mentor students.

Effective Leadership

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(H).

School Leadership Team

Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Mullen, Pamela	Principal
Pearson, Julie	Assistant Principal
Crigler, Lori	Teacher, ESE
Downs, Alice	Teacher, K-12
Forbes, Cheyanne	Teacher, K-12
Gunnels, Amber	Teacher, K-12
Holliday, Meghan	Teacher, K-12
LaRock, Mae	Teacher, K-12
Smith, Sherron	Teacher, K-12

Duties

Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making

The MTSS Team meets on a regular basis to engage in the following activities: Review universal screening data and link to instructional decisions; review progress monitoring data at the grade level and classroom level to identify students who are meeting/exceeding benchmarks, at moderate risk or at high risk for not meeting benchmarks. Based on the above information, the team will identify professional development and resources. The team will also collaborate regularly, problem solve, share effective practices, evaluate implementation, make decisions, and practice new processes and skills. The team will facilitate the process of building consensus, increasing infrastructure, ad making decisions about implementation.

Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact

The School Improvement Plan will be shared with the committee. We will review each month to check progress towards goal. The MTSS Leadership Team also meets with the School Advisory Council

(SAC) and the principal to help develop the School Improvement Plan. The team provides data and information on Tier 1, 2 and 3 targets academic and social /emotional areas that need to be addressed; strategies for setting clear expectations for instruction; ideas to facilitate the development of a systemic approach to teaching and aligned processes and procedures.

Title 1, Part A: Services and monies (total allocations: \$153,363) are provided to ensure students requiring additional remediation. The district coordinates with Title II, Title III, in ensuring staff development needs are provided. School allocation is spent for part time technology coordinator, technology and staff development materials.

Title 1, Part C: Services for migrant children are provided by the district level Title 1 office. After thorough checking of the Migrant Student Information Exchange system and our local Student Data Base, we have determined that there are 4 migrant students are Pleasant Grove Elementary School. Title 1, Part D: Services to neglected and delinquent students are provided by various district-operated programs. These services are overseen by the Title 1 office. Our school does not serve Title 1, Part D students.

Title II: Professional development is offered at both the school ad district levels. Please see the Problem Solving section under Expected Improvements for specific professional development activities (in-service education).

Title III: Services for English Language Learners (ELL) are provided as required by law. Several ESOL centers are provided at various key locations int eh district. Students who do not attend centrally located school-based sites attend their zoned school where ESOL endorsed teachers provide services. All teachers who serve ELL identified students have ESOL endorsement on their teaching certificate. Our school is not an ESOL center, however, we serve 1 ELL student. Title X - Homeless: The school works with the district's Homeless Center to provide resources (clothing, school supplies, and social services referrals) for students identified as homeless under the McKinney-Vento Act to eliminate barriers for a free ad appropriated education. This program is overseen by the District Title 1 office. At Pleasant Grove Elementary we have 36 identified homeless students.

Supplemental Academic Instruction (SAI): SAI monies have been reduced/or eliminated from our school's budget. We use our SAI monies for supplies, Non-professional purchased services (Accelerator Reading, Write Score), and substitute teachers for teacher training.

Violence Prevention Programs: The school offers non-violence and anti-drug program to students that incorporate guest speakers, counseling, and classroom discussion. Red Ribbon Week is held in October with school-wide activities and guest speakers. Through our schools' Behavior Management Plan, we provide training for faculty, staff, a students regarding bullying. The Jeffrey Johnson Stand Up for All Students Act, requires our school district to adopt an official policy prohibiting bullying and harassment of student and staff on school grounds, at school-sponsored events, and through school computer networks. In addition, our district has a "Bullying" Reporting website where bullies may be reported anonymously.

Nutrition Programs: Our school is committed to offering nutritional choices in its cafeteria. This includes salad bar, ala carte items, and self serve options. Oust school is also a Healthier Generation Alliance School. The school follows the district's nutrition program for summer feeding at select sites. Additional programs and staff will address the obesity issue, especially in elementary age children. Housing Programs: This is offered at the district level and overseen by the Title 1 District Office. This program is not applicable to our school.

Head Start: Pleasant Grove Elementary houses one Head Start classroom. The one teacher ad one teacher aide and approximately 10 students are monitored the by the District Head Start main office on Garden Street. Students participate in food services only.

Adult Education: Adult education programs are offered at all our high schools. A "Second Chance" program is also in place for juvenile offenders. Pensacola State College also provides programs for adults over 16 years of age.

Career and Technical Education: Guidance provides a Career Fair for 4th grade students. Job Training: Not Applicable

School Advisory Council (SAC)

Membership

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group

Duties

Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

Evaluation of last year's school improvement plan

The SAC committee reviewed last year's SIP. Parents offered suggestions for changes in the school goals during a SAC meeting.

Development of this school improvement plan

The School Advisory Council assist in the preparation and evaluation of the School Improvement Plan and help to define adequate progress for the school and each school goal. A member of SAC will meet with an assigned goal committee to discuss the progress of the SIP. Each year, SAC reviews the plan and offers suggestions for the next year's SIP.

Preparation of the school's annual budget and plan

Once budgets are released, the administration and SAC review budgets. Parents are allowed to give input.

Describe the use of school improvement funds allocated last year, including the amount budgeted for each project

Not Applicable

Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC Yes

If the school is not in compliance, describe the measures being implemented to meet SAC requirements

Public and Collaborative Teaching

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(D).

Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction

Each grade level is provided a common planning daily. This allows time for teachers to discuss effective teaching strategies and data mining. The administrative staff meets monthly with each grade level to review data and teaching strategies and needs. Teachers are also encouraged to observe other teachers during their planning to receive ideas of effective teaching. The admin may schedule these observations or teachers may do so.

Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school

New teachers meet regularly with Principal. New teachers are partnered with veteran teachers/staff to assist through the year. Experienced teachers are hired by Principal and Assistant Principal prior to the start of school. Administration ensures teachers hired are certified in area in which they are to teach. For 1st year teachers, Escambia County School District has a START Mentoring program in which teachers are assigned a certified mentor to mentor and evaluate the first year.

Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities

A new teacher to the school will receive a mentor based on grade level. If a Special Area teacher is hired, then another Special Area teacher is assigned as a mentor. These mentors help new teachers become familiar with policies and practices at school. New, 1st year teachers, are assigned a START mentor by the district. This year, Lauren Casey, Music teacher is assigned Charlene May as a START Mentor.

Ambitious Instruction and Learning

Instructional Programs and Strategies

Instructional Programs

Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards

The Escambia School District follows and teaches the Florida Standards to students. Curriculum purchased is alliegned to these standards. Pacing guides are established for teachers to ensure that standards are taught during the school year.

Instructional Strategies

Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments

Discovery Ed is administered three/four times a year. After each assessment, teachers and admin review data. With DE, teachers are able to drill down to specific benchmarks/standards not mastered and can differentiate their instruction to match these needs. With progress monitoring, teachers create ability groups in order to meet individual needs of students during small group instruction.

Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: After School Program

Minutes added to school year: 64

Students attending the Military after-school will participate in STEM activities focusing on Math and Science. Each group will rotate through four sessions weekly addressing Math, Science, and technology.

Strategy Rationale

By offering this enrichment time for students in grades 3-5, student learning gains and proficiency levels to increase from the previous year.

Strategy Purpose(s)

Person(s) responsible for monitoring implementation of the strategy Mullen, Pamela, pmullen@escambia.k12.fl.us

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

Data for the new Florida Standards assessment and DE assessment will be monitored to track student progress.

Student Transition and Readiness

PreK-12 Transition

The school's response to this question may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(G).

Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another

Pleasant Grove does not have a Title 1 Pre-K Program. Voluntary Pre-K students in Escambia County are served by private providers through the Escambia County Readiness Coalition ad the Escambia County School District at selected locations.

Children that are enrolled in local preschools, such as Head Start, are given the opportunity to come and visit in our kindergarten classrooms. Our Kindergarten teachers take their own time prior to school starting to screen the new students entering kindergarten. This is a time when the child cam get to know the teacher, see the classroom, and become familiar with their surroundings. Parents appreciate the opportunity to visit the school, meet the teacher, and find out needed information. The children are noticeably more comfortable the firt day of school and seem to take on all the changes with ease.

Flyers are sent out in the Spring to assist parents in preparing their child for Kindergarten. Many of our Kindergarten students this year have not had Pre-K experiences. This means that our Kindergarten teachers have to back up their curriculum to meet the needs of the students coming in to our Kindergarten classrooms. Our teachers do an outstanding job of transitioning preschool children into our public education system.

College and Career Readiness

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations

Not applicable

Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs

Not applicable

Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement

Not applicable

Action Plan for Improvement

For each strategy selected in the plan to reduce a targeted barrier to a strategic goal, this section lists the rationale for that strategy (i.e., why the school believes it will reduce the barrier) and the action steps that have been identified as necessary to implementing the strategy, including details such as the point person, timing and duration, and evidence of completion. At the end of each set of action steps is the plan for monitoring the implementation and effectiveness of the respective strategy.

G1.B1 Student Motivation 2

G1.B1.S1 Students learn more when they are actively engaged in teaching each other.

Strategy Rationale

Teachers were reminded during professional development, in preplanning, that students do not learn from people that they don't like. (Rita Pierson)

With this in mind, students also retain and master material when they are required to teach it; hence, student-to-student discourse and active participation is the focus.

G1.B3.S2 Classroom Infraction Reports 4

Strategy Rationale

The classroom infraction reports serve two main purposes. First, this requires teachers to try different strategies including making parent contact prior to referring a student to the office. Also, the classroom infraction report provides documentation which can be useful for referring students to Rti and/or counseling.

Action Step 1 5

Implementation of classroom infraction reports

Evidence of Completion

The infractions reports will be filed as evidence.

Plan to Monitor Fidelity of Implementation of G1.B3.S2 👩

Students will only be allowed to receive an office referral if they are sent to the office with the completed infraction report that requires the teacher to have previously contacted the parent/ guardian about the student's behavior.

Person Responsible

Julie Pearson

Schedule

Weekly, from 8/18/2014 to 5/29/2015

Evidence of Completion

The assistant principal will keep all submitted infraction reports. Any behavior that results in a referral will be entered into the Response to Intervention for Behavior Database (RtI:B) which is a reporting system that allows us to monitor and analyze student behavior on campus based upon location of the event, grade level, teacher, time of day, and type of infraction. This data will assist our staff in being proactive in addressing possible incidents before they occur.
