School Board Approval

This plan was approved by the Orange County School Board on 2/10/2015.

SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or with a grade of F within the prior two years. For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education's school improvement planning web application located at <https://www.floridaCIMS.org>.

Table of Contents

Purpose and Outline of the SIP	4
Differentiated Accountability	5
Current School Status	8
8-Step Planning and Problem Solving Implementation	22
Goals Summary	22
Goals Detail	22
Action Plan for Improvement	25
Appendix 1: Implementation Timeline	34
Appendix 2: Professional Development and Technical Assistance Outlines	36
Professional Development Opportunities	37
Technical Assistance Items	42
Appendix 3: Budget to Support Goals	43

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify resources available to support the goals and barriers that could hinder achieving those goals (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida's Differentiated Accountability (DA) system is a statewide network of strategic support, differentiated by need according to performance data, and provided to schools and districts in order to improve leadership capacity, teacher efficacy and student outcomes. DA field teams collaborate with district and school leadership to design, implement and refine improvement plans, as well as provide instructional coaching, as needed.

DA Regions

Florida's DA network is divided into five geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

Traditional public schools are classified at the start of each school year, based upon the most recently released school grades (A-F), into one of the following categories:

- Not in DA – currently A or B with no F in prior three years; charter schools; ungraded schools
- Monitoring Only – currently A or B with at least one F in the prior three years
- Prevent – currently C
- Focus – currently D
 - Planning – two consecutive grades of D (i.e., DD), or a grade of F immediately followed by a grade of D in the most recent grades release (i.e., FD)
 - Implementing – two consecutive grades of D in the most recent grades release preceded by a grade below C (i.e., FDD or DDD)
- Priority – currently F
 - Planning – declined to a grade of F in the most recent grades release and have not received a planning year or implemented a turnaround option during the previous school year
 - Implementing – two consecutive grades of F (i.e., FF), or three consecutive grades below C with an F in the most recent grades release (i.e., FDF or DDF)

DA Turnaround and Monitoring Statuses

Additionally, schools in DA are subject to one or more of the following Turnaround and Monitoring Statuses:

- Former F – currently A-D with at least one F in the prior three years; SIP is monitored by FDOE
- Planning – Focus Planning and Priority Planning; district is planning for possible turnaround
- Implementing – Focus Implementing and Priority Implementing; district is implementing the Turnaround Option Plan (TOP)

2014-15 DA Category and Statuses

DA Category	Region	RED
Not In DA	3	Ella Thompson
Former F	Turnaround Status	
No		

Part I: Current School Status

Supportive Environment

School Mission and Vision

Provide the school's mission statement

To lead our students to success with the support and involvement of families and the community

Provide the school's vision statement

To be the top producer of successful students in the nation

School Environment

Describe the process by which the school learns about students' cultures and builds relationships between teachers and students

Tangelo Park Elementary celebrates and embraces cultural diversity. The student population consists of local students, as well as those from Russia, the Middle East, Japan, Puerto Rico, Brazil and other countries around the world. Tangelo Park Elementary school staff and administration continually work to create a positive and welcoming atmosphere for all parents and students. All staff members receive professional development, throughout the school year, in effective strategies that support the needs of English Language Learners (ELL) and at-risk students. Staff members are provided training in the Sheltered Instruction Observation Protocol, de-escalation techniques, and all instructional staff members are ESOL endorsed or working toward endorsement/certification. In an effort to highlight the diversity at Tangelo Park, family involvement programs and events are held throughout the school year, such as the Black History program, the celebration of Hispanic Heritage Month, and the annual Multi-Cultural Day Celebration.

Describe how the school creates an environment where students feel safe and respected before, during and after school

Upon entering the Tangelo Park Elementary campus, students are greeted and welcomed by personnel that are stationed throughout the school. Policies, procedures, and rules are reviewed and shared with students at the start of the school year, and throughout. The Student Code of Conduct is reviewed with students on a quarterly basis, and a staff Discipline Committee meets monthly to determine discipline interventions and positive behavior supports and reinforcements, as well as discuss school-wide discipline policies. Students are encouraged to adhere to school-wide and classroom routines and procedures through incentives provided in the school's positive behavior program, R.O.A.R.(Responsible On time and Always Respectful). A school guidance counselor provides support to students on an as-needed basis, and facilitates character education lessons to all students on a monthly basis. All students have access to the school guidance counselor to discuss any concerns or issues they may have in school and at home. Additionally, the Neighborhood Center for Families is housed on the Tangelo Park Elementary campus, and provides counseling resources for students and families on a referral basis or parent request. The expectation of all staff members is that students are treated with fairness, dignity and respect at all times. Additionally, monthly drills are conducted to ensure that students know the appropriate actions to take during an emergency (emergency egress drill, active assailant drill, and severe weather drill).

Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced

Each grade level team creates and implements a behavior management and reinforcement plan at the start of the school year, and the plans are revisited on a quarterly basis or as needed. On the first day of school, the discipline team (consisting of the administrative dean, guidance, counselor, principal, and designee) hosts an assembly for all students during the special area block to review school-wide procedures, expectations and incentives for positive behavior. As stated previously, all students are provided an overview of the Student Code of Conduct on a quarterly basis. During the first semester, all staff members are trained in de-escalation techniques and procedures to support the safety and wellbeing of all students and staff on campus. Additionally, a positive behavior reinforcement system has been established to recognize and reward students for displaying positive behaviors throughout the school.

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services

Tangelo Park Elementary hosts the Neighborhood for Centers and Families (NCF) program on campus.

Tangelo Park and the NCF work collaboratively to promote healthy lifestyle programs, resiliency and self-sufficiency for students and their families. The NCF provides food and clothing to families and assists in the referral to outside agencies for additional services. The NCF also provides a full-time counselor that is able to support students on campus, as requested. Tangelo Park partners with the Second Harvest Food Bank and, through the partnership, are able to provide "Hi-Five" packs for needy students, which consists of non-perishable food items for their families. The school guidance counselor conducts monthly character education lessons with all grade levels, and provides resources for teachers to continue character education within the classroom. The guidance counselor also facilitates several counseling groups throughout the school year, based on the needs of the student population (divorce, grief and loss, anger management, etc.). Tangelo Park Elementary provides referrals to outside agencies for counseling services for those students that need more intensive support. Tangelo Park Elementary employs a full-time Licensed Practical Nurse (LPN) and a part time Nurse Practitioner, provided through the NCF, is on campus two days per week providing medical care to students as needed. The school also works collaboratively with the assigned school social worker to address truancy, homelessness, and outside agency support for families in need.

Early Warning Systems

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(ii)(III), (b)(1)(B)(iii)(I), and (b)(1)(I).

Describe the school's early warning system and provide a list of the early warning indicators used in the system

Attendance below 90 percent, regardless of whether absence is excused or a result of out-of-school suspension
One or more suspensions, whether in school or out of school
Course failure in English Language Arts or mathematics
A Level 1 score on the statewide, standardized assessments in English Language Arts or mathematics

Provide the following data related to the school's early warning system

The number of students by grade level that exhibit each early warning indicator:

Indicator	Grade Level						Total
	K	1	2	3	4	5	
Attendance below 90 percent	16	14	9	4	3	2	48
One or more suspensions	6	5	2	7	5	3	28
Course failure in ELA or Math	0	0	25	32	5	23	85
Level 1 on statewide assessment	0	0	0	28	20	14	62

The number of students identified by the system as exhibiting two or more early warning indicators:

Indicator	Grade Level						Total
	K	1	2	3	4	5	
Students exhibiting two or more indicators	1	3	2	24	8	11	49

Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system

Tangelo Park Elementary utilizes layers of support that provide interventions in the areas of academics, behavior, and attendance. For those students that are performing moderately to significantly below grade level, students are identified and assigned to the appropriate tier (tier II or tier III). Based on performance data and the students' tier placement, the identified students receive appropriate interventions and data is collected as part of the progress monitoring process. Students receiving academic interventions participate a minimum of 30 minutes per day of research-based reading and/or math interventions, after school tutoring, and additional intervention in reading/math, outside of the daily 30 minutes of research-based intervention.

For students exhibiting behaviors that impeded academic progress, the Multi-Tiered System of Supports team (MTSS) meets to discuss the observed behaviors and develop interventions and action plans. The MTSS team consists of teachers, staffing specialist, MTSS coordinator, dean, guidance counselor, parents, and principal or appointee. The MTSS team decides on interventions and the progress monitoring process that will be used to collect data. Additionally, the school guidance counselor may be assigned to work with identified students in social skills, anger management, peer relationships, and other areas.

For attendance, the registrar, principal, and social worker identify truant students on a weekly basis through reports derived from the Student Management System (SMS). Based on 5-day and 10-day absences, or 10 or more tardies (withing a specified amount of time) early warning truancy letters are sent to parents. Phone calls are placed to parents and families that have students receiving the truancy letters. If truancy continues, early intervention truancy meetings are held and parents are placed on an attendance contract. The school social worker and guidance counselor also provide resources and agency contacts to parents that may have extenuating circumstances leading to their child(ren)'s truancy.

Family and Community Involvement

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(iii)(I)(aa).

Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. § 6314(b)(1)(F).

Will the school use its PIP to satisfy this question?

Yes

PIP Link

The school completes a Parental Involvement Plan (PIP), which is available at the school site.

Description

Tangelo Park Elementary endeavors to increase parental involvement activities and opportunities, and increase the number of parents that participate in those activities. Parental involvement activities will occur on an ongoing basis, and shall include PTA meetings, SAC meetings, curriculum nights, parent workshops, school performances, award ceremonies, open houses, parent/teacher/student conference nights, and extended media center hours.

Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement

Tangelo Park Elementary has a long-standing relationship with Harris Rosen and Rosen Hotels and Resorts. Through this partnership, the school has been able to create and maintain unique partnerships with local, state and national companies and organizations. In the event that one or more partners endeavor to provide resources to Tangelo Park Elementary, the partner(s) speak directly with the school principal and/or Partners in Education (PIE) coordinator to determine resources and services needed. New and existing partners are also invited to showcase their products and services at parent/family involvement events, such as Open House, Curriculum Nights, etc. In order to sustain the established partnerships, the school administration and school community (students, staff and parents) are involved in providing tokens of gratitude to the partners (thank you cards and notes, student-created posters, student performances, etc.) and the school community is also encouraged to patronize the partner businesses, as applicable.

Effective Leadership

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(H).

School Leadership Team

Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Newton, Diondra	Principal
Black, Lakeitha	Instructional Coach
Bivins McCormick, Stephanie	Instructional Coach
Nortelus, Ketsia	Instructional Coach
Kalish, Norman	Instructional Coach

Duties

Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making

All members of the school leadership team play an active role in assuring that the academic and behavioral needs of all students are met. The team member's responsibilities are as follows:
Principal - provides vision and direction for the problem-solving processes, and reviews the fidelity of and adherence to the process via classroom walk throughs and observations, data meetings, and Multi-Tiered System of Supports (MTSS) meetings;
Instructional coaches - provides expertise in specific content areas through coaching of effective strategies, identification of appropriate intervention materials and resources, screening and

assessment of identified students, and hands-on support for identified students (small group and differentiated instruction);

Guidance Counselor - provides expertise and support in identifying students and selecting appropriate interventions for behavior, including the creation of guidance groups, participating in MTSS meetings, and assisting in the creation of MTSS behavior action and support plans;

Staffing Specialist - provides expertise and support in identifying students and selecting appropriate interventions for academics and behavior, participating in MTSS meetings, and assisting in the creation of MTSS academic and behavior action/support plans; guides teachers in the process of collecting and analyzing data and implementing appropriate strategies and interventions for selected students;

School Psychologist - works collaboratively with the Staffing Specialist in providing expertise and support in identifying students and selecting appropriate interventions for academics and behavior, participating in MTSS meetings, and assisting in the creation of MTSS academic and behavior action/support plans; guides teachers in the process of collecting and analyzing data and implementing appropriate strategies and interventions for selected students; initiates and completes required psychological and aptitude testing, when needed.

Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact

The following steps are outlined to identify, implement, and monitor the effectiveness of the school's MTSS and School Improvement Plan (SIP) structures:

- 1) Identification of student(s), based on below grade level performance on school/district/state benchmark assessments (by teacher or MTSS team), or at the request of a parent/guardian.
 - 2) A meeting is scheduled with parent/guardian, teacher(s), and MTSS team members to review data of identified student to determine severity of skills deficits and determine the level of support which the student will receive (Tier II or Tier III).
 - 3) An action plan will be created, based on the data reviewed and analyzed in Step 2. The student's skills deficits will be analyzed to determine cause and identify specific skills in need of support/intervention. Based on the support needed and level of tier identified, intervention and progress monitoring will commence
 - 4) Research-based interventions and supports will be provided to the identified students, and curriculum-based measurements will be utilized to assess the progress of the student (progress monitoring). The progress monitoring process will occur for 4-6 weeks, allowing time to collect a minimum of 3 data points,
 - 5) After the 4-6 week intervention cycle and/or 3 data points are collected, the data will be analyzed to determine modification of support.
 - 6) If growth is minimal or non-existent, additional interventions will be implemented and/or the intensity of interventions will be increased (dependent on data from prior interventions).
- Concurrently, the implementation of the core curriculum will be done with fidelity in all classrooms. Classroom walk throughs and teacher observations will occur to ensure the fidelity of instruction. Small group support, individual support, and additional resources (human and instructional) will be identified and provided, as needed.

Title I, Part A

Tangelo Park Elementary has one Voluntary Pre-Kindergarten (VPK) unit on site. Funding from Title I will be designated for instructional and curriculum resources, and professional development opportunities that will be utilized to increase student achievement. The VPK program uses the DLM Early Childhood Express as a core program. Additionally, Title I funds are used to purchase supplemental curriculum to provide needed interventions and technology, used to assess students.

Title I, Part C Migrant

The district provides services and support to qualifying families through a Migrant Liaison.

Title I, Part D

The district receives funds for students in need of neglected and delinquent services.

Title II

Title III

Funds for educational services, resources, and language support are provided through the district to improve the education of immigrants and English Language Learners.

Title X Homeless

The district-provided social worker provides resources such as social services, assistance with referrals, clothing, and other basic needs as identified for homeless students under the McKinney-Vento Act.

Supplemental Academic Instruction (SAI)

SAI funds are utilized to provide before school, after school, and/or weekend extended learning hours for students, through the funding of tutoring positions.

Violence Prevention Programs

The local sheriff's office provides Tangelo Park Elementary with a MAGIC (Mentoring, Advising, Guiding and Instructing Children) officer. The MAGIC officer teaches drug and alcohol awareness and prevention to fifth grade students, and works with other grade level students, teaching about gang violence prevention and bully prevention. Red Ribbon Week activities are also implemented yearly. The school Guidance Counselor provides classroom guidance, guidance groups, and character education.

Nutrition Programs

Tangelo Park Elementary has received the Florida Fresh Fruit and Vegetable Program for the 2013-2014 school year, and utilizes funds to provide healthy snacks and nutrition education to all students.

Headstart

Two Headstart programs are housed on the campus of Tangelo Park Elementary. The Headstart program and the school work collaboratively to provide learning opportunities for students in Headstart and attending school at Tangelo Park Elementary.

School Advisory Council (SAC)

Membership

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group
Diondra Newton	Principal
Lakeitha Black	Teacher
Dennis Anton	Business/Community
Andy Plaza	Parent
Kathy Micciantuono	Teacher
Harry Ward	Parent
Isaiah Charlton	Business/Community
Debra Pollard	Education Support Employee

Duties

Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

Evaluation of last year's school improvement plan

The 2013-2014 school improvement plan was reviewed in conjunction with review of FCAT performance data. Based on the review of the data, the goals and barriers of the 2013-2014 SIP were shared with stakeholders in order to determine next steps, revisions, and recommendations. The recommendations and revisions that were discussed were taken into and the information was utilized to create the 2014-2015 school improvement plan.

Development of this school improvement plan

The SAC made academic recommendations for the 2013-2014 school year, based on school performance data and needs assessment surveys. Upon completion of the school improvement plan (SIP), the SAC will review and make revisions, as needed.

Preparation of the school's annual budget and plan

During the SAC monthly meetings from the 2013-2014 school year, academic programs and resources used and needed are discussed and reviewed. Prior to the start of the new school year, the academic needs and priorities of the school are discussed, in terms of staffing, programs, technology etc., and priorities are identified for the upcoming year. The input and feedback received at the meetings is used to set priorities for the upcoming year's budget. Once the budget is complete, outcomes are shared with the committee and discussions are conducted to ensure consensus and understanding.

Describe the use of school improvement funds allocated last year, including the amount budgeted for each project

School improvement funds are projected to be used for parental involvement activities designed to assist parents in supporting their children at home, both academically and behaviorally:

Curriculum Nights (Science, Literacy, Math) - \$1,000

Accelerated Reader incentives for K-5th grade students - \$800

Academic incentives for high performing students/students making significant gains - \$800

Computer software for existing school technology - \$400

Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC

Yes

If the school is not in compliance, describe the measures being implemented to meet SAC requirements

Literacy Leadership Team (LLT)

Membership

Identify the name, email address and position title for each member of the school-based LLT.:

Name	Title
Bivins McCormick, Stephanie	Instructional Coach
Black, Lakeitha	Instructional Coach
Newton, Diondra	Principal
Micciantuono, Kathy	Instructional Media

Duties

Describe how the LLT promotes literacy within the school

Tangelo Park Elementary's major initiatives this year are to promote literacy and increase the level of students reading at or above grade level. A weekly Media Night has been added to the school

calendar, which consists of extended media center hours to encourage parents to read with their children, utilize school-based technology to access literacy programs, and provide opportunities for students to participate in the Accelerated Reader program. Students will also be offered incentives and recognized for gains made in reading and milestones met in the Accelerated Reader program. Fostering an enjoyment of reading is the crux of these initiatives. Two literacy night programs will be offered during the school year to encourage and support parents in promoting literacy at home. Writing in all content areas is a requirement at Tangelo Park Elementary, and will be monitored through lesson plans and classroom walkthroughs.

Public and Collaborative Teaching

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(D).

Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction

Tangelo Park Elementary encourages positive working relationships between teachers, instructional leaders, and administration through collegial planning and assessment teams. Two days per week, a 40-minute block of time is designated for each grade level to collaboratively plan instruction of the Florida ELA Standards with the school Reading Coach; similarly, teams are designated two days to work with the school Math Coach to plan instruction of the Florida Math Standards. During these collaborative sessions, teachers and coaches work to deconstruct the reading and math standards (LAFS and MAFS), create lesson plans and common assessments, and review student data. In addition to collaborative planning sessions, Professional Learning Community meeting time is set aside one day per week to continue construction of common assessments, discuss common assessment data, and discuss instructional strategies and practices. On a monthly basis, one teacher per grade level meets with the school dean and guidance counselor as a Discipline Committee to discuss school trends in behavior, discipline procedures, and positive reinforcement programs and strategies. The school principal and instructional coaches meet biweekly with grade level teams to discuss student data and strategies for maximizing student and teacher performance. Teachers are also encouraged to conduct peer observations and collaborate with one another to support professional growth and learning.

Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school

In order to recruit and retain highly qualified teachers, Tangelo Park Elementary collaborates with and through local universities and colleges, and uses district criterion for highly qualified teachers, continually. Tangelo Park Elementary also actively participates in the placement of student-teacher interns during the fall and spring semesters. The school's website provides information to potential candidates regarding the professional development, mentoring, and coaching opportunities available for teachers at Tangelo Park Elementary. Additionally, teacher mentors are assigned to new and beginning teachers, and those identified as needing additional support. The school leadership monitors the ongoing professional development, training, coaching, mentoring, and progress of those teachers. All teachers participate in Professional Learning Communities, peer shadowing and observations, professional learning opportunities focused on school-based needs and initiatives, and common planning. The coaching cycle is actively utilized at Tangelo Park Elementary, where content-area coaches provide pre- and post-observation conferences with teachers, and model effective teaching strategies. The individuals responsible for recruiting and retaining highly qualified staff are the principal, Curriculum Resource Teacher/Instructional Coach, Reading Coach, Math Coach, and teacher mentors.

Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities

In order to retain highly qualified teachers (beginning and new to school or district), the following activities and opportunities are provided:

New Teacher Orientation (school-based, prior to start of school year)
Ongoing professional development opportunities (school-based, district, and web-based workshops/training)
Participation in Professional Learning Communities (grade level and topic-focused)
Opportunities to participate in peer observations or instructional rounds (observing master teachers and reflecting on practices)
Mentoring from highly qualified and effective teachers
New/Beginning teacher meetings (monthly)
Opportunities to participate in the coaching cycle (modeling of effective practices and observations by content-area coaches)
Professional development materials and resources, eLearning, etc.)
Mentees are paired with mentors based on the mentee's current grade level, previous experience, strengths and weaknesses, and common interests.
Mentees will participate in the aforementioned activities throughout the school year, beginning in the weeks prior to the start of the school year. In addition to the activities previously stated, mentees will participate in biweekly data meetings (twice per month), and will receive frequent feedback from the principal and instructional coaches on instructional strategies, classroom management, and lesson planning.

Ambitious Instruction and Learning

Instructional Programs and Strategies

Instructional Programs

Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards

The district has a rigorous adoption process that analyzes the correlation between core program materials and the Florida Standards. Core instructional resources are provided on the Instructional Management System (IMS) and are aligned to the Florida Standards. All schools are expected to utilize the standards-based resources during daily instruction.

Instructional Strategies

Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments

Tangelo Park Elementary uses the data from a variety of sources to provide effective and timely instruction for all students, and to differentiate instruction in order to meet the varying needs of students (behaviorally and academically). Through the MTSS process, school staff focuses on student progress and student achievement, analyzing intervention data for both academics and behavior, and making revisions to the intervention plan, as needed. A student performing significantly below grade level performance in reading (tier III), for example, is identified through and tracked via the MTSS process, and instructional interventions are identified and utilized in the classroom. Academic data is collected as interventions are implemented, and a 3-week MTSS meeting is held to discuss the progress of the student. If the academic shows an increase in the student's performance data, the intervention utilized is continued, and another meeting to track progress is scheduled 3 weeks from the meeting being held. At the next 3-week update meeting, the student's academic progress is reviewed and proficiency in the identified skill or strand is determined, and new goals are set.

Biweekly data meetings are facilitated by the school principal and academic coaches to provide teachers the opportunities to discuss grade level performance data in correlation to district and state benchmarks. During these sessions, students not meeting proficiency are discussed and instructional

strategies and interventions are prescribed or revised. Some interventions prescribed might include additional tier III instruction outside of the state mandated 90-minute reading block and 30 minutes of reading intervention, a specific instructional program, such as Read 180, to support students that meet specific criteria for participation in one-on-one support in specific skills and benchmarks, before and/or after school tutoring, and more.

Additionally, the Florida Continuous Improvement Model (FCIM) is utilized to plan effective instruction, instruct the standards with fidelity, assess the skills and standards being taught, and revise instruction based on the assessment data. Teachers instruct the standards based on a monthly instructional focus calendar, and common assessments (formative and summative) are scheduled to provide timely and useful data to inform instructional practices. The common assessments utilized to track student performance are aligned to the Florida Standards, and teachers rely on the test item specifications to create the assessments. The data from the assessments are also used to revise instructional focus calendars.

Data from classroom observations are used to determine the level of support needed throughout the school, by grade level, department, and/or teacher. Based on the trends and commonalities being observed, the school principal and instructional coaches strategically plan the support provided to instructional staff members and determine professional development needs for the school.

Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: After School Program

Minutes added to school year: 4,700

Through the weekly after school tutoring program, students are provided with 180 additional minutes of instruction per week in mathematics and English language arts. Research-based resources and instructional materials, along with computer-assisted instruction, is utilized in the after school program to assist students in the mastery of Florida Standards assessed on the Florida Standards Assessment (FSA). Brain-based strategies and rigorous activities are incorporated into the after school program to engage students in meaningful learning experiences. Computer-based programs that target individual and specific deficient skills of students are incorporated into the after school tutoring. Student instructional groups will consist of no more than 10 students per group, in an effort to maintain a small group setting.

Strategy Rationale

Additional minutes outside of the school day are needed to support students that have not attained proficiency in standards, and/or have minimal background knowledge in content areas.

Strategy Purpose(s)

- Core Academic Instruction

Person(s) responsible for monitoring implementation of the strategy

Bivins McCormick, Stephanie, stephanie.bivinsmccormick@ocps.net

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

A data matrix will be maintained for all students participating in the after school tutoring and enrichment programs. Tutors and enrichment teachers will be responsible for collecting the data and maintaining the data matrices, and the tutoring coordinator will monitor the data on a weekly basis. The data matrix will track benchmark, mini-, and common assessments taken during the school day, in addition to assessments taken by students during the after school programs. The progress of students participating in the tutoring program will be monitored to determine growth or regression, and necessary adjustments will be made to interventions during tutoring hours, as needed. Attendance and discipline data will also be collected and analyzed to determine effectiveness of student interventions and teacher strategies.

Strategy: Weekend Program

Minutes added to school year: 720

Saturday School will be implemented in the latter part of the school year, prior to the FSA. Students will be provided with 720 additional minutes of instruction per week in mathematics, English language arts, and science (4 Saturdays/3 hours each day). Research-based resources and instructional materials, along with computer-assisted instruction, will be utilized in the Saturday school program to assist students in the mastery of Florida Standards assessed on the FSA. Brain-based strategies and rigorous activities will be incorporated into the Saturday school program to engage students in meaningful learning experiences. Computer-based programs that target individual and specific deficient skills of students will be incorporated into the Saturday school tutoring. Student instructional groups will consist of no more than 10 students per group, in an effort to maintain a small group setting.

Strategy Rationale

Additional minutes outside of the school day are needed to support students that have not attained proficiency in standards, and/or have minimal background knowledge in content areas.

Strategy Purpose(s)

- Core Academic Instruction

Person(s) responsible for monitoring implementation of the strategy

Black, Lakeitha, lakeitha.black@ocps.net

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

A data matrix will be maintained for all students participating in the Saturday school tutoring program. Tutors will be responsible for collecting the data and maintaining the data matrices, and the tutoring coordinator will monitor the data on a weekly basis. The data matrix will track benchmark, mini-, and common assessments taken during the school day, in addition to assessments taken by students during the Saturday school program. The progress of students participating in the tutoring program will be monitored to determine growth or regression, and necessary adjustments will be made to interventions during tutoring hours, as needed. Additional adjustments may also be made to the regular instructional day.

Strategy: After School Program

Minutes added to school year: 6,340

The after school academic enrichment program/clubs provide students with 90 additional minutes of instruction per week in cross-curricular activities that incorporate the application of mathematics, science, English language arts, and social studies. The enrichment clubs are designed to engage students in ways that promote higher order thinking skills through rigorous, project-based learning and experiences. The after school academic enrichment program/clubs will consist of classes in science, art, technology, and reading/English language arts. During the school day, targeted 3rd, 4th and 5th grade students participate in enrichment small groups, four days per week, for 30 minutes each day. Students are highly engaged in cognitively demanding tasks that focus on reading, language arts, and communication skills.

Strategy Rationale

Additional minutes outside of the school day are needed to support students that have not attained proficiency in standards, and/or have minimal background knowledge in content areas.

Strategy Purpose(s)

- Enrichment

Person(s) responsible for monitoring implementation of the strategy

Kalish, Norman, norman.kalish@ocps.net

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

A data matrix will be maintained for all students participating in the enrichment programs related to specific Florida Standards. Enrichment teachers will be responsible for collecting the data and maintaining the data matrices, and the instructional coach will monitor the data on a weekly basis. The data matrix will track pre- and post assessments that students will take prior to participating in enrichment activities. Additionally, student interest surveys will be conducted at the beginning and end of the school year to determine effectiveness of the enrichment programs.

Student Transition and Readiness

PreK-12 Transition

The school's response to this question may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(G).

Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another

Each year, Headstart and Pre-K classes participate in a "Moving Forward" activity, in which the students visit kindergarten classes prior to the end of the current school year. The "Kindergarten Round Up" program/event is promoted by the district and the school, in an effort to orient parents to the rigors and expectations of kindergarten. Parents are also encouraged to bring their child(ren) to the "Meet the Teacher" event held prior to the start of every new school year, as well as the annual Open House event. Additional classroom support is provided to all kindergarten teachers at the start of the new school year to assist new students with the transition from pre-school and early childhood programs to kindergarten.

College and Career Readiness

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations

N/A

Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs

N/A

Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement

N/A

Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes

School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.

Problem Solving Key

G = Goal

B =
Barrier

S = Strategy

1 = Problem Solving Step  S123456 = Quick Key

Strategic Goals Summary

- G1.** Instructional and administrative staff members will increase their knowledge, understanding, and implementation of Standards-based instruction and instructional practices.

- G2.** Instructional and administrative staff will develop a deeper understanding of the MTSS process, and implement it with fidelity to ensure that all students are effectively progress monitored and provided with timely interventions and supports.

Strategic Goals Detail

For each strategic goal, this section lists the associated targets (i.e., "SMART goals"), resources available to support movement toward the goal, barriers to achieving the goal, and the plan for monitoring progress toward the goal

G1. Instructional and administrative staff members will increase their knowledge, understanding, and implementation of Standards-based instruction and instructional practices. 1a

G041755

Targets Supported 1b

Indicator	Annual Target
AMO Reading - All Students	74.0
AMO Reading - SWD	61.0
AMO Reading - ED	72.0
AMO Math - ED	77.0

Resources Available to Support the Goal 2

- Florida Standards and Test Item Specifications
- Progress monitoring and assessment data
- Marzano Instructional Framework
- "Using Rigor and Relevance to Create Effective Instruction" - International Center for Leadership in Education
- Webb's "Depth of Knowledge" and Revised "Bloom's Taxonomy" question stems
- Hess' "Cognitive Rigor Matrix"
- Deconstructed Standards
- CPalms

Targeted Barriers to Achieving the Goal 3

- Teachers limited knowledge of and experience in teaching the Florida Standards
- Lack of rigorous, Standards-based instructional strategies and practices in all content areas

Plan to Monitor Progress Toward G1. 8

Biweekly (every other week) data meetings held to review and analyze student assessment and performance data, individual data meetings with teachers (as needed), and teacher observation trend and data analysis

Person Responsible

Lakeitha Black

Schedule

Biweekly, from 9/4/2014 to 5/22/2015

Evidence of Completion

Data meeting agendas and sign-in sheets, data matrices, teacher observation data

G2. Instructional and administrative staff will develop a deeper understanding of the MTSS process, and implement it with fidelity to ensure that all students are effectively progress monitored and provided with timely interventions and supports. 1a

G041756

Targets Supported 1b

Indicator	Annual Target
AMO Reading - SWD	61.0
ELA/Reading Lowest 25% Gains	54.0
AMO Math - SWD	59.0
Math Lowest 25% Gains	57.0

Resources Available to Support the Goal 2

- Florida Standards and Test Item Specifications
- Progress monitoring and assessment data
- Instructional staff and the Instructional Leadership Team (Principal, CRT/Instructional Coach, Reading Coach, Math Coach, Science Coach)
- Research-based intervention resources and materials (Voyager, Read 180, iReady)
- School psychologist and Staffing Specialist
- MTSS 10-day cycle
- SIOP Model - Sheltered Instruction Observation Protocol
- CPalms

Targeted Barriers to Achieving the Goal 3

- Teachers' limited knowledge of and experience with the MTSS process
- Teachers' limited knowledge of and experience in differentiating instruction for students

Plan to Monitor Progress Toward G2. 8

Biweekly (every other week) data meetings will be held to review and analyze student assessment and performance data, individual data meetings with teachers (as needed), MTSS meetings

Person Responsible

Stephanie Bivins McCormick

Schedule

Monthly, from 9/8/2014 to 5/22/2015

Evidence of Completion

Data meeting agendas and sign-in sheets, data matrices, MTSS agendas and meeting notes, student progress monitoring data

Action Plan for Improvement

For each strategy selected in the plan to reduce a targeted barrier to a strategic goal, this section lists the rationale for that strategy (i.e., why the school believes it will reduce the barrier) and the action steps that have been identified as necessary to implementing the strategy, including details such as the point person, timing and duration, and evidence of completion. At the end of each set of action steps is the plan for monitoring the implementation and effectiveness of the respective strategy.

Problem Solving Key

G = Goal **B** = Barrier **S** = Strategy

1 = Problem Solving Step  S123456 = Quick Key

G1. Instructional and administrative staff members will increase their knowledge, understanding, and implementation of Standards-based instruction and instructional practices. **1**

 G041755

G1.B1 Teachers limited knowledge of and experience in teaching the Florida Standards **2**

 B101431

G1.B1.S1 Provide professional development to teachers on the Florida Standards (deconstructing of Standards, Backwards Design Approach (BDA), connection of Florida Standards to Marzano's Instructional Framework, etc.). **4**

 S112635

Strategy Rationale

Teachers must learn how to effectively deconstruct the standards in order to be able to teach the standards with fidelity.

Action Step 1 **5**

Provide professional development opportunities for teachers on the Florida Standards, and the English language arts (ELA) and mathematical instructional shifts involved in teaching the standards.

Person Responsible

Lakeitha Black

Schedule

Weekly, from 8/11/2014 to 5/29/2015

Evidence of Completion

Professional development sign-in sheets, training/workshop agendas and resources, exit slips, teacher surveys and/or reflections

Action Step 2 5

Provide support to teachers in planning effective lessons that are based on the Florida Standards

Person Responsible

Lakeitha Black

Schedule

Weekly, from 8/11/2014 to 5/29/2015

Evidence of Completion

Sign-in sheets, grade level lesson plans, planning session agendas and session resources (PowerPoints, etc.)

Action Step 3 5

Modeling and coaching of effective instructional practices in teaching of the Florida Standards

Person Responsible

Lakeitha Black

Schedule

Weekly, from 8/11/2014 to 5/29/2015

Evidence of Completion

Coaching logs, formal/informal observations, teacher reflections, coaching feedback forms

Action Step 4 5

Teachers will implement effective instructional practices and lessons that are aligned to the Florida Standards.

Person Responsible

Diondra Newton

Schedule

Daily, from 8/18/2014 to 5/29/2015

Evidence of Completion

Lesson plans, student achievement data

Plan to Monitor Fidelity of Implementation of G1.B1.S1 6

Conduct classroom walk throughs, informal and formal observations of teachers

Person Responsible

Diondra Newton

Schedule

Daily, from 8/18/2014 to 5/29/2015

Evidence of Completion

Formal and informal observation data and results, coaching logs, coaching feedback forms

Plan to Monitor Fidelity of Implementation of G1.B1.S1 6

Biweekly review of teacher lesson plans for evidence of standards-based planning

Person Responsible

Diondra Newton

Schedule

Weekly, from 8/18/2014 to 5/29/2015

Evidence of Completion

Lesson plan feedback forms

Plan to Monitor Fidelity of Implementation of G1.B1.S1 6

Administrative presence in Professional Learning Communities and common planning sessions

Person Responsible

Lakeitha Black

Schedule

Weekly, from 8/18/2014 to 5/29/2015

Evidence of Completion

Sign in sheets, common planning progression document, completed lesson plans

Plan to Monitor Effectiveness of Implementation of G1.B1.S1 7

Administer benchmark assessments, mini-assessments, common assessments, Florida Assessment of Instruction in Reading (FAIR) and standards-based assessments

Person Responsible

Stephanie Bivins McCormick

Schedule

Biweekly, from 9/2/2014 to 5/22/2015

Evidence of Completion

Assessment data derived from the various assessments administered to students; teacher observational data and instructional practice scores (Marzano's Instructional Framework)

G1.B2 Lack of rigorous, Standards-based instructional strategies and practices in all content areas 2

 B101432

G1.B2.S1 Provide professional development to teachers on rigorous lesson planning and instructional practices to increase the level of student engagement and achievement 4

 S112636

Strategy Rationale

Instructional staff need continuous support in making instructional shifts, Standards-based planning, and the deconstruction of Standards in order to create more rigorous and cognitively demanding lessons and student tasks.

Action Step 1 5

Provide professional development to instructional staff on the Rigor and Relevance Framework, Hess' Cognitive Rigor Framework, and the Marzano Instructional Framework as it relates to the the planning and implementation of rigorous lessons.

Person Responsible

Diondra Newton

Schedule

Monthly, from 9/15/2014 to 5/15/2015

Evidence of Completion

Professional development agendas and sign-in sheets, exit slips, teacher reflections and/or surveys, training resources

Action Step 2 5

Provide opportunities for instructional staff to observe their peers and instructional coaches modeling and implementing rigorous instructional lessons and activities, and be observed implementing rigorous lessons

Person Responsible

Lakeitha Black

Schedule

Weekly, from 9/2/2014 to 5/15/2015

Evidence of Completion

Coaching logs, teacher reflections, coaching observation forms (feedback)

Action Step 3 5

Teachers will implement rigorous daily lessons.

Person Responsible

Diondra Newton

Schedule

Daily, from 9/8/2014 to 5/29/2015

Evidence of Completion

Lesson plans, classroom observation data, student achievement data

Plan to Monitor Fidelity of Implementation of G1.B2.S1 6

Conduct classroom walk throughs and informal/formal observations

Person Responsible

Diondra Newton

Schedule

Daily, from 8/18/2014 to 5/22/2015

Evidence of Completion

Teacher observation data and results, coaching logs, coaching observation forms, Marzano teacher observation data

Plan to Monitor Effectiveness of Implementation of G1.B2.S1 7

Administer benchmark assessments, mini-assessments, common assessments, FAIR and curriculum-based assessments

Person Responsible

Lakeitha Black

Schedule

Biweekly, from 9/8/2014 to 5/22/2015

Evidence of Completion

Assessment data derived from the various assessments administered to students; teacher observational data and instructional practice scores (Marzano's Instructional Framework)

G2. Instructional and administrative staff will develop a deeper understanding of the MTSS process, and implement it with fidelity to ensure that all students are effectively progress monitored and provided with timely interventions and supports. 1

 G041756

G2.B1 Teachers' limited knowledge of and experience with the MTSS process 2

 B101433

G2.B1.S1 Provide professional development to instructional staff on the MTSS cycle and process 4

 S112637

Strategy Rationale

Instructional and administrative staff must have a working knowledge of the MTSS process in order to effectively support students that are less than proficient academically and behaviorally.

Action Step 1 5

Provide professional development to teachers on the MTSS process

Person Responsible

Stephanie Bivins McCormick

Schedule

Monthly, from 8/18/2014 to 5/22/2015

Evidence of Completion

Sign-in sheets, agendas and session resources (PowerPoints), exit slips, and teacher reflections/surveys

Action Step 2 5

Assist teachers in the effective collection and analysis of student performance data to implement the MTSS process with fidelity

Person Responsible

Stephanie Bivins McCormick

Schedule

Monthly, from 8/18/2014 to 5/22/2015

Evidence of Completion

Data meeting agendas and sign-ins, MTSS meeting agendas, professional development sign-ins

Plan to Monitor Fidelity of Implementation of G2.B1.S1 6

Review MTSS meeting data and progress monitoring data

Person Responsible

Stephanie Bivins McCormick

Schedule

Monthly, from 8/18/2014 to 5/22/2015

Evidence of Completion

MTSS agendas and meeting notes, student progress monitoring data, data matrices

Plan to Monitor Effectiveness of Implementation of G2.B1.S1 7

Administer benchmark assessments, mini-assessments, common assessments, FAIR and curriculum-based assessments

Person Responsible

Lakeitha Black

Schedule

Biweekly, from 9/8/2014 to 5/22/2015

Evidence of Completion

Assessment data derived from the various assessments administered to students

G2.B2 Teachers' limited knowledge of and experience in differentiating instruction for students **2**

 B101434

G2.B2.S1 Provide professional development to teachers on differentiated instructional strategies **4**

 S112638

Strategy Rationale

Instructional staff must have the appropriate knowledge to effectively provide intervention and differentiated instruction for students that are not demonstrating proficiency in academics and/or behavior.

Action Step 1 **5**

Provide professional development to instructional staff on differentiated instructional practices and research-based programs

Person Responsible

Stephanie Bivins McCormick

Schedule

Monthly, from 8/18/2014 to 5/22/2015

Evidence of Completion

Professional development agendas and sign-in sheets, exit slips, teacher reflections and/or surveys, training resources

Action Step 2 **5**

Support teachers in creating rigorous and differentiated small-group activities and lessons that target specific needs of students

Person Responsible

Lakeitha Black

Schedule

Weekly, from 8/18/2014 to 5/22/2015

Evidence of Completion

PLC meeting agendas and notes, coaching logs, formal/informal teacher observation data and results

Action Step 3 5

Assist teachers in identifying, targeting and progress monitoring students for differentiation based on data and data analysis

Person Responsible

Stephanie Bivins McCormick

Schedule

Biweekly, from 8/18/2014 to 5/22/2015

Evidence of Completion

Data meeting agendas and sign-in sheets, data matrices, MTSS meeting agendas and notes

Action Step 4 5

Modeling and coaching of effective differentiated instructional practices and research-based programs

Person Responsible

Lakeitha Black

Schedule

Biweekly, from 8/18/2014 to 5/22/2015

Evidence of Completion

Coaches logs

Action Step 5 5

Teachers will implement differentiated instruction

Person Responsible

Diondra Newton

Schedule

Weekly, from 9/8/2014 to 5/29/2015

Evidence of Completion

Lesson plans, classroom walkthrough data, student achievement data

Plan to Monitor Fidelity of Implementation of G2.B2.S1 6

Conduct classroom walk throughs and informal/formal observations, lesson plan reviews

Person Responsible

Diondra Newton

Schedule

Daily, from 8/18/2014 to 5/29/2015

Evidence of Completion

Teacher observation data and results, coaching logs, coaching observation forms

Plan to Monitor Effectiveness of Implementation of G2.B2.S1 7

Administer benchmark assessments, mini-assessments, common assessments, FAIR and curriculum-based assessments

Person Responsible

Lakeitha Black

Schedule

Biweekly, from 9/8/2014 to 5/22/2015

Evidence of Completion

Assessment data derived from the various sources of assessments administered to students

Appendix 1: Implementation Timeline

Action steps and monitoring activities identified in the SIP as necessary to achieve the school's goals.

Source	Task, Action Step or Monitoring Activity	Who	Start Date (where applicable)	Deliverable or Evidence of Completion	Due Date/ End Date
G1.B1.S1.A1	Provide professional development opportunities for teachers on the Florida Standards, and the English language arts (ELA) and mathematical instructional shifts involved in teaching the standards.	Black, Lakeitha	8/11/2014	Professional development sign-in sheets, training/workshop agendas and resources, exit slips, teacher surveys and/or reflections	5/29/2015 weekly
G1.B2.S1.A1	Provide professional development to instructional staff on the Rigor and Relevance Framework, Hess' Cognitive Rigor Framework, and the Marzano Instructional Framework as it relates to the the planning and implementation of rigorous lessons.	Newton, Diondra	9/15/2014	Professional development agendas and sign-in sheets, exit slips, teacher reflections and/or surveys, training resources	5/15/2015 monthly
G2.B1.S1.A1	Provide professional development to teachers on the MTSS process	Bivins McCormick, Stephanie	8/18/2014	Sign-in sheets, agendas and session resources (PowerPoints), exit slips, and teacher reflections/surveys	5/22/2015 monthly

Orange - 0811 - Tangelo Park Elementary - 2014-15 SIP
Tangelo Park Elementary

Source	Task, Action Step or Monitoring Activity	Who	Start Date (where applicable)	Deliverable or Evidence of Completion	Due Date/ End Date
G2.B2.S1.A1	Provide professional development to instructional staff on differentiated instructional practices and research-based programs	Bivins McCormick, Stephanie	8/18/2014	Professional development agendas and sign-in sheets, exit slips, teacher reflections and/or surveys, training resources	5/22/2015 monthly
G1.B1.S1.A2	Provide support to teachers in planning effective lessons that are based on the Florida Standards	Black, Lakeitha	8/11/2014	Sign-in sheets, grade level lesson plans, planning session agendas and session resources (PowerPoints, etc.)	5/29/2015 weekly
G1.B2.S1.A2	Provide opportunities for instructional staff to observe their peers and instructional coaches modeling and implementing rigorous instructional lessons and activities, and be observed implementing rigorous lessons	Black, Lakeitha	9/2/2014	Coaching logs, teacher reflections, coaching observation forms (feedback)	5/15/2015 weekly

Appendix 2: Professional Development and Technical Assistance Outlines

Professional development opportunities and technical assistance items identified in the SIP as action steps to achieve the school's goals.

Professional Development Opportunities

Professional development opportunities identified in the SIP as action steps to achieve the school's goals.

G1. Instructional and administrative staff members will increase their knowledge, understanding, and implementation of Standards-based instruction and instructional practices.

G1.B1 Teachers limited knowledge of and experience in teaching the Florida Standards

G1.B1.S1 Provide professional development to teachers on the Florida Standards (deconstructing of Standards, Backwards Design Approach (BDA), connection of Florida Standards to Marzano's Instructional Framework, etc.).

PD Opportunity 1

Provide professional development opportunities for teachers on the Florida Standards, and the English language arts (ELA) and mathematical instructional shifts involved in teaching the standards.

Facilitator

Instructional Leadership Team (Principal, CRT/Instructional Coach, Reading Coach, Math Coach, Science Coach)

Participants

Instructional Staff K-5th

Schedule

Weekly, from 8/11/2014 to 5/29/2015

PD Opportunity 2

Provide support to teachers in planning effective lessons that are based on the Florida Standards

Facilitator

Instructional Coaches (Reading, Math, Science, CRT)

Participants

Instructional Staff (K-5th)

Schedule

Weekly, from 8/11/2014 to 5/29/2015

PD Opportunity 3

Modeling and coaching of effective instructional practices in teaching of the Florida Standards

Facilitator

Instructional Coaches (Reading, Math, CRT, Science)

Participants

Instructional Staff (K-5th)

Schedule

Weekly, from 8/11/2014 to 5/29/2015

G1.B2 Lack of rigorous, Standards-based instructional strategies and practices in all content areas

G1.B2.S1 Provide professional development to teachers on rigorous lesson planning and instructional practices to increase the level of student engagement and achievement

PD Opportunity 1

Provide professional development to instructional staff on the Rigor and Relevance Framework, Hess' Cognitive Rigor Framework, and the Marzano Instructional Framework as it relates to the the planning and implementation of rigorous lessons.

Facilitator

Instructional Leadership Team (Principal, CRT/Instructional Coach, Reading Coach, Math Coach, Science Coach), Teacher Leaders

Participants

Instructional staff

Schedule

Monthly, from 9/15/2014 to 5/15/2015

PD Opportunity 2

Provide opportunities for instructional staff to observe their peers and instructional coaches modeling and implementing rigorous instructional lessons and activities, and be observed implementing rigorous lessons

Facilitator

Instructional Coaches (CRT/Instructional Coach, Math, Reading, Science)

Participants

Instructional staff (K-5th)

Schedule

Weekly, from 9/2/2014 to 5/15/2015

G2. Instructional and administrative staff will develop a deeper understanding of the MTSS process, and implement it with fidelity to ensure that all students are effectively progress monitored and provided with timely interventions and supports.

G2.B1 Teachers' limited knowledge of and experience with the MTSS process

G2.B1.S1 Provide professional development to instructional staff on the MTSS cycle and process

PD Opportunity 1

Provide professional development to teachers on the MTSS process

Facilitator

Principal, School Psychologist, Staffing Specialist, MTSS Coordinator

Participants

Instructional staff

Schedule
