This plan was approved by the Escambia County School Board on 11/18/2014.

SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or with a grade of F within the prior two years. For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education's school improvement planning web application located at <https://www.floridaCIMS.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify resources available to support the goals and barriers that could hinder achieving those goals (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida’s Differentiated Accountability (DA) system is a statewide network of strategic support, differentiated by need according to performance data, and provided to schools and districts in order to improve leadership capacity, teacher efficacy and student outcomes. DA field teams collaborate with district and school leadership to design, implement and refine improvement plans, as well as provide instructional coaching, as needed.

DA Regions

Florida’s DA network is divided into five geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

Traditional public schools are classified at the start of each school year, based upon the most recently released school grades (A-F), into one of the following categories:

- Not in DA – currently A or B with no F in prior three years; charter schools; ungraded schools
- Monitoring Only – currently A or B with at least one F in the prior three years
- Prevent – currently C
- Focus – currently D
 - Planning – two consecutive grades of D (i.e., DD), or a grade of F immediately followed by a grade of D in the most recent grades release (i.e., FD)
 - Implementing – two consecutive grades of D in the most recent grades release preceded by a grade below C (i.e., FDD or DDD)
- Priority – currently F
 - Planning – declined to a grade of F in the most recent grades release and have not received a planning year or implemented a turnaround option during the previous school year
 - Implementing – two consecutive grades of F (i.e., FF), or three consecutive grades below C with an F in the most recent grades release (i.e., FDF or DDF)

DA Turnaround and Monitoring Statuses

Additionally, schools in DA are subject to one or more of the following Turnaround and Monitoring Statuses:

- Former F – currently A-D with at least one F in the prior three years; SIP is monitored by FDOE
- Planning – Focus Planning and Priority Planning; district is planning for possible turnaround
- Implementing – Focus Implementing and Priority Implementing; district is implementing the Turnaround Option Plan (TOP)

Supportive Environment

School Mission and Vision

Provide the school's mission statement

Bellview Middle School is a diverse and inclusive school community committed to academic excellence. Therefore, Bellview Middle School respects the individual needs of children; fosters a caring and creative environment; and emphasizes the social, emotional, physical, intellectual development of each child.

Provide the school's vision statement

The vision of Bellview Middle School is to provide a caring and stimulating environment where children will recognize and achieve their fullest potential.

School Environment

Describe the process by which the school learns about students' cultures and builds relationships between teachers and students

All teachers attended a 3 day Capturing Kids' Heart training in June 2014. Bellview Middle School has implemented a Capturing Kids' Heart committee that meets once a month to provide professional learning support for teachers to continue social contracts, rewards and recognition of students and continue creating a positive learning environment for all. We are also a PBS school with a full-time PBS coach who meets with the PBS team to support behavior change and build relationships with students.

Describe how the school creates an environment where students feel safe and respected before, during and after school

Bellview Middle School is a Positive Behavior School (PBS). The PBS team has created posters, announcements, and activities for students to review and participate in. Announcements are broadcast daily with PBS quotes and messages to encourage students to be respectful, make responsible choices, and stay staff before, during and after school. Afternoon announcements are made at dismissal to reiterate the quotes and message.

Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced

Protocols have been established for students regarding behaviors that are not conducive to the learning environment such as teacher and team step sheet that documentations behaviors. Phone calls are made to parents and guardians and parent/teacher conferences are set up in efforts to help redirect behaviors for positive outcomes. Bellview Middle School staff is trained on behavioral expectations, discipline procedures, PBS rewards and recognitions to ensure that the system is fair and consistent.

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services

Bellview Middle School has 2 school counselors, 1 behavior coach, 1 CDAC RISE counselor who is assigned to the school full-time and a part-time mental health counselor. All parties work together with

teachers to ensure that proper counselors and mentoring services are established. Teachers, students and parents have been notified in writing regarding ways to request services to address social-emotional needs.

Early Warning Systems

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(ii)(III), (b)(1)(B)(iii)(I), and (b)(1)(I).

Describe the school's early warning system and provide a list of the early warning indicators used in the system

Early Warning System data is designed to flag students who exhibit TWO or more the following criteria.

- Absences in excess of 10% of last school year
- 1 or more suspensions from last year
- level 1 on either FCAT Math, FCAT Reading, or both
- Failure of either Math or English course, or both, last year

Provide the following data related to the school's early warning system

The number of students by grade level that exhibit each early warning indicator:

Indicator	Grade Level			Total
	6	7	8	
Attendance below 90 percent	57	56	52	165
One or more suspensions	39	53	52	144
Course failure in ELA or Math	32	32	39	103
Level 1 on statewide assessment	155	154	132	441

The number of students identified by the system as exhibiting two or more early warning indicators:

Indicator	Grade Level			Total
	6	7	8	
Students exhibiting two or more indicators	60	77	65	202

Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system

Bellview Middle School has established a SPEAR Club comprised of teachers who oversee identified students who meet the EWS criteria. The students are given an orientation of expected behaviors, academic and attendance expectations and are rewarded with visits to our school PBS store according to meeting expected goals each week. Attendance child study meetings are held as needed of identified students, counselors meet with students and parents/guardians as needed to address concerns with academic progress, discipline referrals and attendance. Bellview Middle School is also a PBS school.

Family and Community Involvement

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(iii)(I)(aa).

Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. § 6314(b)(1)(F).

Will the school use its PIP to satisfy this question?

Yes

PIP Link

The school completes a Parental Involvement Plan (PIP), which is accessible through the Continuous Improvement Management System (CIMS) at <https://www.floridacims.org/documents/174635>.

Description

A PIP has been uploaded for this school or district - see the link above.

Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement

Bellview Middle School has established a community relations committee who meet once a month to discuss the school needs and ways to promote positive activities for our students. Local food places have donated student rewards for improved attendance and grades to students. School events are advertised on the outside marquee, school messenger, posters and flyers top promote school and student achievement.

Effective Leadership

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(H).

School Leadership Team

Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Adams, Melia	Principal
Penrose, Janet	Assistant Principal
Boulanger, Tyvanna	Instructional Coach
Emond, Roy	Instructional Coach
Robbins, Jan	Guidance Counselor
Gibson, Katie	Teacher, K-12
Campbell, Reginald	Teacher, K-12

Duties

Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making

The SBLT will address SIP goals and monitor for student achievement and fidelity. Instructional coaches will conduct professional development, model, mentor, and provide post PD support to ensure teachers are growing professionally and implementing the targeted training in the classrooms. The SBLT will review teacher feedback and gauge each growth point. Administrators will offer support to ensure areas are being met and teachers and students are showing success in student engagement and writing across content.

Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and

supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact

Bellview Middle School will use data retrieved from Discovery Education assessments, PBS, and attendance to assist with problem-solving processes and monitoring of our MTSS and SIP structures.

Title I, Part A:

Bellview Middle School receives \$340,79. Funding will be used for an Instructional Coach, Math Coach, Overage Program Teacher and part-time Technology Coordinator all = \$227,719, Technology Coordinator = \$29,913, Parent Involvement = \$5,797, and other expenditures to include professional development, supplemental resources, non-fiction books for reading classrooms, parent and ESOL resource books = \$77,364. All are responsible for helping teachers to disaggregate data and model best practice lessons. 4

Title I, Part C:

Services for Migrant children are provided by the district level Title 1 office. After thoroughly checking the Migrant Student Information Exchange (MSIX) system and our local Student Data Base.

Title I, Part D:

Services to neglected and delinquent students are provided by various district programs. These services are overseen by the Title 1 office.

Title II:

Professional development is offered by both the school and district level. Please see each goal area for specific professional development activities (inservice education).

Title III:

Services for English Language Learners are provided as required by law. Bellview Middle School is an ESOL center. All teachers who serve ELL identified students have ESOL endorsement on their teacher certificate or are currently going through the endorsement.

Title X-Homeless:

Bellview Middle works with the district's Homeless Coordinator to provide resources (clothing, school supplies, and social service referrals) for students identified as homeless under the McKenny-Vento Act to eliminate barriers for free and appropriate education. This program is overseen by the District Title 1 Office.

SAI:

SAI monies are being used to provide professional development for teachers in math, science, social studies, reading, and language arts and co-facilitation.

Violence Prevention Programs:

Bellview Middle School observes Red Ribbon Week in October with school-wide activities. Through our Positive Behavior Support Team (PBS) we provided training and incentives for faculty, staff, and students regarding positive behaviors and anti-bullying information. Bellview Middle School also has a bullying reporting system where bullies may be reported anonymously.

Nutrition Programs:

Bellview Middle School is committed to continue offering nutritional choices in our cafeteria.

School Advisory Council (SAC)

Membership

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group
Reginald Campbell	Teacher
Cheryl Jones	Teacher
Deantrice Kitchen	Education Support Employee
Melia Adams	Principal
Rachel Coon-Griffiths	Parent
Atangila Willis	Parent
Laria Outlaw	Parent
Clayton Outlaw	Parent
Kimberly Stone	Parent
Bobby Johnson	Student
Joshua Outlaw	Student
Haley Hennington	Student

Duties

Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

Evaluation of last year's school improvement plan

The 2014-2015 SAC will evaluate what was implemented last school year and assess services, resources needed for this school year.

Development of this school improvement plan

Bellview Middle School SAC was given the opportunity to attend an informative meeting to discuss barriers and ways to achieve success for the school. The SAC committee will continue to provide input as needed to the SIP as various areas are addressed to meet the needs of the school and student achievement.

Preparation of the school's annual budget and plan

The SAC is provided an overview of the annual budget and discussion is ongoing to provide resources needed for instruction and student achievement.

Describe the use of school improvement funds allocated last year, including the amount budgeted for each project

School improvement funds will be used for professional development of teachers to help develop and increase student engagement and writing across the content areas. Professional Learning Communities meet every Tuesday and Thursday after school to focus on specific curriculum targets, Common Core instruction and assessment tools, formative assessment tools, curriculum and lesson plan alignment. Instructional Coaches are facilitators = \$12,000. Parent resources will be purchased for family literacy night = \$2,000.

Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC

Yes

If the school is not in compliance, describe the measures being implemented to meet SAC requirements

Literacy Leadership Team (LLT)

Membership

Identify the name, email address and position title for each member of the school-based LLT.:

Name	Title
Boulanger, Tyvanna	Instructional Technology
Adams, Melia	Principal
Penrose, Janet	Assistant Principal
Emond, Roy	Instructional Coach

Duties

Describe how the LLT promotes literacy within the school

Major initiatives of the LLT this year for Bellview Middle School will include writing across the curriculum to ensure students are writing in all content areas as directly related to the subject area utilizing the school and state writing rubric. We will also provide opportunities for parents to be trained through parent nights as well as provide helpful information that parents may use at home with their student(s).

Public and Collaborative Teaching

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(D).

Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction

Bellview Middle School has a monthly calendar that includes dates, place and time for Professional Learning Committee meetings, faculty, department, grade level and team meetings. Terrific teacher awards are given to teachers each month in recognition for various things, birthday and family milestones are celebrated in faculty meetings, "shoot out" emails are sent out for recognition. PD is available every Tuesday and Thursday of each week for all teachers to collaborate on specific topics.

Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school

Bellview Middle School will continue to recruit and retain highly qualified, certified-in-field, effective teachers by offering continued professional development to help teachers excel in the learning environment. Instructional coaches will train, model, and provide post support in areas targeted by administration. Persons responsible will be Mrs. Adams, Principal, Mrs. Penrose, Assistant Principal, Tyvanna Boulanger, Instructional Coach, Roy Emond, Math Coach, and district Subject Area Specialist.

Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities

Bellview Middle School's teacher mentoring program/plan will include matching teachers with effective teachers within their department/team. This pairing will provide experienced modeling for the new teachers and offer parallel support. Mentoring and modeling will be provided by school instructional coaches.

Ambitious Instruction and Learning

Instructional Programs and Strategies

Instructional Programs

Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards

Bellview Middle School provides additional professional learning opportunities for teachers every Tuesday and Thursday to include:

1. Florida Standards Curriculum review using new ELA and Math materials and item specifications in these subject areas
2. Discovery Education DEN Ambassador in-house training
3. Development of content specific formative assessment instruments
4. New teacher instructional skills development to include class room management strategies and strategies to meet the needs of struggling students.
5. Lesson planning to align with Florida Standards to ensure various levels of student engagement are addressed

4:30 - 6:00 pm, Tuesday's and Thursday's. The training would be conducted by both instructional coaches as facilitators at Bellview Middle School.

Instructional Strategies

Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments

Discovery Education data is used by teaching teams to identify areas of academic concerns and enrichment. Teams meet together to review data as a team and determine which groups of instructions students will be placed in according to their academic needs. The data concentration of academic or enrichment occurs e times a week in the Compass period. Instruction is modified as data becomes available on each student.

Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: After School Program

Minutes added to school year:

After school program sponsored by 21st Century and supervised by Epps Center that employes Bellview Middle School teachers of various subject areas to oversee the curriculum enrichment everyday until 6:30 p.m.

Strategy Rationale

By offering enrichment opportunities, the variation will allow students to tie in various concepts from the daily core instruction and engagement.

Student Transition and Readiness

PreK-12 Transition

The school's response to this question may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(G).

Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another

Bellview Middle School has established 6th grade and 8th grade transition committees, that make up of grade level teachers to review information that is shared with feeder elementary schools. Family transition nights are planned to provided opportunities for families to tour the school and meet with staff. High school academies are advertised for our middle school students and families.

College and Career Readiness

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations

Bellview Middle School will focus on advising on course selections and promote academic and career planning by incorporating research into all levels of electives that include personal development, Intro to Information Technology, keyboarding, engineering technology, and the research course. We will request promotional items that are specific to the Career Academy programs offered at each high school. We will also have an 8th grade informational night for students and parents that will allow the high schools to present information and answer questions directly from students and parents. Counselors will develop lesson plans to specifically target students by rotating through the teams to advise students during the registration process.

Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs

Bellview Middle School will provide 8th grade students the opportunity to take the Intro to Information Technology course which will give those students the 1.0 high school credit as well as correctly place 8th grade students in Algebra.

Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement

N/A
