### School Grades History

Year	2013-14	2012-13	2011-12	2010-11
Grade	B	B	A	A

### School Board Approval

This plan is pending approval by the Dade County School Board.

### SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or with a grade of F within the prior two years. For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education's school improvement planning web application located at <https://www.floridaCIMS.org>.

<b>Appendix 3: Budget to Support Goals</b>	<b>46</b>

## Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

### Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

### Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

### Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify resources available to support the goals and barriers that could hinder achieving those goals (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

### Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

## Differentiated Accountability

Florida’s Differentiated Accountability (DA) system is a statewide network of strategic support, differentiated by need according to performance data, and provided to schools and districts in order to improve leadership capacity, teacher efficacy and student outcomes. DA field teams collaborate with district and school leadership to design, implement and refine improvement plans, as well as provide instructional coaching, as needed.

### DA Regions

Florida’s DA network is divided into five geographical regions, each served by a field team led by a regional executive director (RED).

### DA Categories

Traditional public schools are classified at the start of each school year, based upon the most recently released school grades (A-F), into one of the following categories:

- Not in DA – currently A or B with no F in prior three years; charter schools; ungraded schools
- Monitoring Only – currently A or B with at least one F in the prior three years
- Prevent – currently C
- Focus – currently D
  - Planning – two consecutive grades of D (i.e., DD), or a grade of F immediately followed by a grade of D in the most recent grades release (i.e., FD)
  - Implementing – two consecutive grades of D in the most recent grades release preceded by a grade below C (i.e., FDD or DDD)
- Priority – currently F
  - Planning – declined to a grade of F in the most recent grades release and have not received a planning year or implemented a turnaround option during the previous school year
  - Implementing – two consecutive grades of F (i.e., FF), or three consecutive grades below C with an F in the most recent grades release (i.e., FDF or DDF)

### DA Turnaround and Monitoring Statuses

Additionally, schools in DA are subject to one or more of the following Turnaround and Monitoring Statuses:

- Former F – currently A-D with at least one F in the prior three years; SIP is monitored by FDOE
- Planning – Focus Planning and Priority Planning; district is planning for possible turnaround
- Implementing – Focus Implementing and Priority Implementing; district is implementing the Turnaround Option Plan (TOP)

### 2014-15 DA Category and Statuses

## Part I: Current School Status

### Supportive Environment

#### School Mission and Vision

##### Provide the school's mission statement

The staff at Van E. Blanton works to develop each student's academic, social, physical and emotional potential in a wholesome, supportive environment to create life-long learners and contributing citizens in a multicultural and changing world.

##### Provide the school's vision statement

An institution committed to EXCELLENCE; where proficient staff produce proficient students through collaboration and ongoing professional development.

#### School Environment

##### Describe the process by which the school learns about students' cultures and builds relationships between teachers and students

Van E. Blanton Elementary School's vision is to be an institution committed to excellence, where proficient staff produces proficient students through collaboration and ongoing professional development. The school's mission is to develop each student's academic, social, physical and emotional potential in a wholesome, supportive environment to create life-long learners and contributing citizens in a multicultural and changing world. Every child at Van E. Blanton is a winner every day. The staff is committed to ensuring that every student who enters the building receives a quality education, demonstrating academic growth and social develop at the conclusion of each year. Van E. Blanton services general education students and students with exceptionalities, to include gifted students and students with learning disabilities. Although students come from diverse backgrounds and possess a wide range of academic and social skills, it is our goal to meet each child's need in order for him/her to flourish and experience success. It is believed that every child can learn, despite his/her socioeconomic condition, and it is expected that every child will become proficient and maximize his/her potential through a sound work ethic and collaborative efforts by the teacher, student and parent.

Students at Van E. Blanton are provided a variety of culturally based programs and activities to enhance their learning experiences and overall development. Being exposed to and participating in a host of activities throughout the year such as Career Day, Science Fair, Black History Month, Hispanic Heritage Month, Walk Safe, Say No To Drugs, Performing Arts field trips, the DARE Program, Chess Club, Science Club, Anti-bullying and Character Education, students are better able to adapt to their social surroundings, conduct themselves appropriately in real-world situations, tap into and explore their interests, and increase self-awareness and confidence.

Achieving excellence, maximizing potential, and becoming lifelong learners are not concepts that apply only to students at Van E. Blanton. Teachers and Administration recognize the importance of refining their pedagogical and leadership skills and are proactive in seeking out professional development. Participating in an assortment of educational trainings and courses contributes greatly to implementing the most effective and a current research-based educational strategy within the classroom and creates a solid foundation on which everyone can build.

Additionally, an 8-characteristic trait chart that can be found in each classroom and has been adopted for school-wide use by the teachers and students emphasizes "effectiveness, cooperation, mastery, fire fighting, inspiration, productivity, sensitivity, and discipline." The teachers and students are encouraged to incorporate these characteristics in their daily actions and behaviors. Also, all classes

within each grade level have the same classroom rules; this makes it easier for teachers within each grade level to monitor behavior and for students to remember what is expected in each classroom.

**Describe how the school creates an environment where students feel safe and respected before, during and after school**

Van E. Blanton Elementary School services students from kindergarten to fifth grade of diverse backgrounds to include general education students, Students with Disabilities (SWD), English Language Learners (ELL) and gifted students. This range of students possess a variety of academic and social skills; hence, it is our goal to meet each child's need in order for him/her to flourish and experience success. At Van E. Blanton we hold the belief that despite the socioeconomic condition, every student has potential and will become proficient.

Van E. Blanton strives to develop each student's academic, social, physical, and emotional characteristics and traits by providing a safe, supportive, nurturing, and positive environment. As a result, security monitors are stationed at the front of the school to identify and assist visitors before and during school hours. Students are supervised by adults at all times during the school day to ensure safety and academic excellence. Faculty and staff are familiar with safety procedures which include escorting the students to designated locations during dismissal, to the cafeteria for lunch or after care services, rainy day dismissal procedures, emergency lockdown (code yellow and code red) procedures, medical emergency procedures, and rumor control. In addition, administrators and leadership team members are posted at strategic locations within the school during the dismissal times. Parents are contacted immediately if an accident occurs.

**Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced**

The primary objective of Miami-Dade County Public Schools (M-DCPS) is to enhance each student's potential for learning and to foster positive interpersonal relationships. M-DCPS supports the concept that students who possess personal, academic, civic and occupational adequacies will become effective and productive citizens. Established protocols such as defined classroom rules and consequences, implementation of the Elementary Code of Conduct, and the school-wide discipline plan will help to promote and maintain a positive learning environment free from disruptions of the teaching and learning process. Van E. Blanton Elementary School also incorporates all of the District Core Values: Citizenship, Cooperation, Fairness, Honesty, Integrity, Kindness, Pursuit of Excellence, Respect, and Responsibility. A different core value is highlighted every month by the principal through morning announcements. In addition, expectations of classroom behaviors, rewards and consequences are a collaborative effort within grade levels. These expectations are expressed to students with the anticipation that classroom management is consistently and effectively implemented in each classroom.

At present, teachers are required to seek immediate assistance from another teacher or contact the office for security if the behavioral situation warrants immediate removal of a student. A referral form is used to detail specific incidents and behaviors that resulted in the student's removal. Parents are contacted by the teacher to discuss the details of the incident, and the counselor follows-up with individual counseling, as needed.

**Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services**

Van E. Blanton Elementary School ensures the social-emotional needs of students are being met by the implementation of a school-wide corrective action plan. This plan encompasses the entire learning community of Van E. Blanton Elementary School. It ensures that the student suspension rate will be reduced during the 2014-2015 school year. All teachers, leadership team members, school

counselor and administration will provide the necessary leadership to ensure that the corrective action plan is effectively implemented and every effort is made to ensure students are in school. The counselor and administration will serve as the liaison between students, teachers, and parents. It is the responsibility of the counselor to provide the appropriate character education, conflict resolution, and anti-bully curriculum to all students. The counselor will also facilitate counseling throughout the year to targeted students who have displayed ongoing behavior problems. In addition, the school counselor provides academic support, individual and group sessions on topics including conflict resolution, anger management, parent conferences, crisis counseling, and grief counseling to aid in the academic, social, and emotional growth of every student. A school psychologist has been assigned to assess students, collect and analyze data, recommend academic, mental, and behavioral interventions, and monitor progress.

**Early Warning Systems**

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(ii)(III), (b)(1)(B)(iii)(I), and (b)(1)(I).

**Describe the school's early warning system and provide a list of the early warning indicators used in the system**

- Retention
- Excessive Absences (Excused and Unexcused)
- Excessive Tardies
- Three (3) or more Disciplinary Referrals
- SAT Stanine (1,2,3,4) or lower than 50th Percentile on the Stanford Achievement Test.
- Promotion to Grade 4 based on Good Cause

**Provide the following data related to the school's early warning system**

*The number of students by grade level that exhibit each early warning indicator:*

Indicator	Grade Level						Total
	K	1	2	3	4	5	
Attendance below 90 percent	8	8	4	5	7	1	33
One or more suspensions	2	1	2	0	0	1	6
Course failure in ELA or Math	19	6	9	25	13	19	91
Level 1 on statewide assessment	0	0	0	32	23	18	73

*The number of students identified by the system as exhibiting two or more early warning indicators:*

Indicator	Grade Level						Total
	K	1	2	3	4	5	
Students exhibiting two or more indicators	10	5	5	15	13	15	63

**Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system**

Intervention strategies employed by Van E. Blanton Elementary School to improve academic performance of students identified by the EWS are:  
 iReady (Math/Reading): is a comprehensive, web-based assessment and instruction program that includes adaptive diagnostic assessment, instantaneous reporting, and engaging, online instructional modules. The assessment, the reporting, and the instruction all work together to give students the one-on-one attention they need to accelerate their learning and progress toward or beyond grade

level.

MyOnReader (Reading): is a browser-based online library. This digital content offers varied subjects both fiction and non-fiction selections so that students can personalize their reading interests.

"MyOnReader addresses key elements in the Common Core Standards with MetaMetrics™, creators of the Lexile Framework for Reading". Digital books are available in both English and Spanish and all core content areas.

Reading Plus: is a browser-based reading intervention system that uses innovative technology to provide individualized, scaffolded silent reading practice for students in grades 2 and higher.

Reflex Mathematics: is adaptive individualized digital software which continuously monitors student math fluency. It is game-based and highly engaging for students.

Wonder Works Tier II Intervention: is designed for students two years below grade level, the program closes achievement gap, provides intensive, scaffolded support, addresses foundational skills (grades 2-5) and includes accessing complex text (grades 2-5).

After School/Saturday Tutoring: Van E. Blanton Elementary School hosts an after-school tutoring program from February to March each year and eight sessions of Saturday Academy. The two programs are funded through Title I and identified FCAT level 1 and 2 students and students who require additional interventions participate in the programs.

## Family and Community Involvement

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(iii)(I)(aa).

**Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress**

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. § 6314(b)(1)(F).

### Will the school use its PIP to satisfy this question?

Yes

#### **PIP Link**

The school completes a Parental Involvement Plan (PIP), which is accessible through the Continuous Improvement Management System (CIMS) at <https://www.floridacims.org/documents/188372>.

#### **Description**

A PIP has been uploaded for this school or district - see the link above.

**Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement**

The Community Involvement Specialist in conjunction with the Guidance Counselor makes contact with local business, parents, local colleges and universities to secure and utilize resources to support the school and student achievement. The companies and organizations are as follows:

Rotary Club of Hialeah Miami Springs: Donates dictionaries and backpacks to students in need,

Shoes That Fit: Donates shoes to students in need.

Costco: Donates backpacks to students in need.

Developing Minds Foundation: Miscellaneous school supplies

Publix: Gift card to be used at Publix provide Thanksgiving baskets for the families of students in need.

Heiken Optical: Provides eye exams and glasses for students who do not have vision insurance.

Barry University (School of Education): Interns to provide additional assistance to the classroom teacher.

Miami Dade College: Interns to provide additional assistance to the classroom teacher.

Florida International University: Interns to provide additional assistance to the classroom teacher.

Florida Memorial University: Interns to provide additional assistance to the classroom teacher.

## Effective Leadership

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(H).

### School Leadership Team

#### Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Goa, Tangela	Principal
Wells, Kevrette	Assistant Principal
Duren, Althea	Attendance/Social Work
Mathis, Leah	Instructional Coach
Pratt, George	Teacher, K-12
Tiblanc, Gilbert	Teacher, K-12

#### Duties

***Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making***

Team Members and their responsibilities:

Ms. Tangela D. Goa, Mr. Kevrette E. Wells (Principal/Assistant Principal): Serving in the capacity of governing agent, the principal and assistant principal bears the responsibility of the overall operation of the MTSS/Rtl and the school. This position will share the existing commonalities for this team, and facilitate meetings and interactions that transpire. Roles also include: imparting the purpose and vision for accessing and using data-based decision-making; evaluate the MTSS/Rtl skills of school personnel; monitor and supervise the proper implementation of intervention as well as ensure that a meticulous record keeping system is in place; provide professional development to support MTSS/Rtl implementation, and maintain an open channel of communication with parents as it relates to school-based MTSS/Rtl functions, plans and projects.

Ms. A. Luma, Mr. R. Martin, Ms. M. Louis, Ms. R. Scott, Ms. L. Mathis, Ms. K. Washington, Ms. J. Simmons, Ms. F. Noel, Ms. L. McClain (Grade Level Chairpersons, ELL Instructor/Bilingual Instructors and ESE Instructor): Share data and information pertinent to the instructional curriculum that accentuates the basic skills and core area subjects; retrieve and disseminate student data; administer assessments; provide the necessary instruction or intervention for Tier 1 students; consult with selected personnel for the purpose of providing assistance in the implementation of interventions for Tier 2 students; compile and infuse Tier 1 materials/instruction with Tier 2/3 activities; confer with and maintain regular articulation with general education teachers in order to closely monitor student progress.

Ms. Hannah Ramontal (Reading Coach): Conference with teachers to familiarize them with the instructional curriculum; visit classrooms, offer feedback and debrief teachers to improve instruction and student achievement; model lessons to improve instruction and student achievement with feedback and collaborative input; provide assistance with the reading, mathematics and science programs; co-plan lessons with teachers; analyze student's work; interpret assessment data for the purpose of assisting teachers in using results for instructional decision making; conduct individual and group discussions with teachers about teaching and learning; plan and conduct professional development workshops; create presentations for teachers; assist with assessing students and assist in the effective implementation of Tier 1, Tier 2, and Tier 3 intervention plans.

Ms. Althea Duren (Guidance Counselor): Prepares and submits reports, records, files and all other information and data; encourages teacher/parent communication and community involvement; assists students in conflict resolution, peer mediation and helps students develop life management skills;

manages crises; assists in the identification of students with special needs; refers students to intervention/remediation programs, as well as, academic and alternative programs to ensure academic success and personal well-being; reviews school data frequently to ensure that the school counseling program is meeting the academic and social development needs of the students; shares all available information with MTSS/Rtl.

Ms. Robin Fisher (School Psychologist): Conducts assessment of students; consults with teachers, parents and MTSS/Rtl to facilitate student educational growth; participates in School Support Team and makes recommendations; suggests appropriate assessments to be administered; works collaboratively with Student Services and other staff; sponsors and participates in professional development activities; participates in collection and interpretation of data.

Ms. Jolene Williams (Speech/Language Pathologist): Develops and implements individual education programs; establishes and maintains effective relationships with students, teachers, and parents; reads, analyzes, and interprets data; administers diagnostic evaluations for speech, voice, and language disorders; communicates assessment findings and recommendations; and conducts professional development workshops.

In addition to Tier 1 problem solving, the Leadership Team members will meet quarterly to review consensus, infrastructure, and implementation of building level MTSS/Rtl .

#### Tier 2

Mr. Kevrette E. Wells, Ms. Robin Fisher, Ms. Althea Duren, Ms. Hannah Ramontal, Ms. Latonia McClain and Ms. Jolene Williams, members of the MTSS Leadership Team will conduct regular meetings to evaluate intervention efforts for students by subject, grade, intervention, or other logical organization.

In addition to those selected other teachers will be involved when needed to provide information or revise efforts.

#### Tier 3 SST

Mr. Kevrette E. Wells, Ms. Robin Fisher, Ms. Althea Duren, Ms. Hannah Ramontal, Ms. Latonia McClain and Ms. Jolene Williams, members of the Leadership Team, Tier 2 Team, and parent/guardian make up the Tier 3 SST Problem Solving Team.

***Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact***

The MTSS/Rtl Leadership Team use the Tier 1 Problem Solving process to set Tier 1 goals, and monitors academic and behavioral data to evaluate progress towards those goals at least three times per year by:

1. Holding regular team meetings where problem solving is the sole focus.
2. Using the four step problem solving process as the basis for goal setting, planning, and program evaluation during all team meetings that focus on increasing student achievement or behavioral success.
3. Determining how we will know if students have made expected levels of progress towards proficiency? (What progress will show a positive response?)
4. Respond when grades, subject areas, classes, or individual students have not shown a positive response? ( MTSS/Rtl problem solving process and monitoring progress of instruction)
5. Responding when students are demonstrating a positive response or have met proficiency by raising goals or providing enrichment respectively.
6. Gather and analyze data at all Tiers to determine professional development for faculty as indicated by group or individual student diagnostic and progress monitoring assessment.
7. Ensure that students in need of intervention are actually receiving appropriate supplemental Tier 2 intervention. Gather ongoing progress monitoring (OPM) for all interventions and analyze that data using the Tier 2 problem solving process after each OPM.

## Tier 2

The second level of support consists of supplemental instruction and interventions provided in addition to and in alignment with effective core instruction and behavioral supports to groups of targeted students who need additional instructional and/or behavioral support. Tier 2 problem solving meetings occur regularly (monthly is suggested) to:

1. Review OPM data for intervention groups to evaluate group and individual student response.
2. Support interventions where there is not an overall positive group response.
3. Select students (within SST guidelines) for SST Tier 3 intervention.

The school improvement plan (SIP) summarizes the school's academic and behavioral goals for the year and describes the school's plan to meet those goals. The specific supports and actions needed implement the SIP strategies are closely examined, planned, and monitored on the MTSS/RtI Tier 1 worksheets completed three times per year. The MTSS/RtI Problem-Solving process is used to first carry out, monitor, and adjust if necessary, the supports that are defined in the SIP. Annual goals are translated into progress monitoring (3 times per year) and ongoing progress monitoring measures (approximately once per month) that can reliably track progress on a schedule based on student need across Tiers.

Tier 2 supports are provided to students who have not met proficiency or who are at risk of not meeting proficiency. Finally, MTSS/RtI End of Year Tier 1 problem solving evaluates the SIP efforts and dictates strategies for the next year's SIP. At this time, previous years trend data across grade levels is used to examine impact grades for support focus or prevention/early intervention efforts. While the SIP plan does not focus on the primary (untested) grades, the MTSS/RtI leadership team extends the intent of the SIP to kindergarten, first, and second grades as they contribute extensively to later grades performance and student engagement.

### Title I, Part A

Van E. Blanton Elementary School has a conglomerate of programs that coordinate with other local, state and federal funds and initiatives aimed at improving student performance. The District has purchased and made available to students and teachers Internet-based programs such as Riverdeep, FCAT Explorer, Ticket-to-Read, Success Maker, Reading Plus, Accelerated Reader and DIAL-A-TEACHER ON-LINE. This technology-based learning provides a collection of high-value educational software solutions that enhance student achievement in Reading, Language Arts, Mathematics, Social Studies and Science. Daily, students in all grade levels engage these learning tools. The media center - as well as the classrooms are equipped with top-of-the-line computers that are readily accessible to students. Additionally, students are provided with Writing and Mathematics journals for opportunities to write about and solve real world problems. The DIAL-A-TEACHER ON-LINE is a service provided by Miami-Dade County Public Schools in cooperation with the United Teachers of Dade and WLRN-TV. DIAL-A-TEACHER ON-LINE offers homework help in most subject areas in grades K - 12. Van E. Blanton Elementary students and parents are encouraged to take advantage of this free cyber-help with homework. Services are provided to ensure students requiring additional remediation are assisted through after-school programs or summer school.

As it relates to district, Title II and Title III funds are appropriated to ensure staff development opportunities are provided. Curriculum Coaches develop, lead, and evaluate school core content standards/ programs; identify and analyze existing literature on scientifically based curriculum/ behavior assessment and intervention approaches. They identify systematic patterns of student need while working with district personnel to identify appropriate, evidence-based intervention strategies; assists with whole school screening programs that provide early intervening services for children to be considered "at risk;" assist in the design and implementation for progress monitoring, data collection, and data analysis; participate in the design and delivery of professional development; and provide support for assessment and implementation monitoring.

### Title I, Part C- Migrant

A thorough review of available data disclosed that of the students currently enrolled at Van E. Blanton Elementary, no student has been recognized as having an official migrant status. However, should this be reversed, the school will apply District's protocol for addressing the needs of migrant students. This will include notifying the appropriate district staff of the enrollment at this site of such students.

#### Title I, Part D

N/A

#### Title II

The District uses supplemental funds for improving basic education as follows:

- training to certify qualified mentors for the New Teacher (MINT) Program
- training for add-on endorsement programs, such as Reading, Gifted, ESOL
- training and substitute release time for Professional Development Liaisons (PDL) at each school focusing on Professional Learning Community (PLC) development and facilitation, as well as Lesson Study Group implementation and protocols

#### Title III

Revenues from the Title III pecuniary source are allocated to supplement and enhance programs for English Language Learners (ELL) students. These programs include: extended day tutorial programs, parent outreach activities, professional development with a focus on best practices for ESOL and content area teachers, coaching and mentoring for ESOL and content area teachers, reading and supplementary instructional material, hardware and software for the development of language and literacy skills in reading, mathematics and science.

Services are provided through District for education materials and ELL District support services to improve the education of immigrant and English Language Learners.

#### Title VI, Part B - NA

#### Title X- Homeless

Currently, school records reflect that there are no students officially enrolled at Van E. Blanton Elementary School classified as homeless. Being familiar with the McKinney Vento Homeless Assistance Act, the school understands procedures to observe should this status become altered. The school is knowledgeable of existing policies that eliminate barriers to enrollment, and ensure retention and success in school for homeless students. The school obligates itself to educate personnel regarding the McKinney Act. Critical to understanding the plight of homeless students, staff is aware that homeless does not only mean someone who literally lives on the street. Its meaning spans to include: an individual who has a primary nighttime residence that is: a supervised publicly or privately operated shelter designed to provide temporary living accommodations; an institution that provides a temporary residence for individuals intended to be institutionalized; or a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings. District sponsors the Homeless Assistance Program and the Project Upstart Program – both aimed at providing essential assistance to homeless children and their families.

#### Supplemental Academic Instruction (SAI)

Van E. Blanton Elementary School receives funding from Supplemental Academic Instruction (SAI) as part of its Florida Education Finance Program (FEFP) allocation. The school utilizes funding from this source to provide summer school for retained third grade students. Additionally, SES (Supplemental Education Service) Providers augment the instructional time for students by extending the regular school day.

#### Violence Prevention Programs

Van E. Blanton Elementary School's Violence Prevention Program parallels with its Drug and Violence Prevention initiative. This effort enables Van E. Blanton Elementary to establish a school-wide foundation, which entails supporting positive discipline, academic success, and mental and emotional wellness through a supportive and nurturing school environment, as well as teaching students appropriate behaviors and problem solving skills. Should the school identify at-risk students, it implements services or intervention that addresses their individual needs.

#### Nutrition Programs

The Food Service Department at Van E. Blanton Elementary School prepares and serves meals that are balanced and nutritiously fortified. The school fully understands the benefits attached to healthy eating. The correlation between nutritious eating and academic achievement has received massive attention. Given the contention that the physical well-being of students is intrinsically interwoven in eating habits, the school incorporates Health and Nutrition lessons into the Physical Education curriculum. The instructional contents convey to students that nutrients give energy and keep the

heart beating, the brain active, and the muscles working. This translates into having a body physically able and ready to successfully undertake the challenge of learning. The School Food Service Program - school breakfast, school lunch, and after care snacks - follows the Healthy Food and Beverage Guidelines as adopted in the District's Wellness Policy.

Housing Programs - N/A

Head Start

Van E. Blanton Elementary School is host site for two VPK/Head Start classes. The VPK program has as its premier purpose - a responsibility to prepare, equip and build a solid foundation for the educational success of every four-year-old student. Similarly, four-year-old children attending Head Start at venues other than the public schools are enabled with classroom strategies that maximize the probability of their academic success upon their official entrance into the school environment.

Adult Education

N/A

Career and Technical Education

Other

Van E. Blanton Elementary School embraces parents as Partners in Education inasmuch as the Family Resource Center serves as an onsite facility that exists exclusively to accommodate parents and families. To get parents acclimated with the education process, the school informs parents of structured programs available to their children and seeks their input and feedback. Additionally, at designated times, the school extends an opportunity for parents to visit classrooms, meet teachers and become familiar with the instructional curriculum, as well as the functions and activities of the school. The Community Involvement Specialist (CIS) sponsors adult workshops to educate parents on the benefits of eating nutritiously, home buying tips, and food handling. A series of FCAT workshops are offered to equip parents with the skills, materials and resources necessary to assist in the academic preparation of their children. Given that parents are viewed as vital stakeholders of the school, many attend and are members of the Educational Excellence School Advisory Council (EESAC), which is the decision-making entity for this site.

School Improvement Grant Fund/School Improvement Grant Initiative Funding received by the school under the School Improvement Grant Fund/School Improvement Grant Initiative is applied toward enhancing the academic performance of students identified in lowest performing subgroups.

Strategies and activities engaged to counter areas of deficiencies include: building comprehension skills, collection and analysis of data, consistency and continuity of the instructional component and curriculum. Moreover, funding from this initiative allows for specific interventions such as extended day remedial tutorial instruction, Differentiated instruction/intervention, classroom libraries and Project CRISS. Additionally, Title I School Improvement Grant/Fund support funding and assistance to schools in Differentiated Accountability based on need. The Voluntary Public School Choice Program a federally funded grant, is a district wide initiative designed to assist in achieving the Miami-Dade County Public Schools' District's Strategic Plan goal to expand the availability of and access to high quality public school choice options for all parents in Miami-Dade County. Voluntary Public School Choice grant funds are used to evaluate programs, inform parents of educational options, and re-culture teaching practices to establish quality school environments.

## School Advisory Council (SAC)

### Membership

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group
Tangela D. Goa	Principal
Kevrette E. Wells	Education Support Employee
Renier Martin	Teacher
Nilda Flores	Teacher
Crystal Alvarez	Teacher
Juanita Vickers	Teacher
Brianne Ellis	Teacher
Kim Washington	Teacher
Fritzlaine Demosthenes	Teacher
Constance Johnson	Education Support Employee
Verna Rawls	Education Support Employee
Jeanette Romero	Parent
Artavia McFadden	Parent
Zoraida Acevedo	Parent
Zulie Hernandez	Parent
Stephanie Morales	Parent
Eloise Owens	Parent
Victoria Martinez	Parent
Nedgina Seraphin	Student
Francheska Campos	Student
Mina K. Mandel	Business/Community
John Fraiser	Business/Community

### Duties

***Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes***

*Evaluation of last year's school improvement plan*

The School Advisory Council (SAC) engaged in the problem solving process of setting goals for the 2013-2014 School Improvement Plan (SIP). When data became available, the SAC determined that the goals set in the 2013-2014 SIP were not met.

*Development of this school improvement plan*

The EESAC is diligent in its commitment to the fidelity of the School Improvement Plan. At each meeting, the objectives are discussed and the strategies are monitored so that members are assured that the written plan is put into action for the academic and social growth of each student.

*Preparation of the school's annual budget and plan*

The principal shares information with the SAC regarding the proposed budget and suggests curriculum materials that can be purchased to promote student achievement. Members of the SAC can provide suggestions referencing curriculum materials and propose changes to the school's annual budget.

**Describe the use of school improvement funds allocated last year, including the amount budgeted for each project**

\$500.00 Training of Personnel  
\$2000.00 End-of-the-Year Academic Awards

**Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC**

Yes

*If the school is not in compliance, describe the measures being implemented to meet SAC requirements*

**Literacy Leadership Team (LLT)**

**Membership**

Identify the name, email address and position title for each member of the school-based LLT.:

Name	Title
Goa, Tangela	Principal
Wells, Kevrette	Assistant Principal
Duren, Althea	Guidance Counselor
Mathis, Leah	Instructional Coach

**Duties**

**Describe how the LLT promotes literacy within the school**

Paramount among this year's initiatives will be to actualize an increased number of students who demonstrate mastery of grade-level skills.  
The LLT will also implement and engage strategies to increase the number of students who perform above grade level.  
Other initiatives undertaken by the LLT will include:

- Monitor consistency of Florida Standards program implementation school-wide aimed at affording each student the opportunity to make adequate progress.
- Identify key support needed by struggling readers and struggling teachers, and intervene appropriately.
- Institute a method to routinely monitor the implementation process and utilize generated data to improve and adjust instruction based on Florida Standards.
- Pinpoint problem areas in grade levels and classrooms and apply the necessary action to resolve identified areas.
- Maintain an effective system for using instructional support personnel and establish a support system for improvement and comprehension of Florida Standards .
- Establish a process that lends focus to collaborative study of student progress, Florida Standards, achievement, and instructional practice.
- Provide instructional support and assistance to teachers as needed.

**Public and Collaborative Teaching**

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(D).

**Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction**

Van E. Blanton's incorporates strategies to encourage positive working relationships between teachers by providing:

Teacher schedules are structured to accommodate Collaborative Planning  
Highlighting and sharing of "Best Practices" during faculty meetings  
Committees are formed to raise morale  
Professional Learning Communities are implemented to address areas of need across grade levels  
Peer mentoring to observe and model best practices

**Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school**

The Leadership Team, meticulous in its efforts, conducts the initial interview of the screening process. Applicants who meet specified criteria during this stage of the interview are referred to the principal for a subsequent interview. Additionally, the school collaborates with District and attends job fairs in order to recruit highly qualified personnel. Moreover, the school networks with colleges and universities in its efforts to recruit proficient, competent and highly qualified graduates, majoring in education.

**Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities**

Ms. Monique Strowbridge (1st Year Pre-K teacher)

Ms. Juanita Vickers a veteran teacher, is MINT trained. Ms. Juanita Vickers has served as Pre-K teacher for the past 11 years. Additionally, Ms. Juanita Vickers is thoroughly abreast of the instructional curriculum and has consistently actualized gains in student performance as measured by the Kindergarten Readiness FLKRS/ECHOS Assessment.

Ms. Briann Ellis (2nd Year Kindergarten teacher)

Ms. Anna Luma a veteran teacher, is MINT trained. Ms. Anna Luma has served as Kindergarten teacher for the past 5 years. Additionally, Ms. Anna Luma is thoroughly abreast of the instructional curriculum and has consistently actualized gains in student performance as measured by Kindergarten SAT10 Reading and Math score.

Ms. Sasha Acosta (2nd Year Grade 1 teacher)

Mr. Renier Martin a veteran teacher, is MINT trained. Mr. Renier Martin has served as Grade 1 teacher for the past 4 years. Additionally, Mr. Renier Martin is thoroughly abreast of the instructional curriculum and has consistently actualized gains in student performance as measured by Grade 1 SAT10 Reading and Math scores.

Ms. Eboni Griffin (2nd Year Grade 3 teacher)

Ms. Fritzlaine Demosthenes a veteran teacher, is MINT trained. Ms. Fritzlaine Demosthenes has served as Grade 3 teacher for the past 8 years. Additionally, Ms. Fritzlaine Demosthenes is thoroughly abreast of the instructional curriculum and has consistently actualized gains in student performance as measured by Grade 3 FCAT2.0 scores.

Mr. Phillix Rodrigues (2nd Year Grade 4 teacher)

Ms. Lauren Gatti (1st Year Grade 4 teacher)

Ms. Leah Mathis a veteran teacher, is MINT trained. Ms. Leah Mathis has served as a Grade 4 teacher for the past 7 years. Additionally, Ms. Leah Mathis is thoroughly abreast of the instructional curriculum and has consistently actualized gains in student performance as measured by Grade 4 FCAT2.0 scores.

Mr. Carlos Pazmino (1st Year Grade 5 teacher)

Mr. Sedny Felissaint a veteran teacher, is MINT trained. Mr. Sedny Felissaint has served as Grade 5 teacher for the past 6 years. Additionally, Mr. Sedny Felissaint is thoroughly abreast of the instructional curriculum and has consistently actualized gains in student performance as measured by Grade 4 FCAT2.0 scores

## **Ambitious Instruction and Learning**

### **Instructional Programs and Strategies**

#### **Instructional Programs**

***Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards***

Van E. Blanton ensures its core instructional programs and materials are aligned to Florida's standards by following district Pacing Guides, utilizing Item Specifications and fully implementing district adopted materials such as; McGraw-Hill Reading Wonders, McGraw-Hill Wonder Works for Tier II Intervention and Houghton Mifflin Go Math.

**Instructional Strategies*****Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments***

Van E. Blanton Elementary School establishes and maintains a student assessment system as well as uses systematic processes and procedures to collect data, analyze data, and improve student learning. Teachers and support staff are trained in the evaluation, interpretation and use of data. A process exists for analyzing data, and policies and procedures are clearly defined. The Literacy Leadership Team (LLT) monitors student learning, and regularly communicates results to all stakeholders.

Teachers modify instruction through DI (Differentiated Instruction) to assist students having difficulty meeting proficiency on state assessments. Student meeting proficiency on State Assessments are provided enrichment opportunities during DI. Additionally, students deemed as having difficulty grasping concepts during DI receive additional Tier II Intervention utilizing the Wonder Works Intervention program.

***Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:***

**Strategy: After School Program**

**Minutes added to school year: 2,400**

Tutorial services that address identified area(s) of need will be provided to students in the form of immediate intensive Tier II and Tier III Intervention as well as opportunities in after school programs. State and District assessment data or IEP's will be utilized when selecting the appropriate intervention. Van E. Blanton Elementary School hosts an after-school tutoring program from February to March each year and eight sessions of Saturday Academy. The two programs are run through Title I funding. Identified FCAT level 1 and 2 students and students who require additional interventions participate in the program. The reading and mathematics tutoring occurs two days a week. In addition to these programs, staff members work with less proficient students daily during the school day. During school, students in Kindergarten through Fifth are pulled for small group Intervention using Wonder Works as an Intensive Interventions in order to meet the individual needs of students. English Language Learners (ELL's) are pulled for additional academic instruction by the ESOL resource teacher. The school also enlists the support of parent/community volunteers to read with small groups of children during the school day. The students are selected to participate in these remedial and enrichment programs based on analysis of their student performance data.

**Strategy Rationale**

Tier II and Tier III Interventions are implemented based on State/District assessment data, LEP Plans and/or IEP's. This data will be utilized when selecting the appropriate intervention for students. Van E. Blanton facilitates Tier II interventions by including a 30-minute Intervention block in teacher schedules daily. Tier III Interventions are facilitated during special-areas times. Tutoring services are provided as an intervention/enrichment to extend the learning day two times a week for a period of 60 minutes and on Saturdays for 120 minutes.

**Strategy Purpose(s)**

- Core Academic Instruction
- Enrichment
- Teacher collaboration, planning and professional development

**Person(s) responsible for monitoring implementation of the strategy**

Wells, Kevrette , [k Wells1@dadeschools.net](mailto:k Wells1@dadeschools.net)

**Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy**

During the first week of the 2014-2015 school year, the grade levels will participate in a school-wide data disaggregation activity as they review and analyze the 2014 FCAT demographic data results. Subject/grade level teams together with the leadership team will discuss and analyze the data results from bi-weekly/monthly assessments to determine student needs and instructional strategies. Grade levels meet after each FAIR assessment to make necessary changes to their instruction to meet individual student needs. During the months of August/September, October/November, and January/February grade level teams will meet to discuss data results from the district baseline and interim assessments to make necessary changes to their instruction to meet individual student needs.

**Student Transition and Readiness**

**PreK-12 Transition**

The school's response to this question may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(G).

**Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another**

Van E. Blanton invites and hosts visits from neighboring childcare centers. The preschool students become participants in the learning experience, as they visit the kindergarten classes, the media center and other locations in the school. They are also guests in the cafeteria and subsequently partake of the meal provided by the school. This venture affords the students exposure to the school setting prior to their official entrance. They become familiar with the academic milieu and therefore gain increased comfort in this environment. The school also articulates and meets with the pre-school teachers and parents with the intent of ensuring a smooth transition. The open channel of communication between the school, pre-school teachers and parents ensures continuity in the process to ready the students for their entrance into kindergarten.

Assessment tools utilized by the pre-kindergarten teachers to determine student readiness rates and to posttest include: DECA (Devereux Early Childhood Assessment); OLPS-R (Oral Language Proficiency Scale-Revised); PELI (Phonological and Early Literacy Inventory); and LAP-D (Learning Accomplishment Profile-Diagnostic). The DECA assessment assists professionals in promoting resilience in children ages 2-5. Through the program, early childhood professionals and families learn specific strategies to support young children's social and emotional well-being and how to enhance the overall quality of early childhood programs. Because it is strength-based, the DECA Program is appropriate for all children and should be used to build children's protective factors and prevent the development of challenging behaviors. The centerpiece of the DECA Program is the assessment instrument, the DECA. In best practice the DECA is completed by both teachers and parents who then work together as a team to plan changes in the classroom and the home to promote children's resilience. Four-year-old students should be pre and post tested on the B.E.L.L. Literacy Program using the Phonological and Early Literacy Inventory (P.E.L.I.). When testing a LEP (Limited English Proficient) student, teachers must take into consideration the child's ESOL level. Children with ESOL Levels I and II must be tested in their home language and in English for those skills that they may have learned in the classroom environment. Children with ESOL Levels III and IV must be tested using both languages. The test item may be introduced in English and if the child appears to have difficulty, the home language must be used in order to facilitate understanding. Correct answers in the home language must be considered acceptable.

Special Education children who are ELL must be assessed with the M-DCPS Oral Language Proficiency Scale-Revised (OLPS-R), Pre-K level or the Relative Language Dominance Checklist-Revised in order to determine an ESOL level. This assessment must have been completed prior to entering the program for the first time and again in May for children who obtained ESOL Levels I - IV. It is important that parents and families are informed on a regular basis about their child's progress in school.

P.E.L.I. is screening to predict early success in reading based on a child's ability to accurately and effectively master core literacy constructs (e.g., phonological awareness, alphabet knowledge, concept of word, and grapheme-phoneme correspondence) and to exercise these understandings in a comfortable socio-cultural context. It is a diagnostic screening tool for identifying children at risk for early reading difficulties.

The LAP-D is an assessment recommended to obtain performance levels in fine motor, gross motor, communication, general knowledge and social/self-help. It is a comprehensive developmental assessment tool for children between the ages of 30 and 72 months. Based on a task-analysis model, the LAP-D is designed to assist the user in making educational decisions with regard to instructional objectives and strategies that are developmentally appropriate. The LAP-D consists of a hierarchy of developmental skills arranged in four major developmental areas or domains, each of which contains two subscales. These include, Fine Motor: Writing and Manipulation; Cognitive: Matching and Counting; Language: Naming and Comprehension; Gross Motor: Body Movement and Object Movement.

The Parental Involvement component is a key factor in encouraging the home to assume a pro active

role in order to ensure a successful transition for preschool students. The parents are invited to attend meetings wherein they are encouraged to join with the elementary school and preschool program to identify and coordinate services for a smooth and uneventful move into the elementary school system.

The pre-kindergarten program is Title I funded and it is monitored and evaluated by the Division of Early Childhood Programs. In order to ascertain the effectiveness of the pre-kindergarten program, the Florida Kindergarten Readiness Screener (FLKRS) will be administered. This evaluation will not be done until after students enter kindergarten. Given that school readiness is the major goal of the Voluntary Pre-Kindergarten (VPK) program, it is imperative that the school find out if the students are prepared to adequately function in elementary school. The Florida Kindergarten Readiness Screener will be utilized. The piece called ECHOS (Early Childhood Observation System) is described as a non-intrusive way of evaluating children's knowledge.

Teachers watch students during class to determine whether they have certain skills, such as knowing how to use a book or how to play with others. They then create lesson plans to help each child progress. This style of assessing is viewed as evaluating the "whole child" in a normal setting. Inter as well as intra grade level articulation is critical for a smooth transition from pre-kindergarten to kindergarten. Articulation occurs between the pre-kindergarten teachers as well as between the pre-kindergarten and kindergarten teachers. Through articulation, standards, curriculum and teacher training are synergistic. As a team, teachers will meet and discuss the results of the FLKRS and devise activities that will be guided by developmentally appropriate foundations in all content areas. In addition, articulation between the teachers will extend the opportunity to share best practices. This in return will ensure that the students are ready for kindergarten and that kindergarten is ready for the students.

Title I Administration assists the school by providing supplemental funds beyond the State of Florida funded Voluntary Pre-Postsecondary

Transition. Kindergarten Program (VPK). Funds are used to provide extended support through a full time highly qualified teacher and

Para-professional. This will assist with providing young children with a variety of meaningful learning experiences, in environments that give them opportunities to create knowledge through initiatives shared with supportive adults. In selected school communities, the Title I Program further provides assistance for preschool transition through the Home Instruction for Parents of Preschool Youngsters (HIPPPY) Program. HIPPPY provides in-home training for parents to become more involved in the educational process of their three- and four-year old children.

### College and Career Readiness

***Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations***

N/A

***Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs***

N/A

***Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement***

N/A

***Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes***

N/A

## School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.

### Problem Solving Key

**G** = Goal

**B** =  
Barrier

**S** = Strategy

**1** = Problem Solving Step     S123456 = Quick Key

## Strategic Goals Summary

- G1.** To increase student achievement by improving core instruction in all content areas.
- G2.** To use the EWS (Early Warning Systems) to identify at-risk students in order to provide them with support and interventions that will increase their academic achievement.
- G3.** To increase the use of district STEM resources.
- G4.** To increase Parent Involvement.

## Strategic Goals Detail

For each strategic goal, this section lists the associated targets (i.e., "SMART goals"), resources available to support movement toward the goal, barriers to achieving the goal, and the plan for monitoring progress toward the goal

**G1. To increase student achievement by improving core instruction in all content areas.** 1a

G045414

**Targets Supported** 1b

Indicator	Annual Target
AMO Reading - All Students	61.0
AMO Reading - African American	60.0
AMO Reading - Hispanic	61.0
AMO Reading - ELL	50.0
AMO Reading - SWD	42.0
AMO Reading - ED	61.0
CELLA Listening/Speaking Proficiency	52.0
CELLA Reading Proficiency	30.0
CELLA Writing Proficiency	21.0
AMO Math - All Students	68.0
AMO Math - African American	68.0
AMO Math - ED	69.0
AMO Math - ELL	57.0
AMO Math - Hispanic	70.0
AMO Math - SWD	55.0
Math Gains	68.0
Math Lowest 25% Gains	68.0
ELA/Reading Gains	69.0
ELA/Reading Lowest 25% Gains	77.0
FCAT 2.0 Science Proficiency	56.0

**Resources Available to Support the Goal** 2

- Literacy Resources: DOK Levels Chart, Common Planning Protocols, Reading Wonders Series, Coaching and Modeling from Reading Coach, FSA ELA Item Specifications, ELA Pacing Guides (Constructed Response Items), Reading Plus, Title I Budget, Grade Level Chairpersons, Curriculum Support Specialist, Computer Lab, Promethean Board
- Mathematics Resources: Title I Budget, Mathematics Manipulatives, Mathematics Pacing Guides, Grade Level Chairpersons, Curriculum Support Specialist, Mathematics Liaison, common planning times, Go Math, Item Specifications, 1 lab, Promethean Board
- Science Resources: Title I Budget, Science Pacing Guides, Grade Level Chairpersons, Science Liaison, Common Planning Times, Scott Foresman, NGSSS Item Specifications, Lab Kits, Science Manipulatives, Gizmos, Promethean Boards

**Targeted Barriers to Achieving the Goal** 3

- Content knowledge, comprehension and level of comfort concerning the MAFS/LAFS/Science NGSSS. Teachers lack a thorough understanding of student expectations and how students will be assessed.

**Plan to Monitor Progress Toward G1. 8**

**Person Responsible**

**Schedule**

On 11/26/2014

**Evidence of Completion**

**G2. To use the EWS (Early Warning Systems) to identify at-risk students in order to provide them with support and interventions that will increase their academic achievement. 1a**

G049783

**Targets Supported 1b**

Indicator	Annual Target
Attendance Below 90%	5.0
One or More Suspensions	1.0
Level 1 - All Grades	24.0
Non-proficient Reading by Grade 03	27.0
Retained Students	8.0

**Resources Available to Support the Goal 2**

- Attendance Bulletin, Wonder Works Tier II Intervention, iReady (Reading/Math) Intervention, Teachers, Guidance Counselor, Alternatives to Suspension Plan, Community Involvement Specialist

**Targeted Barriers to Achieving the Goal 3**

- Inconsistent use of the school attendance bulletin, the District Core Values, and Wonder Works as a Tier II Intervention for targeting and providing interventions to students that show patterns of poor attendance, negative behaviors and low academic performance.

**Plan to Monitor Progress Toward G2. 8**

Data which will be collected throughout the school year to monitor progress towards meeting the goal includes student attendance records, intervention data, MTSS/RtI meeting agendas, counselor logs and sign-in sheets.

**Person Responsible**

Tangela Goa

**Schedule**

On 6/5/2015

**Evidence of Completion**

Intervention Logs/Data, Counselor Logs, Agendas and Sign-In Sheets

**G3. To increase the use of district STEM resources.** 1a

G049782

**Targets Supported** 1b

Indicator	Annual Target
-----------	---------------

**Resources Available to Support the Goal** 2

- STEM Teachers, STEM Technology, MDCPS Partnerships, Discovery Education Resources, MDCPS STEM Initiatives

**Targeted Barriers to Achieving the Goal** 3

- The number of STEM-related experiences provided for students (e.g. robotics competitions; field trips; science fairs) are limited.

**Plan to Monitor Progress Toward G3.** 8

**Person Responsible**

Tangela Goa

**Schedule**

On 6/5/2015

**Evidence of Completion**

**G4. To increase Parent Involvement.** 1a

G050607

**Targets Supported** 1b

Indicator	Annual Target
-----------	---------------

**Resources Available to Support the Goal** 2

- NA

**Targeted Barriers to Achieving the Goal** 3

- NA

## Action Plan for Improvement

For each strategy selected in the plan to reduce a targeted barrier to a strategic goal, this section lists the rationale for that strategy (i.e., why the school believes it will reduce the barrier) and the action steps that have been identified as necessary to implementing the strategy, including details such as the point person, timing and duration, and evidence of completion. At the end of each set of action steps is the plan for monitoring the implementation and effectiveness of the respective strategy.

### Problem Solving Key

**G** = Goal                      **B** =  
Barrier                      **S** = Strategy

**1** = Problem Solving Step       S123456 = Quick Key

**G1.** To increase student achievement by improving core instruction in all content areas. **1**

 G045414

**G1.B5** Content knowledge, comprehension and level of comfort concerning the MAFS/LAFS/Science NGSSS. Teachers lack a thorough understanding of student expectations and how students will be assessed. **2**

 B124612

**G1.B5.S1** Plan for and deliver instruction that is based on standards and/or specific course benchmarks. Students will experience and master course content and skills, as a result of rigorous, purposeful, and engaging instructional activities. Stakeholders will use student data to ascertain strengths and weaknesses to identify clear and accessible future instructional paths. **4**

 S136523

### Strategy Rationale

To clearly plan instruction linked to standards as a means of achieving intended learning outcomes.

### Action Step 1 **5**

Provide Professional Development on effective common planning frameworks and the use of the Language Arts Florida Standards (LAFS), Mathematics Florida Standards (MAFS), Science Next Generation Sunshine State Standards and Test Item Specifications during lesson planning.

### Person Responsible

Leah Mathis

### Schedule

On 10/8/2014

### Evidence of Completion

Agenda, Handouts, Sign-In Sheet

## Action Step 2 5

With the use of a planning framework, work collaboratively during common planning time to develop lesson plans aligned to the Language Arts Florida Standards (LAFS), Mathematics Florida Standards (MAFS), Science Next Generation Sunshine State Standards. Teachers implement developed lesson plans.

### **Person Responsible**

Tangela Goa

### **Schedule**

Weekly, from 10/8/2014 to 11/26/2014

### **Evidence of Completion**

Coaching and CSS Log, Common Planning Sign-In Sheet and Lesson Plans

## Action Step 3 5

Conduct coaching cycles to model the different components of instructional routines based on teacher need. The teachers in need of intensive support should receive a full cycle of coaching on instructional routines and LAFS/MAFS/Science NGSSS-aligned instruction.

### **Person Responsible**

Leah Mathis

### **Schedule**

Weekly, from 10/27/2014 to 11/26/2014

### **Evidence of Completion**

Coaching and CSS Log, Lesson Plans, Reading Response Journals, Writing Notebooks, Math Interactive Journals, Interactive Science Journals, Student Discourse.

**Action Step 4** 5

Conduct instructional walkthroughs by administration to assess the improvement on the implementation of the developed lessons. Principal and Assistant Principal will debrief with Reading Coach and CSS to determine next steps based on the debriefing.

**Person Responsible**

Tangela Goa

**Schedule**

On 11/21/2014

***Evidence of Completion***

Lesson Plans, Reading Response Journals, Writing Notebooks, Math Interactive Journals, Interactive Science Journals, Student Discourse, Informal Observation Notes.

**Plan to Monitor Fidelity of Implementation of G1.B5.S1** 6

Consistently monitor the delivery with fidelity of developed lessons aligned to the Standards (LAFS/MAFS/Science NGSSS)

**Person Responsible**

Tangela Goa

**Schedule**

On 11/26/2014

***Evidence of Completion***

Lesson Plans, Reading Response Journals, Writing Notebooks, Math Interactive Journals, Interactive Science Journals, Student Discourse, Informal Observation Notes.

**Plan to Monitor Effectiveness of Implementation of G1.B5.S1 7**

Consistently monitor the effective delivery of developed lessons aligned to the Standards (LAFS/MAFS/Science NGSSS)

**Person Responsible**

Tangela Goa

**Schedule**

On 11/26/2014

**Evidence of Completion**

Lesson Plans, Reading Response Journals, Writing Notebooks, Math Interactive Journals, Interactive Science Journals, Student Discourse, Informal Observation Notes.

**G2.** To use the EWS (Early Warning Systems) to identify at-risk students in order to provide them with support and interventions that will increase their academic achievement. 1

G049783

**G2.B1** Inconsistent use of the school attendance bulletin, the District Core Values, and Wonder Works as a Tier II Intervention for targeting and providing interventions to students that show patterns of poor attendance, negative behaviors and low academic performance. 2

B125760

**G2.B1.S1** Students who are deemed as developing a pattern of non-attendance and suspensions will be referred to the MTSS/Rtl team for interventions. 4

S137649

**Strategy Rationale**

To provide appropriate interventions and support for students who show patterns of poor attendance and suspensions.

**Action Step 1 5**

Identify students who may be developing a pattern of nonattendance and suspension for intervention services.

**Person Responsible**

Althea Duren

**Schedule**

Daily, from 8/18/2014 to 6/5/2015

**Evidence of Completion**

Student Attendance Reports, Counselor Logs, Student Services Referrals

### Action Step 2 5

Provide parents with information to assist them in improving student attendance.

**Person Responsible**

Althea Duren

**Schedule**

Quarterly, from 8/18/2014 to 6/5/2015

**Evidence of Completion**

Connect Ed messages, Parent Communication Log, Counselor Logs, Student Services Referrals

### Action Step 3 5

Establish an award system to recognize students with perfect attendance.

**Person Responsible**

Althea Duren

**Schedule**

Quarterly, from 8/18/2014 to 6/5/2015

**Evidence of Completion**

Quarterly Perfect Attendance Roster

### Plan to Monitor Fidelity of Implementation of G2.B1.S1 6

The MTSS/RtI team will monitor this strategy for fidelity of implementation through weekly updates by the guidance counselor and reviewing students intervention logs.

**Person Responsible**

Althea Duren

**Schedule**

Weekly, from 8/18/2014 to 6/5/2015

**Evidence of Completion**

Counselor Logs, Intervention Logs

**Plan to Monitor Effectiveness of Implementation of G2.B1.S1** 7

Administrators and MTSS/RtI team will monitor for effectiveness through weekly updates by the guidance counselor and reviewing intervention logs.

**Person Responsible**

Tangela Goa

**Schedule**

Weekly, from 8/18/2014 to 6/5/2015

**Evidence of Completion**

Intervention Logs

**G2.B1.S2** Established intensive interventions for retained students and students with a Level 1 or equivalent on statewide assessments in ELA or Mathematics to address students' area/s of weakness.

4

 S137653

**Strategy Rationale**

To provide appropriate interventions and support for students who exhibit the EWS of low academic performance.

**Action Step 1** 5

Interventions will be established based on Florida Assessment for Instruction in Reading (FAIR Assessment), i Ready and District Assessment data to address students' areas of need.

**Person Responsible**

Leah Mathis

**Schedule**

Quarterly, from 9/2/2014 to 6/5/2015

**Evidence of Completion**

Intervention Rosters, Teacher Schedules, Student Intervention Folders, Thinkgate Reports, FAIR Reports, Wonder Works Intervention Data, iReady Reports

### Action Step 2 5

A reward system will be established to recognize students who show progress on the District Interim Assessments.

**Person Responsible**

Kevrette Wells

**Schedule**

Quarterly, from 9/15/2014 to 6/5/2015

***Evidence of Completion***

District Interim Assessment Data

### Action Step 3 5

Provide parents with information and strategies to assist them in improving students' progress.

**Person Responsible**

Constance Johnson

**Schedule**

Semiannually, from 10/6/2014 to 6/5/2015

***Evidence of Completion***

Parent sign-in sheets

### Plan to Monitor Fidelity of Implementation of G2.B1.S2 6

The MTSS/RtI team will monitor for fidelity of implementation through Wonder Works intervention logs, iReady Data and District Assessment Data to ensure the fidelity of the interventions and progress of students.

**Person Responsible**

Kevrette Wells

**Schedule**

On 6/5/2015

***Evidence of Completion***

Wonder Works Intervention Data, iReady Data, District Assessment Data

**Plan to Monitor Effectiveness of Implementation of G2.B1.S2 7**

The MTSS/RtI team will monitor for effectiveness through Wonder Works intervention logs, iReady Data and District Assessment Data to ensure the fidelity of the interventions and progress of students

**Person Responsible**

Kevrette Wells

**Schedule**

On 6/5/2015

**Evidence of Completion**

Wonder Works Intervention Data, iReady Data, District Assessment Data

**G2.B1.S3** Students developing a pattern of receiving two or more behavior referrals will be referred to the MTSS/RtI team. 4

 S137656

**Strategy Rationale**

To provide appropriate interventions and support for students who show a pattern of negative behaviors.

**Action Step 1 5**

The MTSS/RtI team will monitor students who received two or more behavioral referrals, provide students with counseling and encourage parental involvement in this process.

**Person Responsible**

Althea Duren

**Schedule**

On 6/5/2015

**Evidence of Completion**

Behavior Referrals, Counselor Logs, Parent Communication Logs

### Action Step 2 5

A reward system will be established to recognize students for outstanding citizenship.

**Person Responsible**

Althea Duren

**Schedule**

On 6/5/2015

***Evidence of Completion***

Counselor Logs

### Action Step 3 5

Mediation with the school counselor will be provided as a means of assisting with conflict resolution.

**Person Responsible**

Althea Duren

**Schedule**

Biweekly, from 10/8/2014 to 6/5/2015

***Evidence of Completion***

Counselor Logs

### Plan to Monitor Fidelity of Implementation of G2.B1.S3 6

The MTSS/RtI team will monitor for fidelity of implementation by meeting monthly to monitor the progress of students' behavior.

**Person Responsible**

Kevrette Wells

**Schedule**

Monthly, from 10/8/2014 to 6/5/2015

***Evidence of Completion***

Meeting Agendas and Sign-In Sheets

**Plan to Monitor Effectiveness of Implementation of G2.B1.S3 7**

The MTSS/RtI team will monitor for effectiveness by meeting monthly to monitor the progress of students' behavior and discuss the strategies implemented.

**Person Responsible**

Kevrette Wells

**Schedule**

On 6/5/2015

**Evidence of Completion**

MTSS/RtI Meeting Agenda/Minutes

**G3. To increase the use of district STEM resources. 1**

 G049782

**G3.B1** The number of STEM-related experiences provided for students (e.g. robotics competitions; field trips; science fairs) are limited. 2

 B126319

**G3.B1.S1** Provide opportunities for students to experience the scientific method by participating in the school's Science Fair and Field Trips related to STEM. 4

 S138271

**Strategy Rationale**

To clearly plan activities linked to STEM related experiences.

**Action Step 1 5**

Establish a plan and timeline for the development of student projects and increase the participation in STEM competitions (Science Fair, etc.)

**Person Responsible**

Gilbert Tiblanc

**Schedule**

On 6/5/2015

**Evidence of Completion**

Science Fair Projects

**Action Step 2** 5

Provide opportunities for students to experience the scientific method by participating in experiments in the weekly science lab.

**Person Responsible**

Gilbert Tiblanc

**Schedule**

On 6/5/2015

***Evidence of Completion***

Weekly Student Lab Sheets

**Action Step 3** 5

Provide professional development to science teachers on the Scientific Method.

**Person Responsible**

Gilbert Tiblanc

**Schedule**

On 11/26/2014

***Evidence of Completion***

Agendas, Sign-In Sheets

**Plan to Monitor Fidelity of Implementation of G3.B1.S1** 6

Administrators will monitor STEM teachers and will look for increased participation in school site STEM competitions that serve as a process for district competitions.

**Person Responsible**

Tangela Goa

**Schedule**

Annually, from 8/18/2014 to 6/5/2015

***Evidence of Completion***

Student Science Projects

**Plan to Monitor Effectiveness of Implementation of G3.B1.S1 7**

Administrators will monitor Science Facilitator and STEM teachers and will look for increased participation in school site STEM competitions that serve as a process for the district competitions

**Person Responsible**

Tangela Goa

**Schedule**

On 6/5/2015

**Evidence of Completion**

Student Science Fair Projects, Field Trip Rosters

**G4. To increase Parent Involvement. 1**

G050607

**G4.B1 NA 2**

B126734

**G4.B1.S1 See PIP Plan. 4**

S138692

**Strategy Rationale**

We are a Title I school, PIP Plan outline details of parental involvement.

**Action Step 1 5**

**Person Responsible**

**Schedule**

**Evidence of Completion**

**Appendix 1: Implementation Timeline**

*Action steps and monitoring activities identified in the SIP as necessary to achieve the school's goals.*

Source	Task, Action Step or Monitoring Activity	Who	Start Date (where applicable)	Deliverable or Evidence of Completion	Due Date/ End Date
G1.B5.S1.A1	Provide Professional Development on effective common planning frameworks and the use of the Language Arts Florida Standards (LAFS), Mathematics	Mathis, Leah	10/8/2014	Agenda, Handouts, Sign-In Sheet	10/8/2014 one-time

Source	Task, Action Step or Monitoring Activity	Who	Start Date (where applicable)	Deliverable or Evidence of Completion	Due Date/ End Date
	Florida Standards (MAFS), Science Next Generation Sunshine State Standards and Test Item Specifications during lesson planning.				
G2.B1.S1.A1	Identify students who may be developing a pattern of nonattendance and suspension for intervention services.	Duren, Althea	8/18/2014	Student Attendance Reports, Counselor Logs, Student Services Referrals	6/5/2015 daily
G2.B1.S2.A1	Interventions will be established based on Florida Assessment for Instruction in Reading (FAIR Assessment), i Ready and District Assessment data to address students' areas of need.	Mathis, Leah	9/2/2014	Intervention Rosters, Teacher Schedules, Student Intervention Folders, Thinkgate Reports, FAIR Reports, Wonder Works Intervention Data, iReady Reports	6/5/2015 quarterly
G2.B1.S3.A1	The MTSS/Rtl team will monitor students who received two or more behavioral referrals, provide students with counseling and encourage parental involvement in this process.	Duren, Althea	10/8/2014	Behavior Referrals, Counselor Logs, Parent Communication Logs	6/5/2015 one-time
G3.B1.S1.A1	Establish a plan and timeline for the development of student projects and increase the participation in STEM competitions (Science Fair, etc.)	Tiblanc, Gilbert	8/18/2014	Science Fair Projects	6/5/2015 one-time
G4.B1.S1.A1	[no content entered]			one-time	
G1.B5.S1.A2	With the use of a planning framework, work collaboratively during common planning time to develop lesson plans aligned to the Language Arts Florida Standards (LAFS), Mathematics Florida Standards (MAFS), Science Next Generation Sunshine State Standards. Teachers implement developed lesson plans.	Goa, Tangela	10/8/2014	Coaching and CSS Log, Common Planning Sign-In Sheet and Lesson Plans	11/26/2014 weekly
G2.B1.S1.A2	Provide parents with information to assist them in improving student attendance.	Duren, Althea	8/18/2014	Connect Ed messages, Parent Communication Log, Counselor Logs, Student Services Referrals	6/5/2015 quarterly
G2.B1.S2.A2	A reward system will be established to recognize students who show progress on the District Interim Assessments.	Wells, Kevrette	9/15/2014	District Interim Assessment Data	6/5/2015 quarterly
G2.B1.S3.A2	A reward system will be established to recognize students for outstanding citizenship.	Duren, Althea	10/8/2014	Counselor Logs	6/5/2015 one-time
G3.B1.S1.A2	Provide opportunities for students to experience the scientific method by participating in experiments in the weekly science lab.	Tiblanc, Gilbert	8/18/2014	Weekly Student Lab Sheets	6/5/2015 one-time
G1.B5.S1.A3	Conduct coaching cycles to model the different components of instructional routines based on teacher need. The teachers in need of intensive support should receive a full cycle of coaching on instructional routines and LAFS/MAFS/Science NGSSS-aligned instruction.	Mathis, Leah	10/27/2014	Coaching and CSS Log, Lesson Plans, Reading Response Journals, Writing Notebooks, Math Interactive Journals, Interactive Science Journals, Student Discourse.	11/26/2014 weekly
G2.B1.S1.A3	Establish an award system to recognize students with perfect attendance.	Duren, Althea	8/18/2014	Quarterly Perfect Attendance Roster	6/5/2015 quarterly
G2.B1.S2.A3	Provide parents with information and strategies to assist them in improving students' progress.	Johnson, Constance	10/6/2014	Parent sign-in sheets	6/5/2015 semiannually
G2.B1.S3.A3	Mediation with the school counselor will be provided as a means of assisting with conflict resolution.	Duren, Althea	10/8/2014	Counselor Logs	6/5/2015 biweekly

Source	Task, Action Step or Monitoring Activity	Who	Start Date (where applicable)	Deliverable or Evidence of Completion	Due Date/End Date
G3.B1.S1.A3	Provide professional development to science teachers on the Scientific Method.	Tiblanc, Gilbert	10/8/2014	Agendas, Sign-In Sheets	11/26/2014 one-time
G1.B5.S1.A4	Conduct instructional walkthroughs by administration to assess the improvement on the implementation of the developed lessons. Principal and Assistant Principal will debrief with Reading Coach and CSS to determine next steps based on the debriefing.	Goa, Tangela	11/10/2014	Lesson Plans, Reading Response Journals, Writing Notebooks, Math Interactive Journals, Interactive Science Journals, Student Discourse, Informal Observation Notes.	11/21/2014 one-time
G1.MA1	[no content entered]		10/8/2014		11/26/2014 one-time
G1.B5.S1.MA1	Consistently monitor the effective delivery of developed lessons aligned to the Standards (LAFS/MAFS/Science NGSSS)	Goa, Tangela	10/8/2014	Lesson Plans, Reading Response Journals, Writing Notebooks, Math Interactive Journals, Student Discourse, Informal Observation Notes.	11/26/2014 one-time
G1.B5.S1.MA1	Consistently monitor the delivery with fidelity of developed lessons aligned to the Standards (LAFS/MAFS/Science NGSSS)	Goa, Tangela	10/8/2014	Lesson Plans, Reading Response Journals, Writing Notebooks, Math Interactive Journals, Student Discourse, Informal Observation Notes.	11/26/2014 one-time
G2.MA1	Data which will be collected throughout the school year to monitor progress towards meeting the goal includes student attendance records, intervention data, MTSS/Rtl meeting agendas, counselor logs and sign-in sheets.	Goa, Tangela	10/8/2014	Intervention Logs/Data, Counselor Logs, Agendas and Sign-In Sheets	6/5/2015 one-time
G2.B1.S1.MA1	Administrators and MTSS/Rtl team will monitor for effectiveness through weekly updates by the guidance counselor and reviewing intervention logs.	Goa, Tangela	8/18/2014	Intervention Logs	6/5/2015 weekly
G2.B1.S1.MA1	The MTSS/Rtl team will monitor this strategy for fidelity of implementation through weekly updates by the guidance counselor and reviewing students intervention logs.	Duren, Althea	8/18/2014	Counselor Logs, Intervention Logs	6/5/2015 weekly
G2.B1.S2.MA1	The MTSS/Rtl team will monitor for effectiveness through Wonder Works intervention logs, iReady Data and District Assessment Data to ensure the fidelity of the interventions and progress of students	Wells, Kevrette	10/8/2014	Wonder Works Intervention Data, iReady Data, District Assessment Data	6/5/2015 one-time
G2.B1.S2.MA1	The MTSS/Rtl team will monitor for fidelity of implementation through Wonder Works intervention logs, iReady Data and District Assessment Data to ensure the fidelity of the interventions and progress of students.	Wells, Kevrette	10/8/2014	Wonder Works Intervention Data, iReady Data, District Assessment Data	6/5/2015 one-time
G2.B1.S3.MA1	The MTSS/Rtl team will monitor for effectiveness by meeting monthly to monitor the progress of students' behavior and discuss the strategies implemented.	Wells, Kevrette	10/8/2014	MTSS/Rtl Meeting Agenda/Minutes	6/5/2015 one-time
G2.B1.S3.MA1	The MTSS/Rtl team will monitor for fidelity of implementation by meeting monthly to monitor the progress of students' behavior.	Wells, Kevrette	10/8/2014	Meeting Agendas and Sign-In Sheets	6/5/2015 monthly
G3.MA1	[no content entered]	Goa, Tangela	8/18/2014		6/5/2015 one-time

Source	Task, Action Step or Monitoring Activity	Who	Start Date (where applicable)	Deliverable or Evidence of Completion	Due Date/ End Date
G3.B1.S1.MA1	Administrators will monitor Science Facilitator and STEM teachers and will look for increased participation in school site STEM competitions that serve as a process for the district competitions	Goa, Tangela	8/18/2014	Student Science Fair Projects, Field Trip Rosters	6/5/2015 one-time

## Appendix 2: Professional Development and Technical Assistance Outlines

*Professional development opportunities and technical assistance items identified in the SIP as action steps to achieve the school's goals.*

## Professional Development Opportunities

Professional development opportunities identified in the SIP as action steps to achieve the school's goals.

### G1. To increase student achievement by improving core instruction in all content areas.

**G1.B5** Content knowledge, comprehension and level of comfort concerning the MAFS/LAFS/Science NGSSS. Teachers lack a thorough understanding of student expectations and how students will be assessed.

**G1.B5.S1** Plan for and deliver instruction that is based on standards and/or specific course benchmarks. Students will experience and master course content and skills, as a result of rigorous, purposeful, and engaging instructional activities. Stakeholders will use student data to ascertain strengths and weaknesses to identify clear and accessible future instructional paths.

#### PD Opportunity 1

Provide Professional Development on effective common planning frameworks and the use of the Language Arts Florida Standards (LAFS), Mathematics Florida Standards (MAFS), Science Next Generation Sunshine State Standards and Test Item Specifications during lesson planning.

##### Facilitator

Annette Garcia-Acosta (CSS) Ivette Kaige (CSS)

##### Participants

All teachers (K-5)

##### Schedule

On 10/8/2014

#### PD Opportunity 2

With the use of a planning framework, work collaboratively during common planning time to develop lesson plans aligned to the Language Arts Florida Standards (LAFS), Mathematics Florida Standards (MAFS), Science Next Generation Sunshine State Standards. Teachers implement developed lesson plans.

##### Facilitator

Grade Level Chairpersons

##### Participants

Grade level teachers

##### Schedule

Weekly, from 10/8/2014 to 11/26/2014

**G3.** To increase the use of district STEM resources.

**G3.B1** The number of STEM-related experiences provided for students (e.g. robotics competitions; field trips; science fairs) are limited.

**G3.B1.S1** Provide opportunities for students to experience the scientific method by participating in the school's Science Fair and Field Trips related to STEM.

**PD Opportunity 1**

Provide professional development to science teachers on the Scientific Method.

**Facilitator**

Science Liaison

**Participants**

All Science Teachers

**Schedule**

On 11/26/2014

## Technical Assistance Items

*Technical Assistance opportunities identified in the SIP as action steps to achieve the school's goals.*

## Budget Rollup

### Summary

Description	Total
<b>Goal 1:</b> To increase student achievement by improving core instruction in all content areas.	1,383
<b>Goal 2:</b> To use the EWS (Early Warning Systems) to identify at-risk students in order to provide them with support and interventions that will increase their academic achievement.	2,723
<b>Goal 3:</b> To increase the use of district STEM resources.	0
<b>Grand Total</b>	<b>4,106</b>

### Goal 1: To increase student achievement by improving core instruction in all content areas.

Description	Source	Total
<b>B5.S1.A3</b> - Science Interactive Journal	General Fund	461
<b>B5.S1.A3</b> - Mathematics Interactive Notebooks	General Fund	461
<b>B5.S1.A3</b> - Reading/Writing Response Journals	General Fund	461
<b>Total Goal 1</b>		<b>1,383</b>

### Goal 2: To use the EWS (Early Warning Systems) to identify at-risk students in order to provide them with support and interventions that will increase their academic achievement.

Description	Source	Total
<b>B1.S2.A1</b> - Reading WonderWorks Kit (Grade 2)	Title I Part A	1,634
<b>B1.S2.A1</b> - Classroom Ink Supply (Printing Data)	Title I Part A	1,040
<b>B1.S2.A1</b> - Yellow Intervention Folders		49
<b>Total Goal 2</b>		<b>2,723</b>

### Goal 3: To increase the use of district STEM resources.

Description	Source	Total
<b>B1.S1.A1</b> - Science Fair Ribbons/Awards		0
<b>Total Goal 3</b>		<b>0</b>
