This plan is pending approval by the Clay County School Board.

SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or with a grade of F within the prior two years. For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education's school improvement planning web application located at <https://www.floridacims.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify resources available to support the goals and barriers that could hinder achieving those goals (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida’s Differentiated Accountability (DA) system is a statewide network of strategic support, differentiated by need according to performance data, and provided to schools and districts in order to improve leadership capacity, teacher efficacy and student outcomes. DA field teams collaborate with district and school leadership to design, implement and refine improvement plans, as well as provide instructional coaching, as needed.

DA Regions

Florida’s DA network is divided into five geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

Traditional public schools are classified at the start of each school year, based upon the most recently released school grades (A-F), into one of the following categories:

- Not in DA – currently A or B with no F in prior three years; charter schools; ungraded schools
- Monitoring Only – currently A or B with at least one F in the prior three years
- Prevent – currently C
- Focus – currently D
 - Planning – two consecutive grades of D (i.e., DD), or a grade of F immediately followed by a grade of D in the most recent grades release (i.e., FD)
 - Implementing – two consecutive grades of D in the most recent grades release preceded by a grade below C (i.e., FDD or DDD)
- Priority – currently F
 - Planning – declined to a grade of F in the most recent grades release and have not received a planning year or implemented a turnaround option during the previous school year
 - Implementing – two consecutive grades of F (i.e., FF), or three consecutive grades below C with an F in the most recent grades release (i.e., FDF or DDF)

DA Turnaround and Monitoring Statuses

Additionally, schools in DA are subject to one or more of the following Turnaround and Monitoring Statuses:

- Former F – currently A-D with at least one F in the prior three years; SIP is monitored by FDOE
- Planning – Focus Planning and Priority Planning; district is planning for possible turnaround
- Implementing – Focus Implementing and Priority Implementing; district is implementing the Turnaround Option Plan (TOP)

Supportive Environment

School Mission and Vision

Provide the school's mission statement

Our mission is to work collaboratively with all stakeholders to provide a public education that is motivating, challenging and rewarding for all children. We will increase student achievement by providing students with learning opportunities that are rigorous, relevant and transcend beyond the boundaries of the school walls.

Provide the school's vision statement

The school district of Clay County exists to prepare lifelong learners for success in a global and competitive workplace and in acquiring applicable life skills.

School Environment

Describe the process by which the school learns about students' cultures and builds relationships between teachers and students

Clay Hill Elementary learns about student cultures through the implementation of our curriculum, Making Meaning and Being a Writer which enables students to work together in cooperative groups. They have the opportunity to discuss ideas which helps them to foster a community of respect among peers. Teachers are also involved in conferences scheduled throughout the school year. Clay Hill likes to get to know parents/guardians through our annual Fall Festival, Orientation, Open House and various other parent involvement activities throughout the year.

Describe how the school creates an environment where students feel safe and respected before, during and after school

Safety is of the utmost importance to the faculty and staff of Clay Hill Elementary. Teachers and parents work with the guidance counselor to create positive behavior plans as necessary. The teachers/staff are on duty in hallways, common areas/walkways and the bus loop both before and after school. Clay Hill Elementary helps create a safe environment through the implementation of our curriculum, Making Meaning and Being a Writer which enables students to work together in cooperative groups.

Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced

Clay Hill Elementary incorporates the use of "Show Your Pride" throughout the campus on a daily basis. The teachers establish procedures in their classrooms so that students know what is expected of them. The school handbook is incorporated into each student's agenda and reviewed the first two weeks of school in every classroom.

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services

Clay Hill Elementary fosters a positive atmosphere to meet the social and emotional needs of students through the implementation of our curriculum, Making Meaning and Being a Writer which enables students to work together in cooperative groups. They have the opportunity to discuss ideas

which helps them to foster a community of respect among peers. Teachers can work with the counselor and school psychologist to develop Tier 2 or Tier 3 behavior plans as necessary. The guidance counselor also works with students to help give guidance or mentor students with social-emotional needs.

Early Warning Systems

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(ii)(III), (b)(1)(B)(iii)(I), and (b)(1)(I).

Describe the school's early warning system and provide a list of the early warning indicators used in the system

The early warning system will include the following early warning indicators:

- a. Attendance below 90 percent, regardless of whether absence is excused or a result of out-of-school suspension.
- b. One or more suspensions, whether in or out of school.
- c. Course failure in English Language Arts or Mathematics.
- d. A Level 1 score on the statewide standardized assessments in English Language Arts or Mathematics.

When a student exhibits two or more early warning indicators, a school-based team shall convene to determine appropriate intervention strategies for the student. The school shall provide at least 10 days written notice of the meeting to the student's parent, indicating the meeting's purpose, time, and location, and provide the parent the opportunity to participate.

Provide the following data related to the school's early warning system

The number of students by grade level that exhibit each early warning indicator:

Indicator	Grade Level	
	6	Total
Attendance below 90 percent	6	6
One or more suspensions	1	1
Course failure in ELA or Math	4	4
Level 1 on statewide assessment	4	4

The number of students identified by the system as exhibiting two or more early warning indicators:

Indicator	Grade Level	
	6	Total
Students exhibiting two or more indicators	7	7

Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system

- Attendance:
- Attendance Contract
 - Doctor's Note
 - Social Worker Referral
- Grades:
- Tutoring
 - Remediation
- Discipline

- Behavior Contract
- School Service Work
- Detention
- Saturday School
- Testing:
 - Intensive Reading
 - Intensive Math

Family and Community Involvement

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(iii)(I)(aa).

Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. § 6314(b)(1)(F).

Will the school use its PIP to satisfy this question?

Yes

PIP Link

The school completes a Parental Involvement Plan (PIP), which is accessible through the Continuous Improvement Management System (CIMS) at <https://www.floridacims.org/documents/202528>.

Description

A PIP has been uploaded for this school or district - see the link above.

Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement

Clay Hill Elementary seeks to involve the family and community of Clay Hill through our Orientation, Open House, Fall Festival, PFA and various parent involvement activities planned throughout the year.

Effective Leadership

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(H).

School Leadership Team

Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Kendrick, Tracey	Principal
Uria, Erin	Assistant Principal
Wallace, Salli	SAC Member
Bowlin, Yvonne	Teacher, K-12
Ellis, Betsy	Teacher, K-12
Groover, Suzanne	Teacher, K-12
Pike, Paula	Teacher, K-12
Pittman, Meredith	Teacher, K-12
Watson, Cindy	Teacher, K-12

Duties

Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making

The function of the School-Based Leadership Team (SBLT) is to analyze school-wide data to determine the effectiveness of Tier 1 instruction for all students. Data to be analyzed includes K-2 FAIR or FAIR alternative, 3-12 Performance Matters benchmark assessments, and formal assessments such as FSA. The principal is the leader of the meeting. The assistant principal will attend the meetings in a support role for the principal. The reading/intervention coach serves to suggest effective interventions for Tier 1 instructional needs. The Intervention Team Facilitator is present to help ensure that the district’s MTSS plan is followed. Lead teachers sometimes serve on the SBLT as a liaison to other teachers in their grade/content area grouping.

Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact

All K-10 and level 1 & 2 11th and 12th grade students will take a benchmark assessment 3 times per year. School-based leadership teams will meet after each assessment period to review student data. Quality of Tier 1 instruction will be analyzed within these meetings. Coaches are in place at each school and will focus upon supporting quality Tier 1 instruction in all content areas. Administrators will meet with the teachers during their professional learning communities to review student data. At these meetings, administrators and teachers will look at specific student data and will initiate MTSS plans for those students who are struggling to meet grade level/course expectations. These meetings will focus on student achievement and the provision of appropriate, effective interventions. District and school resources will be allocated based upon individual student needs.

School Advisory Council (SAC)

Membership

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group
Salli Wallace	Teacher
Jennifer Byers	Teacher
Erin Peppers	Teacher
Deann Dupont	Education Support Employee
Laura Burns	Parent
Julie Mallory	Business/Community
Tracey Kendrick	Principal
Violet Wallace	Business/Community
Patti Smith	Business/Community
Marion Austin	Business/Community

Duties

Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

Evaluation of last year's school improvement plan

Copies of the School Improvement Plan are provided at each meeting for review and suggestions, comments, and questions are solicited from those in attendance at the meetings.

Development of this school improvement plan

SAC is given the opportunity to review and submit suggestions to the plan at the beginning of each school year. At the end of the school year, members are asked for further recommendations for the upcoming school year.

Preparation of the school's annual budget and plan

There is no budget provided for SAC for the 2014-2015 school year.

Describe the use of school improvement funds allocated last year, including the amount budgeted for each project

Funds were spent on classroom curriculum which directly resulted in student learning and progress to achieve the goals set forth in the SIP.

Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC

Yes

If the school is not in compliance, describe the measures being implemented to meet SAC requirements

Literacy Leadership Team (LLT)

Membership

Identify the name, email address and position title for each member of the school-based LLT.:

Name	Title
Wallace, Salli	Teacher, K-12
Bowlin, Yvonne	Teacher, K-12
Ellis, Betsy	Teacher, K-12
Pike, Paula	Teacher, K-12
Pittman, Meredith	Teacher, K-12
Taylor, Tammy	Instructional Media
Uria, Erin	Assistant Principal
Kendrick, Tracey	Principal
Groover, Suzanne	Teacher, K-12
Watson, Cindy	Teacher, K-12

Duties

Describe how the LLT promotes literacy within the school

The LLT will discuss and make suggestions for each grade level regarding:

- Independent libraries
- use of IDR time
- Destiny for ebooks
- promote reading paths for kids using iPads in 3rd-6th
- Reading A-Z

- PALS K-2
- Enrichment/remediation groups to reinforce struggling students
- PLCs
- Student talk vs. teacher talk
- reading, writing, thinking on a daily basis from district initiative

Public and Collaborative Teaching

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(D).

Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction

Clay Hill Elementary has committed to an hour of common planning time once a week in grade-level groups. Meetings will include planning, implementation plan, and reflections. The teams work together at the beginning of the year to develop a community in their groups. Then, they will focus on planning instruction for the students based on student needs.

Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school

Through the use of PLC's, lesson studies, and grade level meetings Clay Hill will work to retain highly qualified teachers.

Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities

In-coming teachers are paired with highly-qualified mentoring teachers who show an interest in being teacher-leaders. The pairings are based on similar grade-level bands (primary and intermediate). The teachers meet often to help facilitate the transition to the school and to better acclimate them to the school's culture.

Ambitious Instruction and Learning

Instructional Programs and Strategies

Instructional Programs

Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards

In PLCs and independently, teachers review the standards and align curriculum to these standards. County Curriculum Maps are used as well as the framework for intentional teaching which allows teachers to adjust to shifts in standards. During our daily schedule, students have a literacy block of 150 minutes, 90 minutes which are uninterrupted.

Instructional Strategies

Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments

Teachers plan collaboratively to facilitate learning for differentiated instruction during our weekly PLC. PLC Logs are kept to insure teacher attendance. Students are provided a daily IDR time to facilitate independent reading. Through planning, teachers offer differentiated instruction to insure that student needs are met at their instructional level. Common Assessments are frequently created by teachers

during PLCs. Data from county assessments such as Performance Matters and Clay Writes are used to monitor performance and help identify students that may need interventions.

Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: Extended School Day

Minutes added to school year: 1,800

We plan to offer an after school program that will meet for 10 weeks in order to provide extra instruction for our struggling students.

Strategy Rationale

The students need extra time outside of the classroom to practice skills they may not have learned during the school day.

Strategy Purpose(s)

- Core Academic Instruction

Person(s) responsible for monitoring implementation of the strategy

Kendrick, Tracey, tskendrick@oneclay.net

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

The teachers will collect reading and writing data to determine if the students are making progress through after school tutoring.

Student Transition and Readiness

PreK-12 Transition

The school's response to this question may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(G).

Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another

At the end of each school year and during the summer, Clay Hill Elementary holds a pre-kindergarten enrollment and screening. At the beginning of the school year, Kindergarten offers staggered enrollment to help teachers acclimate new students to the school environment. Orientation for the beginning of school as well as Open House is organized to explore classrooms.

College and Career Readiness

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations

n/a

Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs

n/a

Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement

n/a

Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes

n/a

School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.

Strategic Goals Summary

- G1.** Increase students' writing skills by incorporating writing throughout every content area.
- G2.** Implement research-based strategy of using diagnostic student data from assessments to develop differentiated instruction and strategies to monitor student learning based on individual student needs
- G3.** Increase student engagement through use of student engagement strategies and technology with all staff.

Strategic Goals Detail

For each strategic goal, this section lists the associated targets (i.e., "SMART goals"), resources available to support movement toward the goal, barriers to achieving the goal, and the plan for monitoring progress toward the goal

G1. Increase students' writing skills by incorporating writing throughout every content area. 1a
