SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or with a grade of F within the prior two years. For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education's school improvement planning web application located at <https://www.floridacims.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify resources available to support the goals and barriers that could hinder achieving those goals (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida’s Differentiated Accountability (DA) system is a statewide network of strategic support, differentiated by need according to performance data, and provided to schools and districts in order to improve leadership capacity, teacher efficacy and student outcomes. DA field teams collaborate with district and school leadership to design, implement and refine improvement plans, as well as provide instructional coaching, as needed.

DA Regions

Florida’s DA network is divided into five geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

Traditional public schools are classified at the start of each school year, based upon the most recently released school grades (A-F), into one of the following categories:

- Not in DA – currently A or B with no F in prior three years; charter schools; ungraded schools
- Monitoring Only – currently A or B with at least one F in the prior three years
- Prevent – currently C
- Focus – currently D
 - Planning – two consecutive grades of D (i.e., DD), or a grade of F immediately followed by a grade of D in the most recent grades release (i.e., FD)
 - Implementing – two consecutive grades of D in the most recent grades release preceded by a grade below C (i.e., FDD or DDD)
- Priority – currently F
 - Planning – declined to a grade of F in the most recent grades release and have not received a planning year or implemented a turnaround option during the previous school year
 - Implementing – two consecutive grades of F (i.e., FF), or three consecutive grades below C with an F in the most recent grades release (i.e., FDF or DDF)

DA Turnaround and Monitoring Statuses

Additionally, schools in DA are subject to one or more of the following Turnaround and Monitoring Statuses:

- Former F – currently A-D with at least one F in the prior three years; SIP is monitored by FDOE
- Planning – Focus Planning and Priority Planning; district is planning for possible turnaround
- Implementing – Focus Implementing and Priority Implementing; district is implementing the Turnaround Option Plan (TOP)

Part I: Current School Status

Supportive Environment

School Mission and Vision

Provide the school's mission statement

North Glade Elementary School accepts the responsibility of preparing our students to become lifelong learners, while preparing them for the global marketplace.

Provide the school's vision statement

North Glade Elementary envisions a school where everyone feels capable, connected, and contributing. Our vision is to instill a sense of belonging. With belonging, comes comfort. With comfort, comes confidence. Through confidence, true potential is unleashed

School Environment

Describe the process by which the school learns about students' cultures and builds relationships between teachers and students

We provide academic and enrichment activities to help students learn about other cultures, countries and their traditions.

Describe how the school creates an environment where students feel safe and respected before, during and after school

We have safety patrol, peer mentoring, and security monitors before, during and after school. There is limited entry to the school and all visitors must provide identification and sign in. We implement monthly safety drills and provide safety instructions from staff and community partners.

Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced

North Glade implements a School-Wide Discipline Plan which follows the guidelines in the Districts' Code of Student Conduct. The School-Wide Discipline Plan was reviewed with the staff by administration at the beginning of the school year.

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services

Teachers, parents and students may request for counseling service from the school counselor or referral to community agencies. We provide peer mediation, Bully Free School program, Do the Right Thing, 5000 Role Models of Excellence and Role Models of Distinction programs, to our students to ensure their social-emotional needs are being met.

Early Warning Systems

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(ii)(III), (b)(1)(B)(iii)(I), and (b)(1)(I).

Describe the school's early warning system and provide a list of the early warning indicators used in the system

Students not reading on grade level by grade 3
 Students that are retained

Provide the following data related to the school's early warning system

The number of students by grade level that exhibit each early warning indicator:

Indicator	Grade Level						Total
	K	1	2	3	4	5	
Attendance below 90 percent	4	5	4	11	2	5	31
One or more suspensions	0	0	0	0	1	1	2
Course failure in ELA or Math	3	12	5	15	14	13	62
Level 1 on statewide assessment	0	0	0	29	12	18	59
Retained Students	2	6	3	16	0	0	27

The number of students identified by the system as exhibiting two or more early warning indicators:

Indicator	Grade Level	Total
Students exhibiting two or more indicators		

Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system

- Wonder Works K-5
- Spanish S for Spanish Speakers
- I Ready
- Saturday Academy
- After School Tutoring
- ESOL Tutoring

Family and Community Involvement

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(iii)(I)(aa).

Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. § 6314(b)(1)(F).

Will the school use its PIP to satisfy this question?

Yes

PIP Link

The school completes a Parental Involvement Plan (PIP), which is accessible through the Continuous Improvement Management System (CIMS) at <https://www.floridacims.org/documents/49564>.

Description

A PIP has been uploaded for this school or district - see the link above.

Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement

The administrators and selected staff members of North Glade, will visit local businesses throughout the year to solicit partnerships. The partnerships will include financial assistance, in-kind donations, incentives for student achievement, and/or volunteer services.

Effective Leadership

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(H).

School Leadership Team

Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Sands, Raymond	Principal
Williams, Wanda	Assistant Principal
Howell, Annette	Teacher, K-12
Beaton, Yahajaira	Teacher, K-12
Ferdinand-Julmis, Patricia	Instructional Coach
Green, Phillip	Teacher, K-12
Howard, La Shunda	Teacher, ESE
Lewis, Jaslyn	Instructional Coach
McIntosh, Elorine	Teacher, K-12
Webb, Charmaine	Teacher, K-12
White, Carol	Teacher, K-12
Petersen, Norine	Teacher, K-12
Lieber, Erika	Guidance Counselor

Duties

Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making

The MTSS/RTI Leadership Team will be divided into two groups. The Core MTSS/RTI Team will include the principal, assistant principal, counselor and reading coaches. They will meet bi-weekly to discuss issues.

The basic MTSS/RTI Team will include the principal, assistant principal, and grade level chairpersons. They will meet monthly.

The responsibilities of team members are listed below:

Principal/Assistant Principal (Mr. Raymond Sands/Dr. Wanda Williams): Provides a common vision for the use of data-driven decision-making, ensures that the school based teams implement, conducts assessment of the MTSS/Rti skills of school staff, ensures implementation of intervention support, ensures adequate professional development, and communicates with parents regarding plans and activities.

Coaches (Jaslyn Lewis/Patricia Ferdinand-Julmis): Develops, leads, and evaluates school core content standards/programs; identifies and analyzes existing literature on scientifically based curriculum and intervention approaches, identifies systematically developed patterns of student needs, and matches programs to these needs.

Counselor (Erika Lieber): Schedules and implements MTSS/Rti process, including parent notifications and follow-up. Organizes support staff participation in the process.

Grade Level Chairpersons (K-Raysa Santana, 1-Yahajaira Beaton, 2-Phillip Green, 3-Elorine McIntosh, 4-Charmaine Webb, 5-Carol White: ESE- Lashunda Howard ESOL Annette Howell) Provide leadership within their grade level by providing information about core instruction, participating in data gathering activities, analyzing data as it is collected, making adjustments to lesson plans and class organization that addresses needs discovered in the data collection.

Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact

1. Data will be used to guide instructional decisions and system procedures for all students to:

- adjust the delivery of curriculum and instruction to meet the specific needs of students
- adjust the delivery of behavior management system
- adjust the allocation of school-based resources
- drive decisions regarding targeted professional development
- create student growth trajectories in order to identify and develop interventions

2. Managed data will include:

Academic

- FAIR assessment grade 3-5
- Oral Reading Fluency Measures
- Wonder Works Checkpoints
- Baseline Benchmark Assessments
- I Ready
- Interim assessments
- State/Local Math and Science assessments
- Florida Standards Assessment
- Student grades
- School site specific assessments

3. Behavior

- Student Case Management System
- Detentions
- Suspensions/expulsions
- Referrals by student behavior, staff behavior, and administrative context
- Office referrals per day per month
- Team climate surveys
- Attendance
- Referrals to special education programs

Title I Services-

Services are provided to ensure students requiring additional remediation are assisted through extended learning opportunities (before-school after-school programs and Saturday Academy). The district coordinates with Title II and Title III in ensuring staff development needs are provided. Support services are provided to the schools, students, and families. School based, Title I funded Community Involvement Specialists (CIS), serve as bridge between the home and school through home visits, telephone calls, school site and community parenting activities. The CIS schedules meetings and activities, encourages parents to support their child's education, provide materials, and encourage parental participation in the decision making processes at the school site. Parents participate in the design of their school's Parent Involvement Plan (PIP – which is provided in three languages at all schools), the school improvement process and the life of the school and the annual Title I Annual Parent Meeting at the beginning of the school year. The annual M-DCPS Title I Parent/Family Involvement Survey is intended to be used toward the end of the school year to measure the parent program over the course of the year and to facilitate an evaluation of the parent involvement program

to inform planning for the following year. An all-out effort is made to inform parents of the importance of this survey via CIS, Title I District and Region meetings, Title I Newsletter for Parents, and Title I Quarterly Parent Bulletins. This survey, available in English, Spanish and Haitian-Creole, will be available online and via hard copy for parents (at schools and at District meetings) to complete. Other components that are integrated into the school-wide program include an extensive Parental Program; Supplemental Educational Services; and special support services to special needs populations such as homeless, migrant, and neglected and delinquent students.

Title III-

Title III funds are used to supplement and enhance the programs for English Language Learner (ELL) and Recently Arrived Immigrant Children and Youth by providing funds to implement and/or provide:

- tutorial programs (K-12)
- parent outreach activities (K-12) through the Bilingual Parent Outreach Program (The Parent Academy)
- professional development on best practices for ESOL and content area teachers
- coaching and mentoring for ESOL and content area teachers(K-12)
- reading and supplementary instructional materials(K-12)
- cultural supplementary instructional materials (K-12)
- purchase of supplemental hardware and software for the development of language and literacy skills in reading, mathematics and science, as well as, thematic cultural lessons is purchased for selected schools to be used by ELL students and recently arrived immigrant students (K-12, RFP Process)

Title X - Project UP-START, The Homeless Education Program

- Miami-Dade County Public Schools' School Board approved the School Board Policy 5111.01 titled, Homeless Students. The board policy defines the McKinney-Vento Law and ensures homeless students receive all the services they are entitled to.
- The Homeless Education Program seeks to ensure a successful educational experience for homeless children by collaborating with parents, schools, and the community.
- The Homeless Education Program assists schools with the identification, enrollment, attendance, and transportation of homeless students. All schools are eligible to receive services and will do so upon identification and classification of a student as homeless.
- The Staff in the Homeless Education Program provides annual training to: 1) School Registrars on the procedures for enrolling homeless students, 2) School Counselors on the McKinney-Vento Homeless Assistance Act which ensures that homeless children and youth are not to be stigmatized, separated, segregated, or isolated on their status as homeless, and are provided all entitlements, and
- 3) all School Homeless Liaisons assigned by the school administrator to provide further details on the rights and services of students identified as homeless.
- Project Upstart and The Homeless Trust, a community organization, provides a homeless sensitivity, awareness campaign to all the schools - each school is provided a video and curriculum manual, and a contest is sponsored by The Homeless Trust-a community organization.
- Project Upstart provides tutoring and counseling to selected homeless shelters in the community.
- The District Homeless Liaison continues to participate in community organization meetings and task forces as it relates to homeless children and youth.
- Each school will identify a school-based School Homeless Liaison to be trained on the McKinney-Vento Law ensuring appropriate services are provided to the homeless students.

Violence Prevention Programs-• The Safe and Drug-Free Schools Program addresses violence and drug prevention and intervention services for students through curriculum implemented by classroom teachers, elementary counselors, and/or TRUST Specialists.

- Training and technical assistance for elementary, middle, and senior high school teachers, administrators, counselors, and/or TRUST Specialists is also a component of this program.

Miami-Dade County public Schools adopted Policy 5517.01, titled Bullying and Harassment. It is the policy of the Miami-Dade County Public School system that all of its students and school employees have an educational setting that is safe, secure and free from harassment and bullying of any kind.

Nutrition Programs-

- 1) The school adheres to and implements the nutrition requirements stated in the District Wellness

Policy.

2) Nutrition education, as per state statute, is taught through physical education.

3) The School Food Service Program, school breakfast, school lunch, and after care snacks, follows the Healthy Food and Beverage Guidelines as adopted in the District's

HIV Curriculum

- AIDS: GET the Facts!, is an curriculum that provides a series of general objectives, lessons, activities and resources for providing HIV/AIDS
- instruction in grades K-12.
- HIV/AIDS curriculum is consistent with state legislation, as well as school policy and procedures including: Florida Statute 1003.46, Health education; instruction in acquired immune deficiency syndrome, School Board Policy: 6Gx13-5D-1.021 Welfare; School Health Services Program, the M-DCPS Worksite HIV/AIDS Hand Book, and Control of Communicable Disease in School Guidebook for School Personnel.
- HIV/AIDS curriculum content is also in alignment with Florida Sunshine State Standards.
- HIV/AIDS content teachers are trained on the curriculum and can participate in yearly professional development about health and wellness related topics.
-

Violence Prevention

- The Safe and Drug-Free Schools Program addresses violence and drug prevention and intervention services for students through curriculum implemented by classroom teachers, elementary counselors, and/or TRUST Specialists.
- Training and technical assistance for elementary, middle, and senior high school teachers, administrators, counselors, and/or TRUST Specialists is also a component of this program.

School Advisory Council (SAC)

Membership

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group
Raymond Sands	Principal
Annette Howell	Teacher
Ruthie Poole-Glass	Teacher
Gwenette Seldon	Education Support Employee
Alexandra DelRosario	Parent
Carsha Biglow	Education Support Employee
Elorine McIntosh	Education Support Employee
Erika Lieber	Teacher
Evonne Palomino	Parent
Kevin Bolanos	Student
Luis Ascencio	Parent
Maggie Fitts	Business/Community
Michael Garcia	Student
Natasha Phillips	Teacher
Norinne Petersen	Teacher
Rosibal Montoya	Parent
Vaughn Minnis	Parent
Vilma Vazquez	Parent
Yahajaira Beaton	Teacher
Yahica White	Parent
Yvonne Yates	Business/Community

Duties

Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

Evaluation of last year's school improvement plan

The SAC committee, which consist of a team of teachers, parents, community partners, students and administration, evaluated each section of the School Improvement Plan. Revisions were made to educational goals based on the school's data and desired outcomes for next year.

Development of this school improvement plan

The SAC members contributed to each section of the school improvement plan. They were involved in reviewing, revising, identifying goals and gathering student data . Additionally, they participated in the school's Debriefing Conference held June 2014, to assist with the creation of the 2014-15 school improvement plan. Additionally, adjustments to the plan were made by the Education Transformation Office (ETO).

Preparation of the school's annual budget and plan

The SAC committee is responsible ensuring SAC funds benefit all students and that all procedures, and guidelines are met regarding expenditures. Allocations budgeted were approved by vote and were made at monthly meetings and documented in the EESAC minutes.

Describe the use of school improvement funds allocated last year, including the amount budgeted for each project

EESAC had \$1,700, to support the SIP. Allocations were made at monthly meetings and documented in the EESAC minutes as follows:

- K-5- AR/Reading Log Incentives \$300.00
- Grade 5 Promotional Activities \$500.00
- PK-5 Fun Day (School Wide Incentive) \$500.00
- K-Promotional Activities \$100.00
- PK-5 Career Day Activities \$200.00
- Total Spent \$1,600.
- Total Returned \$100.00

Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC

Yes

If the school is not in compliance, describe the measures being implemented to meet SAC requirements

Literacy Leadership Team (LLT)

Membership

Identify the name, email address and position title for each member of the school-based LLT.:

Name	Title
Sands, Raymond	Principal
Williams, Wanda	Assistant Principal
Howell, Annette	Teacher, K-12
Howard, La Shunda	Teacher, ESE
Lewis, Jaslyn	Instructional Coach
Padron-Rojas, Ivette	Instructional Coach

Duties

Describe how the LLT promotes literacy within the school

We will provide incentives for students for my own reader, monthly student reading logs submission, and meeting IReady reading targets. Additionally, we will incorporate reading literacy across the curriculum and monitor the implementation and fidelity of core standards for the MacGraw-Hill program. The Literacy Team (LLT) will meet to discuss and implement updates to the instructional and intervention programs, monitor and adjust the school's academic behavioral goal through data gathering and analysis. Literacy will be an integral part of the content areas. The overall goal is for all students to gain confidence and competence and view themselves as successful readers.

- Wonder Works Intervention/Spanish Intervention for all students reading below grade level.
- Reciprocal Teaching will be incorporated within the schema of literacy in all content areas.
- Writing is embedded in all subjects.
- Phonics and Structural Analysis is embedded in the Reading program

Public and Collaborative Teaching

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(D).

Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction

Teachers have common planning time with the coach to share best practices and receive professional development from the curriculum support specialist. Teachers will share instructional strategies, discuss concerns, conduct data reviews, and review the Florida Standards in relationship to the District's Pacing Guide. Additionally, teachers and coach will review data with administration to discuss strategies to improve student achievement.

Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school

The school site principal is responsible for hiring effective teachers at the worksite. North Glade Elementary School's strategies to recruit highly qualified, certified-in-field, and effective teachers to the school are as follows:

- Allowing college students from various universities to obtain field experience/intern with a supervising teacher at North Glade Elementary School.
- Partnering new teachers with veteran teachers
- Providing leadership experiences to highly-qualified teachers
- Recruiting from local colleges
- vertical teaching activities
- provide professional development for teachers

Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities

New teachers will be paired with veteran teachers of the same subject area that have a record of effective instruction based on test scores and observations.

Ambitious Instruction and Learning

Instructional Programs and Strategies

Instructional Programs

Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards

- Provide ongoing professional development on the implementation of the District's Pacing Guide and Florida Standards.
- Weekly common planning with coaches/CSS/administration, to assist in building teachers' capacity as they effectively implement the Florida Standards.
- Monitoring the fidelity of the Wonders reading program, whole group instruction, differentiated instruction, and Wonder Works Intervention programs.

Instructional Strategies

Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments

The Leadership Team regularly meets to analyze, discuss, disaggregate and disseminate student data. Students are identified and monitored vertically to lessen the possibility of regression and to ensure that students who are not performing well make necessary adjustments so they can move toward proficiency, narrowing the achievement gap. Level 1 and 2 targeted students receive Reading Intervention through McGraw-Hill Wonder Works, in addition to the 90 minute reading block. Targeted level 1 and 2 students in Mathematics, receive 30 minutes of interventions/small group instruction during the 90 minute Mathematics block, or in addition to the 60 minute Mathematics block, and push

in assistance for targeted students. During weekly collaborative planning, item specifications and pacing guides are utilized to ensure that lessons, bell ringers, and Teacher Led Center lessons are aligned to the Florida Standards. Students scoring level 1 and 2 on state assessments receive daily intervention. Ongoing data is reviewed to target students' needs and plan mini lessons to be used at the Teacher Led Center (TLC) providing differentiated instruction (DI) to targeted students. Professional Development will focus on incorporating rigor to meet the challenges of the Florida Standards Assessment (FSA).

Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: After School Program

Minutes added to school year: 2,160

Eighteen weeks of intervention sessions in math and reading to prepare students for the high stakes testing.

Strategy Rationale

Instruction in core academic subjects.

Strategy Purpose(s)

- Core Academic Instruction

Person(s) responsible for monitoring implementation of the strategy

Howell, Annette, aehowell@dadeschools.net

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

Students will be accessed on a weekly bases using formative assessments in order to monitor the effectiveness of the strategies and to differentiate instruction during the Extended Learning time as needed.

Strategy: Weekend Program

Minutes added to school year: 720

Provide four week sessions on Saturday in reading, writing, math, and science.to prepare students for high stake testing (budget permitting).

Strategy Rationale

Strategy Purpose(s)

''''

Person(s) responsible for monitoring implementation of the strategy

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

Students will take a pre- and post-test.

Student Transition and Readiness

PreK-12 Transition

The school's response to this question may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(G).

Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another

Title I Administration provides supplemental funds beyond the State of Florida funded Voluntary Pre-Kindergarten Program (VPK). Funds are used to provide extended support through a full time highly qualified teacher and paraprofessional. Providing young children with a variety of meaningful experiences, in environments that give them opportunities to create knowledge through initiatives shared with supportive adults. In selected school communities, the Title I Program further provides assistance for preschool transition through the Home Instruction for Parents of Preschool Youngsters (HIPPY) Program. HIPPY provides in-home training for parents to become more involved in the educational process of their three and four year old children. All incoming Kindergarten students are administered the Florida Kindergarten Readiness Screener

(FLKRS) and i-Ready to determine their academic skill development and academic school readiness. The screening data will be utilized to develop instructional plans that meet students' needs as well as assist in placement of students in classes that are based on individual needs.

In order to prepare incoming Kindergarten students for school, administrators visit Pre-Kindergarten sites and centers in the area surrounding North Glade Elementary to network with the administrators of those sites and to inform them of the expectations for kindergarten so that the students will be better prepared for school. Special education teachers attend Pre-Kindergarten staffings to assist in the transition of students to our special education Kindergarten classes. As needed, incoming Kindergarten students are assessed with the MDCPS OLPs to determine their English language level, prior to the school year beginning.

K-1

Articulation meetings with K and 1st grade teachers to discuss strengths, weaknesses and specific needs of students entering 1st grade.

5-6

Articulation meetings with students' future middle school to provide counseling services, assistance with middle school course selection, middle school articulation presentations to our students, and magnet schools of choice information to the students and parents.

College and Career Readiness

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations

NA

Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs

NA

Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement

NA

Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes

School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.

Targeted Barriers to Achieving the Goal 3

Action Plan for Improvement

For each strategy selected in the plan to reduce a targeted barrier to a strategic goal, this section lists the rationale for that strategy (i.e., why the school believes it will reduce the barrier) and the action steps that have been identified as necessary to implementing the strategy, including details such as the point person, timing and duration, and evidence of completion. At the end of each set of action steps is the plan for monitoring the implementation and effectiveness of the respective strategy.
