School Board Approval

This plan was approved by the Seminole County School Board on 11/18/2014.

SIP Authority and Template

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F, or with a grade of F within the prior two years. For all other schools, the district may use a template of its choosing. All districts must submit annual assurances that their plans meet statutory requirements.

This document was prepared by school and district leadership using the Florida Department of Education's school improvement planning web application located at <https://www.floridacims.org>.

Table of Contents

Purpose and Outline of the SIP	4
Differentiated Accountability	5
Current School Status	8
8-Step Planning and Problem Solving Implementation	18
Goals Summary	18
Goals Detail	18
Action Plan for Improvement	21
Appendix 1: Implementation Timeline	25
Appendix 2: Professional Development and Technical Assistance Outlines	25
Professional Development Opportunities	26
Technical Assistance Items	27
Appendix 3: Budget to Support Goals	28

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. A corollary at the district level is the District Improvement and Assistance Plan (DIAP), designed to help district leadership make the necessary connections between school and district goals in order to align resources. The Florida Department of Education encourages schools to use the SIP as a “living document” by continually updating, refining and using the plan to guide their work throughout the year. This printed version represents the SIP as of the “Date Modified” listed in the footer.

Part I: Current School Status

Part I organizes the current status of the school around five domains inspired by the 5Essentials framework: Supportive Environment, Family and Community Involvement, Effective Leadership, Public and Collaborative Teaching, and Ambitious Instruction and Learning. Questions regarding the school’s Multi-Tiered System of Supports have been embedded throughout this part to demonstrate how data is used by stakeholders to understand the needs of all students and allocate appropriate resources in proportion to those needs.

Part II: Needs Assessment

Part II requires the school to review performance and early warning systems data in order to develop strategic goals and associated data targets (i.e., “SMART goals”) for the coming school year in context of the school’s greatest strengths and needs. An online tool was developed, which includes data visualizations and processing questions to support problem identification, problem analysis and strategic goal formulation.

Part III: 8-Step Planning and Problem Solving for Implementation

Part III enables the school to develop implementation plans for its highest-priority goals. With the overview of the current state of the school in mind and the strategic goals identified through the needs assessment, the planning team engages in a facilitated planning and problem-solving process, through which they

- Define strategic goals and establish targets to be reached by successfully achieving the goals (Step 1)
- Identify resources available to support the goals and barriers that could hinder achieving those goals (Step 2)
- Select high-priority barriers they want to address initially (Step 3)
- Design implementation and monitoring plans for strategies to resolve selected barriers (Steps 4-7)
- Determine how they will monitor progress toward each goal (Step 8)

Appendices

The following appendices, automatically-generated from content entered in Part III, are included in this document:

- Appendix 1 is a timeline of all action steps and monitoring activities
- Appendix 2 is an outline of all professional development opportunities and technical assistance items
- Appendix 3 is a report of the budget needed to implement the strategies

Differentiated Accountability

Florida's Differentiated Accountability (DA) system is a statewide network of strategic support, differentiated by need according to performance data, and provided to schools and districts in order to improve leadership capacity, teacher efficacy and student outcomes. DA field teams collaborate with district and school leadership to design, implement and refine improvement plans, as well as provide instructional coaching, as needed.

DA Regions

Florida's DA network is divided into five geographical regions, each served by a field team led by a regional executive director (RED).

DA Categories

Traditional public schools are classified at the start of each school year, based upon the most recently released school grades (A-F), into one of the following categories:

- Not in DA – currently A or B with no F in prior three years; charter schools; ungraded schools
- Monitoring Only – currently A or B with at least one F in the prior three years
- Prevent – currently C
- Focus – currently D
 - Planning – two consecutive grades of D (i.e., DD), or a grade of F immediately followed by a grade of D in the most recent grades release (i.e., FD)
 - Implementing – two consecutive grades of D in the most recent grades release preceded by a grade below C (i.e., FDD or DDD)
- Priority – currently F
 - Planning – declined to a grade of F in the most recent grades release and have not received a planning year or implemented a turnaround option during the previous school year
 - Implementing – two consecutive grades of F (i.e., FF), or three consecutive grades below C with an F in the most recent grades release (i.e., FDF or DDF)

DA Turnaround and Monitoring Statuses

Additionally, schools in DA are subject to one or more of the following Turnaround and Monitoring Statuses:

- Former F – currently A-D with at least one F in the prior three years; SIP is monitored by FDOE
- Planning – Focus Planning and Priority Planning; district is planning for possible turnaround
- Implementing – Focus Implementing and Priority Implementing; district is implementing the Turnaround Option Plan (TOP)

2014-15 DA Category and Statuses

DA Category	Region	RED
Not In DA	2	Wayne Green
Former F	Turnaround Status	
No		

Part I: Current School Status

Supportive Environment

School Mission and Vision

Provide the school's mission statement

The mission of Goldsboro Elementary Magnet School is to empower students to excel in a world of math, science, and technology through local and global collaboration in a nurturing and challenging environment.

Provide the school's vision statement

Goldsboro Elementary School will be the premier magnet elementary school in the Seminole Cluster. Goldsboro will be recognized in the district and the state level for high standards, academic performance, and offering students customized educational pathways in the areas of math, science and technology.

*Goldsboro will support the SCPS vision that all Early Childhood Program and Pre-K through Grade 5 students acquire the knowledge, skills, and attitudes to be productive citizens in our great country and in the global economy.

*All students and will perform to their fullest potential.

*There will be equitable facilities and opportunities for all students.

*The school's personnel will be highly qualified, diverse, innovative, enthusiastic, energetic, and dedicated to the mission.

School Environment

Describe the process by which the school learns about students' cultures and builds relationships between teachers and students

Goldsboro Elementary works very closely with its students and families with the intent to educate one another on each others' cultures, with the end result being to create a well-rounded school culture embracing each others' differences and similarities.

Goldsboro/PTA holds several community events throughout the year including and a Fall Social, book fairs that accompany "picnic and paperbacks", parent curriculum nights, and family nights each month. Hispanic heritage, Black history, and women's history are all celebrated and recognized during the school year. Culturally relevant professional development has been scheduled for all staff to take part in.. We have planned for 10 face-to-face trainings throughout the school year. The goal is to gain a better understanding of various cultures within our Goldsboro community and to put into practice the actions of acceptance of all. The principal and leadership team members visit the local Boys and Girls club, churches and other community outreach centers to develop relationships with the surrounding community members. Other events, such as Teach In, also gives our students the opportunity to share their culture with peers.

Describe how the school creates an environment where students feel safe and respected before, during and after school

Through PBS (Positive Behavior Support), "The GEMS Star Pledge" is the cornerstone of our behavior management program and the key in building a positive, safe culture at Goldsboro Elementary. Students recite, "Stay Safe, Think Before I Act, Accept Responsibility, Respect Everyone and Everything, and Strive for Success. I practice the GEMS Star Pledge". This quote, which is embedded within our Positive Behavior Support program, creates a school environment of safety, trust, and support with our students and our staff. Our PBS team, made up of teacher/faculty leaders,

has designed a behavior program that is based on positives/incentives, with a focus on the success of our students, rather than negative consequences.

Describe the schoolwide behavioral system in place that aids in minimizing distractions to keep students engaged during instructional time. This may include, but is not limited to, established protocols for disciplinary incidents, clear behavioral expectations, and training for school personnel to ensure the system is fairly and consistently enforced

All staff is trained in our Positive Behavior Support program. This program is built on "making right choices"; excelling in behavior, sports, arts, and academics; supporting and recognizing students and staff through incentives and positive reinforcement; and celebrating success. Clear expectations are communicated to all stake holders, incentives are put into place (students earn GEMS dollars), and we focus on doing the right thing. Additionally, great emphasis is placed on engaged instruction and building relationships/trust with students. When disciplinary action is called for, the Student Code of Conduct is followed and adhered to. In addition to the SCPS discipline referral process, we utilize a reporting system that enables us to track behaviors so that intervention can take place early in an effort to positively shape desired behaviors.

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services

Goldsboro Elementary has established various small group services for the needs of our students including anger management, peer resolution, social skills, and one-on-one when needed. Our behavior resource teacher meets with students regularly as a pro-active approach to resolving known issues our students deal with as children. It is very common to see our guidance counselor meeting with students one-on-one in which the child feels safe to share his/her feelings over lunch and/or other times during the day.

Early Warning Systems

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(ii)(III), (b)(1)(B)(iii)(I), and (b)(1)(I).

Describe the school's early warning system and provide a list of the early warning indicators used in the system

1. Any time a student's attendance drops below 90%, the principal is notified by the guidance counselor. Initially the guidance counselor makes direct contact with the parents. If attendance issues continue, the principal attempts to make contact. If the attendance issue continues, the School Resource Officer and Social Worker are notified and truancy procedures are followed.
2. Any time a student is suspended, the parent is notified. If the student receives multiple suspension, they are referred to the MTSS team to be placed on a Behavior Improvement Plan. If the BIP is not successful, the student will be referred to the Student Study Team to evaluate the need of additional services.
3. Any time a student begins to fail a course or shows academic deficiencies in ELA or Math through progress monitors, the student is brought to the MTSS team. With parent input, the MTSS implements a tiered approach plan to address the students academic deficiencies and track growth through ongoing progress monitoring (OPMs). If the student continues to struggle, he/she will be referred to the SST to evaluate the need of additional services.
4. All Level 1 students are immediately referred to the MTSS team and places in a tiered approach intervention.

Provide the following data related to the school's early warning system

The number of students by grade level that exhibit each early warning indicator:

Indicator	Grade Level	Total
Attendance below 90 percent		
One or more suspensions		
Course failure in ELA or Math		
Level 1 on statewide assessment		

The number of students identified by the system as exhibiting two or more early warning indicators:

Indicator	Grade Level	Total
Students exhibiting two or more indicators		

Describe all intervention strategies employed by the school to improve the academic performance of students identified by the early warning system

Parent/teacher conferences, MTSS, counseling, mentor programs, daily 30 min. of intervention, SIPPS, Making Meaning, iReady, tutorial, BIPs, OPMs, Fast ForWord.

Family and Community Involvement

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(B)(iii)(I)(aa).

Describe how the school works at building positive relationships with families to increase involvement, including efforts to communicate the school's mission and vision, and keep parents informed of their child's progress

Title I schools use the Parent Involvement Plan (PIP) to meet the requirements of 20 U.S.C. § 6314(b)(1)(F).

Will the school use its PIP to satisfy this question?

Yes

PIP Link

The school completes a Parental Involvement Plan (PIP), which is accessible through the Continuous Improvement Management System (CIMS) at <https://www.floridacims.org/documents/188650>.

Description

A PIP has been uploaded for this school or district - see the link above.

Describe the process by which the school builds and sustains partnerships with the local community for the purpose of securing and utilizing resources to support the school and student achievement

Goldsboro teachers are targeting parents to take a more active role in our online student data/grades/communication program (Skyward). The staff at Goldsboro Elementary works very closely with its students and

families with the intent to educate one another on each others' cultures, with the end result being to create a well-rounded school culture embracing each others' differences and similarities. Starting in August, we have several community events throughout the year including a "picnic and paperbacks" event, a

book fair, parent curriculum nights, and PTA events. We have established an active volunteer program, SAC, and PTA. In our foyer, we have set up a looping Power Point that reviews our school's mission, vision, goals, and priorities as well as pictures of families/students engaged in active learning. I as the principal will visit the local Boys & Girls Club, churches, and other community centers in an effort to establish relationships with those who partner in raising students Goldsboro students.

Effective Leadership

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(H).

School Leadership Team

Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Schreiner, Keaton	Principal
Mulholland, Chris	Assistant Principal
Goodwin, Debra	Instructional Coach
Hurt, Linda	Instructional Coach
Kellett, Jennifer	Instructional Coach

Duties

Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making

The team will meet to analyze school wide data and discuss progress, as well as needed areas of intervention. There will be thirty additional minutes for intervention groups built into the daily schedule. The team will provide training to teachers in ongoing progress monitoring and small group interventions that go along with core instructional programs. Training for the MTSS model including data collection and monitoring, as well as interventions will be conducted through staff development meetings and professional learning communities. The team will meet weekly on Wednesdays. However, at any time, the teacher can request assistance from the team. The team will offer the classroom teachers strategies for interventions in both academics and behaviors for targeted groups in addition to the general curriculum and behavior management plans. The team will offer the opportunity for modeled lessons, which target interventions or appropriate behaviors. The team can assist the teacher in writing academic intervention plans and behavior plans for students in need. If all provided interventions are not successful, the team can assist the teacher in referral process for the Student Study Team at which time, additional interventions, testing or special education services may be considered.

Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact

The school has a core Multi-Tiered System of Supports (MTSS) problem solving team, comprised of members with expertise in academic and behavioral domains. The MTSS team utilizes the continuous problem solving process to identify students who are at-risk in academics and/or behavior and determines why the problem is occurring. The MTSS team designs and implements research-based interventions and regularly monitors student progress/response to interventions. The school utilizes the online MTSS module to document all interventions, meetings, and parent involvement in the process.

Goldsboro Elementary Magnet School will coordinate Title I, Supplemental Academic Instruction, and Exceptional Student Education funds to provide additional academic tutorial and/or intervention time for students in need of remediation. These funding sources are coordinated to maximize the number of students and the amount of services available for academic interventions. In addition, the school

district coordinates IDEA and Title I funds to provide our school additional paraprofessionals that facilitate small group instruction during the school day. The coordination and integration of these funds and services ensure students are provided the time and support needed to master the standards and improve academic achievement.

School Advisory Council (SAC)

Membership

Identify the name and stakeholder group for each member of the SAC.:

Name	Stakeholder Group
Keaton Schreiner	Principal
Greg Sutton	Parent
Amy Blowers	Parent
Lee Cassie	Parent
Travis Cassie	Parent
Christopher Golden	Parent
Lashon Henderson	Parent
Stacey Rogus	Parent
William Simmons	Parent
Kelly Torresin	Parent
Raj Vaidyanathan	Parent
Rachel Wagner	Parent
Albert Green	Parent
Shannon Benninghove	Teacher
Stephanie Shoucair	Teacher
Debbie Rivera	Teacher
Kathy Alexander	Education Support Employee

Duties

Provide a description of the SAC's involvement with the following activities, as required by section 1001.452(2), Florida Statutes

Evaluation of last year's school improvement plan

The Principal with the assistance of the School Advisory Council met to address student achievement goals based on the 13-14 school performance assessment data to determine an evaluation of it's goals and effectiveness. Goldsboro SAC represents our school demographics.

Development of this school improvement plan

During the first SAC meeting of the school year, 2014-2015 FCAT data was shared with the School Advisory Council and attendees. Input from the SAC has been considered and focus goals have been established by the leadership team.

Preparation of the school's annual budget and plan

During the September 2014 meeting, updated budget information was shared by the principal to the SAC in order to determine allocations for expenditures for the 2014 - 2015 school year. Allocations will be based on school wide goals.

Describe the use of school improvement funds allocated last year, including the amount budgeted for each project

Goldsboro received \$850 in school improvement funds for the 2014-2015 school year. The projected use is allotted for materials for our Positive Behavior Support (PBS) initiative we are continuing this school year. PBS is a school wide behavior management system. One of our goals this school year is to decrease the amount of out-of-school suspensions in comparison to the 2013-2014 school year.

Verify that the school is in compliance with section 1001.452, Florida Statutes, regarding the establishment requirements and duties of the SAC

Yes

If the school is not in compliance, describe the measures being implemented to meet SAC requirements

Literacy Leadership Team (LLT)

Membership

Identify the name, email address and position title for each member of the school-based LLT.:

Name	Title
Goodwin, Debra	Instructional Coach
Kellett, Jennifer	Instructional Coach

Duties

Describe how the LLT promotes literacy within the school

- Facilitate and organize a 30 minute Reading "Walk To" model of instruction at each grade in order to differentiate instruction to meet the needs of all students and increase school-wide reading proficiency. The goal is to increase reading ability and analysis of text for all students.
- Schedule trimester and/or quarterly assessments to find students' reading and writing strengths and weaknesses and to monitor student progress. (DRA, SRI, DE, PSI, PASI, Writing Prompts, etc)
- Conduct monthly data meetings to help teachers better understand and use their students' data. Data meetings will also help teachers make instructional decisions in "Walk To" groups and in the classroom.
- Increase differentiation of instruction in classrooms through Professional Development, collaborative PLC meetings, and lesson study involving small group, conferencing, and a workshop model in reading and writing.
- Facilitate and organize a Writing "Walk To" model of instruction in fourth grade in order to differentiate instruction to meet the needs of all students.
- Collaborate with PLC team members to create or use previously made common assessments on state standards, share instructional strategies for teaching standards, and analyze data from common assessments in order to reflect on teaching and provide targeted remediation where needed.
- Increase "eyes on text" at students' levels by promoting a love of reading, motivation through Accelerated Reader (AR) and other reading incentives, and an emphasis on quality, authentic book selections.

Public and Collaborative Teaching

The school's response to this section may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(D).

Describe the school's strategies to encourage positive working relationships between teachers, including collaborative planning and instruction

Goldsboro utilizes Professional Learning Communities to address collaborative planning and instruction in order to implement district curriculum plans aligned with the Florida Standards. Teachers have a common plan time and specific scheduled Wednesday afternoons for which to collaboratively plan their instruction.

Describe the school's strategies to recruit, develop and retain highly qualified, certified-in-field, effective teachers to the school

Seminole County Public Schools is always looking for highly qualified, certified teachers to teach our students. The method of recruitment is defined based on the need. Seminole County Public Schools reputation of being an "A" school district brings to us thousands of highly qualified applicants. One of our recruitment strategies is our partnership with State and private colleges and universities. We welcome university and college interns and field study students to our district not only from the State of Florida university system but also out of State. Annually our district participates in many university job fairs and minority and veteran job fairs.

The district supports all teachers but especially new teachers with mentoring programs. We also provide in-services and workshops. New teachers with zero years of experience are assigned a one on one mentor. This support is provided beyond the first year.

Keaton Schreiner, school principal, is the person responsible for retaining highly qualified teachers.

Describe the school's teacher mentoring program, including the rationale for pairings and planned mentoring activities

Our school has a school-wide mentor who works with administration to coordinate all mentoring activities on our campus. This school-wide mentor was trained by our county's new teacher facilitator and given materials and agendas to support the new teachers during this calendar year. Before school began, our new teachers spent a day with our school-wide mentor and were given a campus tour and oriented to important procedures and policies that will affect them as they begin the school year. Once school begins, these new teachers meet regularly with the mentor(s) who best fits their needs and follow an agenda of recommended topics that are appropriate for each teacher's given situation. Whether the new teacher is working with a school-wide mentor, peer teacher, or alternative certification mentor, he or she is working with an individual who has been trained by our county to support the teacher's various needs. Each of these mentor roles are fine-tuned each year based on the feedback from our new teachers the year before.

Ambitious Instruction and Learning

Instructional Programs and Strategies

Instructional Programs

Describe how the school ensures its core instructional programs and materials are aligned to Florida's standards

Goldsboro follows the Reading, Math, Science, and Writing SCPS instructional plans for K-5. All SCPS instructional plans are aligned to Florida Standards and specific to grade level.

Instructional Strategies

Describe how the school uses data to provide and differentiate instruction to meet the diverse needs of students. Provide examples of how instruction is modified or supplemented to assist students having difficulty attaining the proficient or advanced level on state assessments

Goldsboro's teachers/instructional coaches use various data to provide and differentiate instruction to meet the diverse needs of our students. Assessments are used as diagnostics and "ongoing progress monitors" to determine student needs and to track student growth. Determined by the data, various differentiated

instructional practices are implemented, including intervention and acceleration, dependent on the students' needs. Students are monitored on an individual basis and their data is used to create student

based services. Various assessments used include Discovery Education, FSA, SRI, DRA, DAR, PASI, PSI, iReady, curriculum based assessments, and fluency reads.

Provide the following information for each strategy the school uses to increase the amount and quality of learning time and help enrich and accelerate the curriculum:

Strategy: Before School Program

Minutes added to school year: 2,160

Students will be provided extended learning time by participating in morning and/or afternoon sessions (36 sessions at 60 minutes per session). Certified teachers will offer intensive instruction, focused on the skills required for the specific grade level.

Strategy Rationale

We will strategically focus on identified academic deficiencies of our LQ and struggling students in ELA and Math. This will not only hit our overall proficiency goals, but also our LQ making LGs.

Strategy Purpose(s)

- Core Academic Instruction

Person(s) responsible for monitoring implementation of the strategy

Mulholland, Chris, chris_mulholland@scps.k12.fl.us

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

Data using DRAs, SRI Lexile, DE, and Learning Gains on FSA is collected and analyzed. OPMs, such as DRAs, DE, and SRI are administered on a regular basis to see if programs are effective.

Strategy: Summer Program

Minutes added to school year: 5,760

Summer Learning Camp

Strategy Rationale

Students that score Level 1 or 2 will be given intensive intervention services with the goal to improve reading skills and to earn a Good Cause Exemption.

Strategy Purpose(s)

- Core Academic Instruction

Person(s) responsible for monitoring implementation of the strategy

Mulholland, Chris, chris_mulholland@scps.k12.fl.us

Data that is or will be collected and how it is analyzed to determine effectiveness of the strategy

Data from DRAs, SAT 10, SRI, and summer curriculum is collected.

Student Transition and Readiness

PreK-12 Transition

The school's response to this question may be used to satisfy the requirements of 20 U.S.C. § 6314(b)(1)(G).

Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another

Students in the Voluntary Pre-K (VPK) Program visit the kindergarten classrooms at the end of the school year to learn about what to expect in kindergarten. During the summer, students entering kindergarten in selected Title I Schools can attend Kinder Camp to help prepare them for success in kindergarten. Schools offer an Open House before school starts and kindergarten teachers are available for individual conferences.

College and Career Readiness

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations

N/A

Identify the career and technical education programs available to students and industry certifications that may be earned through those respective programs

N/A

Describe efforts the school has taken to integrate career and technical education with academic courses (e.g., industrial biotechnology) to support student achievement

N/A

Describe strategies for improving student readiness for the public postsecondary level based on annual analysis of the [High School Feedback Report](#), as required by section 1008.37(4), Florida Statutes

Goldsboro Elementary is working closely with all elementary, middle, and high schools in the Sanford/Seminole

Cluster to ensure that we have implemented vertical strategic planning with the intent that students graduate and are ready for post-secondary experiences.

School Improvement Goals

The following key is intended to help readers understand how the sections of this document correspond to the steps of the 8-step planning and problem-solving framework used in the School Improvement Plan. The Quick Key numbers can help registered users go directly to the point of entry for any given goal, barrier and strategy within the online survey.

Problem Solving Key

G = Goal

B =
Barrier

S = Strategy

 = Problem Solving Step  S123456 = Quick Key

Strategic Goals Summary

- G1.** All instructional staff will implement research based best teaching practices, differentiated instruction and standards based intervention strategies to increase student achievement in reading, writing, math and science and close the disparity gap between subgroups.

Strategic Goals Detail

For each strategic goal, this section lists the associated targets (i.e., "SMART goals"), resources available to support movement toward the goal, barriers to achieving the goal, and the plan for monitoring progress toward the goal

G1. All instructional staff will implement research based best teaching practices, differentiated instruction and standards based intervention strategies to increase student achievement in reading, writing, math and science and close the disparity gap between subgroups. **1a**

 G053264

Targets Supported **1b**

Indicator	Annual Target
AMO Math - African American	63.0
AMO Math - ED	72.0
AMO Reading - African American	67.0
AMO Reading - ED	71.0
FSA - English Language Arts - Proficiency Rate	75.0
FSA - Mathematics - Proficiency Rate	75.0
FCAT 2.0 Science Proficiency	78.0

Resources Available to Support the Goal **2**

- Professional Development
- Instructional Materials
- Three Instructional Coaches
- Student Support Services

Evidence of Completion

Agendas, Sign-in sheets and PLC Schedules

Plan to Monitor Fidelity of Implementation of G1.B1.S2 6

Professional Learning Communities Schedule

Person Responsible

Chris Mulholland

Schedule

Weekly, from 8/18/2014 to 6/30/2015

Evidence of Completion

Attendance at PLC meetings and engagement of instructional staff, Implementation of strategies are observable in the classroom post training

Plan to Monitor Effectiveness of Implementation of G1.B1.S2 7

Professional Learning Communities

Person Responsible

Chris Mulholland

Schedule

Weekly, from 8/18/2014 to 6/30/2015

Evidence of Completion

Effective implementation of instructional practice and improved student achievement

G1.B1.S3 Plan weekly walkthroughs with prescriptive and immediate feedback. 4

 S146117

Strategy Rationale

Feedback is a high yield strategy for all learners.

Action Step 1 5

Walkthroughs

Person Responsible

Keaton Schreiner

Schedule

Weekly, from 8/18/2014 to 9/30/2014

Evidence of Completion

Walkthrough schedule and coaching with feedback

Plan to Monitor Fidelity of Implementation of G1.B1.S3 6

Leadership Team Meetings

Person Responsible

Keaton Schreiner

Schedule

Weekly, from 8/18/2014 to 6/30/2015

Evidence of Completion

Observation notes and Coaching logs

Plan to Monitor Effectiveness of Implementation of G1.B1.S3 7

Leadership Team Meetings

Person Responsible

Keaton Schreiner

Schedule

Weekly, from 9/16/2014 to 6/30/2015

Evidence of Completion

Effective implementation of instructional practice and Improved student achievement

Appendix 1: Implementation Timeline

Action steps and monitoring activities identified in the SIP as necessary to achieve the school's goals.

Source	Task, Action Step or Monitoring Activity	Who	Start Date (where applicable)	Deliverable or Evidence of Completion	Due Date/ End Date
G1.B1.S1.A1	Wednesday Professional Development Calendar		8/18/2014	Agendas and sign-in sheets, Classroom Walkthroughs and Coaching logs	9/30/2014 quarterly
G1.B1.S2.A1	Develop and plan for effective Professional Learning Communities.	Schreiner, Keaton	8/18/2014	Agendas, Sign-in sheets and PLC Schedules	6/30/2015 weekly
